INDEPENDENT AUDITORS' REPORT

To The Plan Administrator
F.L. Chamberlain School Retirement Plan
Middleboro, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of F.L. Chamberlain School Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of August 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended August 31, 2022, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended August 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about F.L. Chamberlain School Retirement Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of F.L. Chamberlain School Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about F.L. Chamberlain School Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and

disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of August 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

2021 Financial Statements

The accompanying statement of net assets available for benefits as of August 31, 2021 was compiled by us. We performed the compilation engagement in accordance with Statement on Standards for Accounting and Review services promulgated by the Accounting and Review Services Committee of the AICPA.

F.L. CHAMBERLAIN SCHOOL RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF PLAN:

The following description of the F.L. Chamberlain School Retirement Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

1. General - The Plan is a defined contribution plan established September 1, 1994, covering all employees of the F.L. Chamberlain School (the School) and their beneficiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Frederick L. Chamberlain Center, Inc. (the Company) is responsible for the oversight of the Plan.
2. Eligibility - The Plan covers all employees who have one year of service, provided they worked at least 1,000 hours during such plan year, and are age 18 or older. Participants will then enter the Plan on the month that coincides with or next follows the date on which the participants satisfy the eligibility requirements.
3. Contributions - All contributions are subject to certain limitations imposed by the Plan and the Internal Revenue Code (the Code). Contributions to the Plan may include the following:

401(k) Contributions (Participant Contributions) - The annual amount that a participant may elect as 401(k) contributions is limited to the amount designated by the Secretary of the Treasury pursuant to the limits on elective deferrals under Code Section 402(g). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan includes an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rates set initially at 3% of eligible compensation with annual increases of 1% up to 6% and their contributions are invested in a balanced fund until changed by the participant.

Employer Match and Profit-Sharing Contributions - For each plan year, the Company may contribute to the Plan, on behalf of each eligible participant, a discretionary matching contribution equal to 50% of the eligible participant's first 4% of compensation deferred. To be eligible for such a contribution, an employee must have been an active participant at any time during the plan year and, if not active on the last day of the plan year, had more than 500 hours of service. In addition, each year the School determines the amount of discretionary profit-sharing contribution, if any, to be added to the Plan. For the years ended August 31, 2022 and 2021, there were no discretionary profit-sharing contributions made to the Plan.

Rollovers - The Plan permits participants to transfer distributions from other qualified plans into the Plan.

4. Participant Accounts - Each participant's account is credited with contributions, including employee, employer match, employer profit sharing, and rollover contributions, less any expenses attributable to such contributions. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations of profit-sharing contributions, investment income and administrative expenses are based on participants' compensation or account balances, as defined.
5. Vesting - The participants' contributions and earnings thereon are fully vested at all times. Employer matching and discretionary profit-sharing contributions and earnings thereon are vested based on years of service. A participant is 100% vested in matching contributions and profit-sharing contributions after six years of credited service. Employees also become fully vested in the instance of death, total and permanent disability, or the attainment of normal retirement age.

F.L. CHAMBERLAIN SCHOOL RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
(Continued)

A. DESCRIPTION OF PLAN: (Continued)

6. Investment Options - Participants may direct the investment of all contributions into various investment options offered by the Plan. The Plan allows participants to direct their contributions and account balances among various investment options offered by AXA Equitable.
7. Notes Receivable From Participants - Participants with Plan account balances may borrow the lesser of \$50,000 or 50% of the participant's vested account balance. Each loan shall bear a reasonable fixed rate of interest to be determined by the Loan Administrator. Loans are to be repaid at least quarterly on the basis of substantially level amortization within five years from the date the loan is made, except when used to acquire a principal residence where the term can be extended to up to fifteen years.
8. Payments of Benefits - Upon termination of service, a participant may receive a lump-sum distribution, installment payments or an annuity equal to the value of the participant's vested interest in his or her account as defined in the Plan. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$1,000, the plan administrator may distribute such amount in a lump-sum payment to the participant without consent of the participant. If the participant's balance is between \$1,000 and \$5,000, the plan administrator may rollover the amount into an individual retirement account on behalf of the participant without the consent of the participant.

The Plan also provides for in-service withdrawals by participants who have attained the age of 59½. Upon financial hardship, a participant is entitled to the value of his or her deferral accounts, but not the earnings thereon, which is payable immediately in a lump-sum distribution. Benefits are recorded when paid.

9. Forfeitures - Participants who terminate prior to being 100% vested in the Company's matching and profit-sharing contributions and related earnings will forfeit the nonvested portion. Forfeitures of matching contributions and discretionary profit-sharing contributions are used to reduce the Company's future matching or profit-sharing contributions and/or offset Plan expenses. Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions. Unallocated forfeiture balances as of August 31, 2022 and 2021, are approximately \$100,330 and \$98,179, respectively. During the years ended August 31, 2022 and 2021, there were no forfeited unvested employer contributions used to offset employer matching contribution.
10. Uncertainty In Income and Other Taxes - The Company adopted the standards for *Accounting for Uncertainty in Income Taxes* (income, sales, use and payroll), which required the Company to report any uncertain tax positions and to adjust its financial statements for the impact thereof. As of August 31, 2022 and 2021, the Company determined that it had no tax positions that did not meet the "more likely than not" threshold of being sustained by the applicable tax authority. The Company files tax and information returns in the United States. These returns are generally subject to examination by tax authorities for the last three years.
11. Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Accounting records were maintained by Axa Equitable Life Insurance Company for years ended August 31, 2022 and 2021 on a cash basis. The accompanying financial statements include all material adjustments necessary to present the statements on an accrual basis.

F.L. CHAMBERLAIN SCHOOL RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
(Continued)

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Investments are presented in the accompanying financial statements at their quoted market values. Investment and administrative fees of the Plan are disbursed from the Plan according to agreements between the Company, the plan administrator, the bank trustee or other service providers. Other professional fees are approved by the plan administrator. The Plan pays certain cost for financial statement auditing, recordkeeping, distributions processing and participant loan administration.

C. INFORMATION CERTIFIED BY THE INSURANCE COMPANY:

Axa Equitable Life Insurance Company, the insurance company of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of notes receivable from participants and investment information reflected on the accompanying statements of net assets available for benefits as of August 31, 2022 and 2021, the statement of changes in net assets available for benefit for the year ended August 31, 2022, and the supplemental schedule of assets (held at end of year) as of August 31, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplementary schedule.

D. FAIR VALUE MEASUREMENTS:

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

August 31, 2022	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	\$ 1,244,489	\$ -	\$ -	\$ 1,244,489
	<u>\$ 1,244,489</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,244,489</u>
August 31, 2021	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	\$ 1,310,146	\$ -	\$ -	\$ 1,310,146
	<u>\$ 1,310,146</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,310,146</u>

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

- Level 1 inputs - Fair values are based on quoted prices (unadjusted) in active markets for identical assets that the Plan has the ability to access at the measurement date (e.g. prices derived from NYSE, NASDAQ, or Chicago Board of Trade).
- Level 2 inputs - Fair values are based on inputs other than quoted price included within Level 1 that are observable for valuing the asset or liability, either directly or indirectly (i.e. interest rate yield curves observable at commonly quoted intervals, default rates, etc.). Observable inputs include quoted price for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs.

F.L. CHAMBERLAIN SCHOOL RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
(Continued)

D. FAIR VALUE MEASUREMENTS: (Continued)

- Level 3 inputs - Fair values are based upon unobservable inputs used for valuing an asset or liability. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances. An example could be real estate valuations, which require significant judgment.

The following is a description of the valuation methodologies used for assets measured at fair value:

- Pooled Separate Funds - Valued using the net asset value of units, as determined by the insurance company. NAV is a readily determinable fair value and is the basis for current transactions.

E. GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY:

In 2018, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Equitable Financial Life Insurance Company (Equitable Financial). Equitable Financial maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed-upon with the issuer, but is guaranteed not to drop below 1.00%. The crediting interest rate is set monthly and is declared in advance.

This contract meets the fully benefit-responsive investment contract criteria and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Equitable Financial, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

F. NOTES RECEIVABLE FROM PARTICIPANTS:

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. At August 31, 2022 and 2021, outstanding notes receivable were \$27,756 and \$36,144, respectively.

F.L. CHAMBERLAIN SCHOOL RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
(Continued)

G. TAX STATUS:

The Plan is placing reliance on an opinion letter dated March 31, 2014 received from the IRS on the prototype plan indicating that the Plan is qualified under Section 401 of the IRS and is therefore, not subject to tax under current income tax law. The prototype Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRS and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

H. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In any such event, the participants will become fully vested in their account balances.

I. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

J. RECONCILIATION TO FORM 5500:

The following is a reconciliation of net assets available for benefits between the financial statements and Form 5500 as of August 31, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Net Assets available for benefits per the financial statements	\$ 1,298,147	\$ 1,396,359
Employer's Contributions Receivable	<u>(16,897)</u>	<u>(16,897)</u>
Net assets available for benefits per Schedule H to the Form 5500	<u>\$ 1,281,250</u>	<u>\$ 1,379,462</u>

K. SUBSEQUENT EVENTS:

Management has evaluated events occurring after the statement of net assets available for benefits date through June 12, 2023, the date on which the financial statements were available to be issued. No material events have been identified which would require disclosure under FASB ASC 855-10-50-1.
