### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of Family Health Centers of Baltimore, Inc. Deferred Annuity Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Family Health Centers of Baltimore, Inc. Deferred Annuity Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Family Health Centers of Baltimore, Inc. Deferred Annuity Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Family Health Centers of Baltimore, Inc. Deferred Annuity Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Family Health Centers of Baltimore, Inc. Deferred Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Family Health Centers of Baltimore, Inc. Deferred Annuity Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental Schedule H, line 4a - Schedule of Delinquent Participant Contributions and Schedule H, line 4i - Schedule of Assets Held at End of Year as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Other Matter**

Effective December 31, 2023, the Board of Directors of Family Health Centers of Baltimore, Inc. (the "Plan Sponsor") has decided to officially discontinue its business operations. However, the impact of the Board's decision on the Plan has not yet been determined. Our opinion is not modified with respect to this matter. Refer to Note G for further information on this matter.

**TAX DEFERRED ANNUITY PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE A - DESCRIPTION OF PLAN**

Family Health Centers of Baltimore, Inc. Tax Deferred Annuity Plan (the “Plan”) is a special type of retirement plan commonly referred to as a 403(b) defined contribution plan. The Plan was established by Family Health Centers of Baltimore, Inc. (the “Company” or “Plan Sponsor” or “Plan Administrator”) on September 1, 1987. The Plan was restated on October 1, 2012. The Plan trustee and third-party plan recordkeepers are Lincoln Financial Group Trust Company (the “Trustee”) and Lincoln Retirement Services Company (the “Recordkeeper”).

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Eligibility

The Plan is a defined contribution plan designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of termination, disability, financial hardship, or death. All employees are immediately eligible to participate in the Plan and make deferred salary contributions upon hire. However, all employees must have completed one year of service with a minimum of 1,000 hours and attained the age of 21 in order to be eligible to receive employer matching and discretionary contributions. Leased or temporary employees are not eligible to participate in the Plan.

Participant Contributions

Participants may contribute up to the maximum amount permissible under the Internal Revenue Code (“IRC”). Participants who are at least age 50 may make additional "catch-up" contributions as defined under the IRC. Newly eligible employees who do not enroll in the Plan are automatically enrolled with a deferral rate of 3% of eligible compensation unless they specifically elect not to participate in the Plan. Automatically enrolled participants’ contributions are invested in a designated balanced fund until changed by the participant. Participants may change their contributions at any time.

Employer Contributions

Plan participants must be employed on the last day of the Plan year to receive matching contributions, which are discretionary. The Company is not required to provide safe harbor provisions for participants. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations.

**NOTE A - DESCRIPTION OF PLAN - continued**

Rollover Contributions

The Plan accepts rollover contributions from retirement funds held by participants in other qualified defined benefit or defined contribution plans, subject to Plan provisions.

Investment Options

The Plan provides for participant-directed investment programs; whereby, the Plan Sponsor determines which investment options are available and the participants may choose among the available options. Participants may change their investment options at any time by reallocating contributions among different investment alternatives. Participants may also transfer contributions into and out of investments provided under the Plan, subject to possible restrictions.

Participant Accounts

Each participant's account is self-directed and credited with the participant's pre-tax contributions (including elective deferrals, catch up contributions, and/or rollover contributions), the Company's contributions, share of any investment earnings, and increases in the value of investments. Participant accounts are reduced by any withdrawals or distributions, investment losses, decreases in values of investments, and share of fees and expenses, as applicable. Allocations are based on participant earnings or account balances, as defined by the Plan's provisions.

Payment of Benefits

Benefits may be paid from participant accounts at age 59 1/2, or upon disability, termination of employment, death, or upon the Plan's termination. Participants who are age 72 and over are required by the IRS to make certain required minimum distributions. If a participant's account is valued at \$1,000 or less upon termination of employment, the Company may liquidate the value of the account and distribute the funds to the former employee. If a participant's account is valued at greater than \$1,000, but less than \$5,000, upon termination of employment, the Company may liquidate the value of the account and rollover the funds to an Individual Retirement Account, selected by the Company. The taxable portion of a withdrawal is subject to federal and state income taxes and an additional tax if the participant has not reached retirement age, unless the amount is rolled over into another eligible plan or an Individual Retirement Account. Eligible participants may request an in-service hardship distribution of elective deferrals and any vested employer contributions, subject to the Plan's provisions. Vested benefits may be paid to the participants in a lump-sum distribution or direct rollover distribution to another qualified plan.

Notes Receivable from Participants

The Plan allows active participants to borrow from their vested account balances. The minimum loan amount is \$1,000. Participant loans are limited to the lesser of 50% of the vested account balance or \$50,000 less the highest outstanding loan balance in the prior twelve month period. Participants are permitted to have only one outstanding loan at any time and the loan must be repaid within a five year period, unless the loan is for the acquisition of a primary residence. All loans shall be considered investments of the trust and shall be evidenced by a promissory note signed by the participant. Loans are secured by the balance in the participant's account, and bear interest at a rate commensurate with local prevailing rates. The interest rate shall remain fixed throughout the duration of the loan. Principal and interest payments are made through payroll deductions.

Vesting

Participants are immediately fully vested in their contributions plus actual earnings on elective deferral contributions, including catch-up contributions, rollover contributions, and safe harbor contributions. All contributions are 100% vested upon attaining normal retirement age, death or disability.

The following schedule applies to non-elective contributions:

<u>Years of Service</u>	<u>Vested Interest</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeited Accounts

Forfeitures attributable to non-elective employer contributions, not used to pay administrative expenses, will be reallocated to participants in the current or next succeeding Plan year. As of December 31, 2022 and 2021, the balance of the forfeiture account totaled \$4,896 and \$4,278, respectively, and is included in investments. During the years ended December 31, 2022 and 2021, \$0 and \$7,033, respectively, of the forfeiture balance was used towards the payment of administrative expenses.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and in the disclosures of contingent assets and liabilities. Accordingly, actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the stable value accounts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for a discussion of fair value measurements.

Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to guaranteed investment contracts, because contract value is the amount participants would receive, if they were to initiate permitted transactions under the terms of the Plan.

Interest is recorded as earned and dividend income is accrued as of the ex-dividend date. Purchases and sales of investments are recorded on a trade date basis. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivables from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon terms of the Plan documents. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits

Benefit payments to participants are recorded when paid.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued**

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

**NOTE C - INFORMATION CERTIFIED BY TRUSTEE**

The Plan Administrator has elected the alternative method of compliance permitted by ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, information certified by Lincoln Financial Group Trust Company (the "Trustee" of the Plan), qualified institutions, as of and for the years ended December 31, 2022 and 2021, was not audited, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

The following investment information has been certified by the Trustee as of and for the years ended December 31, 2022 and 2021:

	2022	2021
Investments, at fair value	\$ 1,586,220	\$ 1,820,653
Investments, at contract value	484,725	513,872
Participant loans receivable	55,056	8,917
Interest income on participant loans receivable	2,568	1,006
Interest and dividends	85,790	96,686
Net (depreciation) appreciation in fair value of investments	(343,908)	38,319

**NOTE D - FAIR VALUE MEASUREMENT**

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

**FAMILY HEALTH CENTERS OF BALTIMORE, INC.**  
**TAX DEFERRED ANNUITY PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**  
(continued)

**NOTE D - FAIR VALUE MEASUREMENT - continued**

The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1*           Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
  
- Level 2*           Inputs to the valuation methodology include a) quoted prices for similar assets or liabilities in active markets; b) quoted prices for identical or similar assets or liabilities in inactive markets; c) inputs other than quoted prices that are observable for the asset or liability; and d) inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
  
- Level 3*           Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The fair value of mutual funds is determined by using the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchanges Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE D - FAIR VALUE MEASUREMENT - continued**

The following table presents the Plan's fair value hierarchy for investments measured at fair value on a recurring basis as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,586,220	\$ -	\$ -	\$ 1,586,220

The following table presents the Plan's fair value hierarchy for investments measured at fair value on a recurring basis as of December 31, 2021:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,820,653	\$ -	\$ -	\$ 1,820,653

**NOTE E – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS**

The Plan holds investments in guaranteed investment contracts with Lincoln Financial Group (the issuer). The stable value account is an unallocated fixed-annuity contract that is fully and unconditionally guaranteed by the issuer. The contract meets the fully benefit-responsive investment contract criteria, and therefore, is reported at contract value. Contract value is the relevant measure for these investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

The contract value of the stable value account fund equals the accumulated cash contributions, interest credited to the Plan's contracts, and transfers, if any, less any withdrawals and transfers, if any. The stable value account is not available for sale or transfer on any securities exchange. Accordingly, transactions in similar investment instruments are not observable.

The stable value account issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Interest is credited daily at an interest rate not less than the guaranteed minimum interest rate shown on the contract specifications. The interest crediting rate is declared on a quarterly basis.

**TAX DEFERRED ANNUITY PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**  
(continued)

**NOTE E – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS - continued**

The stable value account is guaranteed against loss of principal, minus all withdrawals, including charges and adjustments. The guarantee is based on the issuer's ability to meet its financial obligations from general assets. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer. Investments measured at contract value as of December 31, 2022 and 2021, totaled \$484,725 and \$513,872, respectively.

**NOTE E - INCOME TAX STATUS**

The Plan was originally effective on September 1, 1987. The amended and restated provisions of the Plan became effective on January 1, 2006. The Plan is intended to conform and qualify under Section 403(b) of the Internal Revenue Code of 1986, as amended. The Plan Administrator is not aware of any course of action or series of events that have occurred that might affect the Plan's tax-exempt status and, therefore, believes that the Plan and the related trust are tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE F – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

As the Trustee of the Plan, Lincoln Financial Group Trust Company receives a percentage of the total investments for managing the Plan's assets, which qualifies the Trustee as a party-in-interest to the Plan. In addition, Lincoln Retirement Services Company receives payment from the Plan for providing administrative and bookkeeping services. For the years ended December 31, 2022 and 2021, fees paid by the Plan for the investment management and administrative services totaled \$15,803 and \$22,745, respectively.

**NOTE G - PRIORITIES UPON PLAN TERMINATION**

As indicated in the Plan documents, the Company has the right to amend the Plan, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances as of the date of termination.

In a letter dated October 4, 2023, to the Health Resources and Services Administration, Family Health Centers of Baltimore, Inc. announced that it will officially cease operations as of December 31, 2023. As of the date of this report, the outcome of the Plan had not yet been determined.

**NOTE H - RISKS AND UNCERTAINTIES**

The Plan provides for investments in various investment securities that are exposed to various risks such as interest rate, credit risks, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

**NOTE I – NON-EXEMPT TRANSACTIONS**

For the years ended December 31, 2022 and 2021, the Company failed to timely remit to the Plan certain participant contributions totaling approximately \$6,921 and \$44,109, within the period prescribed by the Department of Labor regulations, respectively. Late transmissions of participant contributions constitute a prohibited transaction under ERISA Section 406, regardless of materiality. The delinquent remittances are considered nonexempt party-in-interest transactions. As of the date of this report, the Company had not reimbursed the Plan for lost earnings. The \$6,921 in late remitted employee contributions for the year ended December 31, 2022, were submitted to the Plan during the year then ended and in 2023. The \$44,109 in late remitted employee contributions for the year ended December 31, 2021, were submitted to the Plan during the year then ended and in January 2022.

**NOTE I – NON-EXEMPT TRANSACTIONS - continued**

Plan management intends to remit any corresponding payments for any lost earnings related to delinquent remittances as soon as possible, though management believes any such payments will be immaterial to these financial statements.

**NOTE J - SUBSEQUENT EVENTS**

In preparing these financial statements, the Plan's management has evaluated events and transactions for potential recognition or disclosure through November 17, 2023, the date the financial statements were available to be issued. Other than the Company's intentions to cease operations referenced in Note G, there were no events or transactions that were discovered during the evaluation that required further recognition or disclosure.
