INDEPENDENT AUDITORS' REPORT

To the Retirement Plan Investment Committee
Louisburg College 403(b) Plan
Louisburg, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Louisburg College 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of May 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended May 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Louisburg College 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of May 31, 2023 and 2022, and for the year ended May 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Louisburg College 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Louisburg College 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Louisburg College 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Louisburg College 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and the Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LOUISBURG COLLEGE 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
May 31, 2023 and 2022

1. Description of Plan

The following description of Louisburg College 403(b) Plan (the "Plan") provides only general information for the Plan sponsored by Louisburg College (the "College"). Participants in the Plan should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan became effective on July 1, 1994. The Plan covers all employees of the College who are not students, nonresident aliens, or leased employees. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is a "Tax Deferred Annuity" or "403(b)" Plan. Assets of the Plan are held by the custodians selected by the plan sponsor. The College acts as plan sponsor.

Contributions

Each year, participants may contribute up to 100% of their pre-tax annual compensation, subject to the contribution limits imposed by the Internal Revenue Code ("IRC"). The College makes matching contributions in the amount equal to 100% of the first 6% of the employees' eligible compensation. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also permits rollover contributions from other qualifying retirement plans.

Participant Accounts

Each participant's account is credited with the participant's contribution, the College's contribution, and allocations of plan earnings. Allocations are based on participants' compensation or account balances, as defined. A participant is entitled to the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in the salary reduction amount contributed to the Plan and the employer matching contributions.

Forfeited Accounts

At May 31, 2023, forfeited accounts totaled \$218. Forfeitures can be used to pay administrative expenses or to reduce employer matching contributions as permitted by the Plan's provisions.

Payment of Benefits

Generally, a participant becomes eligible to receive benefits on their normal retirement age (59½), death, disability, termination of employment, or reasons of proven financial hardship. For retirement, death, disability, or termination benefits, the participant can receive 100% of their account balance in an annuity, lump sum, installment, or ad hoc distribution. Participants are also eligible to take in-service withdrawals once they attain age 59½.

1. Description of Plan (Continued)

Hardship Withdrawals

Upon approval by the plan administrator, a participant may withdraw all or part of their elective deferral contributions for immediate and severe financial need. In accordance with Internal Revenue Service ("IRS") regulations, the participant must exhaust all other assets available prior to obtaining the hardship withdrawal.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000 reduced by the highest outstanding loan balance during the one-year period ending on the day before the loan is made. A participant can only have one loan outstanding at a time. The loans are secured by the balance in the participant's account and bear interest at a fixed rate based on prime plus 1% (9.25% at May 31, 2023) as of the date of the new loan. Principal and interest payments are remitted directly by the participant to TIAA and CREF. Notes receivable from participants at May 31, 2023 and 2022 were \$8,961 and \$9,319, respectively.

Plan Loans

Plan loans due from participants to TIAA and CREF directly are not considered Plan receivables. These loans totaled \$21,478 and \$34,557 at May 31, 2023 and 2022, respectively, and are collateralized by the respective participant's vested account balance. Effective February 25, 2020, TIAA and CREF ceased providing new direct loans.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Plan considers all invested cash balances to be cash equivalents.

Payment of Benefits

Benefits are recorded when paid.

LOUISBURG COLLEGE 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
May 31, 2023 and 2022

2. Significant Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan sponsor determines the Plan's valuation policies utilizing information provided by the investment advisers. See note 6 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The change in net unrealized appreciation/depreciation is included with realized gains/losses as net change in value of investments in the accompanying statement of changes in net assets available for benefits.

Plan Expenses

Certain plan expenses are paid by the plan sponsor as provided by the plan document. Expenses related to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participant's account.

3. Federal Income Taxes

The Plan has adopted a Prototype Volume Submitter 403(b) plan document. This document received an opinion letter dated August 7, 2017, in which the IRS stated that the document was in compliance with the applicable requirements of the IRC. As allowed by the IRS, the Plan is relying on the opinion letter issued on the prototype document for its own qualification. The prototype has been amended for changes required by the IRS since receiving the opinion letter. Plan management believes the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of May 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

4. Plan Termination

Although it has not expressed any intent to do so, the College has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

5. Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained or derived from information certified as complete and accurate by Teachers Insurance and Annuity Association of America ("TIAA") and College Retirement Equity Fund ("CREF"), the custodians of the Plan, and was not subject to audit for the years ended May 31:

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.

Level 2 Inputs are based on significant other observable inputs such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when market prices are not attainable but other observable inputs are available to arrive at a fair value, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There were no Level 2 investments in the Plan.

Level 1 Fair Value Measurements

The fair value of mutual funds and pooled separate accounts is based on quoted net asset values of the shares held by the Plan at year end.

LOUISBURG COLLEGE 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
May 31, 2023 and 2022

6. Fair Value Measurements (Continued)

Level 3 Fair Value Measurements

Guaranteed investment contracts are not actively traded and significant other observable inputs are not available. Thus, the fair value of guaranteed investment contracts is determined by the amount plan participants or plan sponsors would receive currently if they were to withdraw or transfer funds within the Plan prior to their maturity. Guaranteed investment contracts are calculated by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

The following tables provide further details of the Level 3 fair value measurements:

Fair Value Measurements Using Significant Unobservable Inputs (Level 3):

	<u>Guaranteed Investment Contracts</u>
<u>May 31, 2023:</u>	
<i>Beginning Balance</i>	\$ 3,553,237
<i>Interest Credited</i>	156,787
<i>Transfers</i>	16,722
<i>Issuances, Settlements</i>	<u>(157,263)</u>

<u>May 31, 2022:</u>	
<i>Beginning Balance</i>	\$ 3,549,877
<i>Interest Credited</i>	125,342
<i>Transfers</i>	37,114
<i>Issuances, Settlements</i>	<u>(159,096)</u>
Total	<u>\$ 3,553,237</u>

7. Fully Benefit-Responsive Investment Contract

The TIAA and CREF Traditional Benefit Responsive Guaranteed Investment Contract (the "Contract") is a group annuity product and is fully benefit responsive. The Contract provides a guarantee of principal, a guaranteed minimum rate of interest between 1% and 3% and the potential for additional interest, if declared by TIAA and CREF. The Contract is reported at contract value. The contract value equals the accumulated cash contributions, interest credited to the Plan's contracts, and transfers, if any, less withdrawals and transfers, if any.

LOUISBURG COLLEGE 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
May 31, 2023 and 2022

8. Risks and Uncertainties

The Plan invests in various investment securities as directed by its participants. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Party-in-Interest Transactions

Plan investments are managed by TIAA and CREF. TIAA and CREF are the custodians as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to TIAA and CREF and other parties-in-interest for contract administration, advisory and professional services amounted to \$10,703 for the year ended May 31, 2023. The Plan also holds notes receivable from participants. As a result, these notes receivable and all related transactions were with a party-in-interest. All of these transactions are exempt from being prohibited transactions by ERISA.

10. Prohibited Transactions

During 2023, the College failed to deposit \$26 of participant deferrals within the required timeframe as stated by the Department of Labor ("DOL"). The DOL considers late deposits to be a prohibited transaction. The College calculated and deposited lost earnings related to these late remittances subsequent to year-end. The College intends to file Form 5330 for applicable excise taxes on the delinquent participant contributions subsequent to year end. Excise tax payments will be made from the plan sponsor's assets and not from the assets of the Plan.

11. Subsequent Events

The College has evaluated events and transactions for potential recognition or disclosure in the financial statements through November 3, 2023, which is the date the financial statements were available to be issued.
