INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
ITV US Holdings, Inc. 401(k) Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of ITV US Holdings, Inc. 401(k) Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ITV US Holdings, Inc. 401(k) Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ITV US Holdings, Inc. 401(k) Plan & Trust's ability to continue as a going concern for one year after the date financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ITV US Holdings, Inc. 401(k) Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about ITV US Holdings, Inc. 401(k) Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of: (1) Schedule H, line 4i-Schedule of Assets (Held at End of Year) and (2) Schedule H, line 4a-Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE A - DESCRIPTION OF THE PLAN

The following description of the ITV US Holdings, Inc. 401(k) Plan & Trust (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

1. General

The Plan is a defined contribution plan established January 1, 1999 for the benefit of all eligible employees of ITV US Holdings, Inc. (the “Plan Sponsor”) and certain participating employers (collectively the “Employer”) under the provisions of Sections 401(a) and 401(k) of the Internal Revenue Code (IRC). The Plan is administered by the Employer and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2022, the Plan was amended and restated for changes in laws and plan design.

Effective February 1, 2022, Reliance Trust Company (“Reliance”) was removed as trustee of the Plan and the Plan Sponsor appointed Great-West Trust Company, LLC (“GWTC”) as the successor nondiscretionary trustee of the Plan. In August 2022, GWTC changed its name to Empower Trust Company, LLC (“ETC”).

Effective October 28, 2022, the Plan entered into a new administrative service agreement with Empower Retirement, LLC, which includes products and services by Empower Annuity Insurance Company of America (formerly known as Great-West Life & Annuity Insurance Company) and ETC, collectively (“Empower”).

2. Eligibility

An employee is eligible to make deferral contributions to the Plan upon attainment of age 21 and upon completion of two months of service. Participants are eligible for Employer discretionary matching contributions upon completion of one year of service during which at least 1,000 hours are worked. The entry date into the Plan is the first day of the month coinciding with or following the date the eligibility conditions have been satisfied.

Employees who are non-resident aliens, leased employees or collectively bargained employees are not eligible to participate in the Plan. In addition, permanent employees of the UK Parent Company temporarily assigned to ITV Studios, Inc., a participating employer, are also not eligible to participate in the Plan.

3. Contributions

Participants may elect to contribute up to 100% of their annual compensation on a tax-deferred basis and/or make Roth contributions, up to the maximum deferral amount set by Section 402(g)(1) of the IRC. Participants who attain age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan allows rollover contributions from other qualified plans, as defined in the plan document.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE A - DESCRIPTION OF THE PLAN (Continued)

3. Contributions (Continued)

In addition, the Plan has an automatic enrollment provision that allows the Employer to withhold 4% from a newly eligible employee's compensation as an employee contribution to the Plan, unless the participant elects a different percentage or elects to not participate in the Plan. In addition, participants that are automatically enrolled will have their deferral automatically escalated each year by 1%, up to a maximum of 10%, unless otherwise elected.

The Employer may make a discretionary matching contribution to participants who have completed one year of service with at least 1,000 hours. For the year ended December 31, 2022, the Employer made a matching contribution equal to 50% of deferrals up to 4% of deferred compensation totaling \$1,128,059.

4. Investment Options

Upon enrollment in the Plan, a participant may direct employee and Employer contributions, as desired, in any of a variety of options offered by Empower as of December 31, 2021 and for the year ended December 31, 2022, and Reliance as of December 31, 2021 and for the period January 1, 2022 through February 1, 2022, as chosen by the Employer. Participants may change their investment options daily.

5. Participant Accounts

Each participant's account is credited with the participant's contributions, Employer discretionary matching contributions, and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

6. Notes Receivable from Participants

The Plan permits participants to borrow from their account a minimum of \$1,000 up to 50% of their vested account balance not to exceed \$50,000. The loans are secured by the balance in the participant's account. Loans must be repaid within five years with interest at the prime rate plus 2% per annum. Loans for the purchase of a principal residence may be repaid over a longer period of time, but not to exceed 20 years. A maximum of one loan is allowed to be outstanding at any time.

7. Benefit Payments

Upon termination of service, participants are entitled to receive a lump sum payment of their vested account balances. Upon retirement, permanent disability or in the event of death while still employed, a participant or a participant's beneficiary is entitled to the total value of the participant's account balance. In addition, participants may request in-service and hardship distributions if certain criteria are met.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

8. Plan Termination

While the Employer has not expressed any intent to terminate the Plan, the Employer reserves the right to terminate the Plan at any time subject to the provisions of ERISA. Upon termination, all interests of participants become fully vested, and plan assets are distributed among the participants of the Plan in accordance with the provisions of the Plan.

9. Vesting

Participant contributions, participant rollovers, certain Employer contributions transferred from acquired entities, and Employer discretionary matching contributions made prior to August 1, 2016, and actual earnings on all such contributions are fully vested at all times. Vesting of discretionary Employer matching contributions made after August 1, 2016, plus actual earnings thereon, is based upon the participant's years of service with the Employer as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

10. Forfeitures

Forfeitures of terminated participants' nonvested Employer matching contribution accounts may be used to reduce future Employer contributions under the Plan, pay administrative expenses or may be allocated to participants. There were no forfeitures used during the year ended December 31, 2022 and outstanding forfeitures were not significant at December 31, 2022 and 2021.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

2. Plan Administration

The plan sponsor is the plan administrator. The plan administrator is responsible for carrying out the duties imposed under ERISA.

ITV US HOLDINGS, INC. 401(k) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

3. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

4. Excess Contributions Payable

At December 31, 2022 and 2021, liabilities of \$31,081 and \$21,671, respectively, are recorded for amounts refundable by the Plan to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS).

5. Payment of Benefits

Benefits are recorded when paid.

6. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for the fully benefit-responsive contract which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers, trustee and custodian. See Note D for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes gains and losses on investments bought and sold as well as held during the year.

7. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

DECEMBER 31, 2022 AND 2021

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

8. Administrative Expenses

Administrative expenses incurred by the custodian, trustee and recordkeeper in performance of their duties are paid from the assets of the Plan, unless otherwise paid by the Employer. Expenses paid by the Employer are excluded from these financial statements. Investment related expenses are included in net appreciation/depreciation in fair value of investments.

NOTE C - INFORMATION CERTIFIED BY TRUSTEES AND CUSTODIANS

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Empower and Reliance, the trustees and custodians, as complete and accurate, except for comparing such information certified by the trustee and custodian to information included in the Plan's financial statements and supplemental schedule:

- Investments and notes receivable from participants reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2022 and 2021
- Net investment income (loss) and interest income on notes receivable from participants reflected in the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2022
- Investments and notes receivable from participants reflected in the Schedule of Assets (Held at End of Year) as of December 31, 2022

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

ITV US HOLDINGS, INC. 401(k) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at December 31, 2022 and 2021.

Mutual funds: Valued at quoted net asset value (NAV) of shares held by the Plan at year end. These funds are required to publish their daily NAV and transact at that price. The NAV for mutual funds is a publicly available quoted price in an active market.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE E - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds an investment that meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus credited interest, less participant withdrawals and fees. The following represents the traditional investment contract held by the Plan:

	December 31,	
	<u>2022</u>	<u>2021</u>
General Account	<u>\$ 1,137,191</u>	<u>\$ 915,114</u>

The fully benefit-responsive investment contract held by the Plan at December 31, 2022 and 2021 is a Guaranteed Interest Account (GIA) backed by Empower’s general account. Under the contract, a crediting rate is established on a semi-annual basis (a “rate period”) and all assets invested in the GIA are credited with that rate. At the expiration of each rate period, a new crediting rate is declared. During the year ended December 31, 2022, the crediting rate was 1.8%. The crediting rate is based on a formula established by Empower but may not be less than 1% or more than 3%. Certain events may limit the ability of the Plan to transact at contract value with the contract issuer. Such events include but may not be limited to: (1) removal from the Plan of one or more groups or classifications of participants; (2) partial or complete plan termination; or (3) plan disqualification. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer or that also may limit the ability of the Plan to transact at contract value with the participants.

While the group annuity contract is active, the GIA is subject to competing fund transfer restrictions on participant-initiated transfers. Upon termination of the group annuity contract, if the plan sponsor chooses a book value payout for termination, participant transfer restrictions may apply until the money is paid to the next provider.

NOTE F - TAX STATUS

Effective January 1, 2022, the Employer adopted a non-standardized pre-approved profit sharing plan (non-standardized plan) which received a favorable opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020. Prior to January 1, 2022, the Employer adopted a volume submitter profit sharing plan (volume submitter plan) which received a favorable opinion letter from the IRS dated March 31, 2014. Each letter stated that the non-standardized plan and volume submitter plan are designed in accordance with applicable sections of the IRC. Administration errors, if any, that are insignificant or operational in nature, are handled by the plan administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

ITV US HOLDINGS, INC. 401(k) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur, in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE H - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

During 2022, Plan investments are held and managed by Empower and Reliance during various periods (see Note A.1). Reliance was the trustee and Empower is the custodian, trustee and recordkeeper, as defined by the Plan. Transactions with these entities qualify as party-in-interest transactions. Notes receivable from participants and the related interest income are also considered party-in-interest transactions.

During the years ended December 31, 2022, 2021, and 2020, the Employer failed to remit employee contributions totaling \$28,444, \$10,859, and \$32,254, respectively, to the Plan on a timely basis in accordance with Department of Labor Regulations. As a result, any missed contributions and lost earnings on these untimely contributions will be remitted to the Plan and allocated to participant accounts as soon as possible.

Reliance receives revenues from mutual fund service providers for services Reliance provides to the funds. This revenue is used to offset certain amounts owed to Empower by the Plan for its administrative services to the Plan. Any excess revenues over expenses may be used to pay other plan expenses.
