INDEPENDENT AUDITORS' REPORT

To the Pension Committee
of the Fresno Economic Opportunities Commission Pension Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Fresno Economic Opportunities Commission Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2011, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i-Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Fresno Economic Opportunities Commission Pension Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering eligible employees of Fresno Economic Opportunities Commission (Fresno EOC) who have completed two years of service with at least 1,000 hours worked and are age 21 or older. The Plan was initially established on December 30, 1980. The Plan was amended and restated on April 1, 2016. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Pension Committee is responsible for the oversight of the Plan and the appropriateness of the Plan's investment offerings.

Contributions: Fresno EOC contributes to the Plan an amount equal to five percent of eligible employees' compensation during the Plan year.

Participant Accounts: Each participant's account is credited with the Employer's contributions and an allocation of Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

An individual account is maintained for each participant, which includes the following components:

1. Employer contributions
2. The participant's pro rata share of net investment income
3. The participant's pro rata share of plan expenses
4. Deductions for benefits paid to participants

Vesting: Participants are vested immediately in the employer contributions plus actual earnings thereon.

Participant Loans: The Plan does not permit loans to participants.

Payment of Benefits: On termination of service due to death, disability, or retirement at the normal retirement age of 65, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution, installment payments, or qualified survivor annuity.

Benefit payments for active employees that cease to participate in the Plan by reason of total or permanent disability will be paid in the same manner as the retirement benefit.

If an active employee dies before normal retirement age, the accrued benefit and death benefits payable under any policies of life insurance held for the employee's benefit shall be paid to the surviving spouse in the form of a qualified pre-retirement survivor annuity. If the qualified pre-retirement survivor annuity has been effectively waived, accrued benefits shall be paid to the designated beneficiary in monthly payments over the beneficiary's life expectancy, or in a lump sum if the employee previously elected this form of benefit payment.

The Plan will make involuntary cash outs of account balances of terminated vested participants of \$1,000 or less. Eligible Rollover Distributions of account balances greater than \$1,000 but less than \$5,000 will be subject to the automatic rollover requirement.

The Plan does not permit in-service distributions and Safe and Non-Safe Harbor Hardship withdrawals.

Forfeited Accounts: The balance in each employee's account is 100% non-forfeitable.

FRESNO ECONOMIC OPPORTUNITIES COMMISSION PENSION PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value, except for fully benefit-response investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Mutual fund unit values are established by dividing the net value of each fund by the number of units outstanding on the valuation date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan sponsor. Expenses that are paid by the Plan sponsor are excluded from these financial statements. Certain fees related to the administration of the Plan are charged directly to the participant's account and are included in administrative expenses. Certain fees related to investment advisory services to the Plan are charged directly to the Participant's account and are included in investment expenses. Other investment-related expenses are included in net appreciation (depreciation) in the fair value of investments.

Subsequent Events: In compliance with accounting standards, management has evaluated events that have occurred after year-end to determine if these events are required to be disclosed in the financial statements. Management has determined that no events require disclosures in accordance with accounting standards. These subsequent events have been evaluated through November 3, 2023, the date which the financials were available to be issued.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, State Street Bank and Trust Company, the custodian of the Plan, has certified as being complete and accurate the investments on the Statements of Net Assets Available for Benefits, the investment activity reflected in the Statements of Changes in Net Assets Available for Benefits, and the investment information included in the supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) of the financial statements as of and for years ended December 31, 2022 and 2021. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any additional auditing procedures with respect to the information certified as complete and accurate by the Plan's custodian for their respective periods.

**FRESNO ECONOMIC OPPORTUNITIES COMMISSION PENSION PLAN
NOTES TO FINANCIAL STATEMENTS (continued)**

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (continued)

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the custodian:

	2022	2021
Investments at fair value	\$ 31,656,912	\$ 41,413,056
Investment at contract value	\$ 494,509	\$ 528,094
Investment income (loss):		
Net appreciation (depreciation) in fair value of investments	\$ (7,403,442)	\$ 3,279,922
Interest	\$ 11,978	\$ 12,589
Dividends	\$ 674,925	\$ 1,720,805

NOTE 4 – INVESTMENTS

The Plan provides that contributions to the Plan will be invested in certain individual programs offered by State Street Bank and Trust Company and as directed by each participant. Participants may change their investment options as desired.

NOTE 5 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

FRESNO ECONOMIC OPPORTUNITIES COMMISSION PENSION PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

NOTE 5 – FAIR VALUE MEASUREMENTS (continued)

The assets or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021 and there have been no transfers between levels during the years ended December 31, 2022 and 2021.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table lists assets at fair value as of December 31, 2022 and 2021:

<u>December 31, 2022</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 31,656,912	\$ -	\$ -	\$ 31,656,912
Total investments at fair value	<u>\$ 31,656,912</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 31,656,912</u>
<u>December 31, 2021</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 41,413,056	\$ -	\$ -	\$ 41,413,056
Total investments at fair value	<u>\$ 41,413,056</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 41,413,056</u>

NOTE 6 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties in interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. At December 31, 2022 and 2021, State Street Bank and Trust Company was the custodian of the Plan investments and, therefore, these investments qualify as party-in-interest investments. Certain Plan investments are managed by State Street Bank and Trust Company, and therefore, these transactions qualify as party-in-interest transactions. Transamerica Retirement Solutions is the Plan’s broker and qualifies as a party-in-interest with respect to the investments managed by Transamerica Retirement Solutions. Fees incurred by the Plan for investment and management services by State Street Bank and Trust Company and Transamerica Retirement Solutions were \$106,380 and \$138,902 for the years ended December 31, 2022 and 2021, respectively.

There were no transactions with any parties-in-interest that would be considered prohibited transactions by DOL regulations.

FRESNO ECONOMIC OPPORTUNITIES COMMISSION PENSION PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, Fresno EOC has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 8 – TAX STATUS

The Internal Revenue Service has provided a favorable determination to Fresno EOC in a letter dated January 3, 1994, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Furthermore, the Internal Revenue Service has provided a favorable determination in a letter dated March 31, 2014, that the form of the plan provided by the volume submitter is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2019.

NOTE 9 – GUARANTEED INVESTMENT CONTRACT

The Plan entered into a fully benefit-responsive guaranteed investment contract with an insurance company. The insurance company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the Statements of Net Assets Available for Benefits at contract value. Contract value, as reported to the Plan by the insurance company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2022 and 2021, was \$494,509 and \$528,094, respectively.

FRESNO ECONOMIC OPPORTUNITIES COMMISSION PENSION PLAN
NOTES TO FINANCIAL STATEMENTS (continued)

NOTE 9 – GUARANTEED INVESTMENT CONTRACT (continued)

Certain events limit the Plan's ability to transact at contract value with the insurance company. Such events include the following: (a) amendments to the plan documents (including complete and partial plan termination or merger with another plan) or (b) bankruptcy of the plan sponsor or plan sponsor events that cause significant withdrawal from the plan. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
