INDEPENDENT AUDITORS' REPORT

Board of Trustees
IBEW Local No 13 Retirement Plan
Burlington, IA

Opinion

We have audited the accompanying financial statements of IBEW Local No 13 Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of May 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of IBEW Local No 13 Retirement Plan as of May 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of IBEW Local No 13 Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about IBEW Local No 13 Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of IBEW Local No 13 Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about IBEW Local No 13 Retirement Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

IBEW LOCAL NO 13 RETIREMENT PLAN NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED MAY 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the IBEW Local No 13 Retirement Plan (Plan) provides only general information. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution retirement savings plan covering eligible employees (Participants) as provided by collective bargaining agreements (Agreements) between International Brotherhood of Electrical Workers Local 13 in Burlington, Iowa, (Union) and the Southeast Iowa division and Ottumwa division of the Iowa Chapter, National Electrical Contractors Association (Association). A trust, with Trustees designated by the Union and the Association, has been established to manage and operate the Plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was created on June 1, 1979.

Contributions

Contributions are made for all Participants working under the provisions of the Agreement. The current employer contribution rate for inside wireman is \$8.90 per hour as of year-end. The actual rate paid is determined by the classification of the participant and the area they perform the work. Reciprocity contributions are received through reciprocity agreements with other jurisdictional areas.

Reciprocity

Reciprocity contributions are collected by and remitted to the Plan on behalf of Participants who worked with contractors outside the previously defined Union area.

Participant Accounts

Each Participant's account is adjusted for employer, employee, and reciprocity contributions, investment earnings (losses), expenses paid and withdrawals in allocated accounts. Investment earnings (losses) and expenses are allocated to participants' accounts based on the participant's account balance in proportion to the total of all account balances. The benefit to which a Participant is entitled is the amount accumulated in the allocated account. Participants direct their funds into the Plan investments of their choice.

Vesting

Participants are 100% vested in employer contributions, their own contributions, and earnings or losses on their accounts.

Payment of Benefits

Provisions relating to payments of vested benefits are as follows: (1) Participants or their beneficiaries may, at date of retirement, disability or death, elect to receive one of several options, including a lump sum benefit or receive an annuity; or (2) an inactive participant may elect to receive their benefits at any time following the date of a termination from service.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for details. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Employer Contributions Receivable

Employer contributions are accrued as receivables and recorded as income in the month the work is performed. Contributions were deposited into a checking account designated solely for the Plan and are currently transferred to the fund's investment custodian, Empower Retirement, LLC.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid. As of May 31, 2023, there were no amounts payable to participants who had requested withdrawals from the Plan.

Expenses

The Plan's expenses are paid by the Plan, as provided by the Plan document. Expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits.

Administrative Agreement

The Plan has an agreement with the Wilson McShane Corporation for third-party administrative services which includes expenses incurred for office space, clerical staff, bookkeeping, and other administrative expenses necessary to administer the Plan.

Date of Management's Review

Subsequent events were evaluated through November 8, 2023, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair values provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at May 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the plan are deemed to be actively traded.

Stable Value Fund: Units of the fund are valued each day the New York Stock Exchange (NYSE) is open for trading and the NAV (Net Asset Value) per unit is calculated as of the close of each trading day. The NAV per unit is computed by dividing the total assets of the Fund, less its liabilities, by the total number of units outstanding at the time of such computation. Investment income earned is reinvested in the Fund and included in the determination of unit values.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 4 – ROLLOVER CONTRIBUTIONS

There was one rollover totaling \$170,908 that was transferred into the Plan during the year ended May 31, 2022, and is included in rollovers on the statement of changes in net assets available for benefits.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Sponsors have the right under the Plan provisions to discontinue contributions at any time and to terminate the Plan. In the event of termination of the Plan, the net assets will be distributed according to the Plan document and as required by ERISA. After satisfaction of all liabilities under the Plan, the participants' vested account balances would be distributed to them.

NOTE 6 – TAX STATUS

The Internal Revenue Service has informed the Plan Sponsors by a letter dated July 13, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan sponsor believes that the Plan is currently designed and operated in compliance with applicable requirements of the Internal Revenue Code and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan has adopted guidance on accounting for uncertainty in income taxes issued by the Financial Accounting Standards Board. Management of the Plan believes that the plan has taken no uncertain tax positions that require adjustment to the financial statements in order to comply with the provisions of this guidance. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RESTRICTED NET ASSETS AVAILABLE FOR BENEFITS

Each participant in the plan has their own account balance where contributions made by employers on their behalf are added to their account. The investments of the plan are held by Empower Retirement, LLC so that each participant can self-direct his or her own investments. Benefit payments are subtracted from the participant's account balances. A summary of the Net Assets available for benefits as of May 31, 2023 and 2022 is as follows:

	<u>2023</u>	<u>2022</u>
Participants' account balances	\$ 47,432,519	\$ 48,508,193
Unallocated net assets - crediting account	184,238	163,854
Unallocated net assets - administrative	65,231	55,098
Total net assets available for benefits	<u>\$ 47,681,988</u>	<u>\$ 48,727,145</u>

IBEW LOCAL NO 13 RETIREMENT PLAN NOTES TO FINANCIAL STATEMENTS

NOTE 7 – RESTRICTED NET ASSETS AVAILABLE FOR BENEFITS, Continued

Assets identified as participants account balances are assets that are specifically allocated to participants.

The Plan's unallocated net assets – crediting account can be used to pay USERRA benefits or as "make whole" contributions for participants whose employers are unable to pay.

The Plan's unallocated net assets – administrative can be used to pay plan expenses.

NOTE 8 – RISKS AND UNCERTANTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

At May 31, 2023, the book balance of deposits in local banks was \$234,917 while the bank balance was \$300,924, of which \$50,924 was not insured by the Federal Depository Insurance Company ("FDIC").
