## **INDEPENDENT AUDITOR'S REPORT**

The Great Plains Laboratory LLC 401(k) Plan  
Trustees to the Plan  
Overland Park, Kansas

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the accompanying financial statements of The Great Plains Laboratory LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Great Plains Laboratory LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **INDEPENDENT AUDITOR'S REPORT (continued)**

### **Prior Period Financial Statements**

The financial statements of The Great Plains Laboratory LLC 401(k) Plan as of and for the year ended December 31, 2021, were audited by other auditors whose report dated October 15, 2022, expressed an unmodified opinion on those statements.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

## **INDEPENDENT AUDITOR'S REPORT (continued)**

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of Assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## THE GREAT PLAINS LABORATORY LLC 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS December 31, 2022

#### NOTE 1: DESCRIPTION OF PLAN

The following description of The Great Plains Laboratory LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

##### A. General

The Plan is a defined contribution plan covering all full-time employees of The Great Plains Laboratory LLC (the “Company”) who are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

##### B. Contributions

Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan, subject to certain limitations by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catchup contributions. Participants may also transfer amounts from other qualified plans (rollover); these amounts are kept in a separate participant rollover account. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may, at its discretion, match participants' contributions. For 2022 and 2021, the Company made matching contributions of 100% percent of the first 3 percent of compensation that a participant contributes to the Plan. Contributions are subject to certain IRS limitations.

##### C. Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of the Plan’s earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

##### D. Vesting

Participants are vested immediately in contributions made by the participants through elective salary deferrals and rollovers, plus the actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. The Plan was amended during the year and as of July 4, 2022, participants become fully vested after 1 year of service. Prior to July 4, 2022, a participant became fully vested after 3 years of service, with no vesting occurring prior to completing 3 years of service.

##### E. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant’s account and bears interest at the rate of 9.25%, which is commensurate with local prevailing rate as determined by the Plan administrator. Principal and interest is paid ratably, not to exceed 60 months, generally through payroll deductions.

## THE GREAT PLAINS LABORATORY LLC 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS December 31, 2022

#### NOTE 1: DESCRIPTION OF PLAN (continued)

##### F. Payment of Benefits

On termination of employment, a lump-sum distribution shall be made in an amount equal to the value of the participant's vested account. If the vested portion of the participant's account does not exceed \$5,000, the Plan can distribute the vested portion in a lump sum without the need for written consent from the participant. If the vested account balance exceeds \$5,000, the Plan will distribute the vested portion in a lump sum or partial withdrawals upon written consent from the participant.

##### G. Forfeited Accounts

Forfeitures are used to offset employer contributions and/or to pay plan expenses. Forfeitures for the year ended December 31, 2022, were \$3,333 and during the year, \$3,956 of forfeitures were used to offset employer contributions. The forfeiture account balance was \$659 and \$1,263 as of December 31, 2022 and 2021, respectively.

#### NOTE 2: SUMMARY OF ACCOUNTING POLICIES

##### A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

##### B. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### C. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

##### D. Payment of Benefits

Benefit payments to participants are recorded when paid.

### NOTES TO FINANCIAL STATEMENTS December 31, 2022

#### NOTE 2: SUMMARY OF ACCOUNTING POLICIES (continued)

##### E. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

##### F. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. No allowance for credit loss has been recorded as of December 31, 2022 or 2021.

##### G. Subsequent Events

For the year ended December 31, 2022, the Company has evaluated subsequent events for potential recognition and disclosure through November 21, 2023, the date of financial statement issuance.

#### NOTE 3: INFORMATION CERTIFIED BY TRUSTEE

Certain information related to investments and participant loans disclosed in the accompanying financial statements and supplemental schedule, including investments and participant loans held at December 31, 2022 and 2021, investment earnings, receipts, and disbursements for the year ended December 31, 2022, was obtained or derived from information supplied the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the Trustee.

#### NOTE 4: FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows.

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs consist of observable inputs other than quoted prices for identical assets.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

### NOTE 4: FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

| <u>Assets at Fair Value as of December 31, 2022</u> |                     |                |                |                     |

## NOTES TO FINANCIAL STATEMENTS December 31, 2022

### NOTE 6: TAX STATUS

The Internal Revenue Service has determined and informed the company by a letter dated June 30, 2020, that the plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determination letter, the plan administrator believes that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

### NOTE 7: RELATED PARTY AND PARTY-IN INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Fidelity. Fidelity Management Trust Company is the trustee as defined by the plan and, therefore, these transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA. Fees paid by the Plan to Fidelity for the investment management and administration amounted to \$3,045 for the year ended December 31, 2022.

The Company pays a portion of the Plan's expenses directly. The amount of these expenses is not material to the financial statements for the Plan year 2022. The Company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged.

### NOTE 8: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

### NOTE 9: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
