INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
Esperanza 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Esperanza 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Esperanza 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the financial statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Esperanza 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Esperanza 401(k) Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Esperanza 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Esperanza 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplementary schedules, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Schedule H, Line 4a - Schedule of Delinquent Participants Contributions as of and for the year ended December 31, 2022, respectively, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Esperanza 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

1. PLAN DESCRIPTION

The following description of the Esperanza 401(k) Plan ("the Plan") is provided for general information purposes. Participants of the Plan should refer to the Plan document for a more complete description of the Plan's provisions.

Plan Amendment - Change in Trustee

Effective March 16, 2022, the Plan was amended and restated to reflect a change in the trustee from Great-West Life & Annuity Insurance Company ("GWLIC") to The Lincoln National Life Insurance Company ("LNLIC"). As a result of this change, participants can no longer contribute to investment options offered by GWLIC. The Plan sponsor and investment advisor completed a mapping of the previous investment options to the new investments options provided by LNLIC.

General

The Plan is a defined contribution plan covering all full-time employees of Nueva Esperanza, Inc. or Eastern North Philadelphia Workforce Development Corporation (the "Companies"), except certain nonresident aliens who have no earned income from sources in the United States, employees who are residents of Puerto Rico, and employees covered under any other tax-qualified retirement plan to which the employer is obligated to contribute. Eligible employees must complete two months of service, as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Administration

The Plan is administered by Nueva Esperanza, Inc. ("Esperanza") under the terms of the Plan, dated January 1, 2008, restated effective March 16, 2022 and amended from time to time.

Contributions

Under the terms of the Plan, allowable contributions are outlined as follows:

Employee

Participants may elect to contribute 1% to 85% of eligible earnings to the Plan (referred to as elective contributions), up to a maximum allowed by law. Participants can also make rollover contributions. Participants are fully vested in these funds at all times.

Employer

Esperanza makes matching contributions equal to 75% of participant elective deferrals up to 2% of participant's eligible earnings. Esperanza also may make an employer discretionary contribution each year.

Allocations of Gains and Losses

Individual accounts are established for each participant. The Plan offers a variety of investments with varying investment objectives as investment options. Each participant's account is credited with the participant's pre-tax contributions, the employer contribution, and the proportionate share of dividends, interest and investment gains since the preceding valuation date. The participant's account is reduced by withdrawals, loss on investments, and expenses of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms cannot exceed 5 years except for the purchase of a primary residence. The loans bear interest at the prevailing rate at the time the loan is taken and as of December 31, 2022, the loans had interest rates ranging from 5.25 to 7.50%. Principal and interest are paid ratably through weekly payroll deductions.

Payment of Benefits

Upon retirement, termination, death, disability, or attainment of age 70 1/2 years, Plan benefits will be distributed to a participant as specified in the Plan. In addition, the Plan provides for participant withdrawals in the event of certain financial hardships.

Vesting

Participants are vested immediately in Esperanza's contribution and actual earnings thereon.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Companies. Expenses that are paid by the Companies are excluded from these financial statements. Fees related to the administration of notes receivable from participants that are charged directly to the participant's account as well as fees for investment advisory and management are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year, in addition to various investment fees.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Esperanza 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered Investment Companies: Investments in registered investment companies consist of shares of mutual funds that are valued at quoted market prices, which represent the net asset value of the shares held by the Plan at year-end.

Common collective trust ("CCT"): The fair value of participation units in the CCT are based upon the net asset values of such fund. The net asset value ("NAV") is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the CCT, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Income Tax Status

The Plan adopted a prototype non-standardized profit-sharing plan, which received a favorable opinion letter from the Internal Revenue Service ("IRS") on October 6, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Payment of Benefits

Benefits are recorded when paid.

Forfeitures

Forfeitures of employer contributions can be applied to Plan expenses or reduce matching contributions. At the years ended December 31, 2022 and 2021, there were \$-0- and \$1,487, respectively, of forfeitures available. During 2022, \$0 of forfeitures were applied against employer matching contributions or Plan expenses.

3. PLAN TERMINATION

It is currently the intention of the employer to permanently maintain the Plan. However, Esperanza reserves the right to terminate the Plan at any time. These amounts may be distributed to the participants at that time or may be distributed in accordance with the benefit distribution rules.

4. FAIR VALUE MEASUREMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31.

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 1,920,467	\$ -	\$ -	\$ 1,920,467
Investments measured at NAV (a)				-
Cash and equivalents				4
Investments at fair value				\$ 1,920,471

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 2,229,027	\$ -	\$ -	\$ 2,229,027
Investments measured at NAV (a)				128,557
Investments at fair value				\$ 2,357,584

(a) In accordance with Subtopic 820-10, certain investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth a summary of the Plan investments for which fair value is estimated using the net asset value per share as of December 31, 2022 and 2021:

	2022	2021	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Invesco Stable Asset	\$ -	\$ 34,962	None	Semi-Monthly	None

5. INFORMATION CERTIFIED BY TRUSTEES

No auditing procedures were performed by the independent auditor as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by Reliance Trust Company and by Mid Atlantic Trust Company (the "trustees"), obtained certification from ADP from January 1 2022 to the date the transfer happened and from Mutual of Omaha from the date the transfer happened to December 31, 2022, except for comparing such information with the information reported in the financial statements. Based on information provided and certified by the trustees, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of December 31, 2022 and 2021.

The following information as of December 31, 2022 and 2021 and for the year ended December 31, 2022 was obtained from reports certified by the trustees:

	<u>2022</u>	<u>2021</u>
Investments, at fair value		
Registered investment companies	\$ 1,920,467	\$ 2,229,027
Common collective trusts	\$ -	\$ 128,557
Notes receivable from participants	\$ -	\$ 10,918
Investment (loss) income		
Net depreciation in fair value of investments	\$ (383,014)	
Interest and dividends	\$ 21,516	
Other income	\$ 11,217	
Interest on notes receivable from participants	\$ 547	

6. RISKS AND UNCERTAINTIES

The Plan invests in various funds. Those funds are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain funds, it is at least reasonably possible that changes in the values of the funds will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Fees incurred by the Plan for the investment management services are included in net depreciation in the fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. Mid Atlantic Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees paid by the Plan to the related party amounted to \$12,900 for the year ended December 31, 2022. The Plan sponsor pays directly any other expenses related to the Plan's operation. Participant loans are exempt, party-in-interest transactions.

8. DELAYED DEPOSIT OF EMPLOYEE CONTRIBUTIONS

DOL requires that salary deferrals to a 401(k) plan and loan repayments that are withheld from an employee's paycheck must be deposited into the Plan as soon as they can be reasonably segregated from the employer's general assets, but in no event later than the fifteenth business day of the month following the month in which the participant contributions are withheld.

Esperanza 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

The Plan failed to remit certain deposits timely in the amount of \$91,725 and \$115,610 for the year ended December 31, 2022 and for the year ended December 31, 2021, respectively. These principal amounts have been remitted to the Plan by the Plan sponsor. Subsequent to year-end, management went through the process of restoring lost earnings to Plan participants.

9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after the statement of net assets available for benefits date through the date of November 28, 2023, which is the date the financial statements were available to be issued. Based on that evaluation, the Plan has determined that there were no other subsequent events that have occurred which require recognition or disclosure in the financial statements.
