Independent Auditors' Report

To the Plan Administrator of
OTG Concessions Management, LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of OTG Concessions Management, LLC 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of OTG Concessions Management, LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of OTG Concessions Management, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about OTG Concessions Management, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of OTG Concessions Management, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about OTG Concessions Management, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 and schedule of delinquent participant contributions for the year ended December 31, 2022, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OTG Concessions Management, LLC 401(k) Profit Sharing Plan

Notes to Financial Statements Years Ended December 31, 2022 and 2021

1. Plan Description

The following description of the OTG Concessions Management, LLC 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan document for the complete information.

General

The Plan was established on January 1, 2006 and then subsequently amended and last restated on December 29, 2022. Effective March 1, 2022, the Plan name was changed from OTG Management, LLC 401(k) Profit Sharing Plan to OTG Concessions Management, LLC 401(k) Profit Sharing Plan. The Plan is a defined contribution plan and is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). Employees of OTG Management, LLC and its subsidiaries (collectively referred to as the "Company" or "Employer") are eligible to participate in the Plan, except for employees eligible to receive employer contributions to a union retirement plan, as defined.

CARES Act

On March 27, 2020, President Trump signed into law the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"). The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management evaluated the relief provisions available to plan participants under the CARES Act and implemented the following provisions:

- Special coronavirus distributions up to \$100,000 for qualified individuals.
- Increased Plan loan limits to qualified individuals, as described below, to the lesser of \$100,000 or 100% of the participant's vested account balance.
- Suspension of Plan loan repayments to qualified individuals, up to one year.
- Waiver of all required minimum distributions for all participants.

These relief provisions expired on December 31, 2020. Plan management will amend their plan document to retroactively adopt these provisions no later than December 31, 2025.

Eligibility

All full-time employees of the Company are eligible to participate in the Plan on the first day of the month following the completion of six months of service and the attainment of age 21.

Contributions

Participant contributions are made on a pre-tax basis, not to exceed statutory limits. Participants also may contribute amounts representing distributions from other qualified defined contribution plans. The Company may make discretionary profit-sharing contributions to the Plan in accordance with the provisions contained in the Plan document. No discretionary profit-sharing employer contributions were made by the Company for the year ended December 31, 2022.

The Company was required to make a safe-harbor matching contribution equal to 100% of a participant's salary deferral contributions, up to 3% of their compensation, and 50% of the participant's salary deferral contributions that exceed 3% of their compensation, not to exceed 5%. Effective March 1, 2022, the Company amended the formula to 100% of a participant's salary deferral contributions, up to 4% of their compensation, and 50% of the participant's salary deferral contributions that exceed 4% of their compensation, not to exceed 6%. Participants who attain age 50 before the close of the Plan year are eligible to make catch-up contributions, as defined in the Plan.

Participant Accounts

Each participant's account is credited with their deferred contributions, Company contributions, and allocations of their investment earnings net of related fees. Contributions are invested based upon the percent allocation elected by the participant into one or more of the investment options available to the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

OTG Concessions Management, LLC 401(k) Profit Sharing Plan

Notes Receivable from Participants

Each participant is permitted to borrow from their account an amount not to exceed 50% of their vested account balance, up to a maximum of \$50,000. The minimum amount that may be borrowed is \$1,000. Only one loan may be outstanding at a time. Loan terms may not exceed five years, except to purchase a primary residence, the term of which cannot exceed ten years. The loans are collateralized by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, as determined by the Plan administrator. Interest rates at December 31, 2022 ranged from 4.25% to 8.50%.

Vesting

Participants are fully vested at all times in their elective deferrals, the safe-harbor matching contributions, and discretionary profit-sharing employer contributions, plus earnings thereon.

Benefit Payments

A participant's vested interest in the Plan's assets is distributable generally upon termination, disability, retirement, or death. Participants may withdraw from their individual accounts, pursuant to specific guidelines as set forth in the Plan document.

Administrative Expenses

Most administrative expenses of the Plan are paid by the Company. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and, when applicable, disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, see Note 4. The sales and purchases of investment securities, and gains and losses on the sale of investments, are recognized at the trade date. Net depreciation includes the Plan's gains (and losses) on investments bought and sold, as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis.

Payment of Benefits

Payments to participants are recorded upon distribution.

Notes Receivable from Participants

Notes receivable from participants are stated at their unpaid principal balance, plus any accrued but unpaid interest. Defaulted notes are recorded as benefit payments according to the terms of the Plan document. Fees charged by the trustee relating to notes receivable from participants are paid from the related participants' accounts. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

3. Information Certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company, the trustee, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

OTG Concessions Management, LLC 401(k) Profit Sharing Plan

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net depreciation in fair value of investments, dividends, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2022, as shown on the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

4. Fair Value Measurements

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs. Valuation techniques used to measure fair value are defined as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the assets or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

- Mutual funds: Mutual funds are valued at unadjusted quoted prices, which represent the net asset value (NAV) of shares held by the Plan at year end.
- Money market funds: The value for money market funds is determined based on the underlying assets, which represents the net asset value, a practical expedient of fair value, of units held by the Plan. The objective is the preservation of capital, liquidity and—consistent with these goals—the highest possible current income. The Plan's investment in the money market funds may be redeemed daily. There are no redemption fees or notice periods and no unfunded commitments as of December 31, 2022 and 2021.
- Collective investment trusts: The value of the collective investment trusts is determined based on the underlying assets, which represents the net asset value, a practical expedient of fair value, of units held by the Plan. The objective is to diversify risk based on the associated target retirement date. The Plan's investment in the collective investment trusts may be redeemed daily. There are no redemption fees or notice periods and no unfunded commitments as of December 31, 2022 and 2021.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

OTG Concessions Management, LLC 401(k) Profit Sharing Plan

Investments at fair value at December 31, 2022 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds - in fair value hierarchy	\$ 2,671,715	\$ -	\$ -	\$ 2,671,715
Money market funds and collective investment trusts - measured at net asset value (a)				18,138,632
Total investments, at fair value				\$ 20,810,347

Investments at fair value at December 31, 2021 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds - in fair value hierarchy	\$ 3,046,834	\$ -	\$ -	\$ 3,046,834
Money market funds - measured at net asset value (a)				19,148,983
Total investments, at fair value				\$ 22,195,817

(a) Certain investments measured at net asset value per share (or its equivalent) as a practical expedient to fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. Party-In-Interest Transactions

All investments are issued and managed by T. Rowe Price, the recordkeeper of the Plan. Any purchases and sales transactions of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Notes receivable from participants also qualify as exempt party-in-interest transactions. Administrative fees paid by the Plan for administrative services amounted to \$55,792 for the year ended December 31, 2022.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to change or terminate the Plan subject to the provisions of ERISA. In the event of termination, participants become 100% vested and Plan assets will be distributed to participants based on their individual account balances.

7. Tax Status

Effective January 1, 2015, the Plan has adopted DST Retirement Solutions LLC's non-standardized 401(k) Profit Sharing Plan to incorporate the 401(k) safe-harbor provisions. The prototype non-standardized plan received a favorable opinion letter from the Internal Revenue Service (IRS) on June 30, 2020, stating that the written form of the underlying prototype plan document is qualified under Section 401(a) of the Internal Revenue Code (IRC), and that any employer adopting the prototype non-standardized plan is considered to have a qualified plan under the IRS and qualify as exempt from taxation. The Plan has been amended since the date of the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's management believes it is no longer subject to income tax examinations for years prior to 2019.

8. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amount reported in the statements of net assets available for benefits.

9. Reconciliation of Financial Statements to Form 5500

The Form 5500 was prepared on a cash basis for the Plan as of December 31, 2022 and 2021. The financial statements were prepared on the accrual basis for the Plan years ended December 31, 2022 and 2021.

The following is a reconciliation between the statements of net assets available for benefits per the accompanying financial statements and the Form 5500 at December 31,:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 21,423,946	\$ 22,666,417
Less: Employee contributions receivable	(58,091)	(67,329)
Less: Employer contributions receivable	<u>(39,999)</u>	<u>(28,378)</u>
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 21,325,856</u>	<u>\$ 22,570,710</u>

The following is a reconciliation of the changes in net assets available for benefits per the accompanying financial statements and the Form 5500 for the year ended December 31, 2022:

Net decrease per the financial statements	\$ (1,242,471)
Add: 2021 contribution receivables received in 2022	95,707
Less: 2022 contribution receivables received in 2023	<u>(98,090)</u>
Net decrease per Schedule H of Form 5500	<u>\$ (1,244,854)</u>

10. Subsequent Events

The Plan's management has evaluated subsequent events through October 13, 2023, the date the financial statements were available for issuance. All subsequent events requiring recognition or disclosure have been incorporated in these financial statements.
