Independent Auditor's Report

To the Administrative Committee of
The Etech Texas 401(K) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Etech Texas 401(K) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended June 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Etech Texas 401(K) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from The Principal Life Insurance Company, a qualified institution, as of June 30, 2023 and 2022, and for the year ended June 30, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held and certified to by The Principal Life Insurance Company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Etech Texas 401(K) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Etech Texas 401(K) Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Etech Texas 401(K) Savings Plan 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Etech Texas 401(K) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets as of or for the year ended June 30, 2023 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held and certified to by The Principal Life Insurance Company, a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**ETECH TEXAS 401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – DESCRIPTION OF PLAN

The following description of Etech Texas 401(k) Savings Plan provides only general information. Participants should refer to the Plan agreement for a more detailed description of the Plan's provisions.

- a. General – the Plan is a 401(k) savings plan which covers all employees of Etech Texas (the Employer) who have attained eighteen years of age and are employed for six months as an employee. The Plan was adopted effective July 1, 2011. It is subject to the provisions of the Employees Retirement Income Security Act of 1974 (ERISA).
- b. Contributions – participants may contribute up to the maximum allowed by law. The Employer makes an annual contribution. The maximum Employer contribution allowed is 100% of salary deferrals up to 3% of pay, plus 50% of salary deferral contributions from 3% to 5% of payroll.
- c. Participant Accounts – Participant accounts are credited with their voluntary contribution and an allocation of the Employer's contribution; an allocable portion of the Plan's forfeitures credited based on the ratio of the participant's compensation for the Plan year to the total compensation of all Plan participants for that plan year; an allocable portion of the Plan's earnings/losses; and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be attributed to the participant's vested account.
- d. Vesting – Participants are vested immediately on elective deferrals and employer matching contributions. Employer discretionary contributions are vested depending on the years of service: after two years of service participants are vested 20% progressing to 100% after six years.
- e. Investment Options – Upon enrollment in the Plan. Participants direct the investment of 100% of the contributions in accordance with Principal Life Insurance Company's (Plan Custodian) investment contract. Participants may change their investment options periodically.
- f. Plan Benefits – Participants are entitled to a lump sum distribution of their benefit on attaining the normal retirement age (59 ½). A participant whose employment with the Employer terminates for reasons other than retirement, death or disability shall be entitled to receive the vested value of their account in a lump sum distribution.
- g. Participant Loans – Participants may borrow from their investment accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance, reduced by any outstanding loan balance, or \$50,000, reduced by the highest outstanding loan balance during the one- year period ending on the day the loan is made. The loans are secured by the balance in the participant's account and bear interest at 4.25% to 8.25% per annum. Principal and interest are paid ratably through bi-weekly payroll deductions. The interest rate is established by the Employer annually and is based upon the concept of a reasonable rate of return.
- h. Administrative Expenses - As provided in the Plan agreement, administrative expenses are paid by the Plan.

NOTES TO FINANCIAL STATEMENTS**

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The Financial Statements of the Organization have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables and other liabilities.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles include the use of estimates that affect the financial statements. Accordingly, actual results could differ from those estimates.

Investments Valuation and Income Recognition

The Plan's investments are stated at fair value. Investments in commingled funds are valued at the net asset value of units held by the Plan at year-end. The Plan has an indirect investment in a fully benefit-responsive common collective trust through the Principal Stable Value Fund. This investment is reported at fair value, which approximates contract value.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits

Benefit payments are recorded when paid.

Forfeited Accounts

There were no forfeitures during the year ended June 30, 2023. None of the account balances from prior years were forfeited.

NOTE 3 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The plan has entered into an investment contract with Principal Life Insurance Company (Principal). Principal maintains certain of the Plan's assets as follows:

Pooled Separate Accounts – These accounts are maintained by an insurance company and are used for collective investment of Plan funds from more than one employee benefit plan. Pooling plan funds of all plan sponsors who want to invest in the Pooled Separate Accounts provides greater buying power- stocks of many different companies can be purchased and more efficient investments maintained than by investing each plan's assets separately.

**ETECH TEXAS 401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 3 – INVESTMENT CONTRACT WITH INSURANCE COMPANY (Cont'd)

Common/Collective trusts – These accounts provide a guaranteed interest rate for a specified period of time as determined by the Plan custodian or allowed by the Plan. The rate credited is the rate in effect on the day when each deposit is directed to the account. The guaranteed interest rate is supported by the Principal's general account. The fair value of the accounts is the amount that would be paid any time funds are withdrawn or transferred within Plan prior to their maturity (for an event other than death, disability, termination, or retirement) and reflects a surrender charge, if applicable, according to the terms of the Plan's contract.

NOTE 4 – INVESTMENTS

Information Prepared and Certified by Trustee

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee at June 30, 2023.

Investments at fair value:

Corporate bonds and equities	\$7,807,746
Net investment gain (loss) from investments	863,972

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit.

Input levels by investment category are as follows:

Fair values of assets measured on a recurring basis at June 30, 2023, are as follows:

NOTE 4 – INVESTMENTS (Cont'd)

Fair Value Measurements

The Fair Value Measurements Topic of the FASB Accounting Standards Codification defines fair value, establishes a consistent framework for measuring fair value and expands disclosure requirements for fair value measurements.

The Plan measures the fair value of assets and liabilities as the price that would be received to sell an asset or paid to transfer a liability in the principal or most advantageous market in an orderly transaction between market participants at the measurement date. The fair value hierarchy distinguishes between independent observable inputs and unobservable inputs used to measure fair value as follows:

Level 1: Fair value determined using quoted market prices in active markets for identical assets and liabilities. The reporting entity has the ability to access at the measurement date.

Level 2: Inputs other than quoted market prices included within Level 1 that are observable for an asset or liability, either directly or indirectly.

Level 3: Unobservable inputs for an asset or liability. Level 3 inputs should be used to measure fair value to the extent that observable Level 1 or 2 inputs are not available.

Financial assets or liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of assets and liabilities and their placement within the fair value hierarchy levels.

According to the plan Custodian, the pooled separate accounts are invested in investments such as stocks, mutual funds, short – term investments, bonds, etc. Principal owns the underlying investments in the separate accounts. The underlying measurements for the separate accounts have observable (level 1 or 2) inputs, including quoted prices for similar assets in active or non-active markets. While the underlying asset values are quoted prices, the net asset value of a separate account is not publicly quoted and accordingly the fair values of the separate accounts and common collective trust are reported at level 2. There were no level 3 inputs.

The above and following information included financial statements and supplemental schedule was obtained from financial information that has been prepared and certified as complete and accurate by the Plan custodian. The Plan custodian's certification included the summary of plan transactions, the employer fund statement and the schedule of assets held for investment purposes at end of year.

NOTE 5 – NOTES RECEIVABLE FROM PARTICIPANTS

During the year ended June 30, 2023, Plan participants increased their loan balances by \$12,818. The notes receivable from participants at June 30, 2023 and 2022 were \$266,368 and \$253,550, respectively.

**ETECH TEXAS 401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 6 – PLAN TERMINATION

The Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Employer may determine.

NOTE 7 – FEDERAL INCOME TAX STATUS

The Plan has adopted a prototype “standardized” plan and the prototype sponsor has received a determination letter from the Internal Revenue Service indicating that the Plan is a qualified plan meeting the requirements of applicable sections of the Internal Revenue Code. Accordingly, Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. The tax returns of the Plan are subject to examination by the Internal Revenue Service for the last three years. There are currently no audits in progress.

NOTE 8 – PLAN ADMINISTRATION

Certain administrative functions are performed by officers or employees of the Employer organization. These officers or employees do not receive compensation from the Plan. Generally, administrative expenses other than those charged directly by Principal Life Insurance Company, are paid directly by the Employer organization.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS

There are no differences between form 5500 Schedule H and the financial statements.

NOTE 10 – RELATED PARTY TRANSACTIONS

The Plan offers loans to participants. There were no other related party transactions during the years ended June 30, 2023 and 2022.

NOTE 11 – PARTY IN INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Certain Plan investments are shares or units of various commingled funds which were managed by Principal, the Plan’s recordkeeper.

NOTE 12 – RISKS AND UNCERTANTIES

The participants through the Plan invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participant’s account balances and the amounts reported in the statement of net assets available for benefits.

**ETECH TEXAS 401(K) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS**

NOTE 13 – SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023, which included SECURE Act 2.0. SECURE Act 2.0 contains over ninety new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

NOTE 14 – SUBSEQUENT EVENTS

Subsequent events were evaluated through November 30, 2023, the date that the financial statements were available to be issued.
