INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Star Shuttle, Inc. Retirement Savings Plan
San Antonio, Texas

Opinion

We have audited the accompanying financial statements of Star Shuttle, Inc. Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of August 8, 2022 and December 31, 2021, and the related statement of changes in net assets available for benefits for the period from January 1, 2022 to August 8, 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Star Shuttle, Inc. Retirement Savings Plan as of August 8, 2022 and December 31, 2021, and the changes in its net assets available for benefits for the period from January 1, 2022 to August 8, 2022, in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As further discussed in Note 5 to the financial statements, the Board of Directors of Star Shuttle, Inc., the Plan's sponsor, voted in June 2022 to terminate the Plan and transfer the assets and participant records to a successor plan. The transfer was finalized on August 8, 2022.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Star Shuttle, Inc. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Star Shuttle, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

To the Trustees of the
Star Shuttle, Inc. Retirement Savings Plan

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may be come due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Star Shuttle, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Star Shuttle, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Trustees of the
Star Shuttle, Inc. Retirement Savings Plan

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions as of August 8, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Star Shuttle, Inc. Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement and amendments for a more complete description of the Plan's provisions.

General – The Plan was initially formed by Star Shuttle, Inc. on June 1, 2006 and was part of a multiple employer plan sponsored by G&A Partners, Inc. Effective July 29, 2016, Star Shuttle, Inc. (the "Employer" and "Plan Sponsor"), terminated its co-employer relationship with G&A Partners, Inc. and spun off their assets to their successor single employer plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a defined contribution plan.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act ("SECURE Act") of 2019 which contained significant retirement reform legislation. Many of the provisions of the SECURE Act are effective on January 1, 2020 and require significant changes to plan administration and recordkeeping.

The COVID-19 outbreak in the United States, which was declared a global pandemic by the World Health Organization in March of 2020, has caused business disruption through mandated closings of businesses in numerous industries. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") which included numerous employee benefit plan provisions to assist plan sponsors, plan administrators, and participants.

Eligibility – The Plan covers all employees, as defined in the Plan, who have completed three months of service and attained the age of 18.

Employee Contributions – Participants may elect to contribute from 1% to 98% of their pre-tax compensation, after-tax compensation (Roth contribution), or any combination thereof for the years ended December 31, 2022 and 2021, as defined in the Plan, up to a maximum of \$20,500 and \$19,500, respectively. Participants who have attained age 50 during the Plan year may make an additional elective deferral contribution of \$6,500 during 2022 and 2021. The percentage may be changed as of any subsequent Plan entry date. Any such change will apply only after its effective date, and after it is executed and filed with the Plan Sponsor. Fund allocations may be changed by the participants at any time.

Employer Contributions – For the period from January 1, 2022 to August 8, 2022 and year ended December 31, 2021, there were no discretionary Employer-provided matching contributions.

STAR SHUTTLE, INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

The total of Employer and employee contributions is limited to the lesser of \$61,000 and \$58,000 or 100% of the participant's eligible pre-tax compensation for the years ended December 31, 2022 and 2021, respectively.

Participant Accounts – Each participant's account is credited with the participant's contribution and Employer-provided matching contributions, Plan earnings (losses), and charged with management or service fees and allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan. Additional administrative fees are charged by the custodian upon fund withdrawal. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participant contributions are 100% vested. Employer's discretionary contributions are 20% vested after two years of service and 20% vested for each additional year of service. Automatic 100% vesting occurs upon attainment of normal retirement age (65), upon retirement due to disability, upon death, and upon termination of the Plan.

To have a year of service for vesting purposes, employees must complete at least 1,000 hours of service during the Plan calendar year.

Investment Options – Participants may direct contributions to any of the investment options offered by the Plan. The investment options include money market funds and various stock and bond funds. The fund values are computed daily by the custodians and reflect changes in the unit values of the investments.

Notes Receivable from Participants – Participants can borrow up to 50% from the vested balance of their fund account with a minimum of \$1,000 up to a maximum of \$50,000. Note terms range from one to five years or up to 15 years for the purchase of a principal residence. Participants can only have two notes outstanding at any time. The notes are secured by the balance in the participant's account and bear interest at a fixed rate commensurate with the Plan's prevailing rates at the time the note is approved. Principal and interest are paid ratably through payroll deductions. In accordance with CARES Act provisions, the maximum borrowing limit was increased to 100% from the vested balance of the participant's account up to a maximum of \$100,000 for loans issued between March 27, 2020 and September 22, 2020. The legislation also provided that any loan repayments due between March 27, 2020 and December 31, 2020 can be delayed for up to one year and the five-year repayment period will disregard the 2020 Plan year.

Payment of Benefits – Upon retirement or separation from service with the Employer, the participant may elect to receive a single lump-sum cash payment. Also, upon reaching age 59½, participants may receive a lump-sum cash payment for any portion of their vested accounts on a yearly basis. Until a participant actually retires from the employment of the participant's employer, the participant shall continue to be treated in all respects as a participant.

Hardship Distributions – Hardship distributions can only be made to the extent that there is a financial hardship, as defined in the Plan document and in accordance with IRS rules.

STAR SHUTTLE, INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Forfeited Accounts – As of August 8, 2022 and December 31, 2021, forfeited non-vested accounts were \$0 and \$1,120, respectively. These accounts can be used to reduce future Employer-matching contributions or to pay for Plan expenses. No amounts were paid from forfeited non-vested accounts for the period from January 1, 2022 to August 8, 2022 and for the year ended December 31, 2021.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES AND OTHER MATTERS

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting, except that benefits are recorded when paid.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Withdrawals and Exchanges – Withdrawals and exchanges between investment fund options by participants are recorded based upon the specific proceeds and cost of the investment at the date of withdrawal or exchange.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of August 8, 2022 and December 31, 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Sponsor considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Administrative Expenses – Certain administrative expenses are paid by the Plan Sponsor. Management fees, asset fees, and account administrative fees are paid by the participants. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value investments.

Date of Management's Review of Subsequent Events – The Plan has evaluated subsequent events through December 4, 2023, the date the financial statements were available to be issued.

STAR SHUTTLE, INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include <ul style="list-style-type: none">• quoted prices for similar assets or liabilities in active markets;• quoted prices for identical or similar assets or liabilities in inactive markets;• inputs other than quoted prices that are observable for the asset or liability; and• inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p style="text-align: center;">If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p>
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of August 8, 2022 and December 31, 2021.

Level 1 Fair Value Measurements:

Mutual Funds: Shares of registered investment companies are valued at the daily quoted net asset value closing price of the shares as reported by the fund at year end. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

STAR SHUTTLE, INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of August 8, 2022 and December 31, 2021:

	<u>Fair Value Measurements at Reporting Date Using:</u>			
	<u>Total</u>	<u>Quoted Prices In Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
<u>August 8, 2022</u>				
Shares of registered investment companies	\$ <u>0</u>	\$ <u>0</u>	\$ <u>0</u>	\$ <u>0</u>
<u>December 31, 2021</u>				
Shares of registered investment companies	\$ <u>1,058,528</u>	\$ <u>1,058,528</u>	\$ <u>0</u>	\$ <u>0</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the period from January 1, 2022 to August 8, 2022 and for the year ended December 31, 2021, are reported in net appreciation (depreciation) in fair value of investments.

NOTE 4 - TAX STATUS

The master prototype plan from which the Plan was drafted received a favorable determination from the Internal Revenue Service on June 30, 2020. Although the Plan has been amended since receiving the determination letter, the Plan Sponsor believes the Plan is designed and currently being operated in compliance with all applicable provisions of the Internal Revenue Service Code. Therefore, management believes that the Plan is qualified and that the related trust is exempt from taxation under the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service.

The Plan Sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of August 8, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 5 - PLAN TERMINATION

In June 2022, the Board of Directors of Star Shuttle, Inc., as permitted by the Plan document, voted to terminate the Plan and merge the assets into the G&A Partners, Inc. Pooled Employer 401(k) Plan. On August 8, 2022, the participant account balances and records were transferred to the new plan. Both the Star Shuttle, Inc. Retirement Savings Plan and the successor plan are administered by Slavic Integrated Administration, Inc.

STAR SHUTTLE, INC. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Slavic Integrated Administration, Inc. ("SIA"), the Plan's third-party administrator receives fees for recordkeeping services along with participant account administrative and asset fees. The total fees paid by the Plan were \$4,372 for the period from January 1, 2022 to August 8, 2022.

Slavic Mutual Funds Management Corporation ("SMF"), which is owned by the stockholders of SIA, is the investment advisor to the Plan. Participants, if they elect this service, are charged a quarterly advisor fee. The total fees paid by the Plan were \$507 for the period from January 1, 2022 to August 8, 2022.

The party-in-interest transactions above are exempt from prohibited transaction rules of ERISA.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - PROHIBITED TRANSACTIONS

As required by ERISA Section 2510.3-102, the Plan Sponsor is required to segregate and deposit participant contributions to the Plan at the earliest date that they can be reasonably segregated from its general assets but in no event more than 15 business days following the end of the month in which amounts are withheld from wages. Participant contributions, including loan repayments, remitted to the Plan beyond the time frame set forth by this criteria are considered a prohibited transaction.

For the period from January 1, 2022 to August 8, 2022, cumulative participant contributions totaling \$343 were remitted to the Plan beyond the period prescribed by these regulations. Although the participant contributions were remitted to the Plan, due to ERISA reporting requirements, they are listed as prohibited transactions on the supplemental schedule to the financial statements.
