Independent Auditor's Report

RSM US LLP

Plan Administrator
Combe Incorporated Employees Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Combe Incorporated Employees Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Combe Incorporated Employees Savings Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following description of the Combe Incorporated Employees Savings Plan (the Plan) provides only general information. Participants should refer to the plan document for a detailed description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all United States employees of Combe Incorporated (the Company or the Plan Sponsor) and its wholly owned subsidiary, Combe Laboratories, LLC. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: Employees who are regularly scheduled to work 20 hours or more per week are generally eligible to participate in the Plan on the first pay period of the month following their date of hire. Employees who are regularly scheduled to work less than 20 hours per week shall be eligible to participate in the Plan on the first pay period of the month following the completion of one year of service provided they worked at least 1,000 hours of service during the one year of service.

Contributions: Participants may contribute from 1% to 50% of pretax annual compensation subject to Internal Revenue Code (IRC) Limitations. Participants may contribute rollover amounts representing distributions from other qualified defined contribution plans.

In 2022 and 2021, the Company made nonelective profit sharing contributions of varying amounts based on the participant's age. In addition, the Company made matching contributions equal to 100% of the first 4% of eligible pay that a participant contributed.

The Company matching and nonelective profit sharing contributions are invested in accordance with each participant's investment elections. Participants direct their contributions into the various investment options offered by the Plan.

The Plan was amended effective January 1, 2022 whereby the Company set-up a frozen employer profit sharing contribution source which is immediately 100% vested, is available for in-service withdrawals upon reaching age 59½ and is both lienable and available for participant loans in the Plan. All profit sharing contributions funded as of December 31, 2021 were deposited into this frozen employer contribution source. Any profit sharing contributions funded as of January 1, 2022 and forward shall not be lienable and not available for participant loans in the Plan.

Participant accounts: Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and Plan earnings. The allocation of Plan earnings is based on account balances, as defined in the plan document. The benefit to which a participant is entitled is that which can be provided from the participant's individual account.

Notes receivable from participants: A participant may borrow from their account a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their account balance. A participant may have only one loan outstanding at any time. The \$50,000 eligible loan limit is reduced by the participant's highest outstanding loan balance in the past 12 months. The loan is collateralized by the balance in the participant's account and bear interest at a rate equal to 1% over the prime rate in effect on the date of the loan. The interest rate will set as soon as administratively possible and will be fixed for the duration of the loan, except as otherwise required by law. Loans must be repaid in equal payments through payroll deductions over a period not to exceed five years and are allocated to the various investment funds based on the participant's then effective contribution percentages.

Vesting: Participants vest immediately in their contributions plus actual earnings thereon, as well as the Company's contributions.

Note 1. Description of the Plan (Continued)

The Plan was amended effective January 1, 2022 whereby newly hired employees with a start date on or after January 1, 2022, are 100% vested in their Employer nonelective profit sharing contributions after completion of one year of service.

Payment of benefits: Upon the retirement of a participant for age or disability, the balance of the participant's account shall be paid at the discretion of the participant in either: (a) a lump-sum distribution or in substantially equal annual or more frequent installments over a reasonable period of time not to exceed the participant's life expectancy or, the joint and last survivor life expectancy of the participant and their designated beneficiary at the commencement of the installments; or (b) a combination of the above. Upon termination, the participant may leave their funds in the Plan and receive the lump sum or installment distribution at a subsequent date of their choice, but no later than April 1 of the year after the participant reaches age 70½.

Administrative expenses: Substantially all of the Plan's administrative expenses are paid by the participants.

Hardship withdrawals: A participant may withdraw tax-deferred contributions for: (a) medical expenses; (b) purchase of a principal residence; (c) payment of tuition for the next twelve months; (d) the prevention of eviction from principal residence; or (e) any other reason set forth by the Commissioner of the Internal Revenue Service (IRS), conditional upon satisfactory demonstration of the need and approval by the Plan Sponsor.

Plan termination: The Company may terminate, amend, modify or suspend the Plan, in whole or in part, at any time. However, in any such event, the participants' rights to their accrued benefits are nonforfeitable. Upon termination of the Plan, the interest of each participant in the Plan will be distributed to such participant or his/her beneficiary at the time prescribed by the Plan terms and the IRC.

Income taxes: Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and has no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision for income taxes has been included in the financial statements. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 2. Summary of Significant Accounting Policies

The Plan's significant accounting policies are as follows:

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of benefits: Benefit payments to participants are recorded upon distribution.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Note 2. Summary of Significant Accounting Policies (Continued)

Use of estimates: The preparation of financial statements in conformity with accounting standards generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes thereto. Actual results could differ from those estimates.

Risks and uncertainties: The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk and uncertainty associated with certain investment securities, it is possible that participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits could be materially affected in the near-term.

Note 3. Information Certified and Provided by Reliance Trust Company

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements and supplemental schedule that was prepared by, or derived from, information provided by Reliance Trust Company (the Trustee), and furnished to the plan administrator. The plan administrator has obtained certifications from the Trustee that information provided to the plan administrator by the Trustee related to the information below is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears in the financial statements and supplemental schedule related to the following assets:

	December 31	
	2022	2021
Investments at fair value:		
Mutual funds	\$ 91,472,376	\$109,898,643
Common collective trust fund	8,352,582	8,013,578
Total investments	<u>\$ 99,824,958</u>	<u>\$117,912,221</u>
Notes receivable from participants	<u>\$ 472,250</u>	<u>\$ 392,753</u>

The Trustee also certified the completeness and accuracy of \$21,193,367 of net depreciation in fair value of investments, \$3,630,649 of dividends and \$22,172 of interest income on notes receivable from participants for the year ended December 31, 2022.

Note 4. Fair Value Measurements and Investments

The Financial Accounting Standards Board (FASB) codification provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under this guidance are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Combe Incorporated Employees Savings Plan

Notes to Financial Statements

Note 4. Fair Value Measurements and Investments (Continued)

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

Common collective trust fund: The common collective trust fund is stated at NAV, as reported by the Trustee. Units in a common collective trust are not traded on securities exchanges but are redeemable only by the issuer. The value of the Plan's investments in common collective trusts represents the value of the Plan's interests in the overall value of the common collective trusts.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4. Fair Value Measurements and Investments (Continued)

The following tables set forth the Plan's investments at fair value as of December 31, 2022 and 2021.

	Investments at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 91,472,376	\$ -	\$ -	\$ 91,472,376
Investments measured at NAV (a)				8,352,582
Total investments at fair value				\$ 99,824,958

	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 109,898,643	\$ -	\$ -	\$ 109,898,643
Investments measured at NAV (a)				8,013,578
Total investments at fair value				\$ 117,912,221

(a) In accordance with FASB Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 5. Fair Value of Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent)

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using net asset value per share (or its equivalent) as of December 31, 2022 and 2021:

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2022	2021			
MetLife Reliance Stable Value Fund (a)	\$ 8,352,582	\$ 8,013,578	None	Daily	None
Total	\$ 8,352,582	\$ 8,013,578			

(a) See Note 6 for additional information related to this investment.

Note 6. Common Collective Trust Fund

The Plan invests in a common collective trust fund (the Fund), which seeks to replicate, to the extent practicable, the performance of the Standard & Poor's 500 Stock Index. The Fund invests directly into a common collective trust fund with similar objectives and like investment strategies. The beneficial interest of each participant is represented by units, which are issued and redeemed daily at the Fund's NAV per unit.

Note 7. Federal Income Tax Status

The IRS has determined and informed the Company in a letter dated October 6, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Note 8. Related-Party Transactions

The Plan's investment in the stable value fund is managed by the Trustee, who is in a benefit service alliance with ADP Retirement Services, the record keeper. Therefore, this transaction qualifies as a party-in-interest transaction.

Note 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Form 5500 as of December 31, 2022 and 2021:

	2022	2021
Net assets available for benefits per the financial statements	\$ 100,297,208	\$ 118,304,974
Less deemed distributions not in default	(36,913)	(18,920)
Differences in:		
Investments	(472,250)	(392,753)
Notes receivable from participants	472,250	392,753
Net assets available for benefits per Form 5500	<u>\$ 100,260,295</u>	<u>\$ 118,286,054</u>

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2022:

Net decrease in net assets available for benefits per the financial statements	\$ (18,007,766)
Add prior-year deemed distributions not in default	18,920
Less current-year deemed distributions not in default	(36,913)
Net decrease in net assets available for benefits per Form 5500	<u>\$ (18,025,759)</u>

Note 10. Subsequent Events

The Plan has evaluated subsequent events through November 27, 2023, the date the financial statements were available to be issued.

On November 10, 2022, the Board of Directors of the Employer amended the Plan and authorized the following:

- Effective January 1, 2023, the Plan will increase the Employer's contribution match from 4% of an employee's salary contribution to 5%. Matching contributions will be 100% of the first 5% of an employee's contributions.
- Effective January 1, 2025, the Plan shall be further amended to modify the profit-sharing contribution from the Corporation's current age-based scale to 5% of salary for all employees regardless of age.
