INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees and Participants of
McCarter Theatre Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of McCarter Theatre Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of McCarter Theatre Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of McCarter Theatre Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about McCarter Theatre Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of McCarter Theatre Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about McCarter Theatre Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

McCarter Theatre Retirement Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following brief description of McCarter Theatre Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan qualifying under Section 403(b) of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was adopted and became effective on January 1, 1994 and was established for the purpose of providing eligible employees of McCarter Theatre Center (the "Employer"), and their beneficiaries funds for retirement.

Eligibility

Employees of the Employer are eligible to contribute their own money into the Plan immediately upon hire. Union employees and employees who work less than 20 hours per week are excluded from participation in the Plan. Entry dates for employee deferrals are immediate. Employees are eligible for Employer contributions after 30 days of employment. Entry dates for Employer contributions are on the first of the month following 30 days of employment.

Employee Contributions

A participant of the Plan may make contributions to the Plan through payroll deductions of any whole percentage up to 100% of compensation, as defined, up to the limit prescribed by the Internal Revenue Code ("IRC"). Any participant, age 50 or over, may make an additional "catch up" contribution as determined by the Internal Revenue Service ("IRS"). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. A participant may suspend contributions at any time or may increase or decrease their level of participation at any time during the Plan year.

Employer Contributions

Employer Matching Contributions

The Employer may make a discretionary matching contribution for all eligible employees, as determined annually. For the year ended December 31, 2022, the Employer elected to match up to 2% of eligible compensation.

Employer Nonelective Contributions

The Employer may make a discretionary nonelective contribution as determined annually for all eligible employees. For the year ended December 31, 2022, the Employer elected to make a nonelective contribution equal to 3% of eligible compensation for all employees, regardless of their own salary deferrals into the Plan.

For the year ended December 31, 2022, Employer contributions totaled \$231,063.

Participant Accounts

Individual accounts are established for each participant. The Plan offers a variety of funds as investment options. Each participant's account is credited with the participant contributions, Employer contributions, and the proportionate share of dividends, interest, and investment gains since the preceding valuation date. The participant's account is reduced by withdrawals and losses on investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

McCarter Theatre Retirement Plan
Notes to Financial Statements
December 31, 2022 and 2021

Vesting

The participant's contributions, Employer contributions, and earnings thereon credited to their accounts are 100% vested at all times. As such, there were no forfeited non-vested accounts at December 31, 2022 and 2021.

Distributions and Withdrawals

During employment, a participant may make withdrawals upon retirement, death, disability, separation from service, attainment of age 59½, or financial hardship.

Benefit Payments

Upon termination of employment, a participant's vested interest in his or her account is distributed in the form of (i) partial payments, (ii) annuity contracts, (iii) lump-sum payment, or (iv) installment payments. Annuities may be purchased through an insurance company. Individual account balances, if \$5,000 or less, are paid in a lump sum distribution.

Notes Receivable From Participants

The Plan accounts held at TIAA-CREF allow for loans to be extended to participants for financial hardship or financial needs. All loans are considered a direct investment of the participant and payments of principal and interest are credited to the participant's account. The minimum a participant may borrow is \$1,000 and the maximum, including the outstanding balance of existing Plan loans, is 50% of their vested account balance, not to exceed \$50,000. A participant can have 1 loan current outstanding from the Plan. The loans bear interest at rates equal to the Federal Reserve Board Bank prime loan rate plus 1%, as calculated on the date of the loan origination. As of December 31, 2022, the loans bear interest at rates ranging from 4.25% to 5.75% and have various maturity dates through 2027. Loans have principal and interest paid ratably through monthly payments made directly by the participant.

Plan Loans

Plan loans issued directly from funds owned by TIAA CREF and not directly from a participant's account require a portion of the participant's account to be held in reserve, or held as collateral, to cover 110% of the outstanding loan in case of default. The collateral is held in the TIAA and CREF Traditional Annuity as either part of a Group Supplemental Retirement Annuity ("GSRA") contract or as a separate Retirement Loan contract. As these loans are not from Plan assets, they are not includable in the statements of net assets available for benefits. As of December 31, 2022, \$40,753 was held as collateral.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

Valuation of Investments and Income Recognition

Investments are reported at fair value except for the TIAA Traditional annuity contracts that are fully benefit responsive, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in Note 3. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Accordingly, the statements of net assets available for benefits present fully benefit responsive investment contracts at contract value. The TIAA Traditional annuity contracts that are non-benefit responsive investment contracts are presented at fair value.

McCarter Theatre Retirement Plan
Notes to Financial Statements
December 31, 2022 and 2021

Purchases and sales of securities are reflected on a trade-date basis. Interest and dividend income is recorded on the accrual basis. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with United States generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Risk and Uncertainties

The Plan's assets are invested in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Administrative Expenses

Direct expenses incurred to administer the Plan, including but not limited to, retaining necessary professional assistance from an attorney, an accountant, an actuary, and an investment advisor are paid by the Employer. Account maintenance fees, transaction fees and investment fund management fees have been paid by the Plan. In addition, certain investment related expenses have been offset with net investment income and are not readily determinable.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

McCarter Theatre Retirement Plan
Notes to Financial Statements
December 31, 2022 and 2021

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Registered Investment Companies: Shares of the registered investment companies are valued at quoted market prices which represent the net asset value ("NAV") of shares held by the Plan at year-end.

Group Fixed Annuity Contracts: The fixed annuity contracts that are not fully benefit-responsive are valued based on the accumulated cash contributions and interest credited to the Plan's contract, less withdrawals, which approximates fair value. This annuity is not available for sale or transfer on any securities exchange. The fully benefit-responsive contracts are valued as described in Note 4.

Pooled Separate Account: Units held in pooled separate accounts are valued on the NAV of the shares held by the Plan at year end, which is based on the fair value of the underlying investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

*Unobservable inputs include discount rate applied.

4. GROUP FIXED ANNUITY CONTRACTS

The TIAA Traditional Annuity is a guaranteed fixed annuity contract available as an investment option to Plan participants. Each contract is fully and unconditionally guaranteed by TIAA. The Traditional Annuity is offered through a variety of contract types including the Retirement Annuity ("RA"), Supplemental Retirement Annuity ("SRA"), Group Supplemental Retirement Annuity ("GSRA"), and the Retirement Choice Plus Annuity ("RCP"). The type of contract through which a participant invests in the TIAA Traditional Annuity determines the applicability of certain account features, such as the guaranteed minimum interest rate, additional interest declarations, the degree of liquidity of the participant's account, and the options for receiving income upon retirement.

When participants choose to allocate a portion of their retirement savings to the TIAA Traditional Annuity during the accumulation phase of the contract, their contributions purchase a specific amount of lifetime income based on the contractual rate schedule in effect at the time the premium is paid. The participant's principal, plus a specified minimum rate of interest, are guaranteed by TIAA's claims-paying ability. The TIAA Traditional Annuity also provides the potential for additional interest if declared by TIAA's Board of Trustees. Additional interest, when declared, remains in effect for the declaration year, which begins each March 1 for accumulating annuities, and January 1 for lifetime payout annuities. Additional interest is not guaranteed for future years. Together, the guaranteed minimum and additional amounts make up the crediting interest rate.

The TIAA Traditional Annuity within the SRA, GSRA, and RCP contracts, as well as holdings reported in the Plan Loan Default Fund have no liquidity restrictions. The TIAA Traditional Annuity holdings within the RA contract have liquidity restrictions and are non-benefit responsive.

The RA contract does not allow lump-sum cash withdrawals, and transfers must be spread over a period of 10 annual installments. With a GRA contract, lump-sum withdrawals are available only within 120 days after termination of employment and are subject to a 2.50% surrender charge. All other withdrawals and transfers from the RA or GRA contracts must be spread over a period of 10 annual installments (or five annual installments for withdrawals after termination of employment through election of a five-year fixed period annuity).

McCarter Theatre Retirement Plan
Notes to Financial Statements
December 31, 2022 and 2021

Certain events limit the Plan's ability to transact at contract value with TIAA and CREF. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure to the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

5. INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

No auditing procedures were performed by the independent auditor as permitted by 29 CFR 2520 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by TIAA-CREF, the custodian, except for comparing such information with the information reported in the financial statements.

Based on information provided and certified by the custodian, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2022 and 2021. The following information as of December 31, 2022 and 2021 and for the year ended December 31, 2022 was obtained from reports certified by the custodian:

	<u>2022</u>	<u>2021</u>
Investments, at fair value	\$ 12,127,496	\$ 8,995,178
Investments, at contract value	\$ 1,318,411	\$ -
Notes receivable from participants	\$ 5,616	\$ 3,035
Net depreciation in fair value of investments	\$ (1,531,367)	
Dividend and interest income	\$ 16,426	
Interest from notes receivable from participants	\$ 181	

6. INCOME TAX STATUS

The Plan adopted a Prototype Volume Submitter 403(b) Plan, which received a favorable opinion letter from the Internal Revenue Service ("IRS") on August 7, 2017 which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. TRANSFER IN FROM ANOTHER PLAN

Prior to August 1, 2022, the Employer administered another active plan, McCarter Theatre TDA Plan, for eligible employees of McCarter Theatre Company that certain employee contributions were deposited into. On August 1, 2022, the McCarter Theatre TDA Plan merged into the McCarter Theatre Retirement Plan. As a result, \$5,964,308 of assets were transferred into the Plan.

8. TERMINATION OF THE PLAN

The Employer intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its Board of Trustees. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100% vested and non-forfeitable. All participants shall receive a total distribution of their accounts as described in the Plan.

9. PARTY IN INTEREST TRANSACTIONS

All Plan investments are managed by TIAA-CREF, the custodian of the Plan. These transactions qualify as party-in-interest transactions. In addition, the Plan has certain investment related expenses which have been offset by investment income. Notes receivable from participants also qualify as exempt party-in-interest transactions.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The Plan prepares the financial statements on the accrual basis of accounting, which includes recording contributions receivable as of the end of the year. However, the IRS Form 5500 does not require the use of the accrual basis of accounting, and, as such, the Plan sponsor prepares the IRS Form 5500 on the cash basis of accounting. Accordingly, the IRS Form 5500 does not include contributions receivable and other assets as of the end of the year.

The net assets available for benefits on the financial statements were greater than reported on Form 5500 due to the following at December 31:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 13,461,774	\$ 9,003,004
Participant contributions receivable	(5,619)	(1,279)
Employer contributions receivable	(4,632)	(3,512)
Other assets	-	(1,327,813)
Net assets available for benefits reported on Form 5500	<u>\$ 13,451,523</u>	<u>\$ 7,670,400</u>
