Independent Auditors' Report

To the Participants and Plan Administrator of the
Retirement Community Health Plan of Pennsylvania

Opinion

We have audited the financial statements of the Retirement Community Health Plan of Pennsylvania (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of benefit obligations and net assets in liquidation as of October 31, 2022, and the statement of benefit obligations and net assets available for benefits as of October 31, 2021 (ongoing basis), and the related statement of changes in benefit obligations and net assets in liquidation for the year ended October 31, 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets in liquidation of the Plan as of October 31, 2022, the net assets available for benefits of the Plan as of October 31, 2021, and the changes in its benefit obligations and net assets in liquidation for the year ended October 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter - Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1 to the financial statements, the Board of Directors of the Plan approved a plan of liquidation effective July 1, 2022, and management determined liquidation to be imminent. As a result, the Plan has changed its basis of accounting from the going-concern basis of accounting to the liquidation basis of accounting used in presenting the 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Retirement Community Health Plan of Pennsylvania

Notes to Financial Statements

October 31, 2022 and 2021

1. Description of the Plan

The following description of the Retirement Community Health Plan of Pennsylvania (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan was a self-insured welfare benefit plan that provided medical benefits to covered persons who were employees of participating members of LeadingAge PA, formerly the Pennsylvania Association of Non-Profit Homes for the Aging (the Organization). The member homes provided payments for the benefit of the Plan. Employees may have been required to pay for a portion of the cost of the benefit. The Plan was governed by a Board of Directors and was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Board of Directors of the Plan approved the creation of a Stop-Loss Associate (SLA) program. This program provided an alternative to groups who wanted to have a pay-as-you-go funding arrangement for claim expense. SLA participants had access to the same stop-loss pricing as plan members receive, but participants in the SLA program were not participating in the Plan, and would not be full voting members of the Plan.

Plan Termination

In September 2021, the Organization communicated to the Board of Directors of the Plan that it wished to explore alternative structures to the Plan, and proposed an option to eliminate the single plan sponsor model and shift to a multiple employer sponsor plan model. On March 18, 2022, the Board of Directors of the Plan voted to change the single-plan sponsor structure and effectively terminate the Plan on July 1, 2022. For the plan year ended October 31, 2022, the Plan changed its basis of accounting to the liquidation basis. The trust was liquidated and the Plan ceased operations in October 2022.

Benefits

Full-time employees of the member homes who meet minimum hour requirements were eligible for medical and prescription drug benefits. Coverage under the Consolidated Omnibus Budget Reconciliation Act was available for terminations as defined in the plan document.

All Plan benefits were self-insured. The claims for self-insured benefits were processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors paid claims directly to or on behalf of participants and were then reimbursed by the Plan's trust assets. Despite the Plan's utilization of third-party claim's processors, ultimate responsibility for payments to providers and participants was retained by the Plan.

Stop Loss Insurance

The Plan had a stop loss insurance arrangement whereby the stop loss insurance covered the Plan's obligations for any plan participant's claims in excess of a fixed dollar amount (self-insured retention). The self-insured retention varied by member. In addition, the Plan had an aggregate stop loss insurance arrangement whereby the aggregate stop loss insurance covered the Plan's obligations if all claims exceed a fixed dollar amount. Stop loss refunds have been netted with claims paid in the accompanying statement of changes in benefit obligations and net assets available for benefits.

Contributions

Participants were required to contribute to the Plan to fund a portion of the cost of their medical benefits. Amounts required to be contributed by participants were determined annually by an independent third party in accordance with the plan document. The remainder of the funding required to pay benefits under the Plan was paid by the member homes.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Organization considers liquidation imminent and therefore, as a result of the termination of the Plan disclosed in Note 1, the 2022 financial statements have been prepared under the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP). The 2021 financial statements were prepared under the ongoing basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, incurred but not reported claims payable and disclosure of contingent assets, liabilities and benefit obligations. Actual results could differ from these estimates.

Benefit Obligations

Plan obligations at October 31, 2021 for medical claims incurred by active participants but not reported were calculated by an actuary retained by the Plan's management using historical claims information provided by the Plan's third-party claims administrators. These amounts were paid by the Plan only if claims are submitted and approved for payment.

Cash and Cash Equivalents

Cash includes demand or similar deposits with banks and/or financial institutions. The Plan recorded all highly liquid instruments with original maturities of three months or less at the date of purchase as cash equivalents. No cash equivalents were held in 2022 or 2021.

Funds Received in Advance

Contributions were remitted to the Plan monthly by the member homes. Amounts received by the Plan prior to the month in which they relate were recorded as funds received in advance in the accompanying statement of benefit obligations and net assets available for benefits (ongoing basis).

Stop Loss Insurance

Premiums paid by the Plan were recorded as stop loss premiums paid in the accompanying statement of changes in benefit obligations and net assets in liquidation.

Payment of Benefits

Claims payments were recorded when paid by third party claims providers. In November 2022 and 2021, claims payments of \$345,164 were paid by the Plan to the insurance providers which related to the plan year November 1, 2020 to October 31, 2021, respectively. These amounts were recorded as a liability in the statements of benefit obligations and net assets available for benefits (ongoing basis).

Notes to Financial Statements

October 31, 2022 and 2021

Risks and Uncertainties

The actuarial present value of benefit obligations is reported based on certain assumptions applied to historical claim information which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Administrative Expenses

Substantially all administrative expenses of the Plan, including, but not limited to, costs related to claims processing, legal, accounting and certain recordkeeping services were paid from Plan assets.

3. Related-Party Transactions and Administration of Plan Assets

The Plan's cash accounts were held by Jersey Shore State Bank, the custodian of the Plan. Transactions in such asset accounts qualified as party in interest transactions, which are exempt from the prohibited transaction rules.

Certain administrative functions of the Plan were performed by employees of the member homes. No such employee received compensation from the Plan.

4. Tax Status

The Plan was funded through a nonqualified trust under Internal Revenue Code (IRC) 419(a). The trust established to fund the benefits of the Plan files Form 1041 U.S. Income Tax Return for Estates and Trusts and may be subject to income tax. The Organization is a nonprofit corporation. Plan management believes that the Plan was being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely the Plan not would not be sustained upon examination by the Internal Revenue Service. The trust was subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Concentrations

The Plan held its cash with one financial institution. At times, the balance may have exceed federally insured limits. As of October 31, 2021, approximately \$8,837,000, respectively, was uninsured.
