INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
the Central Illinois Carpenters Retirement Savings Fund
Lincoln, Illinois

Opinion

We have audited the accompanying financial statements of Central Illinois Carpenters Retirement Savings Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the Statements of Net Assets Available for Benefits as of April 30, 2023 and 2022, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Central Illinois Carpenters Retirement Savings Fund as of April 30, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Central Illinois Carpenters Retirement Savings Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Illinois Carpenters Retirement Savings Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records

with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Central Illinois Carpenters Retirement Savings Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Illinois Carpenters Retirement Savings Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Assets (Held at End of Year) and Reportable Transactions, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
the Central Illinois Carpenters Retirement Savings Fund
Lincoln, Illinois

Opinion

We have audited the accompanying financial statements of Central Illinois Carpenters Retirement Savings Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the Statements of Net Assets Available for Benefits as of April 30, 2023 and 2022, and the related Statements of Changes in Net Assets Available for Benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Central Illinois Carpenters Retirement Savings Fund as of April 30, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Central Illinois Carpenters Retirement Savings Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Illinois Carpenters Retirement Savings Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records

with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Central Illinois Carpenters Retirement Savings Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Central Illinois Carpenters Retirement Savings Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Assets (Held at End of Year) and Reportable Transactions, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1: DESCRIPTION OF PLAN

The following description of Central Illinois Carpenters Retirement Savings Fund (the Plan) provides only general information. Participants and readers should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a multiemployer defined contribution plan established by a Trust agreement approved May 1, 1988. The purpose of the Plan is to provide retirement benefits to participants through a defined-contribution plan. The Plan is subject to the provisions of ERISA. Administration of the Plan is the responsibility of the joint board of trustees.

Contributions

The Plan is maintained by contributions of employers based on various rates per hour of eligible participants in accordance with collective bargaining agreements and participation agreements. The Plan does not allow for any participant contributions.

Vesting

Participants are immediately vested in the contributions made on their behalf and in allocations of the Plan's investment income less administrative expenses.

Payment of Benefits

The basic benefits of the Plan are retirement, death, and disability. During the plan years ended April 30, 2023 and 2022, several participants met the plan requirements for a complete or partial distribution of their account balances. The distributions were made in accordance with the plan trust document which calls for a distribution based on the participant's account balance at the last valuation date plus any contributions received during the current year up to the date of the distribution. Hardship distributions and partial distributions are also allowed per the plan document. Readers should refer to the Summary Plan Description for more information regarding the qualifications for distributions. Total distributions during the plan years ended April 30, 2023 and 2022, were $12,731,149 and $13,351,464.

Participant Accounts

Each participant's account balance at April 30, 2023 and 2022, was determined as follows:

Account balance at previous valuation date.

PLUS: Investment yield which is determined by comparing the total plan assets at the beginning of the plan year, (less the plan distributions) to the plan assets at the end of the plan year, (less the contributions, plus the net administrative costs). This amount is then reduced by the investment fees to get the investment yield. This yield is then allocated to each participant's account based on his account balance at the previous valuation date as it was to the total of all participants' account balances at that date, exclusive of all distributions during the plan year.

NOTE 1: DESCRIPTION OF PLAN (continued)

PLUS: The total amount of employer contributions received on behalf of the participant since the previous valuation date.

LESS: Administrative expenses which are allocated evenly to all accounts with balances at the end of the year.

The above formula is used to arrive at the participants' individualized account balances at April 30, 2023 and 2022, the totals of which are equal to the net assets available for benefits at April 30, 2023 and 2022, less contributions receivable.

	2023	2022
Participant Balances	$ 199,220,044	$ 196,223,918
Plus Contributions Receivable	1,849,092	1,508,619
Plus (Less) Rounding Differences	(724)	(1,038)
Total Net Assets per Audited Financial Statements	$ 201,068,412	$ 197,731,499

Plan Termination

Although it has not expressed any intent to do so, the Plan's board of trustees has the right under the Plan to terminate the Plan subject to the provisions of ERISA. Each participant shall receive the balance in his or her account as of the final valuation date.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Accounts Receivable

Employer contributions receivable are amounts due this Plan for participants' hours worked in April and payable by the employers in May and for time worked prior to April for which the employers were delinquent on April 30, but were considered collectible. These amounts were received in May; therefore, no allowance for uncollectible accounts is provided for herein. Delinquent contributions receivable may exist at April 30, 2023 and 2022. However, due to the uncertainty of the amount and the collectability, none has been accrued as receivable. The Plan does maintain an on-going audit program to collect these amounts.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's board of trustees determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying Statements of Changes in Net Assets Available for Benefits. The Plan shares certain administrative expenses with the related welfare plan. In computing these allocated costs, various factors were considered, including the time spent, space used, costs incurred, and volume of transactions relating to the Plan in relation to the other plan (see related party note). Certain investment-related expenses are included in net appreciation in fair value of investments presented in the accompanying Statements of Changes in Net Assets Available for Benefits.

Reciprocity Agreements

The Plan has entered into Reciprocity Agreements with various annuity funds. In accordance with these agreements, the Plan is required to remit funds received and is entitled to receive funds from contributing employers on behalf of temporary employees to and from the employees' participating local unions.

For the year ended April 30, 2023 and 2022, the Plan remitted $913,997 and $1,210,792 of reciprocal cash payments in accordance with these agreements with the participating local unions. Reciprocal payments received are included in the employers' contributions in the Statements of Changes in Net Assets Available for Benefits. No allowance for credit losses as of April 30, 2023 and 2022, was necessary for reciprocal payments due to the Plan. Payments made to other plans for reciprocal contributions collected on behalf of those plans are recorded as a reduction in the employers' contributions in the Statements of Changes in Net Assets Available for Benefits. Amounts payable and receivable at year-end are included in the respective employer contributions receivable and accounts payable in the Statements of Net Assets Available for Benefits.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Fair Value Measurements
Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements
Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements
Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at April 30, 2023 and 2022.

Money Market Funds and Interest-bearing Cash: Valued using cost which approximates fair value.

Corporate Obligations: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings. When quoted prices are not available for identical or similar bonds, the bond is valued under a discounted cash flows approach that maximizes observable inputs, such as current yields of similar instruments, but includes adjustments for certain risks that may not be observable, such as credit and liquidity risks or a broker quote if available.

U.S. Government Securities: Valued using pricing models maximizing the use of observable inputs for similar securities.

Common Stock, Preferred Stock: Valued at the closing price reported on the active market on which the individual securities are traded.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to transact at their net asset value.

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

Exchange-Traded Funds: Valued at the daily closing prices of the underlying assets, which is the net asset value (NAV) of the fund. Exchange-traded funds are a type of pooled investment security that operates like a mutual fund, but can be purchased or sold on a stock exchange, as a common stock can. Exchange-traded funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission.

Pooled Separate Accounts: Valued at the net asset value of shares held by the Plan at year-end. Pooled separate accounts are made up of a wide variety of underlying investments such as equities, preferred stock, bonds, real estate and mutual funds. The NAV is based on the market value of the underlying investments. The NAV is not a publicly-quoted price in an active market.

Hedge Fund of Funds: Valued based on the net asset value per share, without further adjustment. Net asset value is based upon the fair value of the underlying investments. The NAV is not a publicly quoted price in an active market.

Collective Investment Funds: Valued at the Net Asset Value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

Valuation of Pooled Separate Account

Separate Account W1 of the Union Labor Life Insurance Company [a]
Contract holders may withdraw an amount equal to all or a portion of their investment in the Account by making a written request for a redemption of their units to Union Labor Life. If a contract holder makes a redemption request in which it requests a redemption of less than 80% of its investment in the Account, Union Labor Life will make a payment to such contract holder equal to the full amount of the redemption request through the redemption of the contract holder's units on the first business day following the third valuation date from the date of receipt of the redemption request. The unit value of the contract holder's units will be calculated as of the third valuation date. Union Labor Life may, in its discretion, make payments in the amount of the redemption request on the first or second valuation date following receipt of the redemption request.

If a contract holder makes a redemption request to withdraw greater than 80% of the contract holder's units in the Account, Union Labor Life will make a partial payment to the contract holder in an amount equal to 80% of the value of the redeemed units calculated as of the second valuation date following receipt of the redemption request and such payment will be made on the first business day following the third valuation date. Union Labor Life will make a final payment equal to the value of the remainder of the redeemed units within three weeks after the third valuation date. Union Labor Life will credit the remaining amount of the contract holder's investment to be withdrawn (as finally determined as of the second valuation date) with short-term interest, accruing from the first business day after the third valuation date until payment is actually made.

Valuation of Hedge Fund of Funds

Hedge Fund of Funds [b]
SkyBridge Multi-Adviser Hedge Fund Portfolios LLC is registered as a closed-end, non-diversified management investment company.

The board of directors from time to time and in its complete and exclusive discretion, may determine to cause the Company to repurchase shares from shareholders pursuant to written tenders by shareholders on such terms and conditions as it may determine. The adviser expects that it typically will recommend to the board of directors that the Company offer to repurchase 5% to 25% of total outstanding shares from shareholders quarterly, on each March 31, June 30, September 30, and December 31 (or, if any such date is

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

not a business day, on the immediately preceding business day). Tender requests for redemptions generally must be submitted in the period between approximately 60 to 90 days before the end of the quarter.

NOTE 4: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan pays fees for several arrangements with service providers and affiliated entities. These transactions are considered exempt party-in-interest transactions under ERISA.

The Plan has contracted with the Central Illinois Carpenters Health and Welfare Trust Fund for collection of all funds, processing of all employer contributions, and maintenance of employer and participant records. This fee is 2% of the contributions to a maximum of $40,000 effective May 1, 2014. The board of trustees also approved reimbursing the Welfare Trust Fund actual expenses for the employees working on the Plan effective May 1, 2014. The contribution fee amounted to $40,000 and $40,000 for the years ended April 30, 2023 and 2022. The Plan's share of actual wages, benefits and taxes reimbursed to the Welfare Fund was $99,963 and $104,136 as of April 30, 2023 and 2022. The Plan reimbursed the Welfare Fund for postage expense totaling $18,354 and $18,517 as of April 30, 2023 and 2022. As of April 30, 2023 and 2022, the Central Illinois Carpenters Health and Welfare Trust Fund owed the Plan $248 and $248, respectively, for contributions received, but not yet transferred as of the year end. As of April 30, 2023 and 2022, the Plan owed Central Illinois Carpenters Health and Welfare Trust Fund $4,636 and $51,977, respectively, for contributions received in error and cyber liability insurance premium.

During the plan year ended April 30, 2023, the Plan's previous investment custodian, Morgan Stanley, did not have funds available for a wire transfer to the Invesco UBC 3000 Russell 3000 Index Fund. The Plan was charged a penalty of $12,250. This is shown as Investment Penalty in Note 12: Administrative Expenses. The full amount of the penalty was received from Morgan Stanley and is shown as investment fee rebate on the Statements of Changes in Net Assets Available for Benefits.

These administrative expenses are recorded as administrative expenses on the Statements of Changes in Net Assets Available for Benefits.

NOTE 5: REPORTABLE TRANSACTIONS

Transactions in excess of 5% of the Plan's beginning net assets are detailed in Schedule 2 of the supplemental information.

NOTE 6: TAX STATUS

The IRS has determined and informed the Plan by a letter dated September 24, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the plan administrator and the board of trustees believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

The total amounts of interest and penalties recognized in the Statements of Changes in Net Assets Available for Benefits and the total amounts of interest and penalties recognized in the Statements of Net Assets Available for Benefits are $0. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by federal and state taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of April 30, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan has never had unrelated business income tax (UBIT) nor has it filed the Form 990-T. Therefore, all years are open for examination by federal and state taxing authorities relating to UBIT.

NOTE 7: RISKS AND UNCERTAINTIES

Investment Risk

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits. The Plan's investment in the Invesco UBC Russell 3000 Index Trust fund represents 41% and 0% of the Plan's net assets available for benefits as of April 30, 2023 and 2022, respectively. This subjects the Plan to concentrations of credit risk.

Significant Uncertainties

The COVID-19 pandemic, whose effects first became known in January 2020, is having a broad and negative impact on commerce and financial markets around the world. The extent of the impact of the pandemic on the Plan's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and its impacts on Plan's employers and vendors, all of which, at present, cannot be determined. Accordingly, the extent to which the pandemic may impact the Plan's net assets available for benefits and changes in net assets available for benefits is uncertain, and the accompanying financial statements include no adjustments relating to the effects of this pandemic.

NOTE 7: RISKS AND UNCERTAINTIES (continued)

Concentration of Revenue

Revenues consist predominantly of employer contributions pursuant to a collective bargaining agreement and are directly tied to the amount of work available in the region. A significant decline in work available to participants would severely impact the revenues of the Plan.

NOTE 8: PLAN AND TRUST AMENDMENTS

Effective May 1, 2021, the Plan was restated.

During the plan years ended April 30, 2023 and 2022, the following plan amendments were adopted:

Effective January 1, 2023, the Plan was amended to increase the RMD age to 73.

Readers should refer to the most recent Summary Plan Description and applicable Summary of Material Modifications for further information regarding changes to the Plan.

NOTE 9: CONTRIBUTION RESERVE LIABILITY

During the plan year ended April 30, 2003, the Plan adopted a procedure to provide for a reserve which is to be used to credit contributions to those individuals who are covered by the Uniformed Services Employment and Reemployment Rights Act (USERRA). The reserve will be computed by multiplying the number of participants with balances at the end of the year by $2.00. The annual addition to the contribution reserve liability was suspended indefinitely for the fiscal year ended April 30, 2014. Future USERRA requests will be allocated to the existing balance, which as of April 30, 2023, was $47,390.

NOTE 10: PRIOR YEAR RECLASSIFICATIONS

Certain reclassifications have been made to the prior year's financial statements to conform to the current year presentation. These reclassifications had no effect on previously reported results of operations or net assets available for benefits.

NOTE 11: SUBSEQUENT EVENTS

Management has evaluated subsequent events through November 15, 2023, the date on which the financial statements were available to be issued.

NOTE 12: ADMINISTRATIVE EXPENSES

A summary of expenses incurred by the Plan during the years ended April 30, 2023 and 2022, follows:

	2023	2022
Auditing Fees	$ 14,200	$ 14,200
Legal Fees	33,683	42,606
