TIFFANY CARE CENTERS, INC. 401(k) PLAN

FINANCIAL STATEMENTS AND
INDEPENDENT AUDITORS' REPORT
APRIL 3, 2023 AND AUGUST 30, 2022

INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of Tiffany Care Centers, Inc. 401(k) Plan
Mound City, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Tiffany Care Centers, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of April 3, 2023 (liquidation basis) and August 31, 2022 (ongoing basis), and the related statement of changes in net assets available for benefits in liquidation for the period from September 1, 2022 through April 3, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of August 31, 2022, and for the period September 1, 2022 to April 3, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As further discussed in Note 1 to the financial statements, the Plan was terminated effective December 1, 2022, and the Plan was liquidated as of April 3, 2023. As a result, the Plan has changed its basis of accounting for periods subsequent to August 31, 2022, from the going concern basis to the liquidation basis of accounting used in presenting the financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

TIFFANY CARE CENTERS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS APRIL 3, 2023 AND AUGUST 31, 2022

1. DESCRIPTION OF THE PLAN

The following description of the Tiffany Care Centers, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan that covers substantially all employees of Tiffany Care Centers, Inc. (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

John Hancock Life Insurance Company serves as the custodian for the Plan. Benefit Plan’s, Inc. is the Third-Party Administrator. CBIZ Financial Solutions, Inc. is the Plan’s investment advisor. The owners of the Company serve as the Plan’s trustees.

Plan Termination – The Company was sold to Prime Healthcare effective December 1, 2022, and the Company remitted its last contribution to the Plan effective December 7, 2022. Participants in the Plan became fully vested, and all Plan assets were distributed to participants by April 3, 2023.

In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the going concern basis to the liquidation basis effective December 1, 2022. The liquidation basis of Plan assets approximates fair value.

Prior to termination of the Plan, the following provisions applied:

Eligibility – An individual is eligible to defer a portion of their salary to the Plan, and to receive Company contributions once an employee has reached age 18 and completed six consecutive months of service. Following eligibility, participants can enter the Plan on the first day of the month coinciding with or next following the satisfaction of the eligibility requirements. The Plan is not open to certain non-resident aliens, members of collective bargaining units or leased employees.

Contributions – Participants may contribute up to 100% of their annual compensation, subject to certain Internal Revenue Code (“IRC”) limitations. Participants over age 50 are permitted to make catch-up contributions, as defined in the Plan.

The Company matches 100% of the participant’s contribution, up to 2%. Additionally, the Plan permits the Company to make discretionary profit-sharing contributions. Profit sharing contributions are allocated to eligible participants based on a compensation ratio, as defined in the Plan document. In order to receive a profit-sharing contribution, a participant must either be employed on the last day of the Plan year or have at least 500 hours of service. For the period ended April 3, 2023, there was no such contribution.

Participant Accounts – Each participant’s account is credited with the participant’s contribution, employer contributions, and allocations of Plan earnings, and is charged with the participant’s withdrawals and distributions and Plan expenses, if applicable. Allocations are based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment Options – The Plan offers pooled separate accounts as investment options for participants.

Vesting – Participants' contributions are fully vested at all times. The Company contributions vest in 25% increments, with 25% vested after the second year, 50% vested after the third year, and increasing in 25% increments. After 4 years of service, Company contributions become fully vested. In the event of permanent disability, death, reaching normal retirement age, or termination of the Plan, the Company contributions will become fully vested.

Forfeitures – Forfeitures occur upon termination of a participant whose account is not fully vested. Forfeiture amounts are used to pay any administrative expenses and to reduce employer contributions. During the period from September 1, 2022 to April 3, 2023, approximately \$7,300 in forfeitures was used to pay administrative fees. There are \$0 and \$6,883 in forfeitures available at April 3, 2023 and August 31, 2022, respectively.

Payment of Benefits – Upon termination of service, a participant may elect to receive a distribution of all or any portion of their vested account balance in a single lump sum payment or a rollover into an IRA or other eligible retirement plan, as defined by the Plan document. For distributions greater than \$1,000 but not exceeding \$5,000, the account balance will be distributed to the participant or rolled over into an individual retirement account, unless otherwise directed by the participant.

In-Service Withdrawals – Certain participants may make withdrawals prior to termination of employment. Hardship withdrawals are available to Plan participants, as defined by the Plan and permitted by the IRC. Hardship withdrawals are limited to accounts that are 100% vested, with a minimum distribution of \$1,000 participant's salary reduction contribution account.

Participants who have obtained the age of 59 ½ are allowed to receive a distribution of all or any portion of their fully vested contribution accounts, as defined by the Plan.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate determined by the Plan Administrator. The maximum term for a loan is 5 years. Loan repayments are made ratably through payroll deductions.

Administrative Expenses – The majority of Plan fees and expenses, including investment management fees and expenses connected with providing administrative services by external service providers, are paid from Plan assets. Investment-related expenses are included in the net appreciation or depreciation of fair value of investments. The Company pays other maintenance fees associated with the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The accompanying financial statements have been prepared using the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Under the liquidation basis of accounting, assets are measured to reflect the estimated amount of cash expected to be collected in settling or disposing of the assets during the liquidation process.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions – Contributions are reported in the year services are rendered to the Company by the Plan participants.

Investment Valuation and Income Recognition – The Plan’s investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis.

Management fees and operating expenses charged to the Plan for investments in the pooled separate accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for doubtful accounts is considered necessary.

Payment of Benefits – Benefit payments are reported in the year paid.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Date of Management’s Review – Subsequent events have been evaluated through November 30, 2023, which is the date the financial statements were available to be issued, and there were no subsequent events to disclose.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

The asset’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at April 3, 2023 and August 31, 2022.

Pooled Separate Accounts – Valued at the net asset value (“NAV”) provided by the administrator of the fund. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the value of the underlying assets (i.e., common stock, mutual funds, short term securities) owned by the fund, less its liabilities, and then divided by the number of shares outstanding.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

All investments in the Plan have been liquidated; therefore, there are no investments at April 3, 2023. The Plan's investments are reported at fair value as follows at August 31, 2022:

	Fair Value Measurements Using:			Total
	Level 1	Level 2	Level 3	
August 31, 2022:				
Total assets in the fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Pooled Separate Accounts: (a)				
Target date				2,487,357
Growth and income				6,574
Growth				51,680
Income				128,752
Conservative				101,303
Aggressive growth				99,417
Investments measured at net asset value				<u>\$ 2,875,083</u>

(a) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits. These investments are valued daily, can be redeemed daily with no restrictions, and without prior notice. There are no unfunded commitments.

4. RISKS AND UNCERTAINTIES

The Plan invests in investment securities, which hold securities including U.S. Government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

5. INFORMATION CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company, the custodian of the Plan's assets, has certified that the following data included in the accompanying financial statements is complete and accurate with respect to investments as of August 31, 2022, and for the period from September 1, 2022 to April 3, 2023:

- Investments, at fair value
- Notes receivable from participants and related interest
- Net depreciation in fair value of investments

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

6. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Plan investments are units of pooled separate accounts managed by John Hancock, the custodian of the Plan. John Hancock provides certain administrative services to the Plan. During the period from September 1, 2022 to April 3, 2023, fees paid by the Plan to John Hancock totaled \$12,454. Additionally, during the period \$6,262 in fees were paid to CBIZ, the investment advisor for the Plan, and \$7,565 was paid to Benefit Plans, Inc., the third-party administrator for the Plan. These transactions qualify as party-in-interest.

Notes receivable to participants are party-in-interest transactions.

7. TAX STATUS

The Company has adopted a Prototype Non-Standardized Profit-Sharing Plan with CODA which received a favorable opinion letter from the IRS on June 30, 2020, stating that the prototype plan and related trust are designed in accordance with the applicable sections of the IRC. The Plan has been amended since the date of the opinion letter. However, the Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
