Filtration Group 401(k) Retirement Savings Plan
Austin, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Filtration Group 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a - schedule of delinquent contributions for the year ended December 31, 2022 and Schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description of the Plan

The following brief description of the Filtration Group 401(k) Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan for the employees of Filtration Group Corporation and related companies (collectively, the Company). The Company established the Plan effective July 1, 1995 and was most recently amended and restated January 1, 2022. No significant changes were made to the Plan as a result of this restatement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Effective April 1, 2022, Empower Annuity Insurance Company of America (Empower) acquired the retirement business of Prudential Financial, Inc. Pursuant to this transaction, business written and administered by Prudential Financial, Inc. is reinsured by Empower. As full conversion of the recordkeeping systems has not been completed, the certified information, as described in Note 3, was certified for the entire 2022 Plan year by Prudential Bank & Trust, F.S.B. (Prudential).

Plan Mergers

Effective January 1, 2022, the Plan was amended to merge the C*Chem 401(k) Plan into the Plan. As a result, the fair market value of assets totaling \$2,950,954 were transferred into the Plan. Additionally, effective November 1, 2022, the Plan was again amended to merge the Columbus Industries, Inc. 401(k) Profit Sharing Plan into the Plan. As a result, the fair market value of assets totaling \$11,034,746 were transferred into the Plan. In total, assets of \$14,163,221, including loan balances, were transferred into the Plan during the year ended December 31, 2022.

Eligibility

Under provisions of the Plan, all active employees of the Company, excluding members of a collective bargaining unit, Puerto Rican employees, leased employees, temporary employees and intern employees, who have completed 1 month of service and are at least 18 years of age, are eligible to participate in the Plan. Participants become eligible to participate on the first of each month coincident with or after meeting all eligibility requirements (Plan entry date).

Contributions

Eligible employees may elect to contribute, on a pre-tax basis and after-tax basis (Roth deferral contributions), up to 90% of their eligible compensation to the Plan, not to exceed the limit under the Internal Revenue Code (IRC). In addition, eligible participants are permitted to make catch-up contributions, which are eligible for matching contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby certain newly eligible employees, as defined by the Plan, are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% with automatic annual increases equal to 1%, not to exceed a total of 10% of eligible compensation.

The Company provided a safe harbor matching contribution (Company matching contributions) equal to 100% of the first 2%, and 50% of the next 4% of the eligible participant's compensation to the Plan.

Notes to Financial Statements

1. Description of the Plan (cont.)

Contributions (cont.)

In addition, the Company, at its discretion, may elect to make additional non-elective contributions to the Plan (Company non-elective contributions). Participants, excluding those who reached normal retirement age (65), or became deceased or disabled during the Plan year, must be employed on the last day of the Plan year to be eligible for any Company non-elective contributions for that Plan year. Company non-elective contributions, if any, will be allocated to eligible participants in a method elected by the Company. No Company non-elective contributions were made in 2022.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, Company matching contributions, any Company non-elective contributions, and earnings (losses) on the investments in their account. Participants direct the investment of their account into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

A participant may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Loans are secured by the participant's account balance and bear interest at a reasonable rate of interest as determined by Plan management based on prevailing interest rates charged for similar loans in the loan market. Repayments of the loans are made in substantially equal payroll deductions amortized over the life of the loan. The loan must be repaid within five years unless the loan is used to purchase a primary residence, in which case the repayment period may not extend beyond ten years from the date of the loan. The principal amount of the loan, together with all accrued interest, shall immediately become due when the participant is no longer employed by the Company.

Payment of Benefits

Participant accounts may be withdrawn upon retirement, death, disability, attainment of age 59½, or termination of employment as a lump-sum or in the form of installments as specified by the Plan. Upon termination of service due to any other reason, the participant may elect to receive a lump-sum or rollover to an eligible retirement plan in the amount equal to the value of the participant's vested interest in his or her account. In-service and hardship distributions are available to participants provided certain requirements are met. In-service distributions are limited to withdrawals from 100% vested accounts. Hardship distributions are limited to withdrawals not exceeding a participant's salary deferrals. Any participants with a vested balance of \$5,000 or less will receive a lump-sum distribution automatically upon death, disability, termination, or retirement.

Vesting

Participants are fully vested in their payroll deferral contributions and rollover contributions. Participants vest in all Company matching and non-elective contributions plus actual earnings following 2 years of service in which the participant completed 1,000 hours.

Forfeited Accounts

Forfeitures resulting from any portions of Company contributions may first be used to reduce certain future Company contributions, as defined by the Plan, and then may be used to pay Plan fees. Forfeited non-vested accounts totaled \$225,398 and \$117,067 at December 31, 2022 and 2021, respectively. During the year ended December 31, 2022, forfeited funds in the amount of \$217,485 were used to offset Company contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Accounting Estimates

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income (Loss) Recognition

The investments of the Plan are reported at fair value. Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 4 for discussion of the fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded when earned and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Plan Expenses

Certain administrative expenses of the Plan are paid by the Plan. Certain other administrative expenses of the Plan are paid by the Company. Investment fees are paid by the Plan in the form of reductions of net investment income earned by Plan participants.

The Plan participates in a revenue credit program. Income from the revenue credit program can be used to pay Plan administrative expenses. The revenue credit program account balance was \$14,930 and \$91,208 at December 31, 2022 and 2021, respectively. During the year ended December 31, 2022, \$88,677 of program funds were used to pay administrative expenses.

3. Certified Information

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Prudential certified that the financial information included in the financial statements and supplemental schedule as of December 31, 2022 and 2021, and for the year ended December 31, 2022, provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income (loss) included in the accompanying financial statements and supplemental schedule as of December 31, 2022 and 2021, and for the year ended December 31, 2022, are covered by such certifications.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Funds - Valued at the net asset value using NAV as the practical expedient based on the last reported sales price of the underlying investments held. The Plan's interest in the collective trusts was based on information reported by the Empower using the audited financial statements of the collective trust at year-end. The investment income (loss) was allocated to participants based on their proportionate share of the net assets of the fund.

4. Fair Value Measurement (cont.)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

<i>December 31, 2022</i>	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 171,655,055</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 171,655,055</u>
Common collective trust funds measured at NAV*				<u>6,782,214</u>
Total investments, at fair value				<u>\$ 178,437,269</u>
<i>December 31, 2021</i>	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 189,668,701</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 189,668,701</u>
Common collective trust funds measured at NAV*				<u>6,929,857</u>
Total investments, at fair value				<u>\$ 196,598,558</u>

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the amounts presented in the statements of net assets available for benefits.

Fair value of investments in certain entities that calculate NAV per share (or its equivalent) follows:

Investment	Fair value at December 31,		Unfunded	Redemption	Redemption
	2022	2021	Commitments	Frequency	Notice Period
Collective trust funds	\$ 6,782,214	\$ 6,929,857	N/A	Daily	None

5. Income Tax Status

In January 2022, the Plan that was based on a Prototype Non-standardized Profit Sharing Plan with CODA (prototype plan) document sponsored by The Prudential Insurance Company of America (PICA) moved to a Non-Standardized Pre-Approved Profit Sharing Plan with CODA (Pre-Approved Plan) sponsored by PICA. The Internal Revenue Service (IRS) has opined and informed PICA by letter dated December 4, 2020, that the Pre-Approved Plan is designed in accordance with the applicable sections of the IRC. Although the Plan has been restated since the date of the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Party-In-Interest Transactions

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any part rendering service to the Plan, the Company, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses are paid directly by the Company. Certain investments are managed by the by Prudential Investments and Putnam Investments. Putnam Investments is a related party to Great-West LifeCo., the parent company of Empower Investments. These transactions, as defined by the Plan, qualify as party-in-interest transactions. Notes receivable from participants are also defined by ERISA as party-in-interest transactions. Such transactions are exempt from the prohibited transaction rules.

7. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

8. Risks and Uncertainties

The Plan's investments include funds which invest in various types of investment securities and in various companies within various markets. Investment securities are exposed to several risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

9. Delinquent Participant Contributions

During 2022 and 2021, employee withholdings of \$67,830 and \$14,688, respectively, were not remitted within the appropriate time period by the Company. The Company remitted \$12,932 of the 2021 delinquent contributions to the Plan in 2021 and remitted the remaining \$1,756 and the related lost earnings to the Plan during 2022. The Company remitted \$66,382 of the 2022 delinquent contributions to the Plan during 2022, plans to remit the remaining \$1,448 during 2023, and plans to remit the related lost earnings to the Plan during 2023. These transactions constituted prohibited transactions as defined by ERISA.

10. SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the Plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2022 financial statements.

11. Subsequent Events

The Plan has evaluated, for consideration of recognition or disclosure, subsequent events that have occurred through the date of issuance, December 04, 2023, and has determined that no significant events occurred after December 31, 2022, but prior to the issuance of these financial statements, that would have a material impact on its financial statements.
