INDEPENDENT AUDITOR'S REPORT

To the Plan Committee Member and Plan Administrator of
Multi Media 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We were engaged to perform an audit of the financial statements of **Multi Media 401(k) Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the certified information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, line 4i – Schedule of Assets (Held at End of Year) and Schedule H, line 4a – Schedule of Delinquent Participant Contributions, are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Compilation

We have compiled the accompanying statement of net assets available for benefits of **Multi Media 401(k) Plan** as of December 31, 2021 in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. A compilation is limited to presenting in the form of financial statements information that is the representation of management. We have not audited or reviewed the accompanying statement of net assets available for benefits and, accordingly, do not express an opinion or any other form of assurance on it.

Multi Media 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

Note A – Description of Plan

The following description of the Multi Media 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a safe harbor contribution plan covering all employees of Multi Media, LLC and its participating employers (collectively referred to as the “Employer” or the “Company”). Certain classes of employees as defined in the Plan agreement are excluded from plan participation. The Plan was adopted by the Company effective date July 1, 2006. Effective January 1, 2022, the Plan was restated to bring the Plan into compliance with the legislative and regulatory changes in IRS Notice 2017-37. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Employees become eligible to participate fully in the Plan upon completing 3 months of service with no minimum age requirements. Employees may enter the Plan on the first day of the month coinciding with or next following the date requirements are met.

Administration

The Plan is administered by the Company. The Plan’s assets for the year were maintained and administered by Capital Bank and Trust Company and Principal Trust Company (the “Trustees”). Contributions are held by the Trustees, who invest cash received, interest and dividend income, as directed by the participant, and make distributions to participants.

Contributions

Participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, subject to Internal Revenue Code (“IRC”) limitations. The maximum participant deferral for the year ended December 31, 2022 was \$20,500. A participant who has attained the age of 50 may also make catch up contributions, subject to IRS limitations of \$6,500 for the year ended December 31, 2022. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit plans as well as Roth elective deferrals.

The Employer will make a safe harbor matching contribution equal to 100% of salary deferrals up to 5% of compensation. The Company may also elect to make a discretionary matching and nonelective contributions. For the year ended December 31, 2022, no discretionary matching and nonelective contribution was made by the Company. Participants must be employed on the last day of the Plan year and completed 1,000 hours in order to share in the nonelective contribution.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and the Company’s nonelective contribution and performance sharing amounts, if applicable. Each participant’s account shall be allocated earnings, gains, expenses, and losses with respect to the investments of the participant’s account. Allocations of plan earnings or losses are based on each participant’s investment fund balance in proportion to the total investment fund balance.

Multi Media 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

Note A – Description of Plan (continued)

Vesting

Vesting is based on years of service. Participants are immediately vested in their voluntary contributions, rollovers, safe harbor contributions, and actual earnings thereon. A participant is fully vested in discretionary matching and nonelective contributions upon retirement, death, or total and permanent disability, and after five years of service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account, or other acceptable collateral, and bear interest at a prime rate plus 1%. The maximum note repayment period is five years unless the note is for the purchase of a primary residence in which case the repayment schedule is thirty years.

Notes receivable from participants were measured at their unpaid principal balances plus any accrued but unpaid interest. In the event of default, the unpaid portion of the participant's loan will be treated as a taxable distribution.

Distributions of Benefits

Upon termination, retirement, death, or disability, participants may elect to receive a lump sum amount equal to the value of the vested interest in their account, or to transfer the balance of the account to another trust.

Participants may also request in-service distributions at normal retirement age of 65. Participants may request a hardship withdrawal from the portion of their accounts attributable to participant deferral balances, excluding any earnings on those deferrals.

Forfeited Accounts

Forfeitures occur when a participant terminates employment and has not vested in a portion of the Company's contribution amount. Forfeitures may be applied to reduce Employer contributions and Plan expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled approximately \$116,000 and \$16,000, respectively. The Plan utilized forfeitures to pay for contributions and Plan expenses in the amount of approximately \$2,000 during the year ended December 31, 2022.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. All appropriate accounting provisions of the Plan will continue to apply until the accounts of all participants have been distributed.

Note B – Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Multi Media 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

Note B – Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of changes in net assets during the reporting period. Such estimates include those regarding fair value. Actual results could differ from those estimates.

Valuation of Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the valuation policies utilizing information provided by the Trustees.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Investment related expenses are included in net depreciation of fair value of investments.

Fair Value Measurements

The FASB has established a framework for measuring fair value in ASC 820, *Fair Value Measurements*. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: - Quoted prices for similar assets or liabilities in active markets; - Quoted prices for identical or similar assets or liabilities in inactive markets; - Inputs other than quoted prices that are observable for the asset or liability; - Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Multi Media 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

Note B – Summary of Significant Accounting Policies (continued)

Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts: Valued at the net asset value (“NAV”) provided by the Trustees. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the trust, minus its liabilities, divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There were no unfunded commitments to purchase investments at December 31, 2022 and 2021. Participant-directed redemptions have no restrictions and are recorded at the end of every business day.

Common/collective trusts: Valued at NAV provided by the Trustees. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the trust, minus its liabilities, divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There were no unfunded commitments to purchase investments at December 31, 2022. Participant-directed redemptions have no restrictions and are recorded at the end of every business day.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. Investments measured using the NAV as a practical expedient are exempt from being presented in the fair value hierarchy. As all of the Plan’s investments are exempt from the fair value hierarchy, the table has been excluded.

Note C – Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2022, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustees, a qualified institution. As of December 31, 2022 and for the year then ended, the Plan Administrator instructed the auditors not to perform any auditing procedures with respect to the information certified by the Trustees, except for comparing such information to the related information included in the financial statements, as permitted by 29 CFR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

Note D – Party-In-Interest Transactions

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Certain Plan investments are pooled separate accounts and common collective trusts managed by the Trustees.

Transactions related to these investments qualify as party-in-interest transactions. Fees paid to parties-in-interest by the Plan for services amounted to approximately \$35,000 during the year ended December 31, 2022.

Multi Media 401(k) Plan

Notes to Financial Statements

December 31, 2022 and 2021

Note E – Income Tax Status

The IRS determined and informed the Company by a letter dated June 30, 2020 that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the accompanying financial statements.

The Plan Administrator evaluated the Plan’s tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the accompanying financial statements. The Plan is no longer subject to examination by taxing authorities for years prior to 2020.

Note F – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

Note G – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

	2022	2021
Net assets available for benefits per the financial statements	\$ 7,209,786	\$ 7,907,533
Less: contribution receivable	-	(21,707)
Net assets available for benefits per the Form 5500	<u>\$ 7,209,786</u>	<u>\$ 7,885,826</u>

The following is a reconciliation of additions per the financial statements to the Form 5500 for the year ended December 31, 2022:

Total additions per financial statements	\$ (322,975)
Add: change in contribution receivable	21,707
Total additions per the Form 5500	<u>\$ (301,268)</u>

Note H – Subsequent Events

Effective January 1, 2023, the Plan was restated to allow employees of Diverse Data, LLC to participate to the Plan. As a result, the Plan received assets from Diverse Data, LLC in February 2023.

As of March 2023, all assets and liabilities previously maintained and administered by Capital Bank and Trust Company were transferred to Principal Trust Company.

Subsequent events have been evaluated through November 17, 2023, which is the date the financial statements were available to be issued.
