INDEPENDENT AUDITOR'S REPORT

To the Retirement Committee of Pierpont Capital Holdings LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Pierpont Capital Holdings LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of February 28, 2023 and December 31, 2022, and the related statement of changes in net assets available for benefits for the period January 1, 2023 to February 28, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Pierpont Capital Holdings LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of February 28, 2023 and December 31, 2022, and for the period from January 1, 2023 to February 28, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pierpont Capital Holdings LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Plan Merger

As further discussed in Note 1 of the financial statements, on February 28, 2023, all Pierpont Capital Holdings 401(k) assets were transferred into the Santander 401(k) Plan. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pierpont Capital Holdings LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pierpont Capital Holdings LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pierpont Capital Holdings LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

PIERPONT CAPITAL HOLDINGS LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

For the Period Ended February 28, 2023 and the Year Ended December 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Pierpont Capital Holdings LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

Plan Merger

On January 1, 2023, Pierpont Capital Holdings, LLC became a participating employer in the Santander 401(k) Plan. In February 2023, an amendment was approved to merge the Plan into the Santander 401(k) Plan. All participants in the Plan were credited for their years of service and followed vesting rules discussed in Note 1. Upon merger, all participants account balances transferred into the Santander 401(k) Plan. The Plan stopped accepting contributions after January 1, 2023, and an aggregate of \$36,611,348 transferred out of the Plan on February 28, 2023, which are included in the transfer to Santander 401(k) Plan on the statement of changes in net assets available for benefits. The following provisions described were in effect prior to the Plan merger.

General

The Plan was a defined contribution plan covering all full-time employees of Pierpont Capital Holdings LLC (the “Company”) who became eligible on their first day of service, were 21 years of age or older, were not covered by a collective bargaining agreement, and were not a nonresident alien without U.S. source income from the Company. Participants who were excluded from participation because of an exclusion that directly or indirectly imposed an age or service requirement became eligible to participate in the Plan on the entry date coinciding with or immediately following the date on which the participant satisfied the following: (1) participant attained age 21, and (2) participant completed at least 1,000 hours of service during the eligibility period. The participants needed to exceed 1,000 hours of service in a year to avoid a break in eligibility. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Retirement Committee was responsible for the oversight of the Plan, determined the appropriateness of the Plan’s investment offerings, and monitored investment performance.

Contributions

Each year, participants could contribute to the Plan up to 60% of pretax annual compensation, as defined by the Plan. Participants who had attained age 50 before the end of the plan year were eligible to make catch-up discretionary contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants directed the investment of their contributions into various investment options offered by the Plan. The Company could make discretionary nonelective matching and profit-sharing contributions to eligible participants. There were no discretionary nonelective matching contributions or discretionary profit-sharing contributions made during 2023 or 2022. Contributions were subject to certain IRS limitations. Due to Pierpont Capital Holdings, LLC becoming a participating employer in the Santander 401(k) Plan effective January 1, 2023, contributions were not allowed to be made into the Pierpont Capital Holdings, LLC 401(k) Plan for the period January 1, 2023 to February 28, 2023.

PIERPONT CAPITAL HOLDINGS LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

For the Period Ended February 28, 2023 and the Year Ended December 31, 2022

NOTE 1 - DESCRIPTION OF THE PLAN - CONTINUED

Participant Accounts

Each participant's account was credited with the participant's contributions and Company contributions, as well as allocations of Plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Vesting

Participants were vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts was based on years of continuous service. A participant was 100% vested in the Company's discretionary nonelective matching and discretionary profit-sharing contributions after three years of credited service.

Notes Receivable from Participants

Participants could borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans were secured by the balance in the participant's account. The loan interest rate was based on the rates available for similar loans from commercial lending institutions, as defined. Principal and interest were paid ratably through bi-monthly payroll deductions. All outstanding notes receivable from participants were transferred to the Santander 401(k) Plan as of February 28, 2023.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant could have elected to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant could have received the value of the vested interest in his or her account as a lump-sum distribution. In addition, the Plan allowed for hardship distributions if certain criteria were met.

Forfeited Accounts

At February 28, 2023 and December 31, 2022, forfeited non-vested accounts totaled \$0. These accounts could have been used to reduce future administrative expenses and employer contributions. There were no forfeited balances to be used during the period ended February 28, 2023 and the year ended December 31, 2022.

PIERPONT CAPITAL HOLDINGS LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

For the Period Ended February 28, 2023 and the Year Ended December 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan were prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America required management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments were reported at fair value. Fair value was the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Committee determined the Plan's valuation policies utilizing information provided by the investment advisers. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation included the Plan's gains and losses on investments purchased and sold as well as held during the period.

Investment Concentration

No investments exceeded 10% or more of the Plan's total investments at February 28, 2023. The Plan held certain investments that represented 10% or more of the Plan's total investments at December 31, 2022:

<i>Mutual fund:</i>	
Fidelity 500 Index	\$ 8,385,167
Fidelity Contrafund K	4,451,770

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed when incurred. No allowance for credit losses was recorded as of February 28, 2023 and December 31, 2022. If a participant ceased to make loan repayments and the plan administrator deemed the participant loan to be in default, the participant loan balance was reduced, and a benefit payment was recorded.

Payment of Benefits

Benefits were recorded when paid.

NOTES TO FINANCIAL STATEMENTS

For the Period Ended February 28, 2023 and the Year Ended December 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Administrative Expenses

Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. Expenses that were paid by the Company were excluded from these financial statements. Fees related to the administration of notes receivable from participants were charged directly to the participant's account and were included in administrative expenses. Investment related expenses were included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through December 11, 2023, the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at February 28, 2023 and December 31, 2022.

Money market fund: Valued at a stable \$1.00 per share which approximated fair value. The money market fund held by the Plan was actively traded.

Mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan were open-end mutual funds that were registered with the U.S. Securities and Exchange Commission. The mutual funds were required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded.

Real estate investment trust: Valued using the NAV of underlying real estate investment trust ("REIT") to determine valuation of the real estate's assets. NAV was determined by capitalization of the operating income, basing it on market rates. A cap rate for the present market was determined and used to divide a property's operating income, with the resulting amount being the estimated market value. Market value less mortgage liabilities determined NAV. The NAV for the REIT investment was published daily and transacted at that price. The REIT investment held by the Plan was deemed to be actively traded.

There were no investments as of February 28, 2023, due to the Plan merger, as described in Note 1. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<i>Assets at Fair Value as of December 31, 2022</i>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market fund	\$ 2,016,383	\$ -	\$ -	\$ 2,016,383
Mutual funds	36,690,009	-	-	36,690,009
Real estate investment trust	212,182	-	-	212,182
Investments at fair value	<u>\$ 38,918,574</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 38,918,574</u>

NOTE 4 - RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments were managed by Fidelity Management Trust Company. Fidelity Management Trust Company was the trustee of the Plan, and therefore these transactions qualified as party-in-interest transactions. Additionally, the Plan issued loans to participants, which were secured by the participant's account balances. These transactions qualified as party-in-interest transactions and were exempt from prohibited transactions rules under ERISA. Certain administrative functions of the Plan were performed by officers or employees of the Company. No such officer or employee received compensation from the Plan.

NOTE 5 - TAX STATUS

The Company had adopted a non-standardized pre-approved profit-sharing plan with CODA sponsored by FMR, LLC. The non-standardized pre-approved profit-sharing plan had received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, as to the non-standardized pre-approved profit-sharing plan's qualified status. The non-standardized pre-approved profit-sharing plan opinion letter was relied upon by the Plan. Although the Plan had been amended since receiving the opinion letter, the plan administrator and the plan's tax counsel believed the Plan was designed and was being operated in compliance with the applicable provisions of the Internal Revenue Code and, therefore, believe the Plan was qualified, and the related trust was tax exempt.

Accounting principles generally accepted in the United States of America required plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan had taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan was subject to routine audits by taxing jurisdictions; however, there were no audits for any tax periods in progress.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities were exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities would occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at February 28, 2023 and December 31, 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period from January 1, 2023 to February 28, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan).

NOTE 8 - PLAN TERMINATION

The Company had the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. See Note 1 for discussion of the Plan merger that resulted in the transfer of all Plan assets into the Santander 401(k) Plan on February 28, 2023.
