## Independent Auditor's Report

Plan Administrator and Plan Participants  
Otoe-Missouria Development Authority 401(k)  
Profit Sharing Plan and Trust

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of Otoe-Missouria Development Authority 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Required Supplementary Information**

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America requires to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. Our opinion on the basic financial statements is not affected by the missing information.

#### **Other Matter—Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule H Line 4(a) – Schedule of Delinquent Contributions and Schedule H, line 4(i) – Schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Other Matter – Auditor's Report on the 2021 Financial Statements**

Predecessor auditors performed an audit of the 2021 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 13, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

General

The Plan is a defined contribution plan covering substantially all employees of Otoe-Missouria Development Authority; 7 Clans Paradise Casino; 7 Clans Casino Perry; 7 Clans Casino Chilocco; 7 Clans Casino Red Rock; First Council Casino; 7 C Land and Cattle; 7C Land and Cattle Steakhouse and Conference Center; PK Propane, LLC; 7 Clans First Council Hotel; Scotts Septic Service; Deli Mart; OM3 Construction, LLC; OMDA Courier Service; and Travel Plaza (collectively referred to as the “Authority”), who are age 18 or older and have completed 90 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Authority serves as the Plan administrator. The Authority enacted the Plan effective May 1, 2014, and restated the plan effective January 1, 2022. As of December 31, 2022, there were 549 participants, of whom 487 had account balances.

Eligibility

Effective January 1, 2022, employees are eligible to participate in salary deferral contributions and employer match contributions after 90 days of service and attaining the age of 18. Employees are eligible to receive non-elective employer contributions after completion of 1 year of eligible service and attaining the age of 18. Prior to January 1, 2022, employees were eligible to participate in salary deferral contributions and employer match contributions and employer non-elective contributions after 1 year of service and attaining the age of 18. Eligible employees may enroll in the Plan on the first day of the month following meeting the eligibility requirements.

Contributions

Each year, participants may contribute up to 100% of eligible annual pretax and/or after-tax Roth compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Plan does not include an automatic increase in deferral rates. The automatic enrollment deferral contributions are pre-tax deferrals.

## **Notes to Financial Statements December 31, 2022 and 2021**

The Plan provides for a discretionary matching formula. For the years ended December 31, 2022 and 2021, the Authority made matching contributions of 100% of the participant's eligible compensation up to 1% and 50% of the participant's eligible compensation greater than 1%, up to 6%. Additionally, the Authority, at its discretion, may elect to make a non-elective contribution to the Plan. The Authority did not make any non-elective contributions for the plan years ended December 31, 2022 or 2021.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

### Participant Accounts

Each participant's account is credited with the participant's contributions, the Authority's contributions, allocations of Plan earnings and losses. Participant accounts may also be charged with an allocation of certain administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Vesting

Participants are vested immediately in their contributions plus actual earnings (losses) thereon. Vesting in the Authority's matching portion and non-elective contribution portion of participant's accounts, plus actual earnings thereon is based on years of service. A participant is vested at a rate of 20% per year beginning with the first year of service. Participants become fully vested after five years of service.

A year of vesting service is measured over the Plan year consisting of 12 consecutive months. A participant must complete 1,000 hours of service within a Plan year to be credited with a year of vesting service.

Under certain circumstances, a participant will become fully vested: the participant dies or incurs a disability while employed with the Authority.

### Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable are secured by the balance in the participant's account. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence. Under the terms of the Plan agreement, Plan loans bear a reasonable rate of interest, similar to rates currently being charged on similar commercial loans by persons in the business of lending money. Principal and interest are paid ratably through payroll deductions.

Mandatory Cash-Out Provisions

If the amount of benefits is \$5,000 or less at the time of separation, the Employer will distribute benefits in a single lump-sum payment, without consent of the participant. If the benefit exceeds \$1,000, such distributions are transferred to an individual retirement account established by the Plan administrator for the benefit of the participant.

Forfeitures

Forfeitures are the non-vested portion of a participant's account that is lost upon termination of employment. Forfeitures are retained in the Plan and used to reduce future Authority contributions or to reduce administrative expenses of the Plan. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$75,232 and \$73,651, respectively. For the years ended December 31, 2022 and 2021, forfeitures of \$19,803 and \$0, respectively were used to offset administrative expenses and \$0 and \$292, respectively, were used to offset employer matching contributions.

**2) Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting based on the accounting standards as promulgated by the Governmental Accounting Standards Board.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risk and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the

**December 31, 2022 and 2021**

values of investments will occur in the near term and that such changes could materially affect the participants' account balances and amounts reported in the statements of net assets available for benefits.

Cash Equivalents

The Plan considers all highly liquid investments with original maturities of three months or less, including money market fund investments, to be cash equivalents.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan permits, but does not require the Authority to pay significant costs of the Plan administration. At any time, the Employer may elect for the Plan to pay all administrative costs. The Employer paid a portion of the Plan's expenses for the years ended December 31, 2022 and 2021. Such expenses are not included in these financial statements. Fees paid to the custodian by the Plan for investment management services are included with net appreciation (depreciation) in the fair value of investments.

Subsequent Events

Subsequent events were evaluated for recognition or disclosure in these financial statements through December 11, 2023, the date which the financial statements were available to be issued.

**3) Investments and Fair Value Measurements**

Governmental Accounting Standards Board (GASB) issued Statement No. 72, *Fair Value Measurements and Applications*, which provides the framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1     Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

# Otoe-Missouria Development Authority 401(k) Profit Sharing Plan and Trust

## Notes to Financial Statements December 31, 2022 and 2021

- Level 2    Quoted prices in markets that are not considered to be active or financial instruments without quoted market prices, but for which all significant inputs are observable, either directly or indirectly.
- Level 3    Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents investments measured at fair value by classification within the fair value hierarchy as of December 31:

| 2022         | Investments at Fair Value |         |         |              |
|--------------|---------------------------|---------|---------|--------------|

**4) Information Prepared and Certified by the Custodian (Unaudited)**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, BOK Financial, the custodian of the Plan for the years ended December 31, 2022 and 2021, has certified to the completeness and accuracy of the following:

- Investments, at fair value and notes receivable reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment (loss) income and interest income from notes receivable from participants reflected on the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.
- Investments reflected on the supplemental schedule of assets held at end of year.

**5) Plan Termination**

Although it has not expressed any intent to do so, the Authority has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in Authority contributions.

**6) Tax Status**

The Plan is operating under a prototype document with a nonstandardized adoption agreement. The Internal Revenue Service has determined and informed the Plan sponsor by letter dated June 30, 2020, that the plan and related trust are designed in compliance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended/restated since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan's administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any

tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

**7) Related-Party and Party-in-Interest Transactions**

BOK Financial provides custodial and record-keeper services for the Plan. The Employer provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged.

For the years ended December 31, 2022 and 2021, fees paid by the Plan for administrative expenses, such as third-party administrative fees, distribution fees, and loan fees, amounted \$31,236 and \$9,307, respectively.

Delinquent Participant Contributions As disclosed in the supplemental schedule of delinquent contributions, participant contributions for the years ending December 31, 2019, 2016, 2015, and 2014, that were not remitted to the Plan within the time frame specified by the Department of Labor's regulation 20 CFR 2510.3-102 were pending correction as of December 31, 2022, thus constituting non-exempt transactions between the Authority and the Plan. As such, these transactions represent non-exempt transactions between the Authority and the Plan as identified in Schedule H, Line 4(a), Schedule of Delinquent Participant Contributions. The Authority expects to have all delinquent participant contributions corrected and remitted by December 31, 2023.
