Independent Auditors' Report

To the members of the Plan Committee and administrator of the
Kiss Nail Products 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Kiss Nail Products 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("Qualified Institution").

Management has obtained certifications from Qualified Institutions as of December 31, 2022, and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the financial statements referred to above related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditors' Report

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, line 4a – Schedule of Delinquent Contributions for the year ended December 31, 2022, and Schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Independent Auditors' Report

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by the Qualified Institutions agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FOR THE YEAR ENDED DECEMBER 31, 2022

1. **Description of the Plan**

The following is a brief description of the Kiss Nail Products 401(k) Plan (the “Plan”), which is provided for general purposes only. Participants should refer to the Plan document, related adoption agreement and individual statements provided for a more complete description of the Plan’s provisions.

General

The Plan is a qualified defined contribution pension plan covering eligible employees who are members of a controlled group which includes Kiss Nail Products, Inc. and various affiliated companies who have elected to participate in the Plan (collectively the “Company”). The Plan provides deferred compensation benefits and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). First Great-West Life & Annuity (“FGW”) is the Plan’s recordkeeper. The investment custodians of the Plan’s investments are Empower Life & Annuity Insurance Company of New York (“Empower”) and the Empower Trust Company, LLC (collectively the “Investment Custodians”). The Investment Custodians are qualified institutions in accordance with 29 CFR 2520.103-5 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. The investment custodians are qualified institutions in accordance with 29 CFR 2520.103-5 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. The Plan administrator is responsible for overseeing and ensuring compliance with the Plan document. FGW and the Investment Custodians are affiliated. FGW, the Investment Custodians, and the Plan administrator are all appointed by the Company.

Eligibility

The Plan covers all eligible employees of the Company who have completed one year of service. All employees are enrolled in the Plan, as soon as administratively feasible, on the first day of each quarter after meeting the eligibility requirements previously mentioned.

Participant Contributions

The employees make voluntary contributions in an amount equal to any whole percentage, of at least 1% and no more than 60%, of eligible compensation on a before-tax or after-tax basis, up to the maximum contributions allowed under the Internal Revenue Service Code (“IRC”), as discussed below, to be placed into a trust fund for their benefit. Eligible compensation per the Plan document means wages, tips and other compensation on Form W-2 adjusted to exclude fringe benefits, bonus, commission, overtime, relocation housing and moving expenses.

1. Description of the Plan

Participant Contributions

The maximum amount of compensation that may be considered for deferral purposes by participants and employer contributions is \$305,000 for 2022. Total participant contributions are limited to a maximum of \$20,500 for 2022. Additionally, individuals who are at least 50 years of age can make a “catch-up” contribution not to exceed \$6,500 for 2022. The maximum annual addition for 2022 that may be contributed or allocated to a participant’s account under the Plan shall not exceed the lesser of 100% of a participant’s compensation or \$61,000.

Employer Contributions

The Company makes a safe harbor matching contribution equal to 100% of participant’s elective deferrals not to exceed 5% of eligible compensation. The Company may make an additional discretionary matching contribution not to exceed 6% of eligible compensation but elected not to make one for the Plan year ended December 31, 2022.

The Company can also make a discretionary non-elective contribution which would be allocated to participants on a pro-rata basis, based on each participant’s eligible compensation to total eligible compensation also known as profit-sharing contribution. The Company has not made a profit-sharing contribution for the year ended December 31, 2022.

Rollover Contributions

With Plan administrator approval, Plan participants may make a transfer to the Plan of a benefit from a qualified retirement plan of another employer, referred to as a rollover, with certain restrictions.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022

1. Description of the Plan

Participant Accounts

The Plan administrator establishes and maintains a separate account for each participant, which is credited for rollover and voluntary contributions the participants make, employer contributions and Plan earnings. Income earned and net appreciation or depreciation on Plan investments, for a given investment, are allocated in proportion to the participant's account balances in that fund. The benefit to which a participant is entitled to is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Each participant may borrow up to the lesser of: (1) 50% of the present value of the participant's vested interest in the account or (2) \$50,000, less currently outstanding notes receivable. The notes are secured by the vested balance in the participant's account, not to exceed 50% of such vested balance. No note shall be less than \$1,000 and no more than one note at a time is allowed. The notes shall bear interest at the prime rate plus 2%. At December 31, 2022, the outstanding notes bear interest ranging from 4.25% to 8.00% per annum.

Any such borrowings are to be repaid within 5 years, unless the note is for the purchase of a principal residence for which the repayment period may not extend beyond 15 years. Principal and interest are paid pro rata through payroll deductions. A note becomes immediately due and payable upon a participant's termination of employment, death, or disability.

Forfeitures

Upon termination of employment participants forfeit their non-vested balances. These accounts may be used to reduce future employer contributions or to pay administrative expenses of the Plan. At both December 31, 2022, and 2021, forfeited accounts totaled \$16,350 and \$46,676, respectively and are included in the investment balance on the Statements of Net Assets Available for Benefits. During 2022, \$44,700 forfeited non-vested amounts were used to reduce Company contributions.

KISS NAIL PRODUCTS 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022

1. Description of the Plan

ERISA Budget Account

Annually, the Investment Custodians through their revenue sharing arrangements (“Shared Revenue”) with investment companies, share a portion of the Shared Revenue it receives with the retirement plans which they service (referred to as an “ERISA Budget Account”). During the year ended December 31, 2022, the Plan received \$84,191 of Shared Revenue from the Investment Custodians and it was recorded as “Other income” on the Statement of Changes in Net Assets Available for Benefits. The ERISA Budgeted Account can be used to either reduce Plan expenses or be reallocated to participant accounts. At December 31, 2022, and 2021, the balance in the ERISA Budget Account was \$26,625 and \$72,657, respectively, and is included in the investment balance of the Statements of Net Assets Available for Benefits.

Retirement

The normal retirement age as defined is when the participant reaches the age of 65. The Plan does not allow for early retirement. At the normal retirement date, the participant is entitled to 100% of their account balance. The participant can elect late retirement after the age of 65; however, benefits must begin by age 72. A participant, who becomes disabled, as defined in the Plan document, is eligible for a disability retirement.

Distribution of Benefits

On termination of service prior to the normal retirement age and upon the participants request, the Plan administrator will direct the Investment Custodians to distribute the participants vested benefits. Upon retirement, hardship, termination, death, disability, and attainment of age 59 ½, vested benefits are distributed at the participant’s or beneficiary’s election via either a lump sum payment or installment payments. Participants must begin receiving Required Minimum Distributions, under IRS guidelines, upon reaching the age of 72.

Administrative Expenses

Administrative expenses may be paid out of the Plan or by the Company. The Company incurred certain administrative expenses relating to the Plan without charge to the Plan during 2022. Administrative expenses to be paid from the Plan can at the Plan administrator’s discretion be paid from the ERISA Budget Account. Should administrative expenses exceed the balance in the ERISA Budget Account then they may be, but are not required to be, paid from the Plan’s trust funds, and allocated to all participants on a pro rata basis.

FOR THE YEAR ENDED DECEMBER 31, 2022

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates and Assumptions

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Investment contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The investment in the general account of Great-West is an annuity contract (unallocated contract) that is fully benefit-responsive so that the Statements of Net Assets Available for Benefits presents this investment contract at contract value (see further details in Note 7).

Purchases and sales of securities are reflected on a trade date basis. Interest and dividend income are reflected when earned. The Plan presents, in the Statement of Changes in Net Assets Available for Benefits the net appreciation (depreciation) of the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022, or 2021.

NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022

2. Summary of Significant Accounting Policies

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefit payments to participants or beneficiaries are recorded when paid.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, including but not limited to, interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant's account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Income Tax Status

The Company has adopted a non-standardized pre-approved plan document that received an Internal Revenue Service ("IRS") opinion letter dated June 30, 2020, in which the IRS stated that this non-standardized pre-approved plan was qualified under the appropriate sections of the IRC. An employer adopting this non-standardized pre-approved plan is considered to have a plan qualified under section 401(a) of the IRC. Therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The Plan administrator and the Plan's tax counsel believe that the Plan is being operated in conformity with the applicable requirement of the IRC and therefore believes the Plan continues to be qualified and the trust established under the Plan is tax exempt. No provision for income taxes has been included in the financial statements since the Plan has no unrelated business income tax.

KISS NAIL PRODUCTS 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022

2. Summary of Significant Accounting Policies

Income Tax Status

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS and/or the Department of Labor (“DOL”). The Plan administrator has analyzed the tax positions taken by the Plan and had concluded that as of December 31, 2022, and 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the IRS and/or the DOL. In January 2022, the DOL started an audit covering Plan years 2016 to 2021. The Company has complied with all the DOL requests and has taken the appropriate corrective actions. The DOL issued a letter dated September 8, 2023, indicating that the case has been closed and the Form 5500 for all years examined has been accepted as filed. There are currently no other audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through December 5, 2023, which is the date the financial statements were available to be issued.

3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

4. Investments

For the year ended December 31, 2022, the Plan’s net depreciation (including gains and losses on investments bought and sold, as well as held during the year) of the fair value on the investment was \$10,327,286.

AS OF DECEMBER 31, 2022 AND 2021 AND

5. Fair Value Measurements

FASB's Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022

5. Fair Value Measurements

Below is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022, and 2021:

Mutual funds: are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2022, and 2021:

		2022			
		Level 1	Level 2	Level 3	Total
Mutual funds		\$ 30,745,834	\$ -	\$ -	\$ 30,745,834
Investments, at fair value		\$ 30,745,834	\$ -	\$ -	\$ 30,745,834
		2021			
		Level 1	Level 2	Level 3	Total
Mutual funds		\$ 38,367,479	\$ -	\$ -	\$ 38,367,479
Investments, at fair value		\$ 38,367,479	\$ -	\$ -	\$ 38,367,479

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. For the year ended December 31, 2022, there were no purchases, issuances, transfers in, or transfers out of Levels 3.

6. Related Party and Party-in-Interest Transactions

As of December 31, 2022, certain of the Plan's investments were managed by the Investment Custodians or its affiliates. Included within administrative expenses are certain payments to the Investment Custodians or its affiliates. Transactions with the Investment Custodians and their affiliates qualify as party-in-interest transactions. Loans to Plan participants also qualify as party-in-interest transactions. The above transactions are not, however, considered prohibited transactions under CFR 408 (b) of the ERISA regulations.

7. Unallocated Investment Contract with an Insurance Company

The Company entered into a group annuity insurance contract with Empower whose value was as of December 31, 2022, and 2021, \$2,245,183 and \$1,732,267, respectively. Empower maintains the contributions in an unallocated fund within its general account which it adds interest which is set quarterly. The average interest rate credited during 2022 was 0.94%. At the direction of the Plan's administrator, a single premium to buy an annuity for a retiring employee is withdrawn by Empower from the unallocated fund. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as discussed in Note 2. Contract value represents the amount of contributions deposited, plus interest credited daily as determined by the contract, less any participant withdrawals and administrative expenses.

There are no reserves against contract value for credit risk of Empower, the contract issuer. It is at least reasonably possible that changes in the value of the investment will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

If the Plan were to initiate a full redemption of this investment contract, Great-West reserves the right to temporarily delay withdrawal in order to ensure that the liquidation will be carried out in an orderly business manner.

8. Unaudited Information Certified by the Plan's Investment Custodians

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information, which was certified by the Investment Custodians, as complete and accurate, except for comparing such information certified by the Investment Custodians to information included in the Plan's financial statements and supplemental schedules:

In addition, the information in the supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022, has been certified by the Investment Custodians to be complete and accurate.

9. Nonexempt Transactions

The Company withheld from participants' pay certain contributions and loan repayments, which were not remitted to the Plan's trust within the time frame required by the DOL under the plan asset rules. These late remitted participant contributions constitute a loan from the Plan to the Company. Lost earnings on late remitted participant contributions for the 2018, 2017 and 2016 plan years in the amount of \$1,079, \$4,231, and \$41,669, respectively, were paid to the Plan's trust in 2022.
