INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Healthcare Support Staffing, Inc. 401(k) Profit Sharing Plan and Trust
Maitland, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Healthcare Support Staffing, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Healthcare Support Staffing, Inc. 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are required to be independent of Healthcare Support Staffing, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Healthcare Support Staffing, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Healthcare Support Staffing, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Healthcare Support Staffing, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Healthcare Support Staffing, Inc. 401(k) Profit Sharing Plan and Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE A – DESCRIPTION OF PLAN

The following description of the Healthcare Support Staffing, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan was established on January 1, 2006, by Healthcare Support Staffing, Inc. (the "Company"). On December 26, 2014, Healthcare Scouts, Inc. 401(k) Profit Sharing Plan and Trust was merged into the Plan. The Plan includes eligible employees from the Company and Healthcare Scouts, Inc. (collectively known as the "Companies"). The Plan was amended and restated on January 1, 2016 to conform the Plan to new tax laws. The Plan is a participant directed defined contribution plan covering substantially all of the Company's employees, who have one year of service and have worked at least 1,000 hours and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Empower Trust Company ("Empower") became the Plan's trustee on June 18, 2022, after they acquired Massachusetts Mutual Life Insurance Company ("MassMutual"). MassMutual had been the Plan's trustee up until that time.

By the end of the year, the Plan elected to change trustees and after the close of business on December 30, 2022, which was the last business day of 2022, transferred all Plan assets to BOK Financial.

2. Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, subject to the limitations of the Internal Revenue Code (IRC) for the plan year which was \$20,500 for 2022. Participants who are age 50 or older may make catch-up contributions up to \$6,500 in 2022. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company will make safe harbor matching contributions equal to 100% of employee salary deferrals that do not exceed 1% of employee compensation plus 50% of employee contributions between 1% and 6% of employee contribution.

3. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after two years of credited service.

5. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear a fixed interest rate at rates commensurate with interest rates charged from similar types of loans by other lenders. Principal and interest is paid ratably through biweekly and weekly payroll deductions.

NOTE A – DESCRIPTION OF PLAN (continued)

6. Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over specified period as defined in the Plan document. For termination due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

7. Forfeited Accounts

If, at the time of termination of employment, the participant is not 100% vested, the non-vested portion of the participant's account will become a forfeiture. At the end of 2022 and 2021, forfeited accounts totaled \$15,574 and \$3,397, respectively. Forfeitures are used to pay certain Plan expenses or to reduce future employer contributions to the Plan. The \$15,574 of forfeitures at the end of 2022 were paid to the Company.

8. Investments

The Plan is participant directed and participants may invest their contributions in any of the investment funds offered by the Plan. The Plan's trustees during 2022 were Massachusetts Mutual Life Insurance Company ("MassMutual") and Empower Trust Company, LLC ("Empower").

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The accompanying financial statements of the Plan have been prepared under the accrual basis of accounting.

2. Payment of Benefits

Benefits are recorded when paid.

3. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates and assumptions.

Healthcare Support Staffing, Inc. 401(k) Profit Sharing Plan and Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

4. Valuation of Investments and Income Recognition

The Plan follows the fair value measurement requirements of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, which defines fair value as the exchange price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants. The Plan Sponsor's Board of Directors determines the Plan's valuation policies utilizing information provided by the investment custodian. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the gains and losses on investments bought and sold during the year as well as the change in the unrealized appreciation or depreciation on those investments during the year.

The Plan has invested in a fully benefit-responsive investment account with an insurance company. Fully benefit-responsive contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

The Plan invests in various investment securities. These investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of the investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

5. Notes Receivable

In accordance with FASB ASU 2010-25, *Reporting Loans to Participants by Defined Contribution Pension Plans*, the Plan has classified loans to participants as notes receivable. The loans are recorded at principal plus any accrued and unpaid interest. Interest income is recorded when earned.

6. Administrative Expenses

Expenses of the Plan are paid either by the Plan or the Company, as provided by the Plan document.

7. Subsequent Events

The Plan has evaluated subsequent events through December 11, 2023, the date the financial statements were available to be issued.

The Plan changed its legal name to Healthcare Support Staffing, LLC 401(K) Profit Sharing Plan and Trust effective January 1, 2023.

Healthcare Support Staffing, Inc. 401(k) Profit Sharing Plan and Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE C – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive guaranteed investment contract with Empower. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay principal and a specified interest rate that is guaranteed to the Plan. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options, (3) bankruptcy of the Plan sponsor or other Plan sponsor events, that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE D – FAIR VALUE MEASUREMENTS

FASB ASC 820 provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Healthcare Support Staffing, Inc. 401(k) Profit Sharing Plan and Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE D – FAIR VALUE MEASUREMENTS (continued)

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: The investments are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As of December 31, 2022 and 2021, the Plan's participant-directed investments measured at fair value on a recurring basis by the fair value hierarchy levels described above are as follows:

Fair Value Measurements as of December 31, 2022				
Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,055,395	\$ -	\$ -	\$ 5,055,395

Fair Value Measurements as of December 31, 2021				
Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,111,807	\$ -	\$ -	\$ 5,111,807

NOTE E – INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Empower, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of December 31, and for the years then ended:

	2022	2021
Mutual funds, at fair value	\$ 5,055,395	\$ 5,111,807
Fully benefit-responsive investment contract, at contract value	80,977	29,925
Notes receivable from participants	17,403	12,856
Net depreciation in fair value of investments	(1,341,052)	N/A
Interest and dividends	470,738	N/A
Interest on notes receivable from participants	685	N/A

Healthcare Support Staffing, Inc. 401(k) Profit Sharing Plan and Trust

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE F – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Empower acquired MassMutual in 2022 and were the trustees of the Plan for the year ended December 31, 2022 and as of December 31, 2021. Any transactions that took place with Empower or MassMutual during the Plan year, qualify as exempt party-in-interest transactions. Plan investments at December 31, 2022 and 2021 included shares of mutual funds and investment contract with the insurance company, managed by MassMutual and Empower. Fees paid by the Plan to MassMutual and Empower for administration and investment advisory services were \$13,719 and \$32,866, respectively, for 2022. Certain Plan investments included shares of mutual funds managed by the trustee and, therefore, those transactions qualify as party-in-interest transactions.

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes of risk associated with certain investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H – PLAN TERMINATION

It is the intention of the Company to continue the Plan; however, the Company has the right to terminate the Plan at any time, subject to the provisions and penalties set forth by ERISA and the Internal Revenue Code. In the event of plan termination participants would become 100% vested in the Company's contributions.

NOTE I – RECONCILIATIONS OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits at December 31, 2022, per the financial statements to Form 5500:

Net assets available for benefits, per the financial statements	\$ 5,179,765
2022 contributions receivable	(25,990)
2022 forfeitures	<u>14,312</u>
Net assets available for plan benefits per the Form 5500	<u>\$ 5,168,087</u>

The following is a reconciliation of contributions for 2022, per the financial statements to Form 5500:

Contributions, per the statement of changes in net assets available for benefits	\$ 1,155,982
2022 contributions receivable	(25,990)

NOTES TO FINANCIAL STATEMENTS

December 31, 2022

NOTE J – TAX STATUS

The Plan has adopted a standardized form of a volume submitter prototype plan sponsored by Martin, Martin, Randall & Associates, Inc. The volume submitter prototype plan has received an opinion letter, dated June 30, 2020, from the Internal Revenue Service (IRS) as to the volume submitter prototype plan's qualified status. The volume submitter prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the letter. However, the Plan administrator believes the Plan is designed and is being operated in compliance with the applicable requirements of the IRS and therefore believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any uncertain positions that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
