Independent Auditor's Report

Plan Administrator
Total HR 401(k) Profit Sharing Plan
Greer, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Total HR 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of January 30, 2023 and December 31, 2022, the related statement of changes in net assets available for benefits for the period from January 1, 2023 to January 30, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Fidelity Personal Trust Company, FSB as of January 30, 2023 and December 31, 2022 and for the period from January 1, 2023 to January 30, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by Fidelity Personal Trust Company, FSB agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Plan Spinoff, Merger, and Transfer of Plan Assets

As discussed in Note 1 to the financial statements, the Board of Directors of COECO Office Systems, Inc., a participating employer, voted on December 12, 2022, to spin off their portion of the Plan into the COECO Office Systems, Inc. Retirement Savings Plan effective January 1, 2023. During the period from January 1, 2023 to January 30, 2023, the accounts of all participants in the Plan were transferred to the COECO Office Systems, Inc. Retirement Savings Plan.

In addition, the Board of Directors of Questco Holdings, Inc., the owner of Total Human Resources, Inc., voted on January 5, 2023, to merge the Plan into the Questco Companies Retirement Plan effective January 30, 2023. During the period from January 1, 2023 to January 30, 2023, the accounts of all participants in the Plan were transferred to the Questco Companies Retirement Plan.

Our opinion is not modified with respect to these matters.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1. Description of the Plan

The following description of the Total HR 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to their respective employer’s plan document for a more complete description of the Plan’s provisions.

General:

The Plan is a defined contribution, multiple employer plan sponsored by Total Human Resources, Inc. (the “Sponsor”). Participation in the Plan varies among employers participating in the Plan as determined by employer adoption agreements. Participation may begin at either age eighteen or twenty-one and ranges from employees who have immediate participation upon employment to having completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The officer of the Sponsor serves as plan administrator and has engaged Fidelity Personal Trust Company, FSB (the “custodian”) as custodian of the Plan’s assets. Employers with balances in the Plan during the period from January 1, 2023 to January 30, 2023 are as follows (collectively known as the “Employers”):

Total HR 401(k) Profit Sharing Plan

Notes to Financial Statements

January 30, 2023 and December 31, 2022

Note 1. Description of the Plan, Continued

Plan merger and transfer of Plan assets:

On December 12, 2022, the Board of Directors of COECO Office Systems, Inc., a participating employer, voted to spin off their portion of the Plan into the COECO Office Systems, Inc. Retirement Savings Plan effective January 1, 2023. During the period from January 1, 2023 to January 30, 2023, the accounts of all participants in the Plan were transferred to the COECO Office Systems, Inc. Retirement Savings Plan.

On January 5, 2023, the Board of Directors of Questco Holdings, Inc., the owner of Total Human Resources, Inc., voted to merge the Plan into the Questco Companies Retirement Plan effective January 30, 2023. All employees of the Employers became eligible to participate in the Questco Companies Retirement Plan on January 1, 2023. During 2023, the accounts of all participants in the Plan were transferred to the Questco Companies Retirement Plan.

Contributions:

Each year, participants may contribute a percentage of eligible compensation as either pre-tax or Roth contributions, as defined in the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution or defined benefit plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Certain Employers include an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at a rate between 1 and 6 percent of eligible compensation and have their contributions invested in a designated balanced fund until changed by the participant. Certain Employers make a safe harbor matching contribution, while other Employers may make discretionary contributions to the Plan by matching a percentage of their respective employees' contributions. Matching percentages are based on the adoption agreements determined by the Employers. Also, the Employers may make additional discretionary profit sharing contributions each year. There were no contributions to the Plan during the period from January 1, 2023 to January 30, 2023. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant accounts:

Each participant's account is credited with the participant's contributions, Employers' contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service according to schedules as determined by employer adoption agreements up to a maximum of six years.

Notes to Financial Statements

January 30, 2023 and December 31, 2022

Note 1. Description of the Plan, Continued

Notes receivable from participants:

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is one percent above prime rate. Principal and interest is paid ratably through payroll deductions.

Payment of benefits:

On termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or other installment options as provided by the Plan. Hardship distributions are permitted upon demonstration of financial hardship. All fully vested balances are available for distribution after the participant reaches the age of 59½.

Forfeited accounts:

At January 30, 2023 and December 31, 2022, forfeited non-vested accounts totaled \$0 and \$14,185, respectively. These accounts will first be used to pay administrative expenses of the Plan, and any remaining forfeitures will be used to reduce employer contributions to the Plan. During the period from January 1, 2023 to January 30, 2023, plan expenses and Employer contributions were not reduced by any amounts from forfeited non-vested accounts, and the forfeited non-vested accounts were transferred to the QuestCo Companies Retirement Plan.

Note 2. Summary of Significant Accounting Policies and Activities

Basis of accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes to Financial Statements

January 30, 2023 and December 31, 2022

Note 2. Summary of Significant Accounting Policies and Activities, Continued

Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of January 30, 2023 or December 31, 2022.

Payment of benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of maintaining the plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and other distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent events:

The Plan has evaluated subsequent events through December 6, 2023, the date the financial statements were available to be issued.

Recently issued accounting pronouncements:

Accounting standards that have been issued or proposed by the Financial Accounting Standards Board or other standards-setting bodies are not expected to have a material impact on the Plan's financial statements.

Note 3. Custodian Certifications

The following is a summary of the Plan's asset information as of January 30, 2023 and December 31, 2022, and for the period from January 1, 2023 to January 30, 2023, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the custodian and furnished to the plan administrator. The plan administrator has obtained certifications from the custodian that the information provided to the plan administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets:

	<u>2023</u>	<u>2022</u>
Investments at fair value:		
Mutual funds	\$ -	\$ 38,288,120
Collective trust fund	-	383
Stable value fund	-	1,999,038
	<u>\$ -</u>	<u>\$ 40,287,541</u>

Note 3. Custodian Certifications, Continued

The custodian also certified to the completeness and accuracy of \$2,076,375 net appreciation in the fair value of investments and \$555 of interest and dividends for period from January 1, 2023 to January 30, 2023.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at January 30, 2023 and December 31, 2022.

Collective trust fund and stable value fund: Valued at net asset value (NAV). The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the funds, the investment adviser reserves the right to temporarily delay withdrawal from the funds in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 4. Fair Value Measurements, Continued

There were no Plan assets held at fair value at January 30, 2023.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 38,288,120	\$ -	\$ -	\$ 38,288,120
Total assets in the fair value hierarchy	<u>\$ 38,288,120</u>	<u>\$ -</u>	<u>\$ -</u>	38,288,120
Investments measured at NAV (a)				<u>1,999,421</u>
Investments at fair value				<u>\$ 40,287,541</u>

- (a) Certain investments that were measured at NAV per share or its equivalent have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth a summary of the Plan's investments reported at NAV as a practical expedient to estimate fair value at December 31, 2022:

<u>Investment</u>	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Stable value fund	\$ 1,999,038	\$ -	(b)	(b)
Stadion collective trust fund	<u>383</u>	<u>-</u>	Daily	None
Total	<u>\$ 1,999,421</u>	<u>\$ -</u>		

- (b) The fund trustee determines the NAV at the contract value of the Fund each business day (valuation date) by dividing total assets less liabilities by the number of outstanding units. No distributions are made to unitholders as net investment income and net realized capital gains are reinvested into the fund in accordance with the fund's investment objectives. Unitholder transactions are processed daily, or as applicable, by the fund at the current NAV at contract value and are considered as made immediately after the daily valuation. Withdrawals from the fund for benefit payments and participant transfers to noncompeting options to be paid to plan participants shall be made as soon as practicable after the date the fund trustee receives a notice of withdrawal from the participating trust and are considered as made immediately after the next valuation date subsequent to the fund trustee's approval.

Withdrawals, other than for benefit payments and participant transfers to noncompeting options, require a twelve month advance written notice. Included in this advance written notice requirement are full or partial withdrawals of assets invested in the fund resulting from plan sponsor directed actions. Such plan sponsor directed actions include, but are not limited to: (i) fund trustee or plan sponsor directed reallocation of investments; (ii) company sponsored layoffs/termination of groups of employees; (iii) disposing of or selling a component of the business which involves the transfer or termination of employees; (iv) terminating the fund as an investment option of the plan; and (v) terminating the plan. Plan sponsors are prohibited from intentionally and specifically advising participants, or releasing participant communication, that is intended to encourage participants to not contribute to the fund, or to withdraw part of all of their contributions from the fund.

Notes to Financial Statements

January 30, 2023 and December 31, 2022

Note 4. Fair Value Measurements, Continued

All plan sponsor-directed requests for full or partial withdrawals must be submitted to the fund trustee in writing certifying the reason for the withdrawal request. All such requests are subject to the twelve-month advance written notice requirement. The fund trustee may choose to disburse withdrawals in less than the required twelve-month period if, in the fund trustee's discretion, it determines that such a disbursement is in the best interest of the fund as a whole.

Note 5. Related-Party and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by an affiliate of the custodian. Therefore, these transactions qualify as party in interest transactions. Slavic Integrated Administration Inc. (Slavic) is the third party administrator. Fees incurred by the Plan for the investment management services provided by the custodian are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made direct payments to the custodian, third party administrator, and other advisors totaling \$100,160. The Sponsor pays directly any other fees related to the Plan's operations.

Note 6. Tax Status

Effective January 1, 2022, the Sponsor adopted the Plan based on a non-standardized pre-approved plan document sponsored by Slavic, the plan provider. The plan provider has received an opinion letter from the Internal Revenue Service as to the pre-approved plan's qualified status. The pre-approved plan's letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2022 statement of net assets available for benefits.
