INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Fiduciary Committee of
The Retirement Contribution and 403(b) Matching Plan
of the University of Pennsylvania Health System

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed an audit of the financial statements of The Retirement Contribution and 403(b) Matching Plan of the University of Pennsylvania Health System (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Retirement Contribution and 403(b) Matching Plan of the University of Pennsylvania Health System's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Retirement Contribution and 403(b) Matching Plan of the University of Pennsylvania Health System and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Retirement Contribution and 403(b) Matching Plan of the University of Pennsylvania Health System's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Retirement Contribution and 403(b) Matching Plan of the University of Pennsylvania Health System's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - *Supplemental Schedule Required by ERISA*

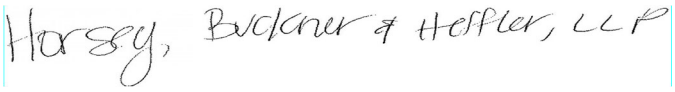

The supplemental Schedule H, Line 4(i)—Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of The Retirement Contribution and 403(b) Matching Plan of the University of Pennsylvania Health System (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions, including updates made commensurate with the plan amendments outlined below.

General

The Plan was originally established, effective January 1, 1994, by Clinical Care Associates of the University of Pennsylvania Health System (referred to as UPHS or the Plan Sponsor/Administrator) for the benefit of certain of its employees and their beneficiaries. The Plan subsequently was amended from time to time to address changes in laws and regulations, to provide for the merger of other plans into the Plan, and to reflect other changes in the Plan's design and operations. As part of an overall restructuring of the retirement programs of UPHS, the Plan was amended and restated, effective January 1, 2011, to: (i) transfer sponsorship of the Plan to the Trustees of the University of Pennsylvania from Clinical Care Associates of UPHS; (ii) extend eligibility under the Plan to certain employees of UPHS who made a one-time election to receive their employer benefits in this Plan rather than in a separate defined benefit plan sponsored by UPHS; (iii) make other changes in the Plan's design (including the addition of matching contributions); (iv) incorporate amendments adopted since the last amendment and restatement of the Plan; and (v) make other clarifying changes in the Plan.

The Plan is a defined contribution plan covering substantially all employees of Clinical Care Associates of the UPHS, Clinical Health Care Associates of New Jersey, P.C. (CHCANJ), Women and Children's Health Services, and UPHS employees hired or rehired after July 1, 2010, who have attained age 21 and completed one year of service. Effective January 1, 2011, the Plan also covers UPHS employees who elected to join this Plan during "Retirement Choice" in 2010. Effective August 1, 2015, Lancaster General Health (LG Health) became a member of the UPHS. Employees of LG Health currently remain employed by LG Health and do not participate in the Plan. Previously, Princeton HealthCare System (PHCS) became a member of UPHS. Effective January 1, 2021, the Plan was amended and restated to provide for the merger of the Lancaster General Health Retirement Income Account 401(k) (LGH Plan) and The Princeton HealthCare System Retirement Plan (Princeton Plan) into the Plan in connection with LGH and PHCS joining the University of Pennsylvania Health System and the participation of eligible employees of LGH and Princeton in the Plan. Both the LGH Plan and the Princeton Plan have special provisions and terms that apply to contributions to the Plan on behalf of the eligible employees of LGH and eligible employees of PHCS on and after January 1, 2021. The Plan was amended in several other areas to allow for the merger of the two healthcare systems, including governance and plan administration, benefit payments, among other provisions. The addition of the new LGH and PHCS employees provided additional plan assets of $147,810,553 that were transferred into the Plan for the year ended December 31, 2021.

NOTE 1 - DESCRIPTION OF PLAN *(continued)*

On December 10, 2019, the Plan Sponsor entered into an agreement to change Plan trustees, effective January 1, 2021. The agreement provided for the transfer of assets from its trustees and custodians, TIAA and Vanguard Fiduciary Trust Company (Vanguard) to one trustee, Fidelity Management Trust Company. While the effective date of the agreement is January 1, 2021, the transfer of Plan assets occurred during two different time periods, depending on the trustee. The participant blackout period for Vanguard began on December 21, 2020, and the transfer of assets occurred on December 31, 2020. The participant blackout period in preparation for the transfer of TIAA assets to the new custodian/trustee began on January 5, 2021, and those assets were transferred to the new custodian/trustee on January 12, 2021. Accordingly, as of December 31, 2020, the TIAA investments included on the statements of net assets available for benefits as of December 31, 2020 did not take into account the 2021 transfer of funds.

The total amount transferred as of December 31, 2020 to the new trustee was $422,329,314 from Vanguard and was included in the statement of net assets available for benefits as of December 31, 2021. Additionally, the notes receivable from participants totaling $772,885 were transferred “in kind” to the new trustee as of December 31, 2021. All of the aforementioned assets settled with the new trustee, Fidelity Management Trust Company on January 4, 2021.

The Plan has implemented certain requirements by the Coronavirus Aid, Relief and Economic Securities Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allowing certain eligible individuals to receive coronavirus-related relief for loan payment, suspend required minimum distributions, and delay the commandment date for required minimum distributions. Written amendments to the Plan to reflect these operational changes have been adopted in connection with approved amendments for the change in service provider and the merger of the LGH Health and PHCS benefit plans. These amendments were adopted previously in accordance with applicable law and Internal Revenue Service (IRS) guidance.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan Administrator and the Fiduciary Committee are responsible for the oversight of the Plan, determining the appropriateness of the Plan’s investment offerings and monitoring investment performance.

Eligibility

Each employee who has attained the age of 21 and completed one year of service is eligible for Plan participation on the first day of the calendar quarter following the date the Plan’s eligibility requirements have been met.

NOTE 1 - DESCRIPTION OF PLAN *(continued)*

Contributions

Employee deferral contributions are only permitted to be made by participants employed by CHCANJ. Each year, participants may contribute up to 70% of their pretax annual compensation. Bonuses are excluded from eligible compensation. Participants employed by other UPHS-sponsored organizations are not permitted to make deferral contributions to this Plan.

Each year, the Plan Sponsor contributes to the Plan certain amounts, as determined by the UPHS Retirement Committee, to CHCANJ participants who have made salary deferrals, to all employees who have made salary deferrals under the UPHS 403(b) Retirement Savings Plan and to all eligible employees of the Plan. For the years ended December 31, 2022 and 2021, the Plan Sponsor's contribution amounts were: (1) 100% of the salary deferrals of the CHCANJ participants on the first 2.5% of compensation deferred; (2) 100% of the first 2.5% of eligible compensation deferred by participants in the separate 403(b) plan sponsored by UPHS; and (3) an additional annual contribution of 4% of eligible compensation to all eligible Plan participants who worked 1,000 hours during the Plan year and are employed on the last day of the Plan year. Prior to July 1, 2015, Chester County Health System's contribution amounts were 50% of salary deferrals on the first 4% of compensation deferred. Effective July 1, 2015, Chester County Health System's contribution amounts increased to 50% of the salary deferrals on the first 6% of compensation deferred. Effective January 1, 2017, Chester County Health System made an additional annual contribution of 1% of eligible compensation to all eligible participants who worked 1,000 hours during the Plan year and were employed on the last day of the Plan year. Contributions are subject to certain annual limits established by the IRS.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Plan Sponsor's contributions (if applicable) and Plan investment earnings.

All contributions to the Plan are used to purchase tax-sheltered annuity contracts and custodial accounts that are invested in the funding vehicles offered by TIAA, Vanguard and Fidelity Management Trust Company. The assets held under the tax-sheltered annuity contracts and/or custodial accounts do not belong to the Plan, but are held by TIAA and CREF, Vanguard and the Fidelity Management Trust Company for the exclusive benefit of the Plan participants and their beneficiaries. The individual account balance in the annuity contract and/or custodial account is the sum of the participants' contributions and basic employer contribution and matching contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF PLAN *(continued)*

Vesting

Participants are vested immediately in their contributions, plus actual earnings. Participants' vested interests in his/her Plan Sponsor contributions are based on years of continuous service, as follows: (1) prior to January 1, 2011, CHCANJ participants vested at 25% for each year of service and are 100% vested after four years of service; and (2) participants who are employed on or after January 1, 2011 are 100% vested after three years of service in accordance with a three-year cliff vesting schedule.

Forfeitures

There were no forfeited non-vested accounts as of December 31, 2022 and 2021, respectively. Forfeited balances of participant's non-vested accounts are used to reduce further Plan Sponsor contributions. There were no reductions to Plan Sponsor contributions from forfeited non-vested accounts during 2022 and 2021.

Payment of Benefits

On termination of service, due to death, disability, or retirement, a participant may elect to receive a distribution of his or her entire accumulated Plan balance, subject to the terms and certain limitations of the funding vehicles. Distribution options include lump-sum payments, partial payments, and installments. In addition, participants may elect in-service withdrawals after reaching age 59½. Hardship withdrawals are also permitted.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to the lesser of 50% of the participant's vested account balance, or $50,000. A participant may have no more than two loans outstanding at any time. Loan terms may extend up to a period not to exceed five years, or for up to 15 years for the purchase of a primary residence. Certain grandfathered loans allow for 30-year repayment terms. The participant loans are collateralized up to 50% of the balance of the participant's account balance as of the date the loan was made. The loans bear interest of local prevailing rates as of the date of the loan. Principal and interest are paid ratably through periodic payroll deductions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Fiduciary Committee determines the Plan's valuation policies utilizing information provided by the trustee/custodian. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

The mutual funds consist of TIAA funds, CREF accounts and other non-proprietary mutual funds, and are generally valued using market quotations or prices obtained from independent pricing services.

The CREF accounts and the TIAA Real Estate Account are used to fund variable annuity contracts. The CREF accounts invest principally in equity securities, fixed-income instruments, and short-term investments in accordance with each portfolio's investment objectives. The TIAA Real Estate Account is a pooled separate account/insurance company separate account of TIAA, mainly investing in real estate and real estate-related investments. Its value is principally derived from the market value of the underlying real estate holdings or other real estate-related investments. Real estate holdings are valued principally using external appraisals. The TIAA Real Estate Account sometimes holds securities as well. These are generally valued using independent pricing sources.

The TIAA Traditional Annuity Account is another investment of the Plan. The TIAA Traditional Annuity is reported at contract value and segregated into non-benefit and fully benefit-responsive categories. The contract value of the TIAA Traditional Annuity equals the accumulated cash contributions, interest credited to the Plan's contracts, and transfers in (if any) less any withdrawals and transfers out (if any). Fair value approximates contract value for the Plan.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participants' account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments. Expenses that are paid by the Plan Sponsor are excluded from these financial statements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Payment of Benefits

A participant's benefits will normally be distributed to the participant or the participant's beneficiary upon termination of service, retirement, disability or death by transfer to another qualified plan or an individual retirement account through a lump-sum distribution, partial or installment payments. In-service withdrawals of all or a portion of a participant's vested account balance may be made by participants who have attained the age of 59½. Hardship withdrawals are permitted when the criteria are met. In-service withdrawals of all or a portion of a participant's rollover account balance may be withdrawn at any time. Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

NOTE 3 - INVESTMENTS AND INFORMATION CERTIFIED BY THE CUSTODIANS (UNAUDITED)

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, trustee of the Plan, and TIAA, FSB, custodians of the Plan as of and for the year ended December 31, 2022, have certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2022.

- Investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

NOTE 3 - INVESTMENTS AND INFORMATION CERTIFIED BY THE CUSTODIANS (UNAUDITED) *(continued)*

Investments, at fair value and contract value, and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 were certified by Vanguard and TIAA, FSB, trustee and custodian of the Plan, respectively.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 - FAIR VALUE MEASUREMENTS *(continued)*

The preceding methods described may produce a fair value calculation that may not indicate net realizable value or reflect future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	2022			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$ 645,994,966	$ -	$ -	$ 645,994,966
Self-directed brokerage accounts	1,562,617	-	-	1,562,617
TIAA Real Estate Account	-	-	-	-
CREF accounts	1,205	-	-	1,205
Prudential Guaranteed Income Fund	-	1,298,519	-	1,298,519

Total	$ 647,558,788	$ 1,298,519	$ 1,134,102	$ 649,991,409

	2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual funds	$ 712,763,805	$ -	$ -	$ 712,763,805
Self-directed brokerage accounts	2,311,243	-	-	2,311,243
TIAA Real Estate Account	-	2,821,169	-	2,821,169
CREF accounts	35,543,793	-	-	35,543,793
Prudential Guaranteed Income Fund	-	716,759	-	716,759
TIAA Traditional Annuity	-	-	25,426,346	25,426,346
Total	$ 750,618,841	$ 3,537,928	$ 25,426,346	$ 779,583,115

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net appreciation/depreciation in fair value of investments in the statement of changes in net assets available for benefits.

NOTE 4 - FAIR VALUE MEASUREMENTS *(continued)*

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2022 and 2021, there were no transfers in or out of Levels 1, 2 or 3.

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the year ended December 31, 2022:

	TIAA Traditional Annuity
Balance, beginning of year	$ 25,426,346
Interest income included in changes in net assets	-
Purchases, issuances, sales, and settlements	
Contributions, rollovers, and transfers in	-
Withdrawals, distributions, settlements and transfers out	-
Total purchases, issuances, sales and settlements, net	(24,292,244)
Balance, December 31, 2022	$ 1,134,102

The following table represents the Plan's Level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments, and the significant unobservable inputs and the ranges of values for those inputs as of December 31, 2022 and 2021:

	2022 Fair Value	2021 Fair Value	Principal Valuation Technique	Significant Unobservable Inputs	Range*
TIAA Traditional Annuity	$ 1,134,102	$ 25,426,346	Discounted cash flow Theoretical transfer (exit value)	Risk-adjusted discount rate applied	RC 3.95%–6.50%

* See Note 5 for a definition of the RC contract type.

Significant increases or decreases in the above unobservable inputs in isolation would result in a significantly lower or higher fair value measurement for such assets.

NOTE 5 - TIAA TRADITIONAL ANNUITY

The TIAA Traditional Annuity is a guaranteed fixed annuity contract available as an investment option to Plan participants. Each contract is fully and unconditionally guaranteed by TIAA. The Traditional Annuity is offered through a variety of contract types, including the Retirement Choice (RC) contract type held by the Plan. The type of contract through which a participant invests in the TIAA Traditional Annuity determines the applicability of certain account features, such as the guaranteed minimum interest rate, additional interest declarations, the degree of liquidity of the participant's account, and the options for receiving income upon retirement.

When participants choose to allocate a portion of their retirement savings to the TIAA Traditional Annuity during the accumulation phase of the contract, their contributions purchase a specific amount of lifetime income based on the contractual rate schedule in effect at the time the premium is paid. For RC contracts, a guaranteed interest rate is set each calendar year for amounts remitted in that calendar year. The floating guaranteed rate will be between 1.00%-3.00%, inclusive, based on the 5-year Constant Maturity Treasury Rate less 125 basis points. The guaranteed rate for each calendar year remittance will be maintained for at least 10 years. The current guaranteed rate is 1.00% for amounts remitted, effective January 1, 2011. The account also offers the opportunity for additional amounts in excess of the guaranteed rate. When declared, additional amounts remain in effect for the 12-month period that begins each March 1. The crediting interest rate was 5.50% and 3.58% as of December 31, 2022 and 2021, respectively.

Participant withdrawals and transfers from the RC contracts must be taken in 84-monthly installments, except that a lump-sum distribution is available, if permitted under the Plan, in the 120-day period following termination of employment subject to a 2.5% surrender charge. Therefore, the RC contracts are non-benefit responsive. The RC balance at contract value, which approximates fair value, was $1,134,102 and $25,426,346 at December 31, 2022 and 2021, respectively.

NOTE 6 - RELATED-PARTY TRANSACTIONS

The Plan investments are managed and issued by TIAA and CREF and Fidelity Management Trust Company. TIAA, FSB, and Fidelity Management Trust Company are the custodian and trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Fees paid by the Plan to the custodian are reflected as a reduction in investments earnings.

Certain administrative functions of the Plan are performed by employees of the Plan Sponsor. No such employee receives compensation from the Plan. These transactions qualify as party-in-interest transactions and are exempt from the prohibited transaction rules.

NOTE 7 - TAX STATUS

The Plan intends to comply with the applicable requirements of Section 403(b) of the Internal Revenue Code (IRC). A tax determination letter program is not yet available for 403(b) employee benefit plans through the IRS. The Plan Administrator believes that the Plan is currently designed and operated in accordance with the applicable requirements of the IRC. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under the Section 403(b). The Plan has elected to utilize the employee benefit plan provisions which allow certain changes to distribution and loan rules as prescribed by the SECURE Act and the CARES Act. The IRS, the primary oversight body of the Plan, generally has the ability to examine income tax returns for up to three prior years.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any periods.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any such intention, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would remain 100% vested in their accounts and the balance of the individual accounts of each participant would be distributed in a lump sum or by delivery of a fully paid annuity contract, as defined by the Plan.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to several risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term. The changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Due to the recent volatility in the investment market, the Plan's investments have experienced a decline in the market value through October 16, 2023.

NOTE 10 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 16, 2023, which is the date the financial statements were available to be issued.
