Fresno, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Exclusive Wireless, Inc. 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Exclusive Wireless, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Exclusive Wireless, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Exclusive Wireless, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Administrator
of Exclusive Wireless, Inc. 401(k) Retirement Plan

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Exclusive Wireless, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Exclusive Wireless, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 22, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

EXCLUSIVE WIRELESS, INC. 401(k) RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Exclusive Wireless, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan has been restated for the final Cycle 3 regulations effective February 15, 2022. The Plan's purpose is to provide employees of Exclusive Wireless, Inc., and its participating affiliates and locations (the Company), the opportunity to accumulate funds for their retirement. The Plan's Trustee is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Trustee.

Eligibility

An employee of the Company normally becomes eligible to participate in the Plan after completing one year of service with the Company and after attaining age twenty-one. Employees may elect to participate in the Plan on the first day of January, or the date six months thereafter, following completion of all eligibility requirements. Nonresident aliens and union employees are excluded from the Plan.

Employee Contributions

Participants may contribute a percentage of their annual compensation through salary deferrals up to the maximum dollar amount determined by the Internal Revenue Service (IRS) each year. If the participant is age 50 or older, the participant may elect to defer additional amounts as defined by the law. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Employer Contributions

Upon fulfillment of the eligibility requirements, participant accounts will accrue a safe harbor match of 100% of employee deferrals up to 4% of eligible compensation. These amounts are limited to the maximum dollar amount determined by the Internal Revenue Service each year.

Each year the Company may determine discretionary non-elective and matching contributions to the Plan. Contributions will be allocated to participants in proportion to each participant's compensation for the plan year to total compensation for all participants for that year. For the years ended December 31, 2022 and 2021, the Company did not make a non-elective or matching discretionary contribution.

Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's contributions, and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants are allowed to direct their contributions and the related employer discretionary and matching contributions by the Company into any of the various investment options offered by the Plan.

EXCLUSIVE WIRELESS, INC. 401(k) RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 1 – DESCRIPTION OF PLAN (continued)

Vesting

Participants contributions, employer safe harbor match and actual earnings thereon are immediately 100% vested. Discretionary contributions by the Company vest on a pro rata basis over six years. In the event of death, disability or normal retirement age, a participant's interest in employer discretionary contributions becomes fully vested.

Payment of Benefits

Upon retirement, death, disability or termination of service due to other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. A partial or installment distribution may be permitted if needed to satisfy the required minimum distribution rules. In certain circumstances, participants may request "hardship withdrawals" as defined in the Plan.

A participant who has attained age 59-1/2 and who has not separated from service may obtain an in-service distribution of their vested benefits.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustee determines the Plan's valuation policies utilizing information provided by the investment advisors and insurance company. See Note 3 for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in the net appreciation (depreciation) of fair value of investments.

Reclassifications

Certain amounts in the prior year financial statements have been reclassified in order to be comparable with the current year presentation.

EXCLUSIVE WIRELESS, INC. 401(k) RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES (continued)

Subsequent Events

Plan management has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan currently has no investments required to be presented within the fair value hierarchy.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Pooled separate accounts are valued at fair value. The Plan's fair value of shares of the underlying fund equals the number of shares of the respective underlying fund multiplied by the closing net asset value per share quoted by that fund. The net asset value is used as a practical expedient to estimate fair value.

EXCLUSIVE WIRELESS, INC. 401(k) RETIREMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE 3 – FAIR VALUE MEASUREMENTS (continued)

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient at December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment advisory expenses	\$ (18,858)	\$ (17,026)

NOTE 5 - PLAN TERMINATION

In the event of plan termination, participants would become 100% vested in their employer contributions.

NOTE 6 – TAX STATUS

The IRS has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7- ALLOCATION OF ASSETS

Net assets available in the amount of \$268,418 and \$156,507, for the years ended December 31, 2022 and 2021, respectively, have been allocated to the accounts of employees who have separated service with the Company.

NOTE 8 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

The Plan assets were managed by John Hancock Life Insurance Company (USA). Plan management includes recordkeeping and investment services related to contributions received, plan earnings and distributions. The services to the Plan qualify as party-in-interest transactions. Third party administrative services are paid for by the Plan.

John Hancock investment advisory expenses totaled \$18,858 and \$17,026, for the years ended December 31, 2022 and 2021, respectively. Third party administrative services and compensation reported by John Hancock related to the Plan totaled \$4,733 and \$4,312, for the years ended December 31, 2022 and 2021, respectively.

Administrative functions are jointly performed by employees of the Company and Economic Group Pension Services, Inc. (EGPS). No employee receives compensation from the Plan. The independent auditor's fees are paid directly by the Company.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
