Independent Auditor's Report

To the Plan Administrator of the
National Pipe & Plastics, Inc.
401(k) Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of National Pipe & Plastics, Inc. 401(k) Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of April 4, 2023 and December 31, 2022, and the related statements of changes in net assets available for benefits for the three month and four day period and year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of National Pipe & Plastics, Inc. 401(k) Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the three month and four day period ended April 4, 2023 and year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

To the Plan Administrator of the
National Pipe & Plastics, Inc.
401(k) Investment Plan

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of National Pipe & Plastics, Inc. 401(k) Investment Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter: Plan Merger

As discussed in Note 1 to the financial statements, the governing body of National Pipe & Plastics, Inc. 401(k) Investment Plan approved the merger of the Plan into the CRH Americas 401(k) Plan (EIN #95-3298140 and Plan #002), effective April 4, 2023. As a result, all investments were transferred from the Plan into the CRH Americas 401(k) Plan on that date and the Plan was terminated. To facilitate the merger, on December 31, 2022, the Plan was frozen with no ability to make additional contributions to the Plan following this date. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

To the Plan Administrator of the
National Pipe & Plastics, Inc.
401(k) Investment Plan

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of National Pipe & Plastics, Inc. 401(k) Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

To the Plan Administrator of the
National Pipe & Plastics, Inc.
401(k) Investment Plan

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Plan Name: National Pipe & Plastics, Inc. 401(k) Investment Plan
Plan No: 001
Sponsor EIN: 13-3916482

Plan Merger and Freeze

On November 1, 2022, the governing body approved the merger of the Plan into the CRH Americas 401(k) Plan (EIN #95-3298140 and Plan #002), effective April 4, 2023. As a result, all investments were transferred from the Plan into the CRH Americas 401(k) Plan on that date. To facilitate the merger, on December 31, 2022, the Plan was frozen with no ability to make additional contributions to the Plan. As such, beginning on January 1, 2023, all participant contributions from National Pipe & Plastics, Inc. were made to the CRH Americas 401(k) Plan. Notes receivable from participant payments continued into the Plan until the asset transfer date noted above.

General

The Plan is a defined contribution plan covering all full-time employees of the sponsor, National Pipe & Plastics, Inc. (the Company) who have completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by the Company and utilizes Actuarial Pension Analysts Inc. (APA) as the record keeper and Voya Retirement Insurance and Annuity Company (VOYA) as the trustee of the Plan's assets.

Eligibility

Employees are eligible to participate in the employee contribution and employer match portions of the 401(k) component of the Plan upon completion of one year of service with a minimum of 1,000 hours of service.

Participant Accounts

Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contributions, Company contributions, and allocations of plan earnings. Each participant's account is charged with allocations of plan gains, losses, and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of the financial statements in accordance with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as, held during the year. NOTE 3: INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by the trustee as complete and accurate, except for obtaining and reading the certification, comparing such information certified by the trustee to the information included in the Plan's financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

The following investment information disclosed in the accompanying financial statements, including investments held at April 4, 2023 and December 31, 2022 and the Plan's net investment income (loss) for the three month and four day period and the year then ended was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee, Voya Retirement Insurance and Annuity Company (VOYA).

The net assets of the Plan certified by VOYA are summarized as follows:

	2023	2022
Mutual funds, at fair value	\$ -	\$ 7,234,552
Investment contracts, at fair value	<u>-</u>	<u>2,361,178</u>
Total	<u><u>\$ -</u></u>	<u><u>\$ 9,595,730</u></u>

The changes in the Plan net assets certified by VOYA are summarized as follows:

Total	<u><u>\$ 631,770</u></u>	<u><u>\$ (2,633,846)</u></u>

NOTE 4: FAIR VALUE MEASUREMENTS

Under GAAP, defined contribution plans shall report investments at fair value (excluding fully benefit-responsive investment contracts). The trustee of the Plan has determined that the investment contract held by the Plan is not fully benefit-responsive. Accordingly, the statements of net assets available for benefits and the statements of changes in net assets available for benefits are prepared on a fair value basis with no adjustment to contract value.

NATIONAL PIPE & PLASTICS, INC.
401(k) INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

APRIL 4, 2023 AND DECEMBER 31, 2022

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

GAAP establishes a hierarchy for information and valuations used in measuring fair value that is broken down into three levels based on reliability:

- Level 1: Observable inputs based on quoted market prices for identical assets or liabilities within active markets.
- Level 2: Observable inputs other than Level 1 that are based on quoted market prices for similar assets or liabilities, based upon quoted prices within active markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3: Unobservable inputs for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

The Plan administrator assesses the fair value methodologies applied by the trustee. The Plan administrator, together with the trustee, determines if the current valuation techniques used in the fair value measurement are appropriate.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of April 4, 2023 and December 31, 2022, respectively:

2023		Level 1	Level 2	Level 3
Investment Category	Fair Value	Inputs	Inputs	Inputs
Mutual funds	\$ -	\$ -	\$ -	\$ -
Investment contracts	-	-	-	-
Total assets at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>
2022		Level 1	Level 2	Level 3
Investment Category	Fair Value	Inputs	Inputs	Inputs
Mutual funds	\$ 7,234,552	\$ 7,234,552	\$ -	\$ -
Investment contracts	<u>2,361,178</u>	<u>-</u>	<u>2,361,178</u>	<u>-</u>
Total assets at fair value	<u>\$ 9,595,730</u>	<u>\$ 7,234,552</u>	<u>\$ 2,361,178</u>	<u>\$ -</u>

NATIONAL PIPE & PLASTICS, INC.
401(k) INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

APRIL 4, 2023 AND DECEMBER 31, 2022

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Investment contracts: Guaranteed investment contracts are valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer. Because the participants transact at contract value, fair value is determined annually for financial statement reporting purposes only. Certain unobservable inputs are assessed through review of contract terms (for example, duration or payout date) while others are substantiated utilizing available market data (for example, swap curve rate).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

NOTE 7: TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter date March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving that advisory opinion, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.
