REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Plumbers and Pipefitters Local
No. 172 Voluntary 401(k) Plan

Opinion

We have audited the financial statements of Plumbers and Pipefitters Local No. 172 Voluntary 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of March 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Plumbers and Pipefitters Local No. 172 Voluntary 401(k) Plan as of March 31, 2023 and 2022, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant findings, and certain internal control-related matters that we identified during the audit.

**PLUMBERS AND PIPEFITTERS LOCAL NO. 172
VOLUNTARY 401(K) PLAN**

NOTES TO FINANCIAL STATEMENTS

MARCH 31, 2023 AND 2022

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The accompanying financial statements of Plumbers and Pipefitters Local No. 172 Voluntary 401(k) Plan (the Plan) have been prepared using the accrual basis of accounting.

Investments - The investments are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex dividend date. Interest income is recorded on the accrual basis.

Contributions Receivable - Contributions due and unpaid prior to year end are recorded as contributions receivable. Contributions due as determined by payroll compliance audits are recorded as income when collected. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Reciprocal Contributions - The Plan has entered into reciprocity agreements with other multiemployer retirement plans for its participants who perform work outside the geographic jurisdiction of the local union. Participants who are normally employed within the territory of one local union (home local) may be temporarily employed within the territory of another local union. When a participant works in the territory of a reciprocating local union, the other plan is required to make contributions to the participant's home local benefit plans on the participant's behalf. The Plan receives contribution revenue pursuant to reciprocity agreements. Revenue is recognized in the period in which covered work is performed, based on the hours worked and the contribution rate set forth in the collective bargaining agreement.

Participant Distributions - Benefit payments to participants are recorded upon distribution. Amounts allocated to participants who elected a withdrawal from the Plan but were not paid amounted to \$0 and \$25,000 at March 31, 2023 and 2022, respectively.

Expenses - Expenses for administration of the Plan are allocated to participant accounts, based on participant balances. Certain investment related expenses are included in net (depreciation) in fair value of investments.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through September 15, 2023, which is the date the financial statements were available to be issued.

NOTE 2. DESCRIPTION OF THE PLAN

The Plan was established in April 1995 pursuant to collective bargaining agreements to provide benefits for eligible participants upon retirement, or for their dependents and beneficiaries in the event of death or disability. The Plan is primarily funded by contributions from participants as well as employer contributions received under reciprocity agreements. The Plan is a multiemployer defined contribution retirement plan covering all participants who have at least one hour of service with a participating employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

Participants may elect to voluntarily defer a percentage of their pre-tax annual base compensation, as defined by the Plan and subject to certain limitations. Rollovers from qualified retirement plan are also accepted.

Contributions to the Plan are invested as directed by the participant. In the absence of participant direction, contributions are invested in a default target date investment fund. Participants must evaluate their own investment goals and objectives and choose the investments best suited to achieve those goals and objectives. Participants may change their investment options daily, and the changes are effective on the next business day. Poor investment performance by the investment options selected by the participants may cause their vested account balance to be lower than contributions made to the Plan.

Under current Plan provisions, each participant is immediately vested in all contributions and the earnings thereon. Upon death, disability, retirement, termination of employment or hardship, participants are entitled to receive those contributions and vested earnings in their account subject to the payment provisions of the Plan.

Each participant's account is credited with contributions made, as well as an allocation of Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participants should refer to the summary plan description for more complete information.

NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants and their beneficiaries, except that provision may be made for the payment of necessary expenses resulting from termination of the Plan. In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits.

NOTE 4. TAX STATUS

The Plan obtained its latest determination letter dated October 7, 2015, in which the Internal Revenue Service stated that the Plan was in compliance with the applicable requirements of Section 401(a) of the Internal Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 5. RELATED ORGANIZATIONS

The Plan is related to several entities including a health and welfare plan, a pension plan and a local union, all of which are tax-exempt.

The Plan shares a lockbox account with several of its related organizations. Contributions for the Plan and other related organizations are received and deposited in the lockbox account. On a regular basis, contributions due to the Plan are transferred from the lockbox account to the Plan's investment account. No amounts were due from the lockbox account at either March 31, 2023 or 2022.

NOTE 6. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value are described below:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of March 31, 2023 and 2022. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

		<u>Fair Value Measurements at 3/31/23 Using</u>

NOTE 6. FAIR VALUE MEASUREMENTS (CONTINUED)

		<u>Fair Value Measurements at 3/31/22 Using</u>

Mutual funds	\$ 11,483,698	<u>\$ 11,483,698</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value:				
Common collective trust	<u>1,025,635</u>			
Total	<u>\$ 12,509,333</u>			

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value as of the last business day of each period presented.

Measurements Using Net Asset Value as a Practical Expedient

The common collective trust is valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities, determined by reference to the fair value of the fund's underlying assets. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The underlying investments of the common collective trust are primarily a pool of investment contracts that are issued by insurance companies and commercial banks and contracts that are backed by bond trusts. Typically, shares can be redeemed on any business day at that day's unit value. However, the investment manager, at its discretion, may defer such withdrawals over a period of time not to exceed one year.

NOTE 7. FUNDING POLICY

Participants may elect to make pre-tax hourly contributions ranging from \$.50 to \$15.00 in increments of \$0.50. Contributions are subject to applicable limits under the Internal Revenue Code. Participants may elect to change their contribution election throughout the year.

Employer contributions represent payments from other retirement plans under reciprocity agreements for work performed outside the jurisdiction of the local union.

NOTE 8. RISKS AND UNCERTAINTIES

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9. PARTICIPANT CONTRIBUTIONS

Employers withhold participants' contributions from their payroll. During the years ended March 31, 2023 and 2022, certain employers remitted contributions to the Plan more than 15 days after the following month, which did not meet the timeliness requirements prescribed by U.S. Department of Labor (DOL) regulations. These late remittances constitute prohibited transactions with a party-in-interest. During the years ended March 31, 2023 and 2022, contributions that were not timely remitted to the Plan totaled \$19,127 and \$11,801 respectively.

The Plan has a collection program that pursues legal action against delinquent employers. As part of its collection program, the Plan may collect contributions, liquidated damages, interest and attorney fees from delinquent employers. Upon receipt of late contributions from a delinquent employer, the amount of contributions, plus assessed liquidated damages and interest, is credited to the participant's account to compensate the participant for lost earnings resulting from the delay in contributions.

NOTE 10. MAJOR EMPLOYERS

Contributions from two employers accounted for approximately 38% of total contributions for the year ended March 31, 2023. Contributions from three employers accounted for approximately 45% of total contributions for the year ended March 31, 2022. In the event these employers suspend contributions, the Plan would retain the risk of meeting current fixed administrative expenses until the appropriate adjustments were made.

NOTE 11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits per the financial statements	\$ 11,608,015	\$ 12,601,492
Less - benefit distributions payable	<u>-</u>	<u>(25,000)</u>
Net assets available for benefits per the Form 5500	<u>\$ 11,608,015</u>	<u>\$ 12,576,492</u>

NOTE 11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED)

The following is a reconciliation of benefits paid per the financial statements to the Form 5500 for the year ended March 31, 2023:

Benefits paid per the financial statements	\$ 492,141
Less - benefit distributions payable at beginning of year	<u>(25,000)</u>
Benefits paid per the Form 5500	<u><u>\$ 467,141</u></u>

Amounts allocated to withdrawing participants are recorded on the Form 5500 for benefits that have been processed and approved for payment prior to year end, but not yet paid as of that date.

REPORT OF INDEPENDENT AUDITORS ON SUPPLEMENTAL SCHEDULES

To the Participants and Trustees of
Plumbers and Pipefitters Local
No. 172 Voluntary 401(k) Plan

We have audited the financial statements of Plumbers and Pipefitters Local No. 172 Voluntary 401(k) Plan (the Plan) as of and for the years ended March 31, 2023 and 2022, and our report thereon dated September 15, 2023, which expressed an unmodified opinion on those financial statements, appears on pages 1 and 2. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. Supplemental Schedules 1 and 2 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
