INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees and Administrative Committee of
Able Sales Company, Inc. Savings and Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Able Sales Company, Inc. Savings and Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Able Sales Company, Inc. Savings and Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Transamerica Life Insurance Company, Inc., a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Able Sales Company, Inc. Savings and Investment Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Able Sales Company, Inc. Savings and Investment Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Able Sales Company, Inc. Savings and Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Able Sales Company, Inc. Savings and Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ABLE SALES COMPANY, INC. SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

A. DESCRIPTION OF THE PLAN

The following description of Able Sales Company, Inc. Savings and Investment Plan (hereinafter referred to as the Plan) provides only general information. Participants should refer to the Plan Adoption Agreement for a complete description of the Plan's provisions.

Organization- The Plan was organized and became effective on January 1, 1993. Able Sales Company, Inc. (hereinafter referred to as Able Sales) acts as the Plan's Sponsor. Oriental Bank serves as the Plan's Trustee under a master trust fund agreement. Oriental Pension Consultants, Inc. provides recordkeeping and administrative services to Able Sales in all matters related to the Plan. Transamerica Life Insurance Company, Inc. (TLIC) acts as the Plan's custodian. Employees of various Plan's Sponsor-related entities participate under the Plan.

General- The Plan is a defined contribution plan covering all Plan's Sponsor non-union employees on a calendar year following three months of service. Employees are eligible to enter the Plan as a Participant upon satisfying the minimum age (21 years) and service (3 months) requirements. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions- As required by Section 1081.01(h) of the Puerto Rico Internal Revenue Code of 2011, as amended, the Puerto Rico Department of the Treasury (Department of the Treasury) issued Circular Letter of Internal Revenue No. 22-01 (CL IR 22-01) with the applicable 2022-dollar limits for Puerto Rico qualified retirement plans. In accordance with CL IR 21-02, the maximum participant contribution for the year ended December 31, 2021, was \$15,000. In addition, an additional catch-up contribution of up to \$1,500 can be made by participants attaining at least age 50 by the end of December 31, 2022. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants will be withheld 2% of eligible compensation (Default Percentage) and their contributions invested in a designated balanced fund based on their date of birth until changed by the participant. The Plan's Sponsor will make a matching contribution of 100% of each participant's elective deferrals not to exceed 3%, and 50% of the next 2% of participants' elective deferral contribution for a total of 4% matching contribution. The Plan also provides for other discretionary Sponsor's contributions.

Participant Accounts- Each participant's account is credited with the participant's contribution and an allocation of; (a) the Plan's Sponsor's contribution, if eligible, (b) and Plan earnings. Allocations are based on participant earnings or account balances, as defined. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

ABLE SALES COMPANY, INC. SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Vesting- Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Plan's Sponsor contribution portion of their accounts is based on years of continuance service, as follows:

- 20% after two years of service
- 40% after three years of service
- 60% after four years of service
- 80% after five years of service
- 100% after six years of service

Enrollment- Upon enrollment in the Plan, a participant may direct contributions to any available Transamerica Asset Allocation Portfolio. Participants may change their investment options by accessing their accounts via the internet.

Notes receivable from participants- Active participants can apply for a loan up to a maximum of the lesser of 50% of a Participant's vested interest or \$50,000. Loans that are less than \$1,000 will not be granted. The interest rate will be established at the inception of the loan and will be set at two (2) percentage points higher than the prime lending rate as posted in the Wall Street Journal (or similar publication) when the loan is made. The loans are secured by the balance in the participant's vested account. Loans must be repaid by regular periodic payments at least quarterly for a period not greater than five (5) years unless the loan qualifies as a home loan, which is a loan used to acquire a residential dwelling such as a house, apartment, condominium, or mobile home, which is used or is to be used within a reasonable time as the participant's residence. Principal and interest will be paid by the participant by payroll withholding each period. If the participant terminates employment with an outstanding loan, the entire unpaid principal sum plus accrued interest (plus any other amounts due under the loan) will become due and payable.

Distribution of Benefits- On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum payment equal to the value of the participant's vested interest in his or her account, or installment payments (annual, quarterly, or monthly).

The Plan shall permit distributions attributable to Plan's Sponsor contributions only upon the occurrence of one of the following events:

- Termination of service
- Retirement
- Death
- Disability
- Plan Termination

Plan hardship financial distributions can be made from participants' elective deferrals. The Plan also provides for In-Service Distributions whereby a participant who has reached the age of 68 but has not terminated employment with the Plan's Sponsor can withdraw all or any portion of his or her vested aggregate account balance.

ABLE SALES COMPANY, INC. SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

On September 27, 2022, the Department of the Treasury issued Circular Letter No. 22-13 (CL-22-13) in order to establish rules applicable to distributions from qualified retirement plans and individual retirement accounts due to the passage of Hurricane Fiona in Puerto Rico, as follows:

- The first \$10,000 distributed within the term established by the Secretary, and after a Declaration of a Disaster by the Governor of Puerto Rico, will be excluded from the definition of gross income, pursuant to Code Section 1031.01(b)(18), and will not be subject to any type of withholding at source (Excluded Amount);
- Any distribution in excess of the first \$10,000 will be subject to a special 10% tax, in lieu of any other tax imposed by the Code, including the Alternate Basic Tax, as long as the total distributions made during the term established by the Secretary does not exceed \$100,000; and
- In aggregate, the total distributions from a Retirement Plan or an IRA Account will not exceed the limit of \$100,000 during the period established by the Secretary through a general communication.

The period covered by the Special Disaster Distribution commenced on October 6, 2022 through December 31, 2022. During the year ended December 31, 2022, hardship distributions paid to participants under CL-22-13 amounted to \$389,253.

Fidelity coverage-During the year ended December 31, 2022, the Plan was covered by an ERISA Fidelity Coverage insurance ending on January 31, 2023. Subsequently, the Plan renewed the fidelity coverage for an additional three (3) year period ending on January 31, 2026.

Forfeitures- Forfeitures of matching contributions, which are not used to pay administrative expenses, will be allocated to reduce the Plan's Sponsor contributions. During the year ended December 31, 2022, \$12,256 in forfeitures were used to pay Plan's administrative expenses. As of December 31, 2022 and 2021, forfeited nonvested accounts amounted to \$1,176 and \$9,525, respectively.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting- The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates- The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash- In transit contributions and repayments of notes receivable from participants not yet processed by the Plan's custodian are classified as cash.

ABLE SALES COMPANY, INC. SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Investments Valuation and Income Recognition- The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investment return is interest earned on the stable value investments, and investment gain and losses for the pooled separate accounts. Investment return for the stable value investments and pooled separate accounts are reflected by net increases and/or decreases in investment unit value.

Qualified Non-Elective Contributions- Resulting from nondiscrimination test and corrective participants' missed elective deferral opportunities are recorded as other employer contributions.

Notes receivable to participants- Are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded as loan repayments are received, which does not significantly differ from the accrual basis. Each loan must be secured, including a home loan, with an irrevocable pledge and assignment of the applicant's Vested Interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of Benefits- Benefits are recorded when paid. As of December 31, 2022, vested benefits due to withdrawn participants that had not yet been paid aggregated to \$1,803,200.

Administrative Expenses- Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plans' Sponsor. Expenses that are paid by the Plan's Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in administrative expenses.

C. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan's administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor and Regulations for Reporting and Disclosure under ERISA. Accordingly, TLIC, the Plan's Custodian for the periods outlined below, has certified that the following information data included in the accompanying financial statements are complete and accurate.

D. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.
If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of valuation methodologies used to measure the fair value of the Plan's investments.

In the current year the Plan adopted the Net Asset Value per share practical expedient ("NAV") for valuation of the Pooled Separate Accounts totaling \$4,713,221 at December 31, 2022 and retroactively reclassified the Pooled Separate Accounts totaling \$6,591,554 at December 31, 2021 from Level 1 in the fair value hierarchy to NAV. There was no change to the recorded valuation amount as a result of this reclassification.

ABLE SALES COMPANY, INC. SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

D. FAIR VALUE MEASUREMENTS- *Continued*

Pooled Separate Accounts (PSA)-

These assets are valued daily based on the underlying investments (i.e., common stock, mutual funds, short-term securities). While the majority of the underlying assets values are based on quoted prices, the NAV of the pooled separate account is not publicly quoted. The NAV is reported by the fund managers as of the financial statement date based on recent transaction prices. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The PSAs held by the Plan provide for daily redemptions by the Plan at reported NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Description	Assets at Fair Value as of December 31, 2022

D. FAIR VALUE MEASUREMENTS- *Continued*

Investments Measured Using the Net Asset Value Per Share Practical Expedient:

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Pooled Separate Accounts	<u>\$ 4,713,221</u>	<u>N/A</u>	<u>Daily</u>	<u>12 months</u>
December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Pooled Separate Accounts	<u>\$ 6,591,554</u>	<u>N/A</u>	<u>Daily</u>	<u>12 months</u>

E. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract with TLIC totaling \$1,987,202 and \$1,608,758, respectively. TLIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by TLIC, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

E. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT- *Continued*

Certain events might limit the ability of the Plan to transact at contract value with TLIC. Such events include (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with participants. In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

Interest income from investment in the Stable Value Fund during the year ended December 31, 2022, amounted to \$25,421.

F. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investment in the Transamerica Stable Value Option, a fully benefit-responsive investment contract, is managed by TLIC, which is the Plan's Custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

Net fees paid by the Plan to Oriental Pension Consultants, Inc. for recordkeeping and contract administration services amounted to \$23,983 for the year ended December 31, 2022. Fees paid by the Plan to TLIC, for the year ended December 31, 2022, were \$19,460. Fees paid by the Plan's Administrator on behalf of the Plan to Oriental Bank for investment advisory and management services were \$22,022. Fees paid by the Plan's Administrator on behalf of the Plan to Colón Cuebas & Laguna, CPA, PSC, the Plan's independent auditor, for the year ended December 31, 2022, were \$11,000.

G. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan's Sponsor Company has the right under the Plan to discontinue its contributions at any time and/or to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts. Any unallocated assets of the Plan shall be allocated as prescribed by ERISA and its related regulations.

H. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

I. TAX STATUS

On June 24, 2014, the Plan requested the Puerto Rico Treasury Department to issue a Favorable Determination Letter that would enable it to qualify under Section 1081.01(a) of the New Puerto Rico Internal Revenue Code of 2011 (the Code), as amended, and therefore, not be subject to income tax under the present income tax law, this because of the adoption as of January 1, 2011, of an amendment for the benefit of the employees in the Plan. A favorable determination from the Puerto Rico Treasury Department as to its qualification requirements under the Internal Revenue Code was issued on February 25, 2015, to be effective as of January 1, 2011.

J. SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through December 12, 2023, the date the financial statements were available to be issued.
