INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants of the Plan
SION Power Corporation 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of SION Power Corporation 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 (unaudited), and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule Form 5500, Schedule H, Line 4(i), Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Prior Year Unaudited

The accompanying statement of net assets available for benefits of the Plan as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended were not audited, reviewed, or compiled by us and, accordingly, we do not express an opinion or any other form of assurance on them.

NOTES TO FINANCIAL STATEMENTS

1. Description of the Plan

The following description of the SION Power Corporation 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions, a copy of which is available from SION Power Corporation (the "Plan Sponsor").

General

The Plan was established on January 1, 1994 (amended and restated effective June 3, 2022) as a defined contribution plan, covering substantially all employees of SION Power Corporation. Employees are eligible to participate in the Plan upon attaining the age of 18. The Plan provides for employee pre-tax and after-tax salary deferrals, employer safe harbor matching contributions as well as discretionary employer profit sharing contributions in accordance with Section 401 of the Internal Revenue Code ("IRC"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participant contributions to the 401(k) component of the Plan are directed by the participant into investment funds. Participants may contribute up to 100% of their compensation for the Plan year or up to the maximum limits established by the Internal Revenue Service ("IRS"), whichever is lower. Participants who have attained the age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions ("rollovers") from other qualified defined benefit or defined contribution plans. Contributions are subject to certain IRS limitations.

In order to maintain safe harbor status, the Plan Sponsor is required to make a contribution ("safe harbor matching contribution") equal to 100% of the participant's salary deferral not to exceed 4% of the participant's compensation. Participants who make salary deferrals into the Plan are eligible for the safe harbor matching contribution.

Participant Accounts

Each participant's account is credited with the participant's contributions, safe harbor matching contributions, as well as allocations of Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. Participant accounts are charged with allocation of Plan expenses. Plan expenses are allocated either proportionately based on the value of the participants' account balance or as an equal dollar amount based on the number of participants in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions, rollovers, safe harbor matching contributions and related earnings.

Notes Receivable from Participants

Participants may borrow from their account an amount not to exceed the lesser of \$50,000 or 50% of their vested account balance. Participant loans bear interest at a rate commensurate with rates charged for similar loans by other lenders and are generally repaid through payroll deductions. Participant loans are secured by the vested balance of the participant's account.

Benefit Payments

Upon termination of service a participant may elect to receive a single lump-sum amount equal to the value of their vested account balance or defer benefit payments until April 1st following the year in which the participant reaches age 72 (70 ½ if age reached before January 1, 2020), if the account balance exceeds \$5,000.

NOTES TO FINANCIAL STATEMENTS

Description of the Plan (continued)

Benefit Payments (continued)

For required minimum distributions or distributions upon death, a participant may elect to receive a single lump-sum equal to the value of the participant's vested account balance, partial distribution or installments over a period not to exceed the participant's or beneficiaries assumed life expectancy, if the account balance exceeds \$5,000. For account balances less than \$5,000, the benefit will be distributed in the form of a single lump-sum payment. However, for account balances less than \$5,000 but greater than \$1,000, if no election to withdrawal is made, the account balance will be transferred to an individual retirement plan as designated by the Plan Sponsor. In addition, a participant is eligible for an in-service distribution once they have reached the age 59 ½, reached the Plan's normal retirement age of 65 incurred a disability or qualify for a hardship withdrawal as outlined in the Plan document. Participants may take a distribution from their rollover accounts at any time. Benefit payments to participants are recorded when paid.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of the fair value measurement of the Plan's investments in pooled separate accounts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022. Delinquent notes receivable from participants are recorded as a distribution based on the terms of the Plan document.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participants' account. Expenses incurred in connection with the general

NOTES TO FINANCIAL STATEMENTS

Summary of Significant Accounting Policies (continued)

Administrative Expenses (continued)

administration of the Plan are allocated amongst the participants based on their account balances or an equal dollar amount based on the number of participants in the Plan. The method of allocating the expenses depends on the nature of the expense itself.

Revenue Sharing

The Plan receives revenue from investment providers for investing in certain pooled separate accounts. The revenue received was used by the Plan to pay certain Plan expenses and the remaining balance was allocated back to participants. There was no balance in the revenue sharing account as of December 31, 2022. Plan expenses paid for using this revenue totaled \$8,663 for year ended December 31, 2022.

Risks and Uncertainties

The Plan provides for investments in pooled separate accounts. These investments are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

3. Information Certified and Provided by Empower Trust Company, LLC

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Empower Trust Company, LLC, the trustee of the Plan. The Plan Sponsor has obtained certifications from the trustee that information provided to the Plan Sponsor by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Sponsor instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets as of December 31:

	2022	Unaudited 2021
Pooled separate accounts	\$ 8,662,559	\$ 11,723,250
Notes receivable from participants	98,883	64,310
	<u>\$ 8,761,442</u>	<u>\$ 11,787,560</u>

The trustee also certified to the completeness and accuracy of \$(1,735,751) of net depreciation in fair value on investments and \$3,983 of interest income on notes receivable from participants related to the aforementioned Plan assets for the year ended December 31, 2022.

NOTES TO FINANCIAL STATEMENTS

4. Fair Value Measurements

U.S. GAAP provides a framework for measuring fair value of financial assets and liabilities on a recurring basis. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable or substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Pooled separate accounts: Based on quoted net asset values of the underlying fund shares held by the Plan at year-end adjusted for any applicable expense factor. The Plan's pooled separate accounts are given Level 2 status since the observable inputs for the portion of the contract held in the separate account are the accumulation units in the investment account.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

Fair Value Measurements (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 8,662,559	\$ -	\$ 8,662,559
Total assets at fair value	\$ -	\$ 8,662,559	\$ -	\$ 8,662,559

	Assets at Fair Value as of December 31, 2021 (Unaudited)			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 11,723,250	\$ -	\$ 11,723,250
Total assets at fair value	\$ -	\$ 11,723,250	\$ -	\$ 11,723,250

5. Tax Status

The Plan has received a determination letter from the IRS dated November 14, 2022, stating the non-standardized pre-approved profit sharing plan adopted by the Plan, as then designed, is qualified under Section 401(a) of the IRC and, therefore, is exempt from taxation. Once qualified, the Plan is required to operate in accordance with the IRC to maintain its qualification. Although the Plan has been amended since receiving the determination letter, the Plan Sponsor believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Management evaluated the Plan's tax positions in accordance with the accounting standard on accounting for uncertainty in income taxes and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's tax returns are subject to examination by federal taxing authorities, generally for three years after they are filed.

The Plan recognizes interest and penalties in administrative expenses and accounts payable in the accompanying financial statements. During the year ended December 31, 2022, the Plan did not recognize any interest and penalties.

6. Related Party Transactions and Parties In Interest Transactions

The Plan invests in pooled separate accounts managed by MassMutual. MassMutual was acquired by and record keeping responsibilities were assumed by Empower Trust Company, LLC, the trustee, in 2020. Therefore, these transactions qualify as party in interest transactions. Fees paid by the Plan Sponsor on behalf of the Plan for administrative services rendered to the Plan, such as audit and legal expenses, if any during the year ended December 31, 2022 are considered a party in interest transaction and are based upon customary and reasonable rates for such services and are excluded from the financial statements.

NOTES TO FINANCIAL STATEMENTS

7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31, 2022:

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2022:

Net decrease in net assets available for benefits per financial statements	\$ (2,964,167)
Change in receivables	<u>(61,951)</u>
Net decrease in net assets available for benefits per Form 5500	\$ <u>(3,026,118)</u>

8. Subsequent Events

The Plan Sponsor evaluated subsequent events through December 14, 2023, which represents the date the financial statements were available to be issued and concluded that no additional disclosures are required. Other than the subsequent events disclosed below, there were no material subsequent events that required recognition or additional disclosure in these financial statements.

The Plan is changing its trustee and record keeper from Empower Trust Company, LLC to The Vanguard Group, Inc. to be effective January 1, 2024.
