To the Plan Administrator
D&H 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements

We have performed an audit of the financial statements of D&H 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of April 30, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended April 30, 2023, stating that the certified investment information, as described in Note 5 to the 2023 Financial Statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the accompanying 2023 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2023 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the 2023 Financial Statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the 2023 Financial Statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2023 Financial Statements.

In preparing the 2023 Financial Statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the 2023 Financial Statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2023 Financial Statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2023 Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not

absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2023 Financial Statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2023 Financial Statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2023 Financial Statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2023 Financial Statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Information Required by ERISA

The supplemental information noted in the table of contents, as of April 30, 2023, is presented for purposes of additional analysis and is not a required part of the 2023 Financial Statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2023 Financial Statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2023 Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2023 Financial Statements or to the 2023 Financial Statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by qualified institutions. Their report dated February 2, 2023, indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other

than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

D&H 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of D&H 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of D&H Distributing Company and the participating employers that adopted the Plan, effective February 1, 2023: D&H Corporate Group Inc., and D&H Scale LLC (collectively, the Company). Union employees, temporary and seasonal employees who have completed less than one year of service, leased employees, and reclassified employees are excluded from participation in the Plan. Eligible employees may enter the Plan after completion of three months of service. There is no age requirement. The Plan's 401(k) Plan Committee (the Committee) is responsible for oversight of the Plan. The Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Company's Board of Directors. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective May 13, 2021, the Plan document was amended and restated to bring the Plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e., the 6-year preapproved plan restatement cycle). As part of the same amendment, the Plan adopted the applicable provisions under the Setting Every Community Up for Retirement Enhancement Act, 2019 (the SECURE Act), the Coronavirus, Aid, Relief and Economic Security Act, 2020 (CARES Act) and the Consolidated Appropriations Act, 2021.

Contributions

Each year, participants may contribute between 1% and 50% of their eligible compensation, as defined, on a pre-tax or Roth (after-tax) basis, up to the maximum permitted by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in a designated mutual fund until changed by the participant.

The Company may make a discretionary matching contribution, determined annually by the Company's Board of Directors, to eligible participants who are employed with the Company on the last day of the plan year. For the years ended April 30, 2023 and 2022, the Company discretionary

D&H 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

matching contribution was equal to 25% of the first 6% of eligible compensation that a participant contributed to the Plan, and totaled \$1,081,763 and \$930,223, respectively.

Additional nonelective profit sharing amounts may be contributed at the discretion of the Company's Board of Directors. No discretionary nonelective profit sharing contributions were made for the years ended April 30, 2023 and 2022.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's discretionary matching and nonelective profit sharing contributions, if any, and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investments for their account.

Vesting

Participants are 100% vested at all times in their elective deferrals, rollovers, and Company discretionary matching contributions, plus actual earnings thereon. Participants are vested in the Company discretionary nonelective profit sharing contribution portion of their accounts based on years of continuous service, as follows:

<u>Years of Vesting Service</u>	
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

Regardless of the vesting schedule, participants become fully vested upon death or total and permanent disability.

Notes Receivable from Participants

Participants may not borrow from their fund accounts.

Corrective Distributions Payable

Corrective distributions payable generally represent the refund of certain assets to employees for the

D&H 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Plan to comply with ERISA nondiscrimination rules. Amounts payable to participants totaling \$62,245 and \$97,398 as of April 30, 2023 and 2022, respectively, for contributions in excess of amounts allowed by the IRS, are reflected as a liability in the accompanying statements of net assets available for benefits. The excess contributions were refunded to the affected participants after the plan year end.

Payment of Benefits

The Plan permits withdrawals when a participant terminates employment, reaches retirement age, or becomes disabled or deceased. In-service withdrawals are also permitted for certain financial hardships and when a participant attains age 65. Benefits are payable in lump-sum payments or installments, subject to reasonable limits regarding timing and amounts as defined in the Plan agreement.

Forfeited Accounts

At April 30, 2023 and 2022, forfeited nonvested accounts totaled \$79 and \$74, respectively. These accounts may be used to reduce future employer contributions. No forfeitures were used during 2023 or 2022.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies utilizing information provided by the investment advisors. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of

D&H 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

investments includes the Plan's gains and losses on investments bought and sold as well as held during the year, and indirect investment expenses.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through December 14, 2023, the date the financial statements were available to be issued. See Note 10.

3. INVESTMENTS

Effective May 11, 2021, Empower Trust Company, LLC (formerly known as Great-West Trust Company, LLC) holds the funds for the Plan and Empower Retirement, LLC maintains an individual account for each participant. Contributions made on a participant's behalf under the Plan are directly allocated to that participant's account and are invested, based on the participant's direction, in various mutual funds, self-directed brokerage accounts, and/or a common collective trust. Prior to May 11, 2021, PNC Bank, N.A. held the funds for the Plan and Newport Group maintained an individual account for each participant.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, are described as follows:

D&H 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at April 30, 2023 and 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Self-directed brokerage accounts: Offered through Charles Schwab & Co., Inc. Personal Choice Retirement Account and includes interest-bearing cash and common stocks. The carrying value of interest-bearing cash approximates fair value. The fair value of the common stocks is based on quoted market prices.

Common collective trust: A stable value fund that is valued at the NAV of shares of a collective investment trust based on audited financial statements of the fund. NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

D&H 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of April 30, 2023:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 60,898,676	\$ -	\$ -	\$ 60,898,676
Self-directed brokerage accounts	90,037	-	-	90,037

Investments at fair value	<u>\$ 60,988,713</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 61,889,328</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of April 30, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 57,906,641	\$ -	\$ -	\$ 57,906,641
Self-directed brokerage accounts	62,064	-	-	62,064

Investments at fair value	<u>\$ 57,968,705</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 58,557,407</u>

^a In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the items presented in the statements of net assets available for benefits.

Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes investments measured at fair value based on the NAV per share practical expedient as of April 30, 2023 and 2022. There are no participant redemption restrictions for these investments. The redemption notice period is applicable to the Plan in the event of complete liquidation.

5. INFORMATION CERTIFIED BY THE TRUSTEE AND CUSTODIAN

Certain information summarized below related to the accompanying financial statements and ERISA-required supplemental schedule was obtained by Plan management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC, and PNC Bank, N.A., the trustee and custodian, respectively, of the Plan:

- Investment balances included in the statements of net assets available for benefits at April 30, 2023 and 2022, and in the notes to the financial statements.
- Investment income (loss), net included in the statements of changes in net assets available for benefits for the years ended April 30, 2023 and 2022, and in the notes to the financial statements.
- Information included in the accompanying schedule of assets (held at end of year).

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Company profit sharing portion of their accounts.

7. TAX STATUS

The IRS previously determined and informed the Company by a letter dated June 30, 2020, that the Non-Standardized Pre-Approved Profit-Sharing Plan with CODA (sponsored by Great-West Trust Company, LLC) and related trust adopted by the Plan are designed in accordance with applicable sections of the IRC. As discussed in Note 3, Great-West Trust Company, LLC is now Empower Trust Company, LLC. During the plan year ended April 30, 2023, the Plan began relying on an IRS opinion letter dated November 14, 2022, that the same Non-Standardized Pre-Approved Profit-Sharing Plan with CODA (now sponsored by Empower Retirement, LLC) is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with

D&H 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

A related party is any party who can control or significantly influence Plan management or operating policies. Parties in interest are defined under Department of Labor regulations as any employees of the Plan, fiduciaries of the Plan, service providers to the Plan, the employer whose employees are covered by the Plan, and certain significant owners of the employer and their relatives.

Effective May 11, 2021, Empower Trust Company, LLC (ETC) and Empower Retirement, LLC (Empower Retirement) (collectively, Empower) provide certain trust, custodial, investment advisory, and administrative services to the Plan pursuant to various agreements with the Company. ETC is the trustee of the Plan and Empower Retirement is the recordkeeper of the Plan. Putnam Investments, LLC, issuer of the Putnam Stable Value Fund, is an affiliate of Empower. These transactions qualify as party in interest transactions.

Prior to May 11, 2021, PNC Bank, N.A. (PNC Bank) and Newport Group (Newport) provided certain custodial and administrative services to the Plan pursuant to fee agreements with the Company. PNC Bank was the custodian of the Plan and Newport was the recordkeeper of the Plan; therefore, these transactions qualify as party in interest transactions.

During the years ended April 30, 2023 and 2022, the Plan made direct payments of \$25,950 and \$150,094 to certain parties in interest for recordkeeping and investment advisory/management fees, as allowed by ERISA. The Company pays directly any other fees related to the operation of the Plan.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment

D&H 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. SUBSEQUENT EVENTS

The Securing a Strong Retirement Act (SECURE 2.0 Act) was signed into law on December 29, 2022, and includes mandatory and optional provisions with varying effective dates in 2023 and later. Plan management is evaluating these provisions and will update the Plan's governance and operations.

Effective May 1, 2023, the Plan was amended to increase the deferral percentage for automatic enrollment to 4%. In addition, an auto-escalation provision was added whereby the automatic deferral percentage will increase by 1% per year, up to a maximum of 15% of eligible compensation. Participants whose entry dates are prior to May 1, 2023, will remain at the automatic deferral amount they were enrolled at on April 30, 2023.
