## **Report of Independent Auditors**

To the Administrator of  
L & R Distributors, Inc. 401 (K) Profit Sharing Plan and Trust

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the accompanying financial statements of L & R Distributors, Inc. 401 (K) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter – Supplemental Schedules Required by ERISA***

Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 and Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 ("supplemental schedules"), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are

presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Notes to Financial Statements**

### **December 31, 2022 and 2021**

---

#### **1. Description of Plan**

The following description of the L & R Distributors, Inc. 401(K) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

##### **General**

The Plan is a defined contribution plan covering all eligible employees of L & R Distributors, Inc. (the Company or the Plan Sponsor) who are eligible for elective deferral contributions and to receive matching contributions and profit-sharing contributions who, effective January 1, 2021, on the first day of the calendar month, coincident with or next following the date an employee attains age 21 and completes 60 days, provided that the employee is a full-time employee at the end of that period. If the employee does not meet the requirement as specified, they will be eligible for participation in the Plan upon completion of 1,000 hours of service in a 12-consecutive month period. Prior to January 1, 2021, employees who completed one year of service and were age twenty-one or older were considered eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Effective April 1, 2022, full-time employees are eligible for elective deferral contributions and to receive matching contributions and profit-sharing contributions on the first day of the calendar month upon attaining age 21 and completing 30 days.

Effective November 1, 2022, part-time employees are eligible for elective deferral contributions and to receive matching contributions and profit-sharing contributions on the first day of the calendar month upon attaining age 21 and completing 30 days.

##### **Plan Administration**

The Plan is administered by members of Company management. John Hancock Life Insurance Company of New York was the insurance company and recordkeeper of the Plan until April 1, 2022, when the Plan was transferred to Ascensus Trust Company in partnership with Vanguard Trust to administer the Plan and its assets. Ascensus Trust Company also serves as the Trustee of the Plan Trust Funds.

Trust funds have been established by the execution of agreements with Vanguard and are maintained for the purpose of this Plan. The assets of the Plan are held, invested, and disposed of, by Vanguard, in accordance with the terms of the agreement, for the benefit of the participants and their beneficiaries.

##### **Investments**

Upon enrollment in the Plan, participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan.

##### **Contributions**

Participants may elect to contribute up to 92% of pretax annual compensation, as defined in the Plan, not to exceed Internal Revenue Code (IRC) limitations. The IRC sets dollar limits on the amount that may be contributed to the Plan each tax year. The combined pre-tax and/or Roth 401(k) contributions by participants for 2022 were limited to \$20,500. In addition, participants who were at least 50 years of age at December 31, 2022 or 2021, were allowed to make an additional pre-tax and/or Roth 401(k) contribution of up to \$6,500. Participants may also contribute amounts representing distribution from other qualified benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The

---

Company contributes 25% of the first 4% of base compensation that a participant contributes to the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan.

During 2022, the Company identified several instances in which participant contributions, for a total of \$351,872, were not remitted to the Plan in a timely manner and were in violation of Department of Labor ("DOL") regulations. The Company remedied the total amount of delinquent contributions outside of the DOL Voluntary Fiduciary Correction Program ("VFCP") during the Plan year. The Company has not yet remedied the lost earnings on delinquent contributions, however, management does not believe this to be material to the financial statements.

#### **Vesting**

Vested benefits are those amounts participants are entitled regardless of future services to the Company. Participants are vested immediately in their contributions plus actual earnings thereon. Participants' employer contribution account balances become 20% vested after two years of service (after the age of 21) and vest an additional 20% for each additional year of service. Consequently, after six years of service, account balances are fully vested. If a participant's employer contribution account is not already 100% vested pursuant to the aforementioned terms, such account shall become fully vested upon the earliest of the participant's disability or death.

#### **Forfeited Accounts**

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$18,951 and \$27,124, respectively. These accounts will be used to pay future Plan expenses. In 2022, \$29,693 from forfeited nonvested accounts was used to pay Plan expenses.

#### **Notes Receivable from Participants**

Participants may borrow an amount up to the lesser of 50% of their vested account balance or \$50,000, subject to certain Department of Labor (DOL) and IRC requirements. The Plan provides that loan amounts must be a minimum of \$1,000. The loans are secured by the balance in the participants' account and bear fixed interest at a rate of prime plus 1% at the time the loan is made. The terms of the loans may not exceed 5 years.

As of December 31, 2022 and 2021, loans outstanding bear interest at rates ranging from 3.50% to 7.50% with maturity dates ranging from 2023 through 2027.

#### **Participant Accounts**

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings, and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Benefit Payments**

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic installments. For termination of service due to other reasons a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

## **Notes to Financial Statements**

### **December 31, 2022 and 2021**

---

#### **Administrative Expenses**

Plan administrative fees may include recordkeeping, legal, accounting, trustee, and other administrative fees and expenses associated with maintaining the Plan.

#### **Plan Termination**

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

## **2. Summary of Significant Accounting Policies**

#### **Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### **Investments and Investment Income**

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on an accrual basis.

The Plan presents in the statements of changes in net assets available for benefits the net depreciation in the fair value of its investments, which consists of the realized gains and losses and unrealized appreciation and depreciation in these investments.

Under John Hancock Life Insurance Company of New York, the Plan offered pooled separate accounts with underlying investments in mutual funds and a collective investment trust. These Plan investments were valued at unit value, which was based on the aggregate current fair values of the underlying assets in relation to the total number of units outstanding. Unit value, or the equivalent of net asset value (NAV), is a practical expedient for estimating the fair values of those investments. The NAV is based on the underlying investments held by the account less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

#### **Contributions**

Contributions from employees are recorded as they are withheld from the participant's wages.

#### **Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

### **3. Fair Value Measurement**

Financial Accounting Standards Board Accounting Standards Codification 820, (ASC 820) Fair Value Measurements and Disclosures, defines fair values, establishes a framework for measuring fair value, gives guidance regarding the methods used for measuring fair value, and expands disclosures about fair value measurements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2      Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

| Total investments at fair value |               |         |         | \$ 10,410,019 |

#### Mutual Funds and Money Market Funds

Valued at the NAV of shares held by the Plan at year end. The NAV of the mutual funds is based on prices in active markets. Participants can redeem shares from the mutual funds on a daily basis.

#### Common Collective Trust

Valued daily based at NAV by the Plan at year end. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at NAV. Certain events may limit the ability of the Plan to transact at NAV with the issuer. The Plan Administrator does not believe that the Plan's participants would be subject to any event that would limit their ability to transact at NAV.

#### Pooled Separate Accounts

At December 31, 2021, investments were held in pooled separate accounts valued at the net asset value of units as determined by John Hancock based on the audited financial statements. At December 31, 2021, the Plan's asset measured at NAV as a practical expedient amounted to \$11,766,155.

#### 4. Information Certified by Trustees

Certain information below related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2022, and net depreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the period April 1, 2022 to December 31, 2022 was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus, LLC, an affiliate of Ascensus Trust Company (the trustee of the Plan) in accordance with 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Net depreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the period January 1, 2022 to March 31, 2022 was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company of New York in accordance with 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## 5. Tax Status

The underlying prototype plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the written form of the underlying prototype document is qualified under section 401 of the Internal Revenue Code (IRC). Any employer adopting this form of the plan will be considered to have a plan qualified under section 401 of the IRC and, therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualified status. The Plan Administrator and the Plan's tax counsel believe that the Plan is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions by the Plan and has concluded that, as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019 for which the state limitations has passed.

## 6. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**7. Subsequent Events**

Effective July 1, 2023, the Company will contribute 50% of the first 6% of base compensation that a participant contributes to the Plan.

The Plan's Administrator has evaluated subsequent events through December 19, 2023, the date the financial statements were available to be issued. No additional subsequent events that would require disclosure in these financial statements have been noted as of this date.
