Report of Independent Auditors

The Benefit Plan Committee
Driehaus Companies Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Driehaus Companies Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of July 13, 2023 and December 31, 2022, and the related statements of changes in net assets available for benefits for the period ended July 13, 2023 and year ended December 31, 2022, and the related notes (collectively referred to as the “financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of July 13, 2023 and December 31, 2022, and for the period ended July 13, 2023 and year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override.

of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Driehaus Companies Profit Sharing Plan and Trust

Notes to Financial Statements

July 13, 2023

1. Description of the Plan

The following description of the Driehaus Companies Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. Driehaus Capital Management LLC (the Company) served as the Plan sponsor and administrator.

The Company merged the Plan with the Driehaus Companies 401(k) Plan and Trust, a defined contribution plan for which the Company serves as plan sponsor, on July 13, 2023. Contributions to the Plan ceased as of July 13, 2023. As a result of this merger, net assets in the amount of \$35,948,459 were transferred from the Plan to the Driehaus 401(k) Plan and Trust, the surviving plan of the merger and renamed as Driehaus 401(k) and Profit Sharing Plan, on July 13, 2023.

General

The Plan was a defined contribution plan covering generally all employees of the Company or adopting employers of the Plan (collectively, the Companies) who met the requirements of eligibility, as defined in the Plan document.

The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

The Companies contributed to the Plan at their discretion, subject to top-heavy mandatory contribution requirements and annual Internal Revenue Service (IRS) limits. To be eligible for a contribution, the participant was required to be employed with the Companies as of December 31 of the Plan year. Participants were unable to contribute to the Plan. Upon enrollment, participants were able to direct their account balance and contributions among the investment fund options offered by the Plan on any business day. The Companies' contributions were invested based on the participants' investment elections in effect at the time of such contribution.

Vesting

Participants' vesting was based on a graded schedule of years of service. A participant was 100% vested after six years of credited service.

1. Description of the Plan (continued)

Participant Accounts

Each participant's account was credited with allocations of their respective sponsoring employer's contributions, if any, and the Plan's earnings or losses and was charged with an allocation of administrative expenses, if any. Allocations were based on participant earnings or account balances, as defined in the Plan document. Plan earnings were allocated based on the participant's share of net earnings or losses of their respective elected investment options. Upon termination of employment, participants forfeited their non-vested balances. If a participant was rehired within a five-year period, the forfeited contributions were reinstated. Forfeited balances of terminated participants' non-vested accounts were used to reduce future Company contributions. There were no unallocated forfeited balances as of July 13, 2023 and December 31, 2022, and forfeitures used to reduce Company contributions for the year December 31, 2022 were approximately \$97,401. There were no Company contributions for the period ended July 13, 2023. The benefit to which a participant was entitled is the benefit that can be provided from the participant's account.

Participant Loans

Participants were allowed to borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance (subject to certain limitations as defined in the Plan document). Loan terms range from 1 to 5 years, except in the case of the purchase of a primary residence when the term may range up to 15 years. The loans were secured by the balance in the participant's account and bear interest at the prime rate as published in *The Wall Street Journal* at the time the loan is initiated plus 2%. Principal and interest were paid ratably through biweekly payroll deductions.

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Payment of Benefits

In the event of retirement, termination of service, death, or disability, the participant or the participant's beneficiaries were able to receive a lump sum equal to the vested value of the participant's account. Participants were able to obtain withdrawals of any portion of their vested balance after attaining the age of 59 1/2. Such withdrawals were authorized by the Plan's administrator only upon satisfaction of criteria as enumerated in the Plan document.

If the payment is a result of termination of service, the amount could be transferred directly to an individual retirement account or other qualified plan. If the participant did not elect a direct plan-to-plan transfer, the IRS required the Companies to withhold 20% of the final distribution for payment of federal income taxes.

Prior to January 1, 1987, participants were permitted to make voluntary after-tax contributions to the Plan. Any such voluntary after-tax contributions and any earnings thereon were credited to the participant's account and reported separately from the participant's pretax, profit-sharing account, which was funded by the profit-sharing plan contributions made by the Companies. Pursuant to the Plan document, a participant could, as of the last day of a calendar quarter, withdraw all or a portion of the participant's after-tax account balance.

Administrative Expenses

Administrative expenses, consisting principally of record-keeping fees and fiduciary liability insurance premiums, were paid by the Companies to the extent they were not paid by the Plan. Expenses paid by the Companies are excluded from these financial statements.

2. Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting and in conformity with U.S. generally accepted accounting principles (U.S. GAAP).

Payment of Benefits

Benefits were recorded when paid.

Driehaus Companies Profit Sharing Plan and Trust

Notes to Financial Statements (continued)

2. Significant Accounting Policies (continued)

Notes Receivable from Participants

Notes receivable from participants represent participant loans that were recorded at their unpaid principal balances plus any accrued but unpaid interest. Interest income on notes receivable from participants was recorded when it was earned. No allowance for credit losses has been recorded as of July 13, 2023 or December 31, 2022. If a participant ceased to make loan repayments and the Plan's administrator deemed the participant loan to be a distribution, the participant loan balance was reduced and a benefit payment was recorded.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Investments in mutual funds are valued at quoted closing prices, which represent the net asset values of shares held by the Plan at year-end.

Purchases and sales of securities were recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date.

The Plan was subject to fair value accounting standards that define fair value, establish the framework for measuring fair value, and provide a three-level hierarchy for fair valuation based upon the inputs to the valuation as of the measurement date. The three levels of the fair value hierarchy are as follows:

- Level 1 – Quoted prices in active markets for identical securities.
- Level 2 – Significant observable inputs (including quoted prices for similar securities, interest rates, prepayment speeds, credit risk, etc.).
- Level 3 – Significant unobservable inputs (including the Plan's own assumptions in determining fair value of investments).

The inputs or methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

Notes to Financial Statements (continued)

2. Significant Accounting Policies (continued)

The following table presents the Plan's fair value hierarchy for financial instruments valued at fair value as of July 13, 2023 and December 31, 2022:

At July 13, 2023 and December 31, 2022, no investments were classified as Level 3 in the fair value hierarchy. There have been no purchases of Level 3 investments or transfers into or out of Level 3 investments for the period ended July 13, 2023 and year ended December 31, 2022.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments held and notes receivable from participants as of December 31, 2022 and net appreciation (depreciation) in fair value of investments, interest and dividend income, and interest income on notes receivable from participants for the period ended July 13, 2023 and year ended December 31, 2022, was obtained or derived from information provided to the Plan administrator and certified as complete and accurate by Charles Schwab Trust Bank, the trustee of the Plan.

4. Risks and Uncertainties

The Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities could have occurred in the near term and that such changes could have materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

5. Income Tax Status

The Plan had received a determination letter from the IRS dated July 8, 2015, stating that the Plan was qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust was exempt from taxation. Subsequent to this determination by the IRS, the Plan was amended and restated and was required to operate in conformity with the Code to maintain its qualification. Once qualified, the Plan was required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan was being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended and restated, was qualified and the related trust was tax-exempt.

U.S. GAAP requires management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan's administrator has analyzed the tax positions taken by the Plan, and has concluded that as of July 13, 2023 and December 31, 2022, there were no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan was subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Related Parties and Party-in-interest Transactions

Eight of the mutual fund options offered by the Plan during the period ended July 13, 2023 and year ended December 31, 2022 - Driehaus Emerging Markets Growth Fund, Driehaus Global Fund (formerly Driehaus Emerging Markets Opportunities Fund), Driehaus Emerging Markets Small Cap Growth Fund, Driehaus Event Driven Fund, Driehaus International Small Cap Growth Fund, Driehaus Micro Cap Growth, Driehaus Small Cap Growth Fund, and Driehaus Small/Mid Cap Growth Fund - pay investment advisory fees and are managed by one of the Companies. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

7. Subsequent Events

Management has evaluated events or transactions through December 19, 2023, the date the financial statements were available to be issued, and has determined that there are no subsequent events that require recognition or disclosure in the financial statements other than as noted above.
