INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Keating Auto Group Employee Benefit Plan Trust

Opinion

We have audited the accompanying financial statements of Keating Auto Group Employee Benefit Plan Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of March 31, 2023 and 2022, and the related statement of changes in benefit obligations and net assets available for benefits for the year ended March 31, 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the benefit obligations and net assets available for benefits of Keating Auto Group Employee Benefit Plan Trust as of March 31, 2023 and 2022, and the changes in its benefit obligation and net assets available for benefits for the year ended March 31, 2023, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Keating Auto Group Employee Benefit Plan Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Keating Auto Group Employee Benefit Plan Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Keating Auto Group Employee Benefit Plan Trust 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Keating Auto Group Employee Benefit Plan Trust 's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

KEATING AUTO GROUP EMPLOYEE BENEFIT PLAN TRUST
NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the Keating Auto Group Employee Benefit Plan Trust, (the Plan) provides only general information. Participants should refer to the Trust agreement and Plan Document for a more complete description of the Plan's provisions.

General

The Plan was established on April 1, 2006 by Port Lavaca Ford, Inc., the Plan Sponsor, for the purpose of protecting eligible Plan participants against catastrophic health expenses. The Plan was created to comply with the requirements of the Employee Retirement Income Security Act of 1974 (ERISA) relating to welfare benefits. Participating employers include the Plan Sponsor and several affiliates that have joined the Plan. Effective April 1, 2016, the plan changed its name to the Keating Auto Group Employee Benefit Plan Trust.

Benefits

Benefits for covered medical, dental and vision expenses, well care costs and prescription drug costs are paid on behalf of eligible members and their eligible dependents as provided for in the Plan Document. Benefits are provided for eligible employees that meet an initial waiting period. The plan has various benefit levels available (Gold, Platinum and Diamond). The Gold and Platinum plans are available to any eligible employee and their dependents, and the Diamond plan is available to company owners and key executives and their dependents. The Plan also offers continuation of coverage as required by COBRA regulations. Benefit obligations were funded by the Plan Sponsor as claims were submitted, approved, and paid by the Plan.

Medical claims paid are reinsured subject to an individual stop-loss of $250,000 or more, as defined by the policy. This insurance policy is in the name of the Plan Sponsor and is, therefore, not deemed to be an asset of the Plan.

Contributions

The Plan is funded by Port Lavaca Ford, Inc. and other joining companies to the plan and, where required, by employee contributions. The level of employee contributions is set by the employer. These contributions are adjusted based upon claims experience.

Eligibility Requirements

Eligibility during the years ended March 31, 2023 and 2022 was generally established on the first of the month following an employee's completion of sixty days of continuous full-time employment, as defined in the Plan Document.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accounting records of Keating Auto Group Employee Benefit Trust are maintained and the accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the trustee to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Significant estimates include the estimate of claims liability which could change in the near term.

Payment of Benefits

Claim payments are recorded when paid by the plan.

Benefit Obligation

Obligations of the Plan at March 31, 2023 and 2022 for covered medical costs for health care issues incurred by participants by the end of March are estimated by the Plan, using claims payment experience during the fiscal year, evaluation of specific participant health care issues and any other matters which may affect the reasonableness of the estimated liability. The claims liability estimate includes both claims reported to the Plan but not paid, and claims incurred but not reported to the Plan. This value is based on a projection of the costs that are expected to exist during the eligibility period that immediately follows the end of the plan year. The projections do not take into account any interest earnings or interest costs during the payout period and, therefore, do not represent a present value estimate. The Plan has considered present value calculations and other adjustments and has determined that they are not applicable. Any such adjustments would be of a magnitude smaller than the expected error in the calculations of the obligation and, because of their immateriality, are not applicable. For the years ended March 31, 2023 and 2022, $1,239,235 and $2,423,718, respectively, of the claims liability estimate represents claims reported to the Plan but not paid. For the years ended March 31, 2023 and 2022, $197,150 and $316,846, respectively, of the claims liability estimate represents claims incurred but not reported to the Plan. The Plan’s deficiency of net assets available for benefits under benefit obligations at March 31, 2023 and 2022 is expected to be funded by future Sponsor contributions.

Note 2 - Summary of Significant Accounting Policies

Date of Management's Review

Subsequent events were evaluated through December 19, 2023, which is the date the financial statements were available to be issued.

Note 3 - Administrative Fees

The Plan Sponsor receives no fees in connection with administrative duties related to the Plan. Therefore, certain additional administrative costs are absorbed by the employer. The Plan has contracted with an administrative servicer to perform some of the administrative tasks, including review and payment of claims. Administrative fees paid to this servicer through the Plan aggregated $749,202 for the year ended March 31, 2023. Additional fees of $269,667 related to claims were paid to the servicer and reported as part of claims paid for the year ended March 31, 2023.

Note 4 - Tax Status

The Trust is a taxable trust and at March 31, 2023, the Trust's net investment income resulted in no tax liability.

Note 5 – Plan Termination or Amendment

Although it has not expressed any intent to do so, Port Lavaca Ford, Inc. has the right under the Plan to, at any time, amend, suspend or terminate the Plan in whole or in part. This includes amending the benefits under the Plan or the Trust Agreement. Upon termination of the Plan, the Trustee, in accordance with the Trust Agreement, shall apply all the remaining assets of the Trust Fund in a uniform and nondiscriminatory manner exclusively toward the provision of benefits of those persons enrolled in the Plan at the time of termination and the related administration costs. The rights of the plan participants are limited to expenses incurred before termination.

Note 6 – Medicare Prescription Drug Coverage Notice

Participants in the Plan were notified of the existence of Medicare prescription drug coverage and are encouraged to consider enrolling in it. The Plan has determined that the prescription drug coverage provided for under the Plan is, on average for all plan participants, expected to pay out as much as the standard Medicare prescription drug coverage will pay for all plan levels.

Note 7 – Related Party Transactions

The plan has agreements with service providers to provide administrative and other services. These transactions are party-in-interest transactions under ERISA.

Note 8 - Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at March 31, 2023 and 2022 to Schedule H of Form 5500:

	2023	2022
Net assets available for benefits per the financial statements	$ 48,876	$ 138,431
Benefit obligations at end of year	(1,436,385)	(2,740,564)
Net assets (deficit) per Form 5500	$ (1,387,509)	$ (2,602,133)

Decrease in net assets available for benefits per the financial statements	$ (89,555)
Add: Benefit obligations at beginning of year	2,740,564
Less: Benefit obligations at end of year	(1,436,385)
Decrease in deficit in net assets per Form 5500	$ (1,214,624)
