Independent Auditor's Report

Plan Sponsor and Participants of the
Ohio Valley Supermarkets, Inc. Profit Sharing Plan
Gallipolis, Ohio

Opinion

We have audited the financial statements of the Ohio Valley Supermarkets, Inc. Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the year ended December 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole.

The supplementary schedule of assets (held at end of year) as of December 31, 2022, that accompanies the Plan's financial statements does not disclose the historical cost of certain nonparticipant-directed plan assets held by the Plan custodian. Disclosure of this information is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Our opinion on the ERISA-required supplemental schedule is not modified with respect to this matter.

Note 1. Description of the Plan

The following description of Ohio Valley Supermarkets, Inc. Profit Sharing Plan (the "Plan"), (formerly the Ohio Valley Foodland Profit Sharing Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions. The original effective date of the Plan was January 1, 1987. The Plan was last amended and restated on January 1, 2022.

General

The Plan is a defined contribution plan covering substantially all full-time non-union employees of Ohio Valley Supermarkets, Inc. (the "Company") who are age nineteen or older and who have completed at least one year of service with the Company, as defined in the plan document. American Funds (the "Custodian") is the custodian of the Plan. Noble Davis Consulting, Inc. is the record keeper of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Employees will become participants in the Plan on the earlier of the first day of the Plan year or the first day of the seventh month of the Plan year following the participant meeting the eligibility requirements of one year of service and being at least nineteen years of age.

Contributions

The plan sponsor has the option to make a discretionary employer profit-sharing contribution. On an annual basis, the Company will decide how much, if any, it will contribute to the Plan. The employer contribution is determined as a uniform percentage of compensation as defined by the Plan. Plan investments are non-participant directed. Contributions are subject to certain limitations.

Participant Accounts

In addition to the discretionary employer profit-sharing contribution, each participant's account is credited with an allocation of plan earnings (losses), forfeitures and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Allocations are subject to certain limitations.

Vesting

Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of service (as defined in the Plan) as follows:

<u>Years of Service</u>	<u>Vested %</u>
Less than 2	0%
At least 2, but less than 3	20%
At least 3, but less than 4	40%
At least 4, but less than 5	60%
At least 5, but less than 6	80%
6 or more	100%

Regardless of vesting schedule, a participant will become fully vested upon death or total and permanent disability.

Payment Of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a partial withdrawal above

Ohio Valley Supermarkets, Inc. Profit Sharing Plan
Notes to Financial Statements
December 31, 2022 and 2021

\$1,000, unless otherwise designated. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Hardship distributions are not permitted. In-service distributions of vested account balances are allowed for those participants who have reached age 59½. Normal retirement, as defined by the Plan, is the later of the date a Participant attains age 65 or the fifth anniversary of the first day of the Plan year in which participation in the Plan commenced.

Forfeitures

Forfeitures at December 31, 2022 and 2021 were \$465 and \$2,472, respectively, and were reallocated to participants during the year ended December 31, 2022y.

Note 2. Significant Accounting Policies

Basis Of Accounting

The accounting records of the Plan are maintained on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates and assumptions.

Investment Valuation And Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Custodian. See Note 3 for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment Of Benefits

Benefits are recorded upon distribution.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the plan document. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan. Expenses relating to specific participant transactions (distributions) are charged directly to the participant's account.

Subsequent Events

The Company has evaluated subsequent events through December 18, 2023, the date the financial statements were available to be issued.

Ohio Valley Supermarkets, Inc. Profit Sharing Plan
Notes to Financial Statements
December 31, 2022 and 2021

Note 3. Fair Value Measurements

Fair value as defined under GAAP is an exit price, representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. These tiers include:

Level 1: Observable inputs such as quoted prices in active markets.

Level 2: Inputs other than quoted prices in active markets that are either directly or indirectly observable.

Level 3: Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

There have been no changes in the methodologies used at December 31, 2022 and 2021. The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds

Mutual funds are publicly traded investments and are valued daily at the closing price reported on the active market on which the funds are traded.

Money Market Funds

Money market funds are public investment vehicles valued using \$1 as the net asset value ("NAV") as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. There are no redemption restrictions on these investments. The money market funds are not required to be classified within a level on the fair value hierarchy.

The following tables set forth by level within the fair value hierarchy the Plan's assets accounted for at fair value on a recurring basis as of December 31, 2022 and 2021:

	Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,370,315	\$ -	\$ -	\$ 2,370,315
Total assets in the fair value hierarchy	\$ 2,370,315	\$ -	\$ -	2,370,315
Investments measured at NAV ^(a)				36,942
Investments at fair value				\$ 2,407,257

Ohio Valley Supermarkets, Inc. Profit Sharing Plan
Notes to Financial Statements
December 31, 2022 and 2021

	Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,677,529	\$ -	\$ -	\$ 2,677,529
Total assets in the fair value hierarchy	\$ 2,677,529	\$ -	\$ -	2,677,529
Investments measured at NAV ^(a)				107,991
Investments at fair value				\$ 2,785,520

^(a) In accordance with GAAP, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measure using the NAV per share practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable to the Plan.

	Fair Value at December 31, 2022	Fair Value at December 31, 2021	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Money market fund	\$ 36,942	\$ 107,991	None	Daily	None

The money market fund investment objective is to provide a way to earn income on cash reserves while preserving capital and maintaining liquidity. The fund is a government money market fund that seeks to preserve the value of the investment at \$1.00 per share.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of difference methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4. Income Tax Status

The Plan has not obtained a determination letter from the Internal Revenue Service (the "IRS") stating that the Plan was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan is relying on the IRS approval of the prototype plan that it is utilizing. The IRS has determined and informed the plan document sponsor by a letter dated June 30, 2020 that the prototype plan document was designed in accordance with applicable sections of the IRC. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken

Ohio Valley Supermarkets, Inc. Profit Sharing Plan
Notes to Financial Statements
December 31, 2022 and 2021

that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5. Exempt Party-in-Interest Transactions

Certain Plan investments are shares of various funds managed by American Funds. American Funds is the custodian of the Plan, and therefore, these transactions qualify as party-in-interest transactions.

Certain administrative expenses are charged to the Plan, namely plan accounting and auditing and third-party administration expenses. Other administrative services are provided by the Company at no cost to the Plan. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
