INDEPENDENT AUDITOR'S REPORT

To the Plan Committee Member and Plan Administrator of
True Partners Consulting, LLC 401(k) Profit Sharing Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements

We were engaged to perform an audit of the financial statements of **True Partners Consulting, LLC 401(k) Profit Sharing Plan and Trust** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits (in liquidation) as of August 22, 2023 (in Liquidation) and December 31, 2022, and the related statement of changes in net assets for the period from January 1, 2023 to August 22, 2023 (in Liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the period ended from January 1, 2023 to August 22, 2023 (in Liquidation) and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the certified information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As described in Note A to the financial statements, the Plan Administrator elected to terminate the Plan effective November 1, 2022, and distributed all assets to participants by August 22, 2023 (in Liquidation). In accordance with GAAP, the Plan used the liquidation basis of accounting in presenting the financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

August 22, 2023 (in Liquidation) and December 31, 2022

Note A – Description of the Plan

The following description of the True Partners Consulting, LLC 401(k) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees of True Partners Consulting, LLC (the “Company” or “Employer”). The Plan was established effective January 1, 2006, and restated September 22, 2022 to bring the Plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37. All employees of the Company, with the exception non-resident aliens, intern, flex staff and temporary employees, are eligible to participate after attaining the age of 18. Eligible employees are automatically enrolled in the Plan on the first day of the month unless they affirmatively elect otherwise. Intern, flex staff and temporary employees can be eligible to participate in the Plan after attaining the age of 21 and upon completion of 1,000 hours of service. The Plan is subject to the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan Administrator elected to terminate the Plan effective November 1, 2022 due to combination with Baker Tilly and distributed all assets to participants on August 22, 2023 (in Liquidation).

Administration of the Plan

The Plan is administered by the Company from January 1, 2023 to August 22, 2023 (in Liquidation). The Plan’s assets were held and managed by Fidelity Management Trust Company (the “Trustee”).

Contributions

There were no participant or Employer contributions from the effective date of termination, November 1, 2022, up to last day of distribution of assets, August 22, 2023 (in Liquidation).

Participant Accounts

Each participant’s account is credited with the participant’s contribution and the Company’s matching contribution and performance sharing amounts, if applicable. Each participant’s account shall be allocated earnings, gains, expenses, and losses with respect to the investments of the participant’s account. Allocations of the Plan earnings or losses are based on each participant’s investment fund balance in proportion to the total investment fund balance.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is pro-rated based upon years of continuous service with 100% vesting obtained at the end of the third year of continuous service.

Note A – Description of the Plan (continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the excess of the highest outstanding balance of the Plan loans during the prior one-year period. These loans are collateralized by the balance in the participant's account and bear interest at prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances as determined by the Plan Administrator. Principal and interest are paid through after-tax payroll deductions; however, if repayment is not made by payroll deduction, a loan shall be repaid in accordance with procedures provided by Plan Administrator.

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. In the event of default, the unpaid portion of the entire outstanding principal and accrued interest shall be immediately due and payable. Plan Administrator shall consider a loan in default if any scheduled repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a loan is initially considered past due. In the event of default, the unpaid portion of the participant's loan will be treated as a taxable distribution as of the first day of the second calendar quarter following the calendar quarter in which the participant failed to make a required installment payment.

Distribution of Benefits

Upon termination of service due to death, disability, retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or installments paid over various periods, as defined in the Plan agreement. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or partial withdrawals. Participants may also obtain distributions from their vested account balances while still employed after attaining age 59 ½. Participants may also request a hardship withdrawal using only elective deferrals for distribution.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to pay administrative expenses or reduce future Employer contributions. Forfeitures of approximately \$3,000 were used to pay administrative expenses or Employer contributions during the period from January 1, 2023 to August 22, 2023 (in Liquidation). The Plan had approximately \$0 and \$3,000 in forfeitures remaining as of August 22, 2023 (in Liquidation) and December 31, 2022.

Plan Termination

The Company was acquired during fiscal year 2022. Effective November 1, 2022, the Plan was terminated and all participants became 100% vested. Participants were notified in writing that they have 60 days to request a distribution of funds contributed to the Plan or were given the option to roll over the assets to an eligible retirement plan. All of the Plan assets were distributed to participants by August 22, 2023 (in Liquidation).

Note B – Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements are presented on the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets in liquidation and the changes in net assets available for benefits in liquidation and disclosure of contingent assets and liabilities during the reporting period. Actual results could differ from these estimates.

Valuation of Investments

The Plan's investments are stated at fair value. If available, quoted market prices are used to value investments. Shares of money market and mutual funds are valued at the net asset value of shares held by the Plan at year end. The Plan's interest in the common collective trust is valued based on information reported by the investment advisor using the audited financial statements of the collective trust at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded at the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

Fair Value Measurements

The FASB has established a framework for measuring fair value in ASC 820, *Fair Value Measurements*. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- | | |
|----------------|--|
| <i>Level 1</i> | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| <i>Level 2</i> | Inputs to the valuation methodology include:
Quoted prices for similar assets or liabilities in active markets;
Quoted prices for identical or similar assets or liabilities in inactive markets;
Inputs other than quoted prices that are observable for the asset or liability;
Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. |
| <i>Level 3</i> | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the period from January 1, 2023 to August 22, 2023 (in Liquidation), and Plan year December 31, 2022.

Mutual funds: Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fair Value Measurements (continued)

Common/collective trusts: Valued at NAV provided by the Trustee. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the trust, minus its liabilities, divided by the number of units outstanding. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There were no unfunded commitments to purchase investments at August 22, 2023 (in Liquidation) and December 31, 2022. Participant-directed redemptions have no restrictions and are recorded at the end of every business day.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of August 22, 2023 (in Liquidation) and December 31, 2022:

	<u>Fair Value Measurements at Reporting</u>	
	<u>Date Using:</u>	
	Assets Measured at Fair Value at 08/22/2023 (in Liquidation)	Quoted Prices in Active Markets (Level 1)
Mutual funds	\$ -	\$ -
Total assets in the fair value hierarchy	-	-
Investments measured at net asset value	-	-
Investments at fair value	<u>\$ -</u>	<u>-</u>

	<u>Fair Value Measurements at Reporting</u>	
	<u>Date Using:</u>	
	Assets Measured at Fair Value at 12/31/2022	Quoted Prices in Active Markets (Level 1)
Mutual funds	\$ 22,226,752	\$ 22,226,752
Total assets in the fair value hierarchy	22,226,752	22,226,752
Investments measured at net asset value	1,061,911	-
Investments at fair value	<u>\$ 23,288,663</u>	<u>-</u>

Investments measured using the NAV as a practical expedient are exempt from being presented in the fair value hierarchy.

August 22, 2023 (in Liquidation) and December 31, 2022

Note C – Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at August 22, 2023 (in Liquidation) and December 31, 2022, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period from January 1, 2023 to August 22, 2023 (in Liquidation) was obtained by management and agreed to or derived from information certified as complete and accurate by the Trustee, a qualified institution. As of August 22, 2023 (in Liquidation) and December 31, 2022, and for the period from January 1, 2023 to August 22, 2023 (in Liquidation), the Plan Administrator instructed the auditors not to perform any auditing procedures with respect to the information certified by the Trustee, except for comparing such information to the related information included in the financial statements, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note D – Income Tax Status

The underlying standardized prototype plan has received an opinion letter from the IRS dated June 30, 2020, stating that the written form of the underlying prototype document is qualified under Section 401(a) of IRC, and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 401(a) of the IRC. Therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Plan management has analyzed the tax positions taken by the Plan and has concluded that as of August 22, 2023 (in Liquidation) and December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examinations for years prior to 2020.

Note E – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets in liquidation.

Note F – Party-In-Interest Transactions

Fees paid during the year for accounting and other services rendered by parties-in-interest were based on customary and reasonable rates for such services. Certain Plan investments and the related transactions as of August 22, 2023 (in Liquidation) and December 31, 2022, and for the period ended from January 1, 2023 to August 22, 2023 (in Liquidation), were in investment funds managed by the Trustee; therefore, these investments and transactions qualify as party-in-interest transactions. Notes receivable from participants are also considered to be party-in-interest transactions because they are transacted with Plan participants. Fees paid to parties-in-interest by the Plan for services amounted to approximately \$29,000 during the period ended from January 1, 2023 to August 22, 2023 (in Liquidation).

Note G – Subsequent Events

Subsequent events have been evaluated through December 15, 2023 which is the date the financial statements were available to be issued.
