INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
the Bay Side Apparel Manufacturing, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Bay Side Apparel Manufacturing, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Bay Side Apparel Manufacturing, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bay Side Apparel Manufacturing, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

2400 E. Katella Ave., Suite 900 | Anaheim, CA 92806 | Office: 714.990.1040 | Fax: 714.671.1041 | www.frazerllp.com

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bay Side Apparel Manufacturing, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bay Side Apparel Manufacturing, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bay Side Apparel Manufacturing, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates

directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Summary of Significant Plan Provisions

The following description of Bay Side Apparel Manufacturing, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) profit sharing plan sponsored by Bay Side Apparel Manufacturing, Inc., a C corporation (the "Company"), and was adopted effective January 1, 2021. The Plan provides retirement income for its employees, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 as amended (ERISA).

Plan administration

The Company is the Plan Sponsor and the Plan Administrator. The Plan Administrator is responsible for carrying out the duties imposed under ERISA.

Eligibility

All employees, except non-resident aliens who do not receive an U.S source of income from the Plan Sponsor, union and leased employees, who are 21 years of age or older and completed one year of service are eligible to participate in the Plan. Participation in the Plan is voluntary, and eligible employees may enter the Plan on the first day of each plan year and the first day of the seventh month of each plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Company allows Employee Elective Deferrals and Employee Rollover Contributions, as well as Employer Discretionary Matching Contributions and Employer Profit Sharing Contributions.

Each participant may make contributions during any period for which they receive compensation from the Company in the maximum amount of $20,500 in 2022. Participants age 50 or older may elect to defer additional "catch up" contributions to the Plan of up to $6,500 for 2022.

The Plan Sponsor may make discretionary contributions to the Plan on matching basis and profit sharing, determined by the Sponsor's board of directors on an annual basis. Plan Sponsor's discretionary contributions totaled for the year ended December 31, 2022 were $50,977.

Participant accounts

Each participant's individual account is credited with the participant's contribution, the Plan Sponsor discretionary contributions, and Plan investment earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1 - Summary of Significant Plan Provisions (continued)

Vesting

Each participant is fully vested in all Employee contributions, Rollovers. Vesting of the Employer matching contributions and Employer profit sharing contributions is based upon the participant's years of service (defined as a 12-month period with at least 1,000 hours of service) with the Employer as follows:

Years of Service	Vesting Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Investment options

Upon enrollment in the Plan, a participant may direct contributions in any of the accounts offered under the Plan. Participants may change their investment selections at any time.

Notes receivable from participants

The Plan Administrator is responsible for the approval, distribution, collection, and remittance of the loan documentation to the Trustee. A loan to participants has to be a minimum of $1,000 up to a maximum equal to the lesser of $50,000 reduced by the participant’s highest outstanding loan balance in the previous twelve months, or 50% of the participant’s vested account balance minus any existing loan balance. The Plan does not allow more than one outstanding loan for a participant. A loan is required to be repaid within 5 years. If a participant applies for a residential loan for principal residence, the loan can be repaid within 10 years of the original date of the loan. The loans are secured by the balance in the participant's account and bear interest at a fixed rate. The Plan Administrator will determine whether the interest rate is commercially reasonable at the time it approves the loan. The prime rate was 7.50% as of December 31, 2022. Principal and interest is paid ratably through payroll deductions. Participant loans are valued at the outstanding loan balances, which approximates fair value.

Forfeitures

Forfeitures of terminated participants' non-vested account balances are used to offset future Employer contributions at the plan administrator’s discretion in a nondiscriminatory and uniform manner, to offset plan expenses or restore forfeited account balances of rehired employees.

Note 1 - Summary of Significant Plan Provisions (continued)

Payment of benefits

Upon termination of service due to retirement, death, or disability, a participant will receive as benefits either a lump sum amounts equal to the value of the account, or installments over a period of not more than the assumed life expectancy of the participant. Benefit payments will be distributed in accordance with the participant's election.

The Plan does not allow hardship withdrawals.

Termination of the Plan

Although it has not expressed such intent, the Company reserves the right, at any time, to amend or terminate the Plan by the action of its employer. Upon termination of the Plan, further contributions to the Plan shall cease, and all participants who are affected by such termination shall become 100% vested. The Plan's assets would be distributed to the participants based on each participant's interest in the Plan.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for benefits and changes in those net assets..

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. The Plan Administrator believes that the estimates utilized in preparing its financial statements are reasonable and prudent. Actual results could differ from these estimates.

Investment valuation and income recognition

The investments in mutual funds are stated at current market value which is publicly available.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. The net change in fair value includes the Plan's gains and losses on investments bought and sold, as well as held during the year. See note 6 for discussion of fair value measurements.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Note 2 - Summary of Significant Accounting Policies (continued)

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Administrative expenses of maintaining the Plan may be paid by the Sponsor or the Plan.

Note 3 - Information Certified by the Trustees

The Plan Sponsor has elected the method of compliance permitted by 29CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by Capital Bank and Trust Company, the trustees of the Plan, and was not subjected to any audit procedures except for comparing such information with the related information included in the financial statements and supplemental schedule:

- Investments as of December 31, 2022 and 2021 (unaudited) and supplemental schedules.
- Custodian transactions, investment income, and investment transactions for the year ended December 31, 2022.

Note 4 - Party-in-interest Transactions

Certain Plan investments are shares of mutual funds managed by Capital Bank and Trust Company. Capital Group, Inc is the Custodian under contract arrangements with the Plan's Trustees, and therefore, these transactions qualify as party-in-interest transactions. The Plan Administrator, Future Plan, is also a party in interest.

The Plan is also invested in notes receivables from participants. As a result, these investments and all transactions relating to these investments were with parties-in-interest. These transactions are exempt from being prohibited transactions under ERISA.

Note 5 - Tax Status

The Plan is a Non-Standardized Pre-Approved Profit Sharing Prototype Plan ("Prototype Plan") which obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the Prototype Plan, as then designed, follows the applicable requirements of the Internal Revenue Code. The Plan has not requested its own determination letter from the IRS. Although the Plan has been amended, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt**.**

Note 5 - Tax Status (continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

There have been no changes in the methodologies used at December 31, 2022 and 2021:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission ("SEC"). These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Mutual fund share prices are required by law to be determined each business day to reflect the current market price of the fund's securities. Mutual fund share prices are released to wire services for publication through NASDAQ.

Note 6 - Fair Value Measurements (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. Redemption for all investments, if currently eligible, is daily.

The following table below sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

Investments	Level 1	Level 2	Level 3	Total
Mutal funds	$ 184,016	$ -	$ -	$ 184,016
Total	$ 184,016	$ -	$ -	$ 184,016

The following table below sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Investments - Unaudited	Level 1	Level 2	Level 3	Total
Mutal funds	$ 76,655	$ -	$ -	$ 76,655
Total	$ 76,655	$ -	$ -	$ 76,655

Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8 - Subsequent events

The Plan's management evaluated all events and transactions that occurred after December 31, 2022 up through the date the Plan issued these financial statements on December 14, 2023, and determined that there were no other significant events, except those listed above, necessary for changes to or additional disclosures in these financial statements.
