REPORT OF INDEPENDENT ACCOUNTANTS

*The Board of Directors
IRCO Profit Sharing Plan & Trust:*

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of the IRCO Profit Sharing Plan & Trust (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of September 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the IRCO Profit Sharing Plan & Trust’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended September 30, 2022, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the 2022 Financial Statements* section:

- The amounts and disclosures in the accompanying 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- The information in the accompanying 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2022 Financial Statements* section of our report. We are required to be independent of the IRCO Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the IRCO Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the IRCO Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the IRCO Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i, Schedule of Assets (Held at End of Year) on pages 12 and 13 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the IRCO Profit Sharing Plan & Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 28, 2022, we indicated that

(a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

IRCO PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED SEPTEMBER 30, 2022

1. Description of the Plan

The following is a brief description of the IRCO Profit Sharing Plan & Trust (the “Plan”), provided for general information purposes only. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General – The Plan is a prototype standardized profit-sharing plan (developed by CPI Qualified Plan Consultants, Inc. (“CPI”)), sponsored by the Immigrant and Refugee Community Organization (“IRCO”), and established for the exclusive benefit of employees of IRCO. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). CPI is the Plan’s contract administrator and as such, is responsible for managing the Plan’s assets, subject to the direction of the Plan’s Board of Directors. Plan assets at September 30, 2022 are held at Matrix Trust Company, Trustee for the plan.

Related-Party and Party-in-Interest Transactions – During the year, the Plan paid investment advisory, management, and administrative fees to CPI (certain investment fees are netted with investment income on the statement of changes in net assets available for benefits). CPI is considered to be a party-in-interest, according to the terms outlined in the agreement between CPI and the Plan. For the year ended September 30, 2022, fees totaling \$35,383 were paid to CPI.

Employer Contributions – Participant contributions are matched by IRCO as a safe harbor match at 100% for eligible participant deferrals up to 3.0% of the participant’s compensation, and at 50% for eligible participant deferrals from 3.0% to 5.0% of the participant’s compensation. Participant compensation and deferrals, for purposes of calculating the safe harbor matching contribution, are determined on an annual basis. IRCO also may make discretionary contributions

to the Plan. If IRCO elects to make discretionary contributions to the Plan, the amount of the contributions, and the frequency of contributions, will be determined at IRCO’s discretion.

Participant Contributions – Participants are able to make voluntary contributions to the Plan from eligible wages on both a pre-tax and after-tax basis, with the participant’s aggregate contributions limited in each calendar year to the amounts permitted under law.

Forfeiture Disposition – The non-vested portion of a former employee’s equity in the plan assets is subject to forfeiture and reallocation in accordance with the provisions of the Plan. There were no reallocated forfeitures for the year ended September 30, 2022. Reallocated forfeitures for the year ended September 30, 2021 totaled \$6,821. At September 30, 2022, unallocated funds totaling \$7,838 were available in the forfeiture account.

Participant Accounts – Each participant’s account is credited with the participant’s contributions and allocations of (a) IRCO’s contributions, and (b) plan earnings; and charged with an allocation of administrative expenses. Allocations are based on a participant’s earnings or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from that participant’s vested account.

Vesting Provisions – Participants are 100% vested in their salary deferral contributions, safe harbor matching contributions, discretionary matching contributions and discretionary profit-sharing contributions upon entry into the Plan.

Payment of Benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant’s vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account.

Eligibility Requirements – As of the Plan’s year-end, all qualified full-time employees are eligible to participate in the Plan after attainment of age 21. Subject to the preceding, all employees are qualified, except for the following:

- Employees covered by a collective bargaining agreement, where retirement benefits have been the subject of good faith bargaining.
- Leased employees.
- Non-resident aliens with no U.S. source of earned income.
- Hourly (on-call) employees.

Plan Termination – Although it has not expressed any intent to do so, IRCO has the right under the plan document to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of the Plan’s termination, participants become 100% vested.

Tax Status – The Plan has received a favorable determination from the Internal Revenue Service under section 401 of the Internal Revenue Code as a qualified prototype standardized profit-sharing plan and is exempt from federal income taxes.

Accounting principles generally accepted in the United States require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and concluded that, as of September 30, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there currently are no audits for any tax periods in progress.

2. Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates – The preparation of the Plan’s financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. In the opinion of management, such differences, if any, would not be significant.

Cash Equivalents – For purposes of the financial statements, the Plan considers all liquid investments having initial maturities of three months or less to be cash equivalents.

Investments – Investments are reported at fair value. Certain investments are carried at estimated fair value using net asset value (“NAV”) as a practical expedient. Net appreciation (decline) in the fair value of investments consists of the realized gains or losses and the unrealized appreciation (decline) of those investments. Security transactions are recorded on a trade date basis.

Risks and Uncertainties – Investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

Payment of Benefits – Benefits are recorded when paid.

Concentration of Credit Risk – All of the Plan’s invested assets are held in mutual funds and a guaranteed account.

Administrative Expenses – The Plan’s assets are used to pay certain administrative expenses. Certain transaction fees related to investment transactions are deducted directly from the participant accounts. IRCO may, at its discretion, pay certain administrative fees related to contributions.

Subsequent Events – Subsequent events have been evaluated by management through November 29, 2023, which is the date the financial statements were available to be issued.

Other Significant Accounting Policies – Other significant accounting policies are set forth in the financial statements and the following notes.

3. Information Prepared and Certified by the Custodian

The Plan has obtained a certification from Matrix Trust Company that the information provided by them is complete and accurate. The information certified by Matrix Trust Company includes the following:

- Details and summaries of investments at fair value and other assets as of September 30, 2022 and 2021;
- Details and summaries of net appreciation in the fair value of the Plan's investments during the year ended September 30, 2022; and
- Details and summaries of interest and dividends for the year ended September 30, 2022.

4. Investments and Investment Return

As of September 30, 2022, the Plan's investments were held in 18 funds at registered investment companies (i.e., mutual funds) and in one guaranteed account held in an insurance company general account. The underlying assets of these investments are as follows:

	2022	2021
Investments in mutual funds, at fair value (note 5)	\$ 7,498,836	8,180,796
Guaranteed account, at net asset value (note 5) ¹	1,725,287	1,450,355
Total investments	\$9,224,123	9,631,151

¹ The Plan has entered into a group annuity contract, the CMFG Life Stable Value fund, with CMFG Life Insurance, Company ("CMFG"), a mutual insurance company and the parent company of CUNA, and CPI the Plan's contract administrator. CMFG maintains contributions in a pooled account. The contract provides for principal preservation and a specified rate of return over a set period of time regardless of the performance of the underlying assets. The assets are owned by CMFG and held within a general account. The account is credited with interest and is charged for Plan withdrawals and any administrative or investment management fees. The credited rate is determined by CMFG and guaranteed for an agreed-upon period. At the end of the period, CMFG determines a new rate. In the event of a contract termination, CMFG will charge a market value adjustment on the guaranteed account. The guaranteed account is included in the financial statements at the September 30, 2022 net asset values, as reported to the Plan by CMFG. The crediting interest rate was 1.35% and 1.40% for the Plan years ending on September 30, 2022, and 2021, respectively.

The following summarizes investments by investment category as of September 30, 2022 and 2021:

	2022	2021
<i>Mutual funds:</i>		
Large growth equity	\$ 4,769,333	5,410,548
Large blend	2,146,568	2,272,558
Large value equity	369,034	342,299
Global bond	213,901	155,391
Total mutual funds	7,498,836	8,180,796
Guaranteed account	1,725,287	1,450,355
Total investments	\$ 9,224,123	9,631,151

During the year ended September 30, 2022, the Plan's investments return is summarized as follows:

Interest income from mutual funds	\$ 502,992
Interest and dividends from guaranteed account	24,736
Interest and dividends from cash equivalents	37
Net decrease in fair value of investments in mutual funds	(2,175,417)
	\$ (1,647,652)

5. Fair Value Measurements

Included in the accompanying financial statements are certain financial instruments carried at fair value. The fair value of an asset is the amount at which that asset could be bought or sold in a current transaction between willing parties, that is, other than in a forced or liquidation sale; similarly, the fair value of a liability is the amount at which the liability could be transferred in a current transaction between willing parties. Fair values are based on quoted market prices when available.

When market prices are not available, fair value is generally estimated using discounted cash flow analyses, incorporating current market inputs for similar financial instruments with comparable terms and credit quality.

All financial assets and liabilities carried at fair value have been classified, for disclosure purposes, based on a hierarchy defined under generally accepted accounting principles. The hierarchy gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets and liabilities and the lowest ranking to fair values determined using methodologies and models with unobservable inputs, as follows:

- *Level 1* – Values are unadjusted quoted prices for identical assets and liabilities in active markets accessible at the measurement date.
- *Level 2* – Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument.
- *Level 3* – Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement.

At September 30, 2022, the Plan's investments are invested in mutual funds and a guaranteed general account. The investments are reported at fair value as follows:

		Level 1	NAV	Total
Investments (note 4)				
Mutual funds	\$	7,498,836	–	7,498,836
Guaranteed general account		–	1,725,287	1,725,287
	\$	7,498,836	1,725,287	9,224,123
