INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Food Circus Super Markets, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Food Circus Super Markets, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Food Circus Super Markets, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022, and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Food Circus Super Markets, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Food Circus Super Markets, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Food Circus Super Markets, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Food Circus Super Markets, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. DESCRIPTION OF PLAN

The following brief description of the Food Circus Super Markets, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code (“IRC”) and subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was established for the purpose of providing eligible employees of Food Circus Super Markets, Inc. (the “Employer” or the “Sponsor”) and their beneficiaries, retirement, disability and/or death benefits.

Eligibility

An employee of the Employer becomes an eligible participant in the Plan following their date of hire subject to the completion of 6 months of service to the Employer, and the attainment of 21 years of age. The Plan excludes employees covered by a collective bargaining agreement and non-resident aliens who received no U.S. sourced income. Participants’ entry dates for the Plan are the first day of each month of the Plan year. A participant is eligible for the Employer profit sharing contribution after the completion of 1 year of service, the attainment of 21 years of age and must be employed on the last day of the Plan year.

Participant Contributions

A participant in the Plan may annually contribute through payroll deductions up to 75% of pretax annual compensation, limited by the amounts determined by the Internal Revenue Service (“IRS”), and may also transfer in amounts representing distributions from other qualified plans. Any participant, age 50 and over, may make an additional “catch-up” contribution as determined by the IRS. After 6 months of employment, eligible employees are automatically enrolled in the Plan with a 3% deferral unless they opt out or change their deferral rate. Deferral rates for participants who are automatically enrolled are increased annually on the first day of the Plan year by 1% up to a deferral limit of 5%. Participants direct the investment of their contributions into various investment options offered by the Plan. A participant may suspend contributions at any time or may increase or decrease their level of participation weekly.

Employer Contributions

The Employer makes a safe harbor matching contribution equal to 100% of the first 3% of the participant’s eligible compensation and 50% of the next 2% of the participant’s eligible compensation contributed to the Plan. The Employer may also make a discretionary profit-sharing contribution to the Plan to be allocated to all eligible participants who meet the service requirements as defined in the Plan. Employer profit sharing contributions will be allocated to eligible participants in the same proportion that the annual compensation of the participant bears to the annual compensation of all participants at the end of any given Plan year. No profit-sharing contribution was made for the year ended December 31, 2022.

Participant Accounts

Individual accounts are established for each participant. The Plan offers a variety of mutual funds and a guaranteed interest account, with varying investment objectives as investment options. Each participant’s account is credited with the participant’s pre-tax contributions, the Employer contributions, if any, and the proportionate share of dividends, interest, and investment gains since the preceding valuation date. The participant’s account is reduced by withdrawals, losses on investments, fees, and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

The Employer's safe harbor matching contributions and profit-sharing contributions are 100% vested after the completion of three years of service based upon the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	0%
2	0%
3	100%

A participant is always 100% vested in his or her own deferred salary contribution and rollover contributions from other qualified plans to the Plan and related earnings thereon, but with respect to the Employer matching and profit-sharing contributions, any unvested portion of his or her account shall be forfeited at termination and applied to the Employer matching contribution or used to pay the Plan's administrative expenses.

Retirement Benefits

Participants may choose to have their benefit distributed to them in one of the following ways:

- In a lump-sum payment of cash.
- By the purchase of a non-transferable annuity over the lifetime of the participant or the joint lifetime of the participant and a designated individual; or
- On an installment basis with a minimum payment each year which is based on a period not to exceed the life expectancy of the participant or his or her spouse.

Death Benefits

The beneficiary of any participant with accrued benefits in the Plan is entitled to 100% of such benefits. Death benefits may be distributed in one of the following ways:

- In a lump-sum payment (as defined in the Plan agreement) payable no later than five years after the date of the participant's death.
- As an annuity payable to the designated beneficiary with distribution of the death benefit commencing no later than one year after the date of the participant's death; or
- As an annuity payable to the participant's surviving spouse (as a designated beneficiary) over the spouse's lifetime with distribution of the death benefit commencing no later than the date the participant would have attained 70-1/2 years of age.

Hardship Benefits

The Plan allows for "hardship withdrawals" of participants' benefits based upon any of the following criteria:

- To pay all or a portion of the cost of purchase, construction, improvement, or preservation of a house occupied or to be occupied by the participant.
- To pay all or a portion of the cost of education of the participant or any dependent.
- To pay all or a portion of any unusual expense incurred by the participant because of illness, accident, or disability of the participant or any dependent; or
- To meet any severe and undue financial hardship of the participant or any dependent.

Notes Receivable From Participants

The Plan allows for loans to be extended to participants for any purpose. All loans are considered a direct investment of the participant and payments of principal and interest are credited to the participant's account. The participant may borrow from his or her account a maximum equal to the lesser of \$50,000 or 50% of their vested account balance and a minimum of \$1,000. Interest is charged at 1% above prime rate at the time a loan is issued (as defined in the Plan agreement). Restrictions and repayment terms are described in the Plan Document. The loans bear interest at a range of 4.25%-8% maturing at various dates through 2030. Principal and interest are paid ratably through weekly payroll deductions.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained under the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Valuation of Investments and Income Recognition

Certain investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in the Fair Value Measurements note (Note 4).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Guaranteed interest account investment contracts are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to fully benefit-responsive investment contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Administrative Expenses

The expenses necessary to administer the Plan, including but not limited to, retaining necessary professional assistance from an attorney, an accountant, an actuary or an investment advisor, are paid by either the Employer or the Plan. The fees paid by the Plan amounted to \$56,201 during the year ended December 31, 2022. Further, certain expenses related to the Plan's investments have been offset with net investment income. All other expenses were paid by the Employer.

Payment of Benefits

Benefits are recorded when paid.

Forfeited Accounts

At December 31, 2022 and 2021, the Plan had \$3,402 and \$3,928, respectively, of forfeited non-vested accounts. Forfeitures can be used to reduce the Employer matching contribution or used to pay the Plan's administrative expenses at the request of the Employer. No forfeitures were utilized to reduce Employer matching contributions or to pay administrative expenses in 2022.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Reclassification

Certain amounts in the prior period presented have been reclassified to conform to the current period financial statement presentation. These reclassifications have no effect on the previously reported net changes in net assets available for benefits.

3. INFORMATION CERTIFIED BY THE AGENT FOR THE TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent public accountants as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by Ascensus, as agent for Ascensus Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. Based on information provided and certified by the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2022 and 2021.

The following information as of and for the years ended December 31, was prepared from reports by the agent for the trustee:

	<u>2022</u>	<u>2021</u>
Investments, at fair value	\$ 8,882,073	\$ 11,356,737
Notes receivable from participants	<u>38,516</u>	<u>45,734</u>
	<u>\$ 8,920,589</u>	<u>\$ 11,402,471</u>
Net depreciation in fair value of investments	\$ (2,158,754)	
Interest and dividends from investments	\$ 122,901	
Interest on notes receivable from participants	\$ 3,636	

4. FAIR VALUE MEASUREMENTS (UNAUDITED)

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Food Circus Super Markets, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

There were no transfers between Levels 1, 2 and 3 for the periods presented.

Interest-bearing Cash: Shares of interest-bearing cash are valued based on cost.

Mutual Funds: Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Common/Collective Trusts: Valued at net asset value as determined by the issuer of the fund based on the fair value of the underlying investments. The NAV is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Interest-bearing cash	\$ 151	\$ -	\$ -	\$ 151

* In accordance with Subtopic 820-10, certain investments that were measured using the NAV practical expedient (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table sets forth a summary of the Plan's investments for which fair value is estimated using the net asset value per share as of December 31:

	<u>2022</u>	<u>2021</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Restrictions</u>	<u>Notice Period</u>
Common/collective trusts	\$ 288,833	\$ 402,142	\$ -	Daily	None	None

5. PLAN TERMINATION

The Employer intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its Board of Directors. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100% vested and non-forfeitable. All participants shall receive a total distribution of their accounts as described in the Plan. Any amount in the forfeiture account upon termination, which has not been applied to reduce the Employer contribution, shall be allocated on a pro rata basis to the participants' accounts.

6. PARTY IN INTEREST TRANSACTIONS

The Plan paid fees for administrative services of \$56,201 to the record keeper in 2022. Further, certain expenses related to the Plan's investments have been offset with net investment income. These transactions qualify as party in interest transactions. Notes receivable from participants qualify as exempt party in interest transactions.

7. INCOME TAX STATUS

The Plan adopted a prototype non-standard profit-sharing plan. By letter dated June 30, 2020, the Internal Revenue Service has determined that the Prototype Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Service. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Food Circus Super Markets, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021 there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

8. RECONCILIATION TO FORM 5500

Following is a reconciliation of the net assets available for benefits as of December 31, 2022 and 2021 and the changes in net assets available for benefits for the year ended December 31, 2022 to amounts reported in Form 5500:

Per Form 5500	<u>\$ 8,920,589</u>	<u>\$ (2,484,433)</u>	<u>\$ 11,405,022</u>

9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after the statement of net assets available for benefits date through the date of October 5, 2023, the date for which the financial statements were available to be released. Based upon this evaluation, the Plan has determined that no subsequent events have occurred that require disclosure in or adjustment to the financial statements.
