## Independent Auditor's Report

Plan Administrator  
Traditions Health, LLC 401(k) Plan  
College Station, Texas

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements***

We have performed an audit of the financial statements of Traditions Health, LLC 401(k) Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions and from an agent on behalf of a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in *Note 3* to the financial statements, is complete and accurate.

### ***Opinion on the 2022 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution or by an agent on behalf of a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution or an agent on behalf of an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Traditions Health, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2022 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Traditions Health, LLC 401(k) Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2022 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Traditions Health, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Traditions Health, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### ***Other Matters***

For information included in the supplemental schedules that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

### Note 1: Description of the Plan

#### General

The following description of the Traditions Health, LLC 401(k) Plan (Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan sponsored by Traditions Health, LLC (Company) for the benefit of its employees. Nonexcluded employees who are at least 21 years of age are eligible to participate in the Plan as a contributing participant on the first day of the month following their commencement of employment with the Company. Related employers within the Company's controlled group also participate in the Plan (collectively, the "Company"). The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Delaware Charter Guarantee and Trust Company, d/b/a Principal Trust Company (Principal Trust), is the custodian of the Plan's mutual funds. Principal Life Insurance Company (Principal Life) holds the Plan's group annuity contract and serves as the Plan's contract administrator.

#### Plan Mergers

On November 30, 2021, and December 31, 2021, respectively, Creative Hospice Care, Inc. and Serenity Health Management LLC were acquired by the Company. The Company's board of directors approved the merger of the Creative Hospice Care, Inc. 401(k) Plan and the Serenity 401(k) Plan into the Traditions Health, LLC 401(k) Plan (collectively, "Merged Plans") effective June 30, 2022. The transfers in from Merged Plans included the following:

|                                                         | <b>Transfers</b>    |
|---------------------------------------------------------|---------------------|
| Investments                                             | \$ 7,446,818        |
| Notes receivable from participants – active             | 195,581             |
| Notes receivable from participants – deemed distributed | 17,574              |
|                                                         | <hr/>               |
| Total transfers from Merged Plans                       | <u>\$ 7,659,973</u> |

The merger transfers initiated a "Black Out" period beginning June 24, 2022, and concluding on July 26, 2022, for the Creative Hospice Care, Inc. 401(k) Plan participants and July 20, 2022, for the Serenity 401(k) Plan participants. During this period, participants could not access accounts to make investment transfers, withdrawals, or loans to allow the recordkeeper time to accurately complete the transfer. At the end of the Black Out period, these funds were invested in the fund options selected by each participant.

## **Notes to Financial Statements**

**December 31, 2022 and 2021**

### ***Contributions***

The Plan permits eligible employees through a salary deferral election to have the Company make annual pretax and Roth contributions of up to the maximum allowed by the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Employee rollover contributions are also permitted.

The Company may make discretionary employer matching contributions and discretionary nonelective contributions as determined by the Company's board of directors. For the 2022 and 2021 plan years, the Company made discretionary employer matching contributions were 50 percent of the participants' salary deferral contributions on up to 6 percent of eligible compensation. No discretionary nonelective contributions were authorized for 2022 or 2021.

Other employer contributions represent qualified nonelective contributions and the related employer matching contributions owed to certain participants for missed deferral opportunities related to a system error resulting in the exclusion of certain pay codes from the Plan's contribution calculations.

Contributions are subject to certain limitations.

### ***Participant Investment Account Options***

Participants have the option of directing their contributions into any of the investment options offered by the Plan and may change the allocation daily.

### ***Participant Accounts***

Each participant's account is credited with the participant's contribution, the Company's contributions, and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### ***Vesting***

Participants are immediately vested in their voluntary contributions plus earnings thereon. Employees hired before January 1, 2019, are fully vested in the Company's contribution portion of their accounts plus earnings thereon. For employees hired on or after January 1, 2019, vesting in the Company's contribution portion of their accounts plus earnings thereon is based on years of credited service with full vesting after five years of credited service or upon death, disability, or attainment of normal retirement date while actively employed.

## **Notes to Financial Statements**

**December 31, 2022 and 2021**

### ***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Only one loan may be outstanding at any one time. The loans are secured by the balance in the participant's account and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings unless the participant is paying the loan in full. The loan interest rate, determined monthly, is set at 2 percent above the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

### ***Payment of Benefits***

Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of the vested interest in their account. Partial withdrawals or installments are only permitted for beneficiaries or participants who must receive required minimum distributions. Benefits not exceeding \$1,000 are automatically paid to the participants upon termination without their consent. The Plan has provisions to transfer account balances of former participants that do not exceed \$5,000 but are more than \$1,000 to an IRA established in the participant's name. The Plan also allows hardship distributions and in-service distributions at age 59½ subject to plan provisions.

### ***Forfeited Accounts***

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$27,159 and \$87,876, respectively. These accounts may be used to reduce future employer contributions or pay plan expenses. During 2022 and 2021, employer contributions were reduced by \$229,406 and \$0, respectively, from forfeited nonvested accounts. During 2022 and 2021, plan expenses of \$38,898 and \$0, respectively, were paid from forfeited nonvested accounts.

## **Note 2: Summary of Significant Accounting Policies**

### ***Basis of Accounting***

The accompanying financial statements are prepared on the accrual basis of accounting.

### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

# **Traditions Health, LLC 401(k) Plan**

## **Notes to Financial Statements**

**December 31, 2022 and 2021**

### ***Investment Valuation and Income Recognition***

Investments are reported at fair value. Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end.

Pooled separate accounts and collective investment trust funds are valued at NAV based upon the quoted market value of the underlying investments as provided by Principal Life. The NAV is calculated daily and is the basis for current transactions.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

### ***Payment of Benefits***

Benefit payments to participants are recorded upon distribution.

### ***Administrative Expenses***

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

### ***Revisions***

Certain immaterial revisions have been made to the fair value measurements footnote (*Note 4*) for reclassifying pooled separate account and collective investment trust investments as Level 2 within the fair value hierarchy table that were previously disclosed as Level 1. These revisions did not have a significant impact on the financial statement line items impacted.

# **Traditions Health, LLC 401(k) Plan**

## **Notes to Financial Statements**

**December 31, 2022 and 2021**

### **Note 3: Certification of Plan Custodian and Insurance Company**

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust, Principal Life, and Principal Life on behalf of Principal Global Investor's Trust Company, all qualified institutions, have certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule are complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment income (loss) as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021.
- Investment information included in the accompanying schedule of assets (held at year-end) as of December 31, 2022.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

### **Note 4: Fair Value Measurements**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities.
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended December 31, 2022 and 2021. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis.

### ***Investments***

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy and include mutual funds. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections, and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. This includes pooled

separate accounts and collective investment trust funds. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

### **Note 5: Party-in-Interest Transactions**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee association, or relatives of such persons.

The Plan invests in certain funds managed by Principal Life and its affiliates; therefore, these transactions qualify as party-in-interest transactions. The Plan paid \$118,147 and \$73,272 of direct contract administration fees to Principal Life Insurance Company during 2022 and 2021, respectively. The Company also provides certain administrative services at no cost to the Plan.

### **Note 6: Plan Termination**

Although it has not expressed an intention to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, affected participants will become 100 percent vested in their accounts.

### **Note 7: Tax Status**

The Plan operates under a nonstandardized adoption agreement in connection with a preapproved profit-sharing plan document sponsored by Alliance Benefit Group of Houston, Inc. This nonstandardized profit-sharing plan document has been filed with the appropriate agency. The Plan has not obtained or requested a determination letter. However, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and the Plan was qualified and the related trust was tax exempt as of the financial statement date.
