## INDEPENDENT AUDITORS' REPORT

December 19, 2023

Plan Administrator  
Jr. Davis Construction Company, Inc. 401(k) Plan  
Kissimmee, Florida

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements***

We have performed an audit of the financial statements of the ***Jr. Davis Construction Company, Inc. 401(k) Plan*** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

### ***Opinion on the 2022 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the *Independent Auditors' Responsibilities for the Audit of the 2022 Financial Statements* section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

201 East Pine Street, Suite 801, Orlando, FL 32801

407.843.4433

- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2022 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Independent Auditors' Responsibilities for the Audit of the 2022 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2022 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Independent Auditors' Responsibilities for the Audit of the 2022 Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## ***Other Matters***

### ***2022 Supplemental Schedule Required by ERISA***

The December 31, 2022 supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Independent Auditors' Report on the 2021 Financial Statements***

The 2021 financial statements of the Plan were audited by Vestal & Wiler, CPAs, P.A. ("V&W"), who combined with Rehmann Robson LLC effective November 1, 2022. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated June 20, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

##### Description of the Plan

###### *General*

The Plan is a defined contribution plan covering all full-time employees of *Jr. Davis Construction Company, Inc.; S&L Materials, Inc.; JTD Land Company LLC; JD Monte Cruz Ranch and Outfitters, LLC* and *Yellow Iron, LLC* (collectively, the "Company") who have one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan Administrator is responsible for oversight of the Plan. Management determines the appropriateness of the Plan's investment offerings and monitors investment performance and reports to the Plan Administrator.

###### *Contributions*

Each year, participants may contribute up to the maximum amount of annual compensation allowed by law, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. The Company may also make discretionary nonelective contributions. The Company may make annual discretionary matching contributions and/or profit sharing contributions. For 2022, the Company matched 100% of the first 4% of compensation that the participant contributed to the Plan. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recognized in the Plan's statements of net assets available for benefits as "excess contributions payable."

###### *Participant Accounts*

Each participant's account is credited with the participant's contributions and Company's matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations may be based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Notes to Financial Statements

#### *Vesting*

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant begins to vest after two years of service (20%) and increases ratably until fully vested after year six.

#### *Payment of Benefits*

Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, a partial lump-sum or installment payments, as defined by the Plan agreement. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or partial distribution. If the participant's account balance is \$1,000 or less, payment will be made in an immediate lump-sum without the participant's consent. If the account balance is greater than \$1,000 but less than \$5,000, payment will be made to an individual retirement account at the custodian, or such other provider as the Company designates in accordance with Department of Labor ("DOL") guidelines, unless the participant requests a different disposition of his or her account balance within the applicable election period.

In-service withdrawals of vested balances may be elected by participants who have reached 59 ½ years of age. The Plan also permits withdrawals of active participants' elective contributions and rollover contributions, only in amounts necessary to satisfy financial hardship as defined by the Plan agreement.

#### *Forfeited Accounts*

At December 31, 2022 and 2021, forfeited nonvested account balances totaled \$59,865 and \$52,846, respectively. These accounts will be used to reduce future employer contributions or pay Plan expenses. Forfeitures in the amount of \$57,273 were used to reduce the 2022 employer contributions.

#### *Lost Participants*

In accordance with the Plan agreement, the Plan Administrator may forfeit the unclaimed distributed amount attributable to a lost participant or beneficiary, as defined. If the lost participant or beneficiary is located, the Plan will restore the forfeited amount to such participant or beneficiary. At December 31, 2022 and 2021, there were \$2,593 and \$1,936, respectively, of forfeited accounts attributable to lost participants. During 2022, the Plan recognized other income of \$644, as a result of voided unclaimed checks related to forfeited lost participant accounts.

### Notes to Financial Statements

#### Summary of Significant Accounting Policies

##### *Basis of Accounting*

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

##### *Use of Estimates*

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### *Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, such management fees and operating expenses are reflected as an addition to net depreciation in the aggregate fair value of such investments.

##### *Contributions*

Participant contributions are recorded when withheld from compensation. Employer contributions are recorded in the period in which they become obligations of the Company.

##### *Benefits Paid to Participants*

Benefit payments to participants are recorded when paid.

### Notes to Financial Statements

#### *Administrative Expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid directly by the Company are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation of fair value of investments.

#### *Subsequent Events*

In preparing these financial statements, Plan management has evaluated, for potential recognition or disclosure, significant events or transactions that occurred during the period subsequent to December 31, 2022, the most recent statement of net assets available for benefits presented herein, through December 19, 2023, the date these financial statements were available to be issued. No such significant events or transactions were identified.

### 2. CERTIFIED INVESTMENTS

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As such, certain information related to investments disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2022 was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Capital Bank and Trust Company ("CBTC").

### 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

## JR. DAVIS CONSTRUCTION COMPANY, INC. 401(K) PLAN

### Notes to Financial Statements

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. For financial assets recorded at fair value, the description includes an indication of the level of the fair value hierarchy in which the assets are classified. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Common/collective trust:* Valued at the net asset value ("NAV") of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value and, as a result, are not assigned a level in the fair value hierarchy. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

*Mutual funds:* Shares held in mutual funds are valued at quoted market prices that represent the NAV of shares held by the Plan at year end and are classified as Level 1. The NAV is based on the value of the underlying assets owned by the fund, less its liabilities, then divided by the number of shares outstanding. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities & Exchange Commission. These funds are required to publish their daily NAV and to transact at that price and, therefore, are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(1) Certain investments are measured at NAV per share (or its equivalent) on a non-active market and have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. Plan management evaluates the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. There were no transfers of assets into or out of Level 3 in 2022 or 2021.

The following tables set forth additional disclosures for the fair value measurement of investments in certain entities that calculate NAV per share (or its equivalent) as of December 31:

| Investment Type         | 2022       |                      |                      |                          |

The following is a description of the investment strategy for investments in certain entities that calculate NAV per share (or its equivalent) at December 31, 2022 and 2021:

*Common/collective trust:* This fund includes investments that seek capital appreciation to provide a fixed income.

#### 4. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by CBTC; therefore, these transactions qualify as party-in-interest transactions. CBTC receives revenue from investment service providers for services CBTC provides to the funds. This revenue is used to offset certain amounts owed to CBTC for its administrative services to the Plan. If revenue received by CBTC from such investment service providers exceeds the amount owed, CBTC remits the excess to the Plan's trust. The Plan or Company may make a payment to CBTC for administrative expenses not covered by revenue sharing. During 2022, there was no such revenue received.

#### 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions. Any unallocated assets of the Plan would be allocated to participant accounts and distributed in such a manner as the Company may determine.

#### 6. TAX STATUS

The Plan has been formed utilizing the *Prototype Non-standardized Profit Sharing Plan with CODA* sponsored by Siegel Actuarial Consulting, Inc. ("Siegel"). Siegel obtained a favorable determination letter dated June 30, 2020; however, such letter is only applicable to Siegel. The Plan Administrator has adopted all Plan provisions within the prototype document and, although the Plan has subsequently been amended since receiving the determination letter, believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believes that the Plan is qualified, and related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### Notes to Financial Statements

#### 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes in net assets available for benefits.
