INDEPENDENT AUDITOR'S REPORT

To the Trustees,
Abington Reldan Metals LLC 401K Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Abington Reldan Metals LLC 401K Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Abington Reldan Metals LLC 401K Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Abington Reldan Metals LLC 401K Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Abington Reldan Metals LLC 401K Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Abington Reldan Metals LLC 401K Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Abington Reldan Metals LLC 401K Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Abington Reldan Metals LLC 401K Profit Sharing Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the Abington Reldan Metals LLC 401K Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code ("IRC"). The Plan was established for the purpose of providing all eligible employees (the "participants") of Abington Reldan Metals LLC and affiliates (the "Company") funds for retirement and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

An employee of the employer becomes an eligible participant in the Plan upon having attained the age of 17 and completion of 12 months of service. In general, all participants who are eligible to make elective deferrals during the Plan year are entitled to the safe harbor matching contribution for the year. Employees covered by a collective bargaining agreement, leased employees, and nonresident aliens are not eligible to participate in the Plan. The Plan entry dates are January 1 and July 1 of each year.

Employee Contributions

A participant in the Plan may annually contribute pretax or post tax contributions of up to 90% of his or her base pay subject to the applicable limit under IRC 402(g). Any participant, age 50 or over, may make an additional "catch-up" contribution as determined by the Internal Revenue Service ("IRS").

Employer Contributions

The Company makes a safe harbor matching contribution equal to 100% of the first 3% of the "eligible" participant's compensation contributed to the Plan and 50% of the next 2% of the "eligible" participant's compensation contributed to the Plan. The Company may also elect to make a nonelective employer contribution. For the year ended December 31, 2022, the employer made safe harbor contributions of \$268,225 and nonelective contributions of \$68,952.

Participant Accounts

Individual accounts are established for each participant. Each participant's account is credited with the participant's contribution, an allocation of the Company's contributions, and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The participant's account is reduced by withdrawals, administrative expenses, as applicable, and losses on investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

A participant's interest in his or her contributions to the Plan as well as the employer's safe harbor matching contributions allocated to his or her account will always be 100% fully vested and nonforfeitable. Participants vest in their employer discretionary contributions based on the schedule below:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Abington Reldan Metals LLC 401K Profit Sharing Plan
Notes to Financial Statements
December 31, 2022 and 2021

A participant's discretionary match and discretionary profit-sharing contributions will be subject to the vesting schedule appearing immediately below for the following class of participants:

Participants hired prior to April 1, 2007:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	100%

A participant's prior safe harbor profit sharing contributions will be subject to the vesting schedule appearing immediately below for the following class of participants:

Participants with a balance in the source:

<u>Year of Service</u>	<u>Vested Percentage</u>
Less than 1	100%

Benefit Payments

On termination of service due to death, disability, retirement, or other reasons, a participant, or participant's beneficiary, may elect to receive a lump-sum amount equal to the value of the vested portion of his or her account.

Distributions and Withdrawals

Prior to age 59 1/2, distributions and withdrawals are not permitted from the Plan except in the instances of hardship, death, disability, or termination of employment. Hardship withdrawals must be submitted to the Plan administrator in writing. After attaining age 59 1/2, participants may elect to withdraw an amount equal to any whole percentage not to exceed 100% of the participant's vested account for any reason. In the event of termination of employment, a participant shall receive, as a lump-sum distribution, his or her participant contributions and earnings thereon and vested Company matching contributions and earnings thereon.

Notes Receivable from Participants

The Plan allows for loans to be extended to participants for financial hardship or other financial needs. All loans are considered a direct investment of the participant, and payment of principal and interest are credited to the participant's account. Participants may borrow from their fund accounts a maximum of 50% of their vested account balance or \$50,000, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 8.00% as of December 31, 2022, with maturities through 2027.

Forfeiture Accounts

The balance in the forfeiture account may be used to reduce Plan expenses or used to offset employer contributions. At December 31, 2022 and 2021, the Plan had \$2 and \$163, respectively, of forfeited nonvested accounts. During 2022, \$1,697 was applied to the employer contributions from the forfeiture account.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis of accounting.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in Note 4. Purchases and sales of funds are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risk and Uncertainties

The Plan's assets are invested in various investment securities. Investment securities are exposed to various risks, such as credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.

Administrative Expenses

The expenses necessary to administer the Plan, including, but not limited to, retaining necessary professional assistance from an attorney, an accountant, or an investment advisor, are paid by the Company. All expenses except for account maintenance fees, transaction fees, and investment fund management fees have been paid by the Company. Participants are charged service fees for any loan and distribution transactions they request. In addition, certain investment-related expenses have been included in net depreciation in fair value of investments and are not readily determinable. For the year ended December 31, 2022, the Plan paid administrative fees of \$69,249.

Payments of Benefits

Benefits are recorded when paid.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

3. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent public accountant as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to the information certified as complete and accurate by the trustee, except for comparing such information with the information reported in the financial statements. Based on information provided and certified by the trustee, Fidelity Management Trust Company, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, for the year ended December 31, 2022.

The following information as of December 31, 2022 and 2021 and for the year ended December 31, 2022, was certified by the trustee:

	<u>2022</u>	<u>2021</u>
Investments		
Mutual funds	\$ 8,316,247	\$ 9,871,609
Common collective trust	\$ -	\$ 927
Notes receivable from participants	\$ 215,565	\$ 345,410
Investment income		
Net depreciation in fair value of investments	\$ (1,909,746)	
Dividend and interest income	\$ 206,718	
Interest on notes receivable from participants	\$ 12,737	

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds: Shares of mutual funds are valued at quoted market prices, which represent the net asset value ("NAV").

Common/Collective Trust: Valued at NAV as practical expedient as determined by the issuer of the fund based on the fair value of the underlying investments.

Abington Reldan Metals LLC 401K Profit Sharing Plan
Notes to Financial Statements
December 31, 2022 and 2021

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	2022			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 8,316,247	\$ 8,316,247	\$ -	\$ -

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	2021			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 9,871,609	\$ 9,871,609	\$ -	\$ -
Common/collective trust at NAV*	927			
	<u>\$ 9,872,536</u>			

*In accordance with Subtopic 820–10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following is a summary of the Plan's investments for which fair value is estimated using the NAV per share as of December 31, 2022 and 2021:

Investment	Fair Value at December 31,		Redemption Frequency	Unfunded Commitment	Redemption Notice Period
	2022	2021			
Common/collective trust, at NAV	\$ -	\$ 927	Daily	\$ -	None

5. TAX STATUS

The Company adopted a Prototype 401(k) Plan and received a favorable advisory letter from the IRS dated June 30, 2022, which stated that the volume submitter plan is acceptable under applicable sections of the IRC. Although the Plan has been amended since receiving the advisory letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

Abington Reldan Metals LLC 401K Profit Sharing Plan
Notes to Financial Statements
December 31, 2022 and 2021

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there were no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there is no tax-related interest or penalties for the periods presented in these financial statements.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of investments managed by Fidelity Management Trust Company ("FMTC"), the trustee of the Plan. In addition, the Plan paid fees for management services of \$69,249 to FMTC for the year ended December 31, 2022. These transactions qualify as party-in-interest transactions. In addition, the Plan has certain investment-related expenses which have been offset by net investment income and are not readily determinable.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after the statement of net assets available for benefits date through the date of December 12, 2023, the date for which the financial statements were available to be released. Based upon this evaluation, the Plan has determined that no subsequent events have occurred, which require adjustment to or disclosure in the financial statements.
