Independent Auditor's Report

To the Plan Administrator of
MMC 401(k) Savings and Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the MMC 401(k) Savings and Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from qualified institutions as of and for the year ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

MMC (401k) Savings and Retirement Plan

Notes to Financial Statements

December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the MMC 401(k) Savings and Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a multiple-employer defined contribution plan covering substantially all employees of Medical Management Consultants, Inc., Medical Management Consultants International, Modern Medical Consultants, Inc. and other adopting subscribers (together the “Company”). The Plan was established effective January 1, 1997. The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination or financial hardship. The Plan covers most employees of the Company who meet certain eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and subsequent amendments.

Plan Administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Plan administrator has delegated certain responsibilities for the operation and administration of the Plan. The Plan's investments are held by Nationwide Trust Company, FSB (“Nationwide”) and Transamerica Financial Life Insurance Company (“Transamerica”), the Plan custodians. Certain administrative expenses of the Plan were paid directly by the Plan for the year ended December 31, 2022. Loan set-up and maintenance fees are paid by the individual participants receiving the loan. Investment fees, which may vary according to the individual funds selected, are deducted directly from participants' investment accounts. Participants should refer to the prospectus of the individual investment funds for further details on individual investment fees.

Eligibility

To be eligible for elective deferrals, corporate employees of the Company must be at least 21 years of age and must complete one month of service, as defined by the Plan document. Additionally, to be eligible to participate in matching contributions and discretionary profit-sharing contributions, employees must complete one year of service, as defined in the Plan document.

To be eligible for elective deferrals, employer matching contributions and discretionary profit-sharing contributions, employees of each participating employer are subject to their individual Adoption and Acceptance Agreement (AAA) which allows each participating employer to custom-tailor their plan to have a different age requirement and a different length of service requirement.

Excluded employees are employees covered by a collective bargaining agreement for which retirement benefits have been negotiated, certain nonresident aliens who have earned no income from sources within the United States and highly compensated employees.

Notes to Financial Statements

December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN (CONTINUED)

Participant Contributions

Participants may elect to contribute pre-tax/or Roth contributions through payroll deductions a portion of their annual compensation, as defined in the Plan, up to a maximum amount allowed by the Internal Revenue Code ("IRC"). Maximum allowed deferral amounts were \$20,500 for 2022. Participants over the age of 50 may also contribute additional \$6,500 of catch-up contributions to the Plan for 2022. Participants are also allowed to rollover contributions from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan currently offers various pooled separate accounts as investment options for participants.

Employer Contributions

The Company will determine in its sole discretion how much, if any, it will make as matching contributions, profit-sharing contributions, qualified matching contributions ("QMAC") and qualified nonelective contribution ("QNEC"). There were no such contributions for the year ended December 31, 2022.

Participant Accounts

Each participant's individual account is credited with participant's contributions (including rollovers), allocations of employer contributions, if any, Plan earnings, allocations of administrative expenses and Plan losses. Allocations of investment earnings are based strictly on the participant's selection of investments and time of purchase. Other allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and actual earnings thereon. The participants are also immediately vested in the Company's QMACs and QNECs plus actual earnings thereon. Vesting in the Company's matching and profit-sharing contributions is based on years of continuous service and a participant is 100% vested after six years of credited service. Employees of participating employers, under their AAAs can elect different vesting options from immediate to after six years of credited service. In the event of death, disability, or attaining normal retirement age while an active participant in the Plan, participants are immediately vested in all Company contributions.

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are collateralized by the balance in the participant's account and accrue interest at variable rates computed at the prime rate plus 1% per annum, which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions over 1 to 15 years. Plan management anticipates it will collect all of its notes receivable from participants' balances; thus, no allowance for doubtful accounts has been established. As of December 31, 2022 and 2021, notes receivable from participants amounted to \$361,994 and \$442,251, respectively, with annual interest rates ranging from 4.25% to 7.5% as of December 31, 2022.

Notes to Financial Statements

December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN (CONTINUED)

Payments of Benefits

Distributions and withdrawals are payable upon retirement, termination, financial hardship, disability or death. If a participant's account balance is less than \$1,000 upon termination, the balance may be distributed immediately in a lump sum cash payment, unless a direct rollover into another qualified benefit plan is requested by the participant. Balances greater than \$1,000 and less than or equal to \$5,000 may be distributed in a lump sum cash payment or a direct rollover into an individual retirement account designated by the Plan administrator or another qualified benefit plan. If the account balance is over \$5,000, the participant can consent to either a distribution paid in the form of a lump sum cash payment, a direct rollover into another qualified plan, a specified series of installments equal to the value of their vested account balance or postpone payment to a later date and remain in the Plan as described in the Plan documents.

Participants with an immediate and heavy need may be eligible for a hardship withdrawal, subject to certain restrictions as described in the plan document.

Forfeitures

Forfeitures of non-vested account balances of terminated employees are used to reduce future employer contributions or pay administrative expenses. During 2022, \$301,003 of forfeitures was used to reduce employer contributions and no forfeiture was used to pay for administrative expenses. Forfeited non-vested account balances totaled \$153,660 and \$209,686 at December 31, 2022 and 2021, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S GAAP requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. The Plan Sponsor believes that the estimates utilized in preparing its financial statements are reasonable and prudent. Actual results could differ from these estimates.

Restatement

As more fully described in NOTE 3 to the financial statements, the 2021 financial statements have been restated to conform to the 2022 financial statement presentation.

MMC (401k) Savings and Retirement Plan

Notes to Financial Statements

December 31, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and changes therein (Note 1).

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. The Plan's investment in Common/Collective Investment Trusts (CITs) and Pooled Separate Accounts (PSAs) are recorded at net asset value (NAV) (see Note 3). The net investment income of CITs and PSAs represents the change in NAV per unit of the individual CITs and PSA times the number of units held by the Plan in each individual CIT and PSA.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Contributions and contributions receivable

Contributions from participants and related receivables, are recorded based on the date the contributions are separated from the participants' pay (pay date). The Plan records receivables for participants' contributions based upon the contribution recognized, less amounts received by the Plan as of the last day of the Plan year. Contributions from the Company are recorded in the year earned to coincide with the year in which the Company records the contributions to its general ledger.

Participant Notes Receivable

Participant notes receivable are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on participant notes receivable is recorded when it is earned. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Payments of Benefits

Benefit payments are recorded when paid.

Transfers to and from the Plan

As a multi-employer plan, the Plan allows the following transfers:

- Transfers in – Qualified plans from other employers may join the Plan by executing the AAA required by the Plan. Subsequently, investments and other assets are rolled over to the Plan.
- Transfers out – the Plan also allows existing plan members to rollover to other plans.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Plan administrative expenses are paid by either the Plan Sponsor or the Plan, as provided in the Plan agreement. Amounts paid by the Plan for certain administrative fees were \$410,728 for the year ended December 31, 2022.

Subsequent Events

The Plan evaluated the impact of subsequent events through December 1, 2023 the date these financial statements were issued. Based upon this evaluation, it was determined that except for the event in NOTE 11, no other subsequent events occurred that require recognition or additional disclosure in the financial statements.

3. RESTATEMENT OF THE 2021 FINANCIAL STATEMENTS

The 2021 financial statements, as previously reported, did not properly accrue the 2021 contributions of employees and employers that were deposited in 2022 and their corresponding receivables. To correct this failure to accrue, the 2021 financial statements have been restated as follows:

4. FAIR VALUE MEASUREMENTS

The fair value measurements standard establishes a framework for measuring fair value. That framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The fair value hierarchy consists of three levels of inputs that may be used to measure fair value as follow:

- Level 1: Quoted prices in active markets for identical assets or liabilities;
- Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in market that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

As a practical expedient, units in Common/Collective Investment Trusts ("CIT") and Pooled Separate Accounts ("PSA") are valued at NAV as determined by the custodian of those CITs, PSAs and AMFs based upon the fair market value of the underlying funds less fund expenses. Investments valued at NAV are not disclosed within the fair value hierarchy.

As of December 31, 2022 and 2021, there were no restrictions on redemptions or unfunded commitments for any of the major classes of assets.

5. INVESTMENT CONTRACT WITH INSURANCE COMPANY

Only the Plan's unallocated assets (e.g., forfeiture account and/or advanced deposit account) are invested in the Nationwide Fixed Select Option or Transamerica Stable Value Option, both are fully benefit-responsive investment contracts.

The Nationwide Fixed Select Option or Transamerica Stable Value Option in which the Plan is invested is provided under group annuity contracts issued by Nationwide or Transamerica. Such contracts are traditional investment contracts (guaranteed investment contract), and it does not have a termination date.

Thess funds are part of the general assets of Nationwide (its general accounts) or Transamerica (its general account). The Plan does not own any underlying securities of either Nationwide or Transamerica's general account. The Plan has guaranteed benefits under the terms of the contracts. The contract value of the Plan assets invested in the Nationwide Fixed Select Option or Transamerica Stable Value Option is reflected on the employer level fund statement.

MMC (401k) Savings and Retirement Plan

Notes to Financial Statements

December 31, 2022 and 2021

5. INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

The contract value equals deposits made to the Nationwide Fixed Select Option or Transamerica Stable Value Option, plus interest credited under the terms of the contract, less any withdrawals.

Upon suspension of the contract, Nationwide or Transamerica will withdraw the suspense account (unallocated assets, e.g., forfeiture account or advance deposit account), if any, and pay such balance (contract value) as directed by the contract holder. There is no market value adjustment or other termination charges applied to such balance as a result of contract suspension.

Nationwide or Transamerica (the issuers) are not permitted to terminate the contract and settle at an amount different from contract value. The average annual yield for the year ended December 31, 2022 was 1.6% (Nationwide) and 3.43% (Transamerica)

6. INFORMATION CERTIFIED BY THE CUSTODIANS

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Nationwide and Transamerica have certified that the following investment information included in the accompanying financial statements and supplemental schedule relating to their respective assets held by them is complete and accurate; investments in the statements of net assets available for benefits as of December 31, 2022 and 2021; net appreciation (depreciation) in value of investments and interest and dividends in the statement of changes in net assets available for benefits for the year ended December 31, 2022; and the investment information included in the supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022.

7. PLAN TERMINATION

Although they have not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan at any time by resolution of its Plan Sponsor subject to the provisions of ERISA. In the event of Plan termination, the respective accounts of the participants under the Plan shall become fully vested and nonforfeitable.

8. RELATED PARTY TRANSACTIONS

Nationwide and Transamerica, as custodians of the Plan, manage and provide recordkeeping services on Plan investments held by them or their affiliates. Such Nationwide and Transamerica transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provision of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Certain administrative expenses paid directly by the Company are considered party-in-interest transactions.

Employer contributions and notes receivable from participants are also considered party-in-interest transactions. The records of the Plan indicate no party-in-interest transactions which are prohibited by ERISA and for which no statutory or administrative exemption exists.

MMC (401k) Savings and Retirement Plan

Notes to Financial Statements

December 31, 2022 and 2021

9. TAX STATUS

The Company has adopted National Benefit Services, LLC (“NBS”) Define Contribution Pre-Approved Plan. The Internal Revenue Service (“IRS”) has informed NBS by a letter dated June 30, 2020, that its volume submitter plan is designed in accordance with applicable sections of the IRC (Internal Revenue Code), and is appropriate for use by employers for the benefit of its employees.

Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and is tax exempt.

10. EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as excess contributions owed to participants. There was \$150,038 contribution payable as of December 31, 2022. As of December 31, 2021, there was no excess contributions payable.

11. SUBSEQUENT EVENTS

On September 26, 2023, the final transfer of PIMCO Stable Value funds, the remaining Plan investments held by Transamerica occurred. The original intention was to transfer all Plan investments from Transamerica to Nationwide by October 3, 2022, however, on September 22, 2022, Transamerica informed MMC and Nationwide that PIMCO Stable Value funds imposed a 12-month PUT provision which prevented the transfer of plan assets invested in that particular fund for the period of 12 months. That 12-month PUT was satisfied on September 26, 2023.

12. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Reconciliation of total additions per the statement of changes in net assets available to total income per Form 5500 for the year ended December 31, 2022.
