Plan Committee
Hirsch Pipe & Supply Company Profit Sharing & 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hirsch Pipe & Supply Company Profit Sharing & 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of the year ended December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PROFIT SHARING & 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of Hirsch Pipe & Supply Company Profit Sharing & 401(k) Plan (the "Plan") is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established on February 15, 1966 by Hirsch Pipe & Supply Co., Inc., the Plan Sponsor (the "Employer"). The Plan is a qualified, defined-contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws.

Administration

Bank of America, N.A., the trustee, is responsible for the custody and management of the Plan's assets. The Plan's Recordkeeper is Merrill Lynch Pierce Fenner & Smith, Inc. (the "Recordkeeper").

Eligibility

The Plan covers substantially all salaried, hourly, and other non-bargaining employees of the Sponsor over the age of 18 and who have completed six months of service are eligible to join the Plan. Participants must complete at least 1,000 hours of service during the Plan year and be employed as of the last day of the Plan year, to be eligible to receive any Employer paid profit sharing contributions. Once eligible, participants will be automatically enrolled in the Plan at a 3% deferral rate on the first day of the Plan year and the first day of the seventh month of the Plan year, unless they elect otherwise.

Investment Elections

The investments of the Plan are self-directed by the participants into various investment options offered by the Plan. Investment elections may be changed online or by telephone at any time.

Participant Contributions

Each year, participants may contribute, on a pretax basis and post tax basis, up to a maximum of 100% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are invested in a designated balanced fund until changed by the participant. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

HIRSCH PIPE & SUPPLY COMPANY
PROFIT SHARING & 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Employer Contributions

The Plan Sponsor may elect to make discretionary matching and profit sharing contributions to the Plan. The Plan Sponsor elected to match 50% of the first 6% of the employee's compensation deferred to the Plan. Profit sharing contributions are allocated to the participants in the same proportion as a participant's compensation bears to the total of all participants' compensation. For the year ended December 31, 2022, the sponsor contributed \$509,264 in profit sharing contributions and \$655,421 in matching contributions.

Participant Accounts

Individual accounts are maintained for each of the Plan's participants to reflect the participants' contributions, rollovers, allocation of the Sponsor's contributions, and allocations of the Plan's earnings, losses, and administrative expenses. Each participant's account is credited with the participant's contribution and the Sponsor's profit sharing contribution. Allocations of earnings, losses, and expenses are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of the lesser of 50% of their vested account balance, or \$50,000 reduced by the highest outstanding note balance in the prior twelve-month period. Participants may only have two (2) notes outstanding at any time. The notes are secured by the balance in the participant's account and bear interest ranging from 5.25% to 8.25% as of December 31, 2022 and 2021, which is commensurate with local prevailing rates as determined by the Plan Administrator and mature through October 2037. Note terms are specified for each note. Notes must be repaid within a five-year (5) period, unless the note is used to purchase a principal residence which must be repaid within a fifteen-year (15) period. Defaulted participant notes are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments

Upon normal retirement, retirement due to permanent disability, death, termination, or hardship, the participant or the participant's beneficiaries are eligible to receive their vested interest in funds either in the form of payments beginning at age 70 ½ or in a lump-sum payment. The Plan can distribute all participant balances under \$5,000 without the request of the participant.

Financial Hardship Distributions

The Plan allows hardship withdrawals in accordance with IRS regulations. Among other things, the withdrawal must be necessary in light of immediate and heavy financial needs of the participant and is limited to certain purposes.

PROFIT SHARING & 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Vesting

Employee contributions, rollovers, and actual earnings on all such contributions are fully vested at all times. Vesting of Employer match and profit sharing contributions and actual earnings thereon are based upon the participant's continuous years of service with the Employer as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeitures

Forfeitures of participants' nonvested accounts are used to pay administrative expenses, are applied against future Employer contributions or are allocated to participants. As of December 31, 2022 and 2021, there were \$75,065 and \$39,521 of forfeitures available, respectively. During the year ended December 31, 2022, \$98,782 were used to reduce Employer matching contributions.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of the Plan's financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and changes therein and, when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

HIRSCH PIPE & SUPPLY COMPANY
PROFIT SHARING & 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Management fees and operating expenses charged to the Plan for its investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for applicable investments.

Payment of Benefits

Benefits are recorded when paid.

Notes from Participants

Notes from participants are measured at their unpaid principal balance plus any accrued unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan document. For the year ended December 31, 2022, there were no deemed distributions. As of December 31, 2022 and 2021, there were no delinquent participant notes. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Administrative Expenses

Most administrative expenses for maintaining the Plan are paid by the Sponsor. Certain distribution and administrative fees are charged to the individual participant's account. Expenses paid by the Plan Sponsor are excluded from these financial statements.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Bank of America, N.A., the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for plan benefits as of December 31, 2022 and 2021, and the supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022; the related investment activity and interest income on notes from participants reflected in the statement of changes in net assets available for plan benefits for the year ended December 31, 2022.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under U.S. GAAP are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodology used in 2022 or 2021. Following is a description of the valuation methodologies used for assets measured at fair value:

<i>Cash and cash equivalents:</i>	Valued at the carrying value, which approximates fair value due to the short-term nature of such instruments.
<i>Registered investment companies:</i>	Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transfer at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total

NOTE 5 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Bank of America, N.A., the trustee of the Plan. The trustee of the Plan is considered a party-in-interest. The Plan Sponsor, Plan Administrator and the record keeper of the Plan, are also a party-in-interest with respect to the Plan. Fees paid by the Plan to the record keeper amounted to \$113,801 for the year ended December 31, 2022. Notes receivable from participants and the related interest income of \$72,950 are also considered related party transactions.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various securities. Investment securities, in general, are normally exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

NOTE 7 – FEDERAL INCOME TAX STATUS

Effective March 31, 2014, the Plan adopted a non-standardized form of a prototype profit sharing plan sponsored by Merrill Lynch Fenner & Smith, Inc. The prototype profit sharing plan has received an opinion letter from the IRS as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

U.S. GAAP requires the Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan's management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 – PLAN TERMINATION

Although it has not expressed such intent, the Sponsor, by action of the Plan Administrator, reserves the right, at any time, to amend or terminate the Plan. Upon termination of the Plan, further contributions to the Plan shall cease, all contributions would become 100% vested, and net assets available for plan benefits would be distributed to the participants based on each participant's interest in the Plan.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements at December 31, 2022 and 2021 to the Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for plan benefits per the financial statements	\$ 35,045,216	\$ 40,530,750
Employer contributions receivable	<u>(509,264)</u>	<u>(551,218)</u>
Net assets available per the Form 5500	<u>\$ 34,535,952</u>	<u>\$ 39,979,532</u>

The following is a reconciliation of the affected components of the changes in net assets available for plan benefits per the financial statements at December 31, 2022 to the Form 5500:

Total Employer contributions per the financial statements	\$ 1,164,685
Adjustment for prior year Employer contributions receivable	551,218
Adjustment for current year Employer contributions receivable	<u>(509,264)</u>
Total Employer contributions per the Form 5500	<u>\$ 1,206,639</u>

NOTE 10 – SUBSEQUENT EVENTS

The Plan Committee has evaluated all subsequent events through December 28, 2023, the date the financial statements were available to be issued.
