INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Zimmer Great Lakes 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements Zimmer Great Lakes 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and December 31, 2021, and the related statement of changes in net assets available for benefits for year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Zimmer Great Lakes 401(k) Retirement Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021 stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Zimmer Great Lakes 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Zimmer Great Lakes 401(k) Retirement Plan ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Zimmer Great Lakes 401(k) Retirement Plan, internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Zimmer Great Lakes 401(k) Retirement Plan ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H line 4i-Schedule of Assets (Held at End of Year) and Schedule H Line 4a-Schedule of Delinquent Participant Contributions as of December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures

in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ZIMMER GREAT LAKES 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022

NOTE A - DESCRIPTION OF THE PLAN

General - The following description of the CPD Distribution LLC, dba Zimmer Great Lakes (the “Company” and “Sponsor”) 401(k) Defined Contribution and Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

The Plan is a defined contribution plan covering all eligible full-time employees of the Company as defined in the Plan agreement. The Plan was originally adopted January 1, 1999 and was restated January 1, 2015. The Plan was also amended on June 25, 2015 and again on November 1, 2019 to include the acquired employees of other Zimmer segments. The Plan was restated again on September 18, 2020 when Zimmer Great Lakes ceased its relationship with John Hancock and transferred Plan Assets to Principal. The latest restatement also allowed for automatic enrollment features. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Administration - Principal Life Insurance Company (“Principal”) is the custodian of the Plan. The Company is the Plan sponsor and Plan administrator. The Plan administrator is responsible for carrying out the duties imposed under ERISA. Certain administrative functions are performed by officers or employees of the Company. However, no such officer or employee received compensation from the Plan. While certain administrative expenses are paid by the Plan, other administrative expenses are paid directly by the Company.

Contributions - Each year, participants may contribute a portion of their annual compensation, as defined in the Plan, up to the maximum amount allowed under the Internal Revenue Code. Roth elective deferrals are also permitted under the Plan. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts rolled over from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, pooled separate accounts and common/collective trusts as investment options for participants.

The Plan sponsor has adopted a Safe Harbor Matching Contribution formula wherein the sponsor matches 100% of the first 1% of employee deferrals, on a pay period basis. A discretionary amount may be contributed at the option of the plan sponsor. No discretionary contributions were made in 2022 and 2021.

ZIMMER GREAT LAKES 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022

NOTE A – DESCRIPTION OF THE PLAN - CONTINUED

Participant accounts - Each participant's account is credited with the participant's contributions, an allocation of the Company's contributions, the earnings or loss attributed to their specific investment option(s) and charged with an allocation of administrative expense. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan accounts are 100% participant directed.

Investment expenses charged by the mutual funds and the fixed account in which the Plan invests, are paid directly from the underlying assets of the respective investments and are included in the net appreciation (depreciation) in fair value of investments in the statement of changes in net assets available for benefits. The Company also pays some administration costs of the Plan.

Vesting - Participants are vested immediately in their salary deferral contributions and rollover contributions plus actual earnings thereon. In the event of termination due to death, total and permanent disability, normal or early retirement, participants shall become 100% vested in the Organization contribution portion of their account. For all other participants, vesting in the Organization contribution portion of their account is based on credited years of service, as defined by the Plan, according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants - Participants may borrow from their vested benefits a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance, as defined in the Plan agreement. Loan terms range from 1-5 years but may be longer if the loan is used to purchase a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates, currently ranging from 5.25% to 7.50%. Principal and interest payments are paid ratably through payroll deductions. There were outstanding loans receivable of \$179,339 and \$92,377 from participants as of December 31, 2022 and 2021, respectively.

ZIMMER GREAT LAKES 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2022

NOTE A – DESCRIPTION OF THE PLAN - CONTINUED

Payment of Benefits - On termination of service due to death, disability, normal or early retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan provides for involuntary distributions of vested account balances, as defined, equal to or less than \$5,000.

If there is not a timely election, vested account balances will be automatically rolled over to an IRA, if that portion is greater than \$1,000 and the participant has not reached age 65. If vested portion is less than \$1,000, it will be distributed in a lump sum. If the value exceeds \$5,000, the funds will remain in the Plan until a written request for distribution of either a lump sum, rollover, partial distribution, or installments is submitted by the participant. The participant may also defer receiving payments until age 70-1/2. Hardship distributions are permitted, under certain circumstances.

Forfeited accounts - Forfeited non-vested employer contributions may be used to pay Plan administrative expenses or reduce future matching or employer contributions to the Plan. Forfeitures subsequent to August 31, 2020 remain in participant-directed funds, segregated from participant accounts. The balance in the forfeiture accounts arose during the current and prior year. During 2021 forfeitures in these accounts totaled \$4,671. During 2022, \$4,671 of this amount was used to pay Plan administrative expenses. As of December 31, 2022, the balance in the forfeiture account was zero.

Unallocated accounts / Cash balance - Prior to September 1, 2020, forfeited amounts were contained in a cash account. At September 1, 2020 when the Plan transitioned to Principal, the cash balance as of August 31, 2020 was invested into a mutual fund, unallocated. The balance in the unallocated account arose during prior years. As of December 31, 2022, the balance in the unallocated account was \$26,864. This amount may be used during the ensuing Plan years to reduce future employer contributions or to pay plan expenses.

NOTES TO FINANCIAL STATEMENTS
December 31, 2022

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (“GAAP”) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable due from participants are recorded as distributions based upon the terms of the Plan document. As of December 31, 2022, and 2021, no allowance for credit losses has been recorded.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines the valuation policies utilizing information provided by the investment advisors and custodian.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTE C – CERTIFICATION

Certified information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Principal Life Insurance Company (“Principal”).

NOTE D – FAIR VALUE MEASUREMENT

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consist of three broad levels.

From highest priority which is unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

NOTE D – FAIR VALUE MEASUREMENT - CONTINUED

The Plan's investment assets at fair value, within the fair value hierarchy, as of December 31, 2022 and 2021 are as follows:

December 31, 2022		
<u>DESCRIPTION</u>	<u>Level 1</u>	<u>Total</u>
Common/Collective Trusts	4,944,482	4,944,482
Pooled Separate Accounts	124,636	124,636
Mutual Funds	882,623	882,623
Total Investments at Fair Value	5,951,741	5,951,741

December 31, 2021		
<u>DESCRIPTION</u>	<u>Level 1</u>	<u>Total</u>
Common/Collective Trusts	5,402,797	5,402,797
Pooled Separate Accounts	163,523	163,523
Mutual Funds	961,685	961,685
Total Investments at Fair Value	6,528,005	6,528,005

* In accordance with Subtopic 820-10, certain investments that were measured at contract value have not been classified in the fair value hierarchy (Insurance Company Fixed Account of \$79,268 and \$63,884 respectively). The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE E – INSURANCE COMPANY FIXED ACCOUNT

The Principal Fixed Account is a group annuity contract issued by Principal Life Insurance Company (Principal). Amounts contributed to the contract are deposited in Principal's general account. Payment obligations and the fulfillment of any guarantees specified in the group annuity contract are insurance claims supported by the full faith and credit of Principal. Principal periodically resets the interest rate credited on contract balances, subject to a minimum rate specified in the group annuity contract. The balance of this traditional investment contract was \$79,628 and \$63,884 as of December 31, 2022 and 2021, respectively.

This contract is considered to meet the fully benefit responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive contracts because that is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan.

NOTE E – INSURANCE COMPANY FIXED ACCOUNT-CONTINUED

Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause significant withdrawals from the Plan, or (4) the failure of the trust to qualify for an exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974, as amended (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the issuer and that would also limit the ability of the Plan to transact at contract value with participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Frequent exchanges between Plan investment options may harm long-term investors. The Plan's investment funds may have provisions to deter exchanges that may be abusive. These policies may require Principal to modify, restrict or suspend purchase or exchange privileges and/or impose redemption fees.

NOTE F – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE G – PARTY- IN-INTEREST TRANSACTIONS

Party-in-interest transactions include fees of \$36,157 paid for loan, distribution and other fees to Principal, custodian and third party administrator, and \$17,097 paid to CVHT, PLC for audit fees.

NOTE H – TAX STATUS

The Plan was originally adopted on January 1, 1999. On April 2, 2012 the Plan adopted a Volume Submitter Profit Sharing Plan which is preapproved by the Internal Revenue Service (“IRS”). The IRS has determined and informed the Plan sponsor by a letter dated August 8, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan had no uncertain tax positions at December 31, 2022. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE I – RISK AND UNCERTAINTIES

Financial instruments, which potentially subject the Plan to concentrations of credit risk, consist principally of participant notes receivable. Credit risk is limited due to limitations on the maximum number of loans a participant may have outstanding at any one time, as well as the remaining vested account balance which serves as collateral. The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE J – ROLLOVER RECEIVABLE

During the transition from John Hancock to Principal, a rollover of \$18,421 from a participant was not accounted for correctly. During 2021, the Plan Sponsor investigated further with Principal and John Hancock, and appropriately redeposited the funds to the participant's account in 2022.

NOTE K-NONEXEMPT TRANSACTIONS

As reported on the supplemental schedule of delinquent participant contributions (Schedule H, Line 4a), certain alary deferrals were not remitted to the Plan for the year ended December 31, 2020, (\$29,638) within the timeframe specified by the Department of Labor's Regulation 29 (CFR 2510.3-102), thus constituting nonexempt transactions between the Plan and the participating employers. The Plan remitted to the Trust on May 17, 202, approximately \$61 for lost earnings related to this delay.

For the years ended December 31, 2022 and 2021, the Company did not pay employer matching contributions for bonuses and did not withhold employee deferrals relating to these bonuses approximating \$8,000 and \$6,200 respectively. The Company has remitted in 2023 the 2021 matching and employee deferrals and will be remitting the 2022 employer matching and employee deferrals relating to these bonuses under the Internal Revenue Service Program "Correcting Employee Deferral Mistakes".

To Whom It May Concern:

Zimmer Great Lakes, 401(k) Retirement Plan is timely filing its Final Federal Form 5500 utilizing a valid extension on Form 5558 for the plan year ended December 31, 2022. However, the independent auditor has not been able to complete the necessary audit work in order to issue its audit report for the year. The auditor is currently working with the Plan Administrator and service providers to obtain the information necessary to issue its audit report.

Zimmer Great Lakes expects to have the audit report within the next 45 days and will file an amended Form 5500, with the audited financial statements attached, as soon as the report is issued.

Sincerely,

A handwritten signature in blue ink that reads 'Analisa Oleksy'.
