Quantum Real Estate Management LLC Employees 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the 2022 financial statements of Quantum Real Estate Management LLC Employees 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Quantum Real Estate Management LLC Employees 401(k) Profit Sharing Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Quantum Real Estate Management LLC Employees 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or

error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Quantum Real Estate Management LLC Employees 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Quantum Real Estate Management LLC Employees 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Quantum Real Estate Management LLC Employees 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2022 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) for the year ended December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Auditors' Report on the 2021 Financial Statements

The 2021 financial statements of Quantum Real Estate Management LLC Employees 401(k) Profit Sharing Plan were audited by E. Cohen and Company, CPAs, whose practice merged with Marcum LLP as of December 1, 2022. E. Cohen and Company, CPAs performed an audit of the 2021 financial statements of Quantum Real Estate Management LLC Employees 401(k) Profit Sharing Plan in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the 2021 audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. The report dated February 10, 2023, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). The report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

**QUANTUM REAL ESTATE MANAGEMENT LLC
EMPLOYEES 401(K) PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021**

1. Description of the Plan

The following description of the Quantum Real Estate Management LLC Employees 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan covering substantially all employees of Quantum Real Estate Management LLC (the Company) who have completed three months of service and are age 21 or older. Employees can enter the Plan on the first day of the month following the date the eligibility requirements are met. The Plan Administrator is responsible for oversight of the Plan. Mid Atlantic Trust Company served as the Plan's Custodian during the year ended December 31, 2022 and was appointed as the Trustee of the Plan during 2022. The President of the Company served as the Plan's Trustee during the year ended December 31, 2021, and through September 26, 2022. Mass Mutual Life Insurance Company (Mass Mutual) served as the Plan's Custodian during the year ended December 31, 2021. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective September 1, 2021, the Plan was amended and restated to bring the Plan into compliance with legislative and regulatory changes. Effective September 27, 2022, the Plan was amended and restated to reflect the change in the Plan's Trustee. There were no other changes in the Plan provisions.

Contributions

Eligible participants may elect to make salary reduction contributions up to 80% of their compensation, as determined by the Plan, subject to the limitations under the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans (rollover). The Company may also contribute a discretionary matching contribution or a profit-sharing contribution. The Company authorized matching contributions for 2022 and 2021 equal to 10% of the participant salary deferral contributions for those participants employed on the last day of the year. For the years ended December 31, 2022 and 2021, the Company match was \$32,084 and \$29,756, respectively. There were no profit-sharing contributions for the years ended December 31, 2022 and 2021.

Participant accounts

Each participant's account is participant-directed and is credited with the participant's contributions and earnings as well as allocations of the Company's discretionary matching contribution and Plan earnings/losses. Participant accounts are charged with an allocation of administrative expenses paid by the Plan or specific participant transactions, as defined. Allocations of investment earnings and losses are based on account balances as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**QUANTUM REAL ESTATE MANAGEMENT LLC
EMPLOYEES 401(K) PROFIT SHARING PLAN**

**NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021**

1. Description of the Plan (continued)

Vesting

Participants are immediately vested in their deferral contributions plus actual earnings thereon. Vesting in the Company's discretionary matching or profit-sharing contribution portion of their accounts plus actual earnings thereon is based on years of continuous service of at least 1,000 hours per year. A participant is 20% vested after two years of service is completed and vests an additional 20% per year until fully vested after six years.

Participant loans

Participant loans are not allowed under the Plan.

Payment of benefits

The Plan provides for distribution of a participant's vested account balance upon death, disability, separation of service, financial hardship, and retirement of participants who are 65 and older. Participants who are 59 ½ years or older are also allowed in-service withdrawals subject to the rules provided in the Plan document. Participants may elect to receive their payments in either a lump sum or installment payments. If the participant's vested account balance is less than \$5,000, the participant may receive a lump sum distribution of the vested account balance. If the participant does not make an election as to the method of distribution, account balances under \$1,000 will be distributed in a lump sum as soon as practicable. If the participant's vested account balance is between \$1,000 and \$5,000 and the participant does not make an election, the account is rolled over into an IRA account established and selected by the Plan Administrator.

Forfeitures

Forfeitures of non-vested Company contributions are used either to pay for Plan expenses or to reduce Company matching contributions in the subsequent year. During the years ended December 31, 2022 and 2021, \$5,655 and \$1,500 of plan expenses were paid from forfeitures, respectively. The balance of forfeited non-vested accounts was \$1,988 and \$3,035 at December 31, 2022 and 2021, respectively.

2. Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

2. Summary of significant accounting policies (continued)

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and the insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net realized and unrealized gains and losses include the Plan's gains and losses on investments bought and sold, as well as held during the year.

Participant contributions are recognized on the pay date to which they relate. Company matching contributions and discretionary contributions are recognized in the year as designated by the Board of Directors of the Company.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Investment-related expenses are included in the net appreciation (depreciation) of fair value of investments.

3. Certification of investment information

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, and investment interest and dividends for the years ended December 31, 2022 and 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Mid Atlantic Trust Company as of and for the year ended December 31, 2022, and by Talcott Resolution Life Insurance Company as of and for the year ended December 31, 2021. This information has not been audited by the Plan's independent auditors.

4. Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurement* (FASB ASC 820) are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable inputs and significant to the fair value measurement.

The asset and liability's fair value measurement level within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

4. Fair value measurements (continued)

Mutual funds: Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

Assets at Fair Value as of December 31, 2022				
	Total	Level 1	Level 2	Level 3
Mutual funds	\$2,524,970	\$2,524,970	\$ -	\$ -
Total assets in the fair value hierarchy	<u>\$2,524,970</u>	<u>\$2,524,970</u>	<u>\$ -</u>	<u>\$ -</u>
Assets at Fair Value as of December 31, 2021				
	Total	Level 1	Level 2	Level 3
Mutual funds	\$2,537,787	\$2,537,787	\$ -	\$ -
Total assets in the fair value hierarchy	<u>\$2,537,787</u>	<u>\$2,537,787</u>	<u>\$ -</u>	<u>\$ -</u>

5. Related-party and party-in-interest transactions

Parties-in-interest are defined under DOL's regulations as any fiduciary of the Plan, any party rendering services to the Plan, the Plan Sponsor, certain participants, and others. Fees paid by the Plan for the investment management services and administrative expenses qualify as party-in-interest transactions. During the year ended December 31, 2022, fees paid for investment management services and administrative expenses amounted to \$9,282 and \$13,719, respectively. During the year ended December 31, 2021, fees paid for administrative expenses amounted to \$5,097.

6. Plan termination

Although it has not expressed any intent to do so, the Company has the right to suspend or terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

7. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

8. Income tax status

Effective October 1, 2015, the Plan adopted a volume submitter plan sponsored by Massachusetts Mutual Life Insurance Company which received an opinion letter from the Internal Revenue Service (IRS), dated March 31, 2014, stating that the volume submitter document satisfies the applicable provisions of the Internal Revenue Code (IRC). Effective January 1, 2022, the Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan sponsored by Paychex Inc. which was intended to satisfy the tax qualification requirements under IRC 401(a) and was, therefore, not subject to tax under current income tax law. Paychex Inc. received an opinion letter from the IRS, dated August 31, 2020, stating that the form of the Non-Standardized Pre-Approved Profit Sharing Plan is acceptable for use by employers for the benefit of their employees under IRC code 401. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the requirements of the IRC.

The Plan has been amended since receiving the basic plan document; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken any uncertain tax positions that more than likely would not be sustained upon examination by a tax authority. Management has evaluated the Plan's tax positions and concluded that the Plan has taken no uncertain tax positions that require recognition or disclosure in the financial statements as of December 31, 2022 and 2021. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods pending or in progress.

10. Subsequent events

The Plan Administrator has evaluated events and transactions that occurred after December 31, 2022 through December 27, 2023, the date the financial statements were available to be issued. Except as noted below, there have been no material subsequent events that require recognition or disclosure in the financial statements or disclosure in the notes to the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.
