Independent Auditor's Report

To the Plan Administrator
Innovative Learning, Inc. 403(b) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Innovative Learning, Inc. 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Innovative Learning, Inc. 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Innovative Learning, Inc. 403(b) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Innovative Learning, Inc. 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Innovative Learning, Inc. 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Innovative Learning, Inc. 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report (Continued)

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of June 30, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INNOVATIVE LEARNING, INC. 403(b) RETIREMENT PLAN
Notes to Financial Statements
June 30, 2023 and 2022

Note 1: Description of Plan

The following description of Innovative Learning, Inc. 403(b) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution retirement plan established by Innovative Learning, Inc. (the Organization) under a prototype plan sponsored by Ascensus, Inc. The Plan was adopted on October 19, 1996 and restated on December 22, 2017. The Plan generally covers all employees of the Organization who work at least 20 hours per week during the Plan year. The Plan provides for employee voluntary contributions, employer discretionary contributions, and participant-directed investments. The Plan qualifies under Section 403(b) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Contributions: The Plan generally allows eligible employees to contribute an amount not to exceed the lesser of 100% of their compensation or an amount which, when added to other additions (exclusive of earnings) to the participant's account in any plan year, does not exceed the maximum limitation on annual additions to a participant's account under applicable provisions of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Contributions to a Roth account are also permitted. Participant contributions are made through payroll deductions. Each participant designates the amount of their contributions which are to be invested in one or more of the available investment fund options. Participants are also allowed to contribute distributions received from other qualified retirement plans. In the event the Plan fails to satisfy relevant nondiscrimination provisions, participant contributions may be returned to certain active participants and will also be included in the Plan's statements of net assets available for benefits as excess participant contributions payable.

Employer Contributions: The Plan allows matching contributions equal to a discretionary percentage determined annually by the Organization. For the years ended June 30, 2023 and 2022, the Organization elected to match 50% of each participant's eligible contributions. The discretionary contributions to the Plan are subject to the annual limitations set by the Internal Revenue Code.

Participant Accounts: Each participant's account is credited with the participant's contributions, employer contributions, and allocations of Plan earnings. Plan earnings and losses are allocated based on the account balances of the participants. The employer's matching contributions are allocated to the participants based on each participant's contributions to the Plan during the plan year. The benefit to which a participant is entitled is that which can be provided from the participant's vested account.

Vesting: Participants are immediately vested in all their contributions and investment earnings thereon. Vesting in the Organization's contributions plus earnings thereon is based on years of service. A participant becomes fully vested after five years of service. In the event of death, disability or retirement, a participant's interest is immediately fully vested in the employer contributions and related earnings under terms set forth in the Plan agreement.

Payment of Benefits: Upon termination of employment, a participant must elect to have plan benefits to which they are entitled distributed as a lump-sum payment or a direct rollover to another qualified plan. Hardship withdrawals by a participant are permitted under certain circumstances as defined by the Plan document.

INNOVATIVE LEARNING, INC. 403(b) RETIREMENT PLAN
Notes to Financial Statements
June 30, 2023 and 2022

Note 1: Description of Plan (Continued)

Forfeitures: The non-vested portion of a participant's account is forfeited upon termination of employment. Forfeitures are utilized to pay for employer matching contributions and the Plan's administrative expenses. For the years ended June 30, 2023 and 2022, forfeitures were used to pay \$7,622 and \$13,847 in plan expenses, respectively. As of June 30, 2023 and 2022, forfeited non-vested accounts were \$4,621 and \$3,841, respectively.

Note 2: Summary of Significant Accounting Policies

Following is a description of the significant accounting and reporting policies of the Plan:

Basis of Presentation: The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan trustees are responsible for oversight of the Plan, determine the appropriateness of the Plan's investment offerings and monitor investment performance. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions: Contributions from participants, including any related employer matching contributions, are recorded in the period the employer withholds payroll deductions from Plan participants.

Payment of Benefits: Benefit payments to participants are recorded when paid.

Reclassifications: Certain amounts previously reported in the June 30, 2022 financial statements have been reclassified to conform to the June 30, 2023 presentation.

Subsequent Events: In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through January 3, 2024, the date the financial statements were available to be issued. During the period from July 1, 2023 through January 3, 2024, the Plan did not have any material recognizable subsequent events.

Note 3: Fair Value Measurements

Generally Accepted Accounting Principles (GAAP) establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets.
 - Quoted prices for identical or similar assets or liabilities in inactive markets.
 - Inputs other than quoted prices that are observable for the assets or liability.
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest-Bearing Cash: The Plan classifies investments in a money market mutual fund as interest-bearing cash and is valued at cost, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

June 30, 2023 and 2022

Note 3: Fair Value Measurements (Continued)

There have been no changes in the methodologies used at June 30, 2023 and 2022.

In determining the appropriate levels, the Plan performs a detailed analysis of the assets and liabilities that are to be reported at fair value. The table below presents the assets and liabilities measured at fair value on a recurring basis by level within the hierarchy as of June 30, 2023 and 2022:

Assets at Fair Value as of June 30, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 14,636,496	\$ -0-	\$ -0-	\$ 14,636,496
Interest-bearing cash	1,407,279	-0-	-0-	1,407,279
Investments at Fair Value	<u>\$ 16,043,775</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$ 16,043,775</u>

Assets at Fair Value as of June 30, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 13,134,360	\$ -0-	\$ -0-	\$ 13,134,360
Interest-bearing cash	1,094,870	-0-	-0-	1,094,870
Investments at Fair Value	<u>\$ 14,229,230</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$ 14,229,230</u>

Note 4: Information Certified by the Plan Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, the plan administrator has instructed the Plan's independent auditors not to perform any auditing procedures with respect to information certified as complete and accurate by Ascensus Trust Company, the custodian of the Plan, as of June 30, 2023 and 2022, except to compare such information to information included in the Plan's financial statements and supplemental schedule.

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments in interest-bearing cash and mutual funds at June 30, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, dividends, and interest income for the years ended June 30, 2023 and 2022, was derived from information certified as complete and accurate by Ascensus Trust Company as of June 30, 2023 and 2022.

Note 5: Plan Termination

The Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to applicable statutory provisions. In the event of termination, all participants will become fully vested. The Organization has not indicated any intention to terminate the Plan.

INNOVATIVE LEARNING, INC. 403(b) RETIREMENT PLAN
Notes to Financial Statements
June 30, 2023 and 2022

Note 6: Income Tax Status

The Company has adopted a standardized form of a prototype 403(b) Plan sponsored by Ascensus Trust Company, the custodian of the Plan. The prototype plan has not received an opinion letter from the Internal Revenue Service (IRS). The plan administrator believes that the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code (IRC). The Plan's federal tax returns are subject to examination by the IRS generally for a period of three years after the returns are filed.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator does not believe that the Plan has any uncertain tax positions. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Note 7: Administrative Expenses

The Plan provides that the Organization, at its discretion, can agree to pay administrative expenses on behalf of the Plan. For the Plan years ended June 30, 2023 and 2022, the Organization paid Plan administrative expenses totaling \$16,000 and \$15,000, respectively. Expenses paid directly by the Organization are excluded from these financial statements.

Note 8: Reconciliation of Financial Statements to Form 5500

For the years ended June 30, 2023 and 2022, there were no significant differences between the financial statements of the Plan and the amounts reported on Schedule H (Financial Information) of Form 5500 (Annual Return/Report of Employee Benefit Plan) filed with the Internal Revenue Service.

Note 9: Parties in Interest

The Plan is responsible for various costs of administration which include custodial, recordkeeping, and investment management expenses under service agreements with Ascensus Trust Company (Ascensus). Administrative fees totaling \$11,774 and \$18,199 for the years ended June 30, 2023 and 2022, respectively, were charged by Ascensus to individual participants' accounts and are reported separately on the statement of changes in net assets available for benefits.

Certain officers and employees of the Plan sponsor are administrators of the plan acting as fiduciaries and as Trustees, are also participants in the Plan.

Note 10: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
