Report of Independent Auditor

To,
The Participants and the Plan Administrator,
Russellville Engineered Castings, Inc. 401(k) Plan
(Formerly known as Rane Light Metal Castings Inc. 401(k) Plan)

Scope and nature of the ERISA Section 103(a)(3)(C) audit of financial statements for the year ended June 30, 2022

We have performed an audit of the financial statements of Russellville Engineered Castings, Inc. 401(k) Plan (formerly known as Rane Light Metal Castings Inc. 401(k) Plan) (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (“2021 financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in note 3 to the 2021 financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the auditor’s responsibilities for the audit of the 2021 financial statements section—

- The amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C)

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the auditor’s responsibilities for the audit of the 2021 financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe

that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of 2021 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit of financial statements for the year ended June 30, 2022, section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial

statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

Supplemental schedules required by ERISA for the year ended June 30, 2022

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of assets held as of June 30, 2022, and Schedule H, Part IV, Line 4a – Schedule of delinquent contributions for the year ended June 30, 2022 (under supplemental information), are presented for purposes of additional analysis and not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the financial statements for the year ended June 30, 2021

We were engaged to audit the financial statements of the Plan for the year ended June 30, 2021. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated November 29, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the financial

statements for the year ended June 30, 2021, and (b) the form and content of the information included in the financial statements for the year ended June 30, 2021, other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

tax and Roth contributions by reducing their annual compensation by a specific dollar amount or by a specific percentage amount, subject to limitations under the IRC. Participants aged fifty and older are also allowed to make catch-up contributions. Annual participant contribution amounts are limited to \$19,500 of salary deferrals for the year ended June 30, 2022, and June 30, 2021 (\$26,000 in the Plan year ended June 30, 2022, and June 30, 2021, for participants aged 50 years and over). Participant contributions received during the year ended June 30, 2022, amounted to \$343,965, and for the year ended June 30, 2021, amounted to \$341,870.

The Company has an option – (formula 1) to make matching contributions to the Plan equal to a percentage of the elective contributions made by the participants to the Plan, the percentage being determined by the Company and allocated to participants at the end of the Plan year. The Company also has an option – (formula 2) to make non-elective contributions to the Plan. The non-elective contributions can be allocated to all employees eligible to participate in the Plan. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions, which may affect eligibility for benefits. The Company had engaged Newport Group, Inc. ("Newport") as a third-party administrator to assist in the administration of the Plan.

Newport served as the trustee of the Plan pursuant to the Plan agreement and has engaged John Hancock Insurance Company as the custodian for the Plan assets. The custodian received all contributions made under the Plan, held Plan assets, and paid benefits to participants as directed by the Plan Sponsor.

(Formerly known as Rane Light Metal Castings, Inc. 401(k) Plan)

Financial Statements

June 30, 2022, and June 30, 2021

Participant accounts

Each participant account is credited with pretax, rollover contributions made by the participant, Plan Sponsor contributions, and plan earnings. Earnings, expenses, and gains and losses on investments are allocated based on participant account balances, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested with respect to their contribution from their salaries and rollover contributions. However, participant vesting with respect to matching contributions and non-elective contributions made by the Plan Sponsor to their 401(k) Plan account balance is based on years of continuous service during which an employee completes at least 1,000 hours of service with the Company. The vesting percentages are as follows:

Years of vesting service	Vesting percentage – Formula - 1	Vesting percentage – Formula - 2
Less than 3	0%	20%
3	20%	40%
4	40%	60%
5	60%	80%
6	80%	100%
More than 6	100%	100%

Participants, however, are 100% vested in matching contributions and non-elective contributions if a participant is employed on or after early or normal retirement age, if the employment is terminated on account of the participant's death, or if the participant terminates employment as a result of becoming disabled.

Any portion of a participant's account balance attributable to rollover contributions from another qualified plan contributions is 100% vested at the time of contribution and not subject to forfeiture.

Investment options

Participants are required to make participant-directed allocations of their accounts among various investment options offered by the Plan.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by an irrevocable pledge and assignment of 50% of the balance in the participant's account or other security (e.g., principal residence) and bear interest at rates ranging from 3.25% to 5.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Benefit payments

In-service withdrawals of all or a portion of a participant's vested account balance may be made by a participant on incurring a hardship or after reaching age fifty-nine and a half. Upon normal retirement at age sixty-five, disability or death, the participant or beneficiary may receive the value of the account through a lump sum distribution.

Financial Statements

June 30, 2022, and June 30, 2021

Participants withdrawing from the Plan due to termination of employment, other than due to retirement, disability, or death, may receive the value of their vested account by transfer to another qualified plan or individual retirement account or through a lump sum distribution.

Distributions from the Plan will normally be subject to income taxes and, in certain circumstances, may also be subject to Internal Revenue Services (IRS) penalties unless the distribution is transferred to another qualified plan or individual retirement account.

A participant may elect to withdraw all or any part of rollover contributions, if any, while still employed without restriction.

Forfeitures

Non-vested account balances of terminated employees are forfeited after five consecutive one-year breaks in service, as defined in the plan agreement. Forfeitures of terminated employees' non-vested accounts are first used to restore participant's forfeitures, pay administrative expenses, and the remaining forfeitures are used to reduce employers' contribution, as defined in the plan agreement. As of June 30, 2022, and June 30, 2021, non-vested forfeited accounts and has totaled \$19,759 and \$37,267, respectively. Forfeitures of terminated employees' non-vested accounts totaled \$27,530 during the year ended June 30, 2022, and \$24,893 during the year ended June 30, 2021. During the years ended June 30, 2022, and June 30, 2021, employer contributions were reduced by \$45,038 and \$5,242, respectively, from forfeited non-vested accounts. During the years ended June 30, 2022, and June 30, 2021, trustee fees amounting to \$515 and \$3,300, respectively, were paid from forfeited non-vested accounts.

The financial statements of the Plan are prepared using the accrual method of accounting. Investments held by the Plan are reported at fair value, except for fully benefit-responsive investment contracts.

Use of estimates in financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and uncertainties

The Plan provided for various investment options in pooled separate accounts. The Plan's exposure to credit losses in the event of nonperformance of investments is limited to the carrying value of such investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. During the year ended June 30, 2022, and June 30, 2021, net (depreciation) appreciation in the value of investments totaled \$(1,198,966) and \$1,904,282, respectively. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, participant account balances and the statement of changes in net assets available for benefits.

Russellville Engineered Castings, Inc. 401(k) Plan
(Formerly known as Rane Light Metal Castings, Inc. 401(k) Plan)

Financial Statements

June 30, 2022, and June 30, 2021

Cash and cash equivalents

Cash consists of employer discretionary contributions and accrued interest received by the Plan and not allocated to participants until subsequent to the last day of the plan year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of June 30, 2022, and June 30, 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment valuation and income recognition

Investments in pooled separate accounts are valued at quoted market prices or contract value, wherever applicable, as provided by the custodian. Net (depreciation) appreciation in the value of pooled separate accounts represents the change in fair value or contract value, wherever applicable, during the year, including realized and unrealized gains and losses. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Basis of Fair Value Measurements

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurements date for identical, unrestricted assets or liabilities.

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable. Either directly or indirectly.

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurements and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements.

The Company evaluates its financial assets and liabilities subject to fair value measurements on a recurring basis to determine the appropriate level of classification as of each reporting period.

The following is a description of the valuation methods used for Plan assets measured at fair value at June 30, 2022, and June 30, 2021. There were no changes in the methods used at June 30, 2022, and June 30, 2021.

Pooled separate accounts: Valued at the net asset value (NAV) of units of shares held by the Plan. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant

transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the pooled separate accounts, the investment adviser reserves the right to temporarily delay withdrawal from the Plan in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 3: INFORMATION CERTIFIED BY JOHN HANCOCK INSURANCE COMPANY (“CUSTODIAN”) (UNAUDITED)

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to the following information certified by John Hancock Insurance Company the custodian, except for comparing such information certified by the John Hancock Insurance Company to information included in the Plan’s financial statements and supplemental information.

NOTE 5: FAIR VALUE MEASUREMENTS

The preceding method described in note 2 may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

In accordance with U.S. GAAP, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy.

Fair value of investments that calculate net asset value:

Withdrawals from stable value funds may be subject to certain restrictions imposed by the trustee of the underlying trust. In general, withdrawals permitted by the Plan are processed on the next business day. However, withdrawals may be delayed under certain circumstances, as defined in the stable value fund's governing documents. If a withdrawal is deemed to be a plan-initiated withdrawal, it is subject to a 12-month hold or a market value adjustment, as defined.

NOTE 7: INCOME TAX STATUS

For the year ended June 30, 2022, the Plan Sponsor entered into a non-standardized arrangement of the Newport Group Inc("Newport"), *Non-Standardized Pre-Approved Profit-Sharing Money Purchase* ("CODA"). Newport has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, which stated that the form of the non-standardized pre-approved profit-sharing plan and related trust was designed in accordance with applicable sections of the Internal Revenue Code (IRC). It is the opinion of the Plan trustee and the Plan's attorney that the Plan is in compliance with all applicable laws and regulations.

For the year ended June 30, 2021, the Plan Sponsor entered into a non-standardized adoption agreement of the *Huntington National Bank Prototype Non-Standardized Profit-Sharing Plan* (the prototype plan). The prototype plan received a favorable opinion letter from the IRS on *March 31, 2014*, which stated that the prototype plan and related trust were designed in accordance with applicable sections of the IRC. It is the opinion of the Plan trustees and the Plan's attorney that the Plan is in compliance with all applicable laws and regulations. The Plan has been amended since the latest opinion letter.

U.S. generally accepted accounting principles require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of June 30, 2022, and June 30, 2021, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8: PARTY-IN-INTEREST TRANSACTIONS

Newport served as the trustee of the Plan. John Hancock serves as the custodian of the Plan. The custodian has performed services for and sold products to and managed and maintained certain investments of the Plan for which fees are paid by the Plan. Newport Group, Inc. provided services to the plan as a third-party plan administrator for which administration fees are charged to the plan. The Company serves as a plan administrator and also provides certain accounting and investment management services to the Plan for which no fees are charged. Party-in-interest transactions also include loans made to participants.

Such transactions, while considered party-in-interest transactions under ERISA, are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 9: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 10: DELINQUENT PARTICIPANT CONTRIBUTIONS

During the years ended June 30, 2022, June 30, 2021, June 30, 2020, June 30, 2019, and June 30, 2018, employee withholdings totaling \$41,477, \$21,735, \$99,535, \$136,870, and \$76,802, respectively, including loan repayments were not remitted to the Plan on a timely basis due to unintentional delays. During the year 2023, the Company corrected a total of \$341,415, of delinquent contributions, by calculating and remitting lost earnings using DOL guidelines for late deposits. The Company is in the process of calculating and remitting the lost earnings on the remaining \$35,004, delays to the affected participant accounts, to compensate those participants using the DOL guidelines for late deposits.

NOTE 11: IMPACT OF COVID-19

In December 2020, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally. Global financial markets have experienced significant volatility resulting from the spread of COVID-19. The extent of the impact of COVID-19 on the Plan's net assets available for benefits, contributions, and benefit obligations will depend on future developments, including the duration and continued spread of the outbreak.

NOTE 12: CARES ACT PROVISIONS

On March 27, 2021, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act provided temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the Plan document.

Plan management has adopted certain relief provisions included in the CARES Act; however, its future effects on the Plan's net assets available for benefits and changes in net assets available for benefits are uncertain. The Plan will formally be amended by the end of the 2022 plan year.

NOTE 13: SUBSEQUENT EVENTS

The Plan evaluated all events and transactions that occurred after June 30, 2022, through the date the financial statements were available to be issued.

On September 14, 2023 the Plan Sponsor Rane Light Metal Castings Inc. was bought by Kentucky Industrial Holdings, Inc. Effective September 27, 2023 the Plan name changed plan from Rane Light Metal Castings, Inc. 401(k) Plan to Russellville Engineered Castings, Inc. 401(k) Plan. Effective October 1, 2023 the name of the Plan Sponsor was changed to Russellville Engineered Castings, Inc.
