INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
403(b) Thrift Plan for Employees of Visiting Nurse Association of Boston Foundation, Inc.
Southborough, MA

Scope and Nature of ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of 403(b) Thrift Plan for Employees of Visiting Nurse Association of Boston Foundation, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section -

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements related to above related to assets held by and certified to by qualified institutions agree to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Information Required by ERISA

The supplemental Schedule H - Line 4i - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

2021 Supplemental Information Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agree to or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan as of December 31, 2020, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Lincoln National Life Insurance Company, Brighthouse Life Insurance Company, and Mutual of America Life Insurance Company, the custodians of the Plan. Their report, dated October 13, 2021, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

403(b) THRIFT PLAN FOR EMPLOYEES OF VNA OF BOSTON FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF PLAN

The following description of 403(b) Thrift Plan for Employees of Visiting Nurse Association of Boston Foundation, Inc. (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a tax-exempt, defined contribution plan sponsored by Visiting Nurse Association of Boston, Inc. that was amended effective April 1, 2023 to be the Visiting Nurse Association of Boston, Inc. (the "Plan Sponsor"). The Plan was adopted on October 1, 1982 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Lincoln National Life Insurance Company and Mutual of America Life Insurance Company (collectively, the "custodians") are the custodians of the Plan.

Effective March 27, 2020, the Plan adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security Act, as amended (the "CARES Act"); however, the Plan has not yet been amended for the adoption of these provisions. The CARES Act provisions that were adopted are as follows:

- i. Participants that meet eligible CARES Act criteria can take penalty free withdrawals of up to \$100,000.
- ii. Participants will have the ability to repay the CARES Act distribution within three years, though repayment is not required.
- iii. The maximum loan amount is temporarily increased up to \$100,000.
- iv. Participants were allowed to defer loan repayments for one year.
- v. Required minimum distributions were suspended for 2020.

Effective January 1, 2022, the Plan was restated. There were no significant changes to the Plan as a result of the restatement.

Eligibility

The Plan is available to all employees for elective deferrals, except employees who are non-resident aliens. Employees may begin making elective deferrals to the Plan upon hire.

To be eligible for the employer match contributions an employee must complete two years with 1,000 hours of service in each year and attain age 21, with the exception of employees who are non-resident aliens, employees who normally work less than 18.75 hours per week, per diem employees and non-benefit eligible per visit employees.

Contributions

Eligible employees may make contributions to the Plan through salary deferrals up to 100% of eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The maximum amount that a participant may contribute is limited to provisions of the Internal Revenue Code (the "Code").

403(b) THRIFT PLAN FOR EMPLOYEES OF VNA OF BOSTON FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Contributions (continued)

Rollover contributions may be made by participants from certain other qualified plans described under certain sections of the IRC, as defined by the Plan.

For employees covered under the Massachusetts Nursing Association Contract (the "Contract"), the match contributions are made in accordance with the Contract. For the year ended December 31, 2021 the Contract match contribution was \$160,106.

For all other eligible employees, the Plan Sponsor provides a discretionary base contribution. The contribution is allocated among participants based on their compensation as a percentage of the total compensation of all eligible participants for the Plan year. For the period January 1, 2021 through December 31, 2021, the Plan Sponsor made a contribution equal to 2% of eligible participant compensation of \$45,725 that was paid in October 2022. The Plan Sponsor does not match age 50 catch-up deferrals.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of the (a) discretionary and matching contributions and (b) Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Upon enrollment in the Plan, participants direct the investment of their contributions into various investment options offered by the Plan.

Vesting

Participants who are included in the Contract are vested immediately in their elective deferrals and matching contributions and actual earnings thereon. Participants who are non-Contract employees that received matching contributions made prior to January 1, 2020 are fully vested in those contributions and related earnings and any Plan Sponsor contributions received subsequent to that date are vested as follows:

<u>Number of years of service</u>	<u>Vested percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Employees who incur a break in service of less than five years and return to employment retain credit for their pre-break years of service subject to certain rules. Participants become fully vested upon death, disability, or attaining normal retirement age.

403(b) THRIFT PLAN FOR EMPLOYEES OF VNA OF BOSTON FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF PLAN (CONTINUED)

Plan loans

Plan loans are available to participants through Lincoln National Life Insurance Company ("Lincoln") and Mutual of America Life Insurance Company ("Mutual of America"), subject to certain limitations. Plan loans are issued directly from the funds owned by Lincoln and Mutual of America, and loan proceeds are not removed from a participant's account.

However, a portion of a participant's account balance is reserved, or held in collateral, in the Mutual of America Interest Accumulation Account or Lincoln's Multifund Fixed Account to cover the outstanding loan amount for the period of time the loan is outstanding. Active loans are collateralized by 100% of the participant's account. If a participant ceases to make loan repayments there is no foreclosure on the loan until a distributable event occurs. Interest on the loan will continue to accrue and is compounded until the earlier of repayment of the loan by the participant or a distributable event occurs. When a distributable event occurs, an amount equal to the outstanding loan principal and interest are deducted from the account and the loan is repaid. Investments underlying defaulted loan balances are reflected in the statements of net assets available for benefits until a distribution event occurs.

At of December 31, 2021 and 2020, \$261,237 and \$421,555, respectively, was pledged as collateral for loans to participants from Lincoln and Mutual of America. Plan loans are not reflected in the statements of net assets available for benefits.

Payment of benefits

Participants may receive all or a portion of their account balance related to their pre-tax deferral if they terminate employment, become disabled, reach age 59-1/2, on account of financial hardship or reach normal retirement age (age 65), as defined in the Code. Participants may also receive all or a portion of their account balance related to employer contributions subject to the terms of the annuity contracts.

Benefits may be paid in the form of a lump sum, installment payments, or monthly annuity.

A participant who terminates employment with a vested account balance of \$5,000 or less and does not elect to receive a distribution, will receive an involuntary cash-out distribution. If a participant's vested account balance is greater than \$1,000 but less than \$5,000, the vested balance will be rolled over into an individual retirement account, unless otherwise directed by the participant. If a participant's vested account balance is less than \$1,000, a lump-sum distribution will be made.

Forfeited accounts

Forfeited nonvested accounts totaled \$2,789 and \$1,228 as of December 31, 2021 and 2020, respectively. These accounts may be used to pay administrative expenses or reduce future employer contributions. For the year ended December 31, 2021, no forfeitures were used to reduce employer matching contributions.

403(b) THRIFT PLAN FOR EMPLOYEES OF VNA OF BOSTON FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Change in basis of accounting

In previous years the Plan prepared its financial statements using the modified cash basis of accounting. In 2021 the accompanying financial statements were prepared on the accrual basis of accounting. There were no substantive differences between the modified cash basis and accrual basis.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment valuation and income recognition

The Plan's investments are held by the custodians, and are stated at fair value, except for the fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines its valuation policies utilizing information provided by the custodians.

The investment in pooled separate accounts is valued at the net asset value (the "NAV") per unit, as determined by the custodians at year-end. The NAV is used as the practical expedient to estimate fair value and is based on the fair value of the underlying investment held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Investments valued at NAV used as the practical expedient are excluded from the fair value hierarchy.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net appreciation (depreciation) in fair value includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Due to related plan

The amount due to related plan represents contributions remitted to the Plan that should have been deposited to the 401(k) Profit-Sharing Plan of VNA Care Network, Inc. (the "related plan"). Since these amounts are not assets of the Plan, they have been represented as due to related plan in the statements of net assets available for benefits.

Payment of benefits

Benefits are recorded when paid.

DECEMBER 31, 2021 AND 2020

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of benefit payments and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses charged directly to participants are included in "Net appreciation in fair value of investments."

Subsequent events

The Plan has evaluated subsequent events through January 4, 2024, the date that the accompanying financial statements were available to be issued. There were no material subsequent events that required disclosure under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 855, *Subsequent Events*.

NOTE 3. FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV (CONTINUED)

The investment strategy for the pooled separate accounts is to investment directly in the mutual fund for which the pooled separate account was created to hold. Therefore, the pooled separate account is intended to provide the same risks and rewards as the mutual fund in which it is directly invested.

NOTE 4. INFORMATION PREPARED AND CERTIFIED BY PLAN CUSTODIANS

The following table summarizes investment and other asset information regarding the Plan as of December 31, 2021 and 2020 and for the year ended December 31, 2021, included in the Plan's financial statements and supplemental schedule that were prepared by or derived from, information prepared by Lincoln and Mutual of America ("MOA"), as of and for the year ended December 31, 2021 and Lincoln, MOA and Brighthouse Life Insurance Company, as of and for the year ended December 31, 2020, the custodians of the Plan, without audit, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the custodians that such information is complete and accurate.

NOTE 5. GUARANTEED INVESTMENT CONTRACT

The Plan's investments at contract value consist of traditional fully benefit-responsive guaranteed investment contracts with Lincoln and Mutual of America. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The investment contract issuer is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan.

The guaranteed investment contracts do not permit termination prior to the scheduled maturity dates.

403(b) THRIFT PLAN FOR EMPLOYEES OF VNA OF BOSTON FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 5. GUARANTEED INVESTMENT CONTRACT (CONTINUED)

Certain events may limit the ability of the Plan to transact contract value with the issuers. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemptions from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

NOTE 6. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investment options consist of accounts managed by Lincoln and Mutual of America, the custodians, therefore, any transactions between the Plan and the custodians qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in "Net appreciation in fair value of investments." Transactions related to plan loans are also party-in-interest transactions.

NOTE 8. PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Plan Sponsor's contributions.

NOTE 9. TAX STATUS

The Plan is required to operate in conformity with the Code to maintain the exclusion from tax for Plan participants. Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

403(b) THRIFT PLAN FOR EMPLOYEES OF VNA OF BOSTON FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 9. TAX STATUS (CONTINUED)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

NOTE 10. OPERATIONAL ERRORS

During the Plan years ended December 31, 2021, 2020, and 2019, the Plan Sponsor failed to follow plan provisions and did not correctly withhold employee deferrals or calculate employer matching contributions for certain employees. The Plan Sponsor computed the missed withholdings and lost earnings on these deferrals and recorded an employer receivable of \$212,796 in the accompanying financial statements.

In addition, in prior years, certain employee deferrals relating to the 401(k) Profit-Sharing Plan of VNA Care Network, Inc. (the "related plan") were remitted in error to the Plan. The amounts due to the related plan totaled \$6,778 and \$27,469 at December 31, 2021 and 2020, respectively.
