## Independent Auditors' Report

The Plan Administrator  
Post & Schell, P.C. Profit Sharing Plan  
Philadelphia, Pennsylvania

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Post & Schell, P.C. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Post & Schell, P.C. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Post & Schell, P.C. Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Post & Schell, P.C. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Post & Schell, P.C. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# POST & SCHELL, P.C. PROFIT SHARING PLAN

## Notes to Financial Statements December 31, 2022 and 2021

---

### (1) Description of Plan

The following description of the Post & Schell, P.C. Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

#### *General*

The Plan is a defined contribution plan covering all employees of Post & Schell, P.C. (the Company or Plan Sponsor) who are at least 21 years old and who have completed one month of service for employee contributions. A participant is eligible for employer contributions after one year of service and attaining twenty-one years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees determines the Plan's valuation policies utilizing information provided by its investment advisors and custodians and monitors investment performance.

#### *Contributions*

The Plan provides that eligible employees may elect to make pre-tax contributions through regular payroll deductions of an amount up to 100% of their eligible compensation, as defined in the Plan. Participants' pre-tax contributions are limited to the maximum amount allowable under the Internal Revenue Code (IRC). Qualified distributions from other retirement plans can be contributed to and retained by the Plan as rollover contributions. Participants may also make after-tax Roth contributions.

The Plan provides that the employer may make a discretionary contribution allocated among participants in proportion to compensation. In addition, the employer may contribute any amounts necessary to provide the top-heavy minimum contribution.

#### *Participant Accounts*

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contribution, the Company's contribution and allocations of (a) the Company's discretionary contribution, if any, and (b) Plan earnings net of expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### (1) Description of Plan, Continued

##### *Vesting*

Participants are immediately vested in their voluntary contributions and rollover contributions plus actual earnings thereon. Vesting in the Company contributions, plus earnings thereon, is based on years of continuous service as follows:

| <u>Years of Service</u> | <u>Vested<br/>Percentage</u> |
|-------------------------|------------------------------|
| Less than 2             | 0%                           |
| 2 but less than 3       | 20%                          |
| 3 but less than 4       | 40%                          |
| 4 but less than 5       | 60%                          |
| 5 but less than 6       | 80%                          |
| 6 or more years         | 100%                         |

##### *Participant Investment Options*

Upon enrollment into the Plan, a participant may direct employee contributions in any increments to various registered investment companies and a stable value collective trust fund. Participants may redirect future contributions or transfer their existing account balances among investment options on a daily basis.

##### *Payments of Benefits*

Payments of benefits are generally in the form of lump-sum distributions. Upon attaining the normal retirement age (age 65), death, or permanent disability, a participant is entitled to 100% of his or her account balance. If employment is terminated for reasons other than normal retirement, death, or permanent disability, a participant is entitled to his or her vested account balance. The Plan allows for distributions in the event of financial hardship, subject to certain restrictions of the Plan.

### (1) Description of Plan, Continued

#### *Notes Receivable from Participants*

A participant may borrow from his or her account the lesser of \$50,000 reduced by the excess, if any, of the participant's highest outstanding loan balance from the Plan during the one-year period prior to the date of the loan or 50% of his or her vested account balance. The minimum amount of each loan is \$1,000. A participant may not have more than two loans outstanding at any time. The term of the loan cannot exceed five years, unless the loan is used to purchase a principal residence, whereby the term cannot exceed 15 years. Payments of principal and interest are required on a quarterly basis. The loans are collateralized by up to 50% of the vested balance in the participants' accounts and bear annual interest at a rate equal to the prime rate as published in the Wall Street Journal plus 1% on the date of the loan. Interest rates on loans outstanding range from 4.25% to 7.25%.

#### *Forfeitures*

The forfeited, nonvested portion of the participants' account balances is generally used to reduce future Company contributions. At December 31, 2022 and 2021, accumulated forfeited non-vested accounts totaled \$8,363 and \$15,494, respectively. Forfeitures used to reduce employer contributions during 2022 were \$91,370.

### (2) Summary of Significant Accounting Policies

#### *Basis of Accounting*

The financial statements of the Plan are prepared using the accrual basis of accounting.

#### *Use of Estimates*

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

#### *Investments Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

#### (2) Summary of Significant Accounting Policies, Continued

##### *Investments Valuation and Income Recognition, Continued*

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

##### *Payment of Benefits*

Benefits are recorded when paid.

##### *Expenses*

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to administration of notes receivable are charged directly to the participants' account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

##### *Subsequent Events*

The Plan has evaluated subsequent events through October 5, 2023, the date the financial statements were available to be issued.

#### (3) Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from the information certified as complete and accurate by Vanguard Fiduciary Trust Company (Vanguard), a qualified institution.

### (4) Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

### (4) Fair Value Measurements, Continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Registered investment companies:* Valued at the daily closing price as reported by the registered investment company. Registered investment companies held by the Plan are open end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

*Common collective trust:* Valued at the NAV of units of a collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements at December 31:

|                                                                  | Assets at Fair Value as of December 31, 2022 |         |         |                       |
|------------------------------------------------------------------|----------------------------------------------|---------|---------|-----------------------|
|                                                                  | Level 1                                      | Level 2 | Level 3 | Total                 |

|                                                                  | Assets at Fair Value as of December 31, 2021 |         |         |                       |

| Registered investment companies                                  | \$ 149,104,034                               | \$ -    | \$ -    | \$ 149,104,034        |
| Investments measured at net asset value as a practical expedient |                                              |         |         | 11,830,287            |
| Investments, at fair value                                       |                                              |         |         | <u>\$ 160,934,321</u> |

Certain investments that are measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statements of net assets available for benefits. There were no significant transfers among investment levels during the years ended December 31, 2022 and 2021.

## POST & SCHELL, P.C. PROFIT SHARING PLAN

### Notes to Financial Statements December 31, 2022 and 2021

---

#### (4) Fair Value Measurements, Continued

The following table summarizes investments measured at fair value based on the NAV per share as a practical expedient as of December 31:

| Investment                                  | 2022          | 2021          | Unfunded<br>Commitments | Redemption<br>Frequency | Redemption<br>Notice Period |
|---------------------------------------------|---------------|---------------|-------------------------|-------------------------|-----------------------------|
| Vanguard<br>Retirement<br>Savings Trust III | \$ 12,242,971 | \$ 11,830,287 | None                    | Daily                   | No defined<br>period        |

#### (5) Related Party Transactions and Party-In-Interest Transactions

Certain plan investments are shares of registered investment companies and a common collective trust managed by an affiliate of Vanguard. Vanguard is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. Fees incurred by the Plan for investment management services are included in net depreciation in fair value of the investment. The Company pays directly any other fees related to the Plan's operations.

#### (6) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in their account balances.

#### (7) Tax Status

The Plan obtained its latest determination letter on June 26, 2014, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. The plan administrator believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

#### **(8) Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
