INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
BFAIR 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the BFAIR 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the BFAIR 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended June 30, 2023 and 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are required to be independent of the BFAIR 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the BFAIR 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the BFAIR 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the BFAIR 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**BFAIR 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2023 AND 2022**

Note 1 - Description of Plan

The following description of the BFAIR 403(b) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established effective July 1, 2004 and covers virtually all employees of Berkshire Family and Individual Resources, Inc. (the "Agency"). All employees who regularly work over 20 hours per week may contribute pre-tax deferrals or after-tax Roth deferrals upon employment. Employees must be age twenty-one and have completed one year of service (1,000 hours), as defined in the Plan, in order to share in the Agency's discretionary matching contributions and any discretionary Agency contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute up to one hundred percent (100%) of their compensation subject to Internal Revenue Code (IRC) limitations. In addition, the Agency can elect to make a discretionary matching contribution and/or a discretionary Agency contribution. The Agency made discretionary matching contributions amounting to \$111,615 and \$90,517 for the years ended June 30, 2023 and 2022, respectively. There were no discretionary Agency contributions for the years ended June 30, 2023 or 2022.

The Agency's discretionary matching and discretionary Agency contributions are allocated to eligible participants based on a percentage of their compensation within the following categories: chief executive officer and chief operating officer, senior management, exempt employees not subject to a previous category and non-exempt not subject to a previous category.

Participants direct the investment of all contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with (a) the participant's contribution; (b) discretionary matching contribution and discretionary Agency contributions; (c) plan earnings; and (d) an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their deferred contributions. Vesting in the Agency's matching discretionary and discretionary Agency contributions (if any) are based on the following schedule:

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Note 2 - Summaries of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

**BFAIR 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2023 AND 2022**

Note 2 - continued

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America and DOL rules and regulations for reporting and disclosure under ERISA require the plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Accordingly, actual results could differ from those estimates.

Forfeitures

Forfeitures of non-vested participant accounts can be used to reduce the employer contribution or to pay administrative expenses of the Plan. At June 30, 2023 and 2022, \$2,379 and \$1,395, respectively, was being held in the forfeiture account. During the years ended June 30, 2023 and 2022, \$2,296 and \$5,529 of forfeitures were used to reduce the employer contribution to the Plan.

Payment of Benefits and Withdrawals

Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account, or installments over an agreed upon period of time. Benefits are recorded when paid.

Administrative Expenses

Administrative expenses consist of payments to Capital Bank and Trust Company for contract administration. The Agency pays all third-party administrator expenses charged by Angell Pension Group and certain other costs.

Note 3 - Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides a definition of fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

- Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access. The Plan has mutual fund investments which are Level 1 investments. The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission.

**BFAIR 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2023 AND 2022**

Note 3 - continued

The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. The Plan currently has no Level 2 investments.

Level 3: Inputs that are unobservable inputs for the asset or liability. The Plan has no Level 3 assets or liabilities.

Note 4 - **Information Certified by the Custodians**

The following is a summary of the unaudited information regarding the Plan as of June 30, 2023 and 2022, and for the years then ended, included in the Plan's financial statements and supplemental schedules, that were prepared by, or derived from information prepared by Capital Bank and Trust Company (Capital), the trustee of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained a certification from the trustee that such information is complete and accurate.

The following table presents the value of investments:

	June 30,	
	2023	2022
Investments at Fair Value		
Mutual funds -- Level 1	\$ 2,657,196	\$ 2,536,161
	Year ended	
	June 30,	
	2023	2022
Dividends	\$ 124,024	\$ 164,716
Net appreciation (depreciation)	\$ 128,279	\$ (519,813)

During the years ended June 30, 2023 and 2022, the Plan's net appreciation (depreciation) included gains and losses on investments bought and sold, as well as held during the year on participant directed investments in mutual funds.

Note 5 - **Party-In-Interest Transactions**

Plan investments are shares of mutual funds managed by Capital. Capital serves as the trustee and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for administrative services amounted to \$13,354 and \$9,424 for the years ended June 30, 2023 and 2022, respectively. Direct compensation was paid to Park Avenue Securities, LLC for investment advisory services in the amount of \$-0- and \$6,699 for the years ending June 30, 2022 and 2021, respectively. BFAIR 403(B) PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2023 AND 2022

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Agency has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 7 - Tax Status

The Plan terms have been drafted in reliance on the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71. The Plan administrator intends to apply for a determination letter on the Plan when the government opens such program. The Plan is required to operate in conformity with the Internal Revenue Code (the Code) to maintain its tax exemption. Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 8 - Subsequent Events

The Plan has evaluated subsequent events through December 5, 2023, the date on which the financial statements were available to be issued.
